PROXY STATEMENT

GENERAL INFORMATION CONCERNING THE EXTRAORDINARY GENERAL MEETING

General

The enclosed proxy is solicited on behalf of SkillSoft Public Limited Company (the Company) for use at the Extraordinary General Meeting of Shareholders to be held on March 23, 2006 at 40 Lower Baggot Street, Dublin 2, Ireland at 9:30 a.m., local time, or at any adjournment of the Extraordinary General Meeting, for the purposes set forth in the accompanying Notice of Extraordinary General Meeting.

These proxy solicitation materials were first mailed on or about [], 2006 to ADS holders as of the record date (described below) and to all ordinary shareholders entitled to attend and vote at the Extraordinary General Meeting as of such mailing date.

Record Date

Record Date for Holders of the Company's Ordinary Shares. Holders of the Company's ordinary shares, or Members, whose names appear in the Register of Members, maintained by the Company's registrars, Computershare Investor Services (Ireland) Limited, on the date the proxy statement is mailed to Members are entitled to receive notice of the Extraordinary General Meeting or any adjournment of the Extraordinary General Meeting. In addition, any person who is a Member on the date of the Extraordinary General Meeting is entitled to attend and vote at the Extraordinary General Meeting and any adjournment of the Extraordinary General Meeting.

Record Date for Holders of the Company's ADSs. The Bank of New York, as the registrar and transfer agent for the Company's ADSs, as well as the depositary for the Company's ordinary shares represented by the ADSs, has fixed the close of business on February 7, 2006, which date is the same as the record date set by the Company, as the record date for determining the ADS holders entitled to give instructions for the exercise of voting rights at the Extraordinary General Meeting and any adjournment of the Extraordinary General Meeting.

As of February 7, 2006, there were 107,345,618 of the Company's ordinary shares, par value 0.11 per share, issued and outstanding held by approximately 11 holders of record. As of February 7, 2006, there were 107,335,007 of the Company's ADSs issued and outstanding. Each ADS represents one ordinary share. The ADSs are quoted on the NASDAQ National Market under the symbol SKIL. As of February 7, 2006, there were approximately 300 registered holders of the Company's ADSs. The ordinary shares represented by the ADSs are owned of record by BNY (Nominees) Limited on behalf of The Bank of New York.

Quorum

To conduct business at the Extraordinary General Meeting, a quorum must be present. The Company's Articles of Association provide that the presence at an Extraordinary General Meeting, either in person or by proxy, of three persons entitled to vote at the Extraordinary General Meeting, and who together hold not less than one-third of the Company's voting share capital in issue, each being a Member or a proxy for a Member or a duly authorized representative of a corporate Member, constitutes a quorum for the transaction of

Table of Contents

business. The Company will treat ordinary shares represented by a properly signed and returned proxy (including holders of shares who abstain or do not vote with respect to one or more of the matters presented for a vote) as present at the meeting for the purposes of determining the presence or absence of a quorum for the transaction of business.

Voting of Ordinary Shares

Generally. Votes may be given at the Extraordinary General Meeting either personally or by proxy. Voting at the Extraordinary General Meeting will be by a show of hands, unless a poll (a count of the number of shares voted) is duly demanded. On a show of hands, each shareholder present in person and every proxy shall have one vote, provided, that no individual shall have more than one vote, and, on a poll, each shareholder shall have one vote for each share of which he, she or it is the holder. Where there is a tie, whether on a show of hands or on a poll, the chair of the meeting is entitled to a casting vote in addition to any other vote he may have. A poll may, subject to the provisions of the Irish Companies Acts, be demanded by: (i) the chair of the meeting; (ii) at least three Members present (in person or by proxy) having the right to attend and vote at the meeting; (iii) any Member or Members present (in person or by proxy) representing in the aggregate not less than one-tenth of the total voting rights of all the Members having the right to attend and vote at the meeting; or (iv) a Member or Members present (in person or by proxy) holding the Company's shares conferring the right to attend and vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right. On a poll, a person entitled to more than one vote need not use all his, her or its votes or cast all the votes he, she or it uses in the same way.

Proxies. Ordinary shares represented by a properly signed and dated proxy will be voted at the Extraordinary General Meeting in accordance with instructions indicated on the proxy. Proxies that are properly signed and dated but which do not contain voting instructions will be voted **FOR** approval of the proposal presented at the Extraordinary General Meeting as more fully described in this proxy statement. Subject to any limitations imposed by applicable law and regulations, a proxy holder may vote the proxy in his or her discretion as to any other matter which may properly come before the Extraordinary General Meeting.

Abstentions. The Company will count a properly executed proxy marked **ABSTAIN** as present for purposes of determining whether a quorum is present, but the shares represented by that proxy will not be voted at the Extraordinary General Meeting. An abstention will not have an effect on the vote for any of the proposal to be voted upon at the meeting. Shares held by shareholders who abstain from voting as to a particular matter, and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter and will also not be counted as votes cast on such matter. Accordingly, abstentions and broker non-votes will have no effect on the approval of the director remuneration program, the share purchase agreement or the amendment of the 2002 Plan.

Voting of ADSs

Generally. Holders of ADSs may not vote at the Extraordinary General Meeting. The Bank of New York has the right, subject to certain limitations set forth in the Deposit Agreements among the Company, The Bank of New York and the owners and beneficial owners of ADSs, to vote all of the Company's ordinary shares represented by ADSs. Under the terms of the Deposit Agreements, however, The Bank of New York is required to cast its votes with respect to those ordinary shares for which it receives instructions from the holders of the ADSs representing such ordinary shares in accordance with the instructions received.

Record Date; Notice of Extraordinary General Meeting. Under the terms of the Deposit Agreements, whenever The Bank of New York receives notice of any meeting of holders of ordinary shares, The Bank of New York is required to fix a record date, which shall be the record date, if any, established by the Company for the purpose of such meeting or, if different, as close to the date established by the Company as practicable, for the determination of the owners of ADSs who will be entitled to give instructions for the exercise of voting rights at any such meeting, subject to the provisions of the Deposit Agreements.

Table of Contents

Upon receipt of notice of any of the Company's meetings or the solicitation for consents or proxies from the holders of ordinary shares, The Bank of New York is required, if so requested in writing by the Company, as soon as practicable thereafter, to mail to all owners of ADSs a notice, the form of which shall be in the sole discretion of The Bank of New York, containing:

the information contained in the notice of meeting received by The Bank of New York from the Company;

a statement that the owners of ADSs at the close of business on a specified record date are entitled, subject to any applicable provisions of Irish law and of the Company's Articles of Association, to instruct The Bank of New York as to the exercise by The Bank of New York of the voting rights, if any, pertaining to the number of ordinary shares represented by their respective ADSs;

a statement that owners of ADSs who instruct The Bank of New York as to the exercise of their voting rights will be deemed to have instructed The Bank of New York or its authorized representative to call for a poll with respect to each matter for which instructions are given, subject to any applicable provisions of Irish law and of the Company's Articles of Association; and

a statement as to the manner in which the instructions may be given, including an express indication that instructions may be given or deemed to be given in accordance with the next paragraph, and if no instruction is received, to The Bank of New York to give a discretionary proxy to a person designated by the Company.

Voting of Ordinary Shares Underlying ADSs. Upon the written request of an owner of ADSs on the record date, received on or before the date established by The Bank of New York for the purpose of such meeting, The Bank of New York will, insofar as practicable, vote or cause to be voted the number of ordinary shares represented by such ADSs in accordance with the instructions set forth in such request. Accordingly, pursuant to the Company's Articles of Association and applicable Irish law, The Bank of New York will cause its authorized representative to attend each meeting of holders of ordinary shares and call for a poll as instructed for the purpose of effecting such vote. The Bank of New York will not vote or attempt to exercise the rights to vote that attach to the ordinary shares other than in accordance with such instructions or deemed instructions.

ADSs purchased by the Company or its subsidiaries under the current share purchase program cannot be voted.

Discretionary Proxies. The Deposit Agreements provide that if no instructions are received by The Bank of New York from any owner of ADSs with respect to any of the ordinary shares represented by the ADSs on or before the date established by The Bank of New York for the purpose of such meeting, The Bank of New York will deem such owner of ADSs to have instructed The Bank of New York to give a discretionary proxy to a person designated by the Company with respect to such ordinary shares and The Bank of New York will give a discretionary proxy to a person designated by the Company to vote such ordinary shares, under circumstances and according to the terms as set forth in the Deposit Agreements. However, no such instructions will be deemed given and no such discretionary proxy will be given if the Company notifies The Bank of New York, and the Company has agreed to provide such notice as promptly as practicable in writing, that the matter to be voted upon is one of the following:

a matter not submitted to shareholders by means of a proxy statement comparable to that specified in Schedule 14A promulgated by the U.S. Securities and Exchange Commission (the "SEC") pursuant to the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act");

the subject of a counter-solicitation, or is part of a proposal made by a shareholder which is being opposed by the Company's management (i.e., a contest);

relates to a merger or consolidation in limited circumstances involving a merger between the Company and a wholly-owned subsidiary;

involves rights of appraisal;

Table of Contents

authorizes mortgaging of property;

authorizes or creates indebtedness or increases the authorized amount of indebtedness;

authorizes or creates preference shares or increases the authorized amount of existing preference shares;

alters the terms or conditions of any shares then outstanding or existing indebtedness;

involves the waiver or modification of preemptive rights, except when the Company's proposal is to waive such rights for ordinary shares being offered under share option or purchase plans involving the additional issuance of not more than 5% of the Company's outstanding ordinary shares;

alters voting provisions or the proportionate voting power of a class of shares, or the number of its votes per share, except where cumulative voting provisions govern the number of votes per share for election of directors and the Company's proposal involves a change in the number of the Company's directors by not more than 10% or not more than one;

changes existing quorum requirements for shareholder meetings;

authorizes the issuance of ordinary shares, or options to purchase ordinary shares, to the Company's directors, officers, or employees in an amount which exceeds 5% of the total amount of the class outstanding. However, when a plan is amended to extend its duration, the Company shall factor into the calculation the number of ordinary shares that remain available for issuance, the number of ordinary shares subject to outstanding options and any ordinary shares being added. Should there be more than one plan being considered at the same meeting, all ordinary shares will be aggregated;

authorizes (a) a new profit-sharing or special remuneration plan, or a new retirement plan, the annual cost of which will amount to more than 10% of the Company's average annual income before taxes for the preceding five years, or (b) the amendment of an existing plan which would bring the annual costs above 10% of such average annual income before taxes. Should there be more than one plan being considered at the same meeting, all costs are aggregated; exceptions may be made in cases of: (1) retirement plans based on agreement or negotiations with labor unions or which have been or are to be approved by such unions, and (2) any related retirement plan for the benefit of non-union employees having terms substantially equivalent to the terms of such union-negotiated plan, which is submitted for action of shareholders concurrently with such union-negotiated plan;

changes the Company's purposes or powers to an extent which would permit the Company to change to a materially different line of business and the Company's stated intention is to make such a change;

authorizes the acquisition of property, assets or a company, where the consideration to be given has a fair value of 20% or more of the market value of the Company's previously outstanding ADSs and ordinary shares;

authorizes the sale or other disposition of 20% or more of the Company's assets or earning power as measured prior to the closing of the transactions;

authorizes a transaction which is not in the ordinary course of business in which an officer, director or substantial security holder of the Company has a direct or indirect interest; or

reduces the Company's earned surplus by 51% or more, or reduces earned surplus to an amount less than the aggregate of three years' ordinary share dividends computed at the current dividend rate.

Each proposal to be acted upon at the Extraordinary General Meeting is a matter for which The Bank of New York may deem that instruction has been given for The Bank of New York to give a discretionary proxy to a person designated by the Company where no instruction is received. Therefore, The Bank of New York will give a discretionary proxy to a person designated by the Company to vote such ordinary shares for which no instruction has been given.

Inspection of Reports. The Bank of New York will make available for inspection by the owners of ADSs at its Corporate Trust Office any reports and communications, including any proxy soliciting material, received from the Company, which are both (a) received by The Bank of New York as the holder of the ordinary shares and (b) generally made available to the holders of ordinary shares by the Company. The Bank of New York will also send to the owners of ADSs copies of such reports when furnished by the Company pursuant to the Deposit Agreements.

Expenses of Solicitation of Proxies

The Company will pay the cost of preparing, assembling, printing and mailing the proxy statement, the Notice of Extraordinary General Meeting of Shareholders and the enclosed form of proxy, as well as the cost of soliciting proxies relating to the Extraordinary General Meeting. Following the original mailing of the proxies and other solicitation materials, the Company will request banks, brokers, dealers and voting trustees or other nominees, including The Bank of New York in the case of the ADSs, to solicit their customers who are owners of shares listed of record and names of nominees, and will reimburse them for reasonable out-of-pocket expenses of such solicitation.

In addition to solicitation by mail, directors, officers and key employees of the Company may solicit proxies in person or by telephone, telegram or other means of communications. PROPOSAL ONE DIRECTORS ORDINARY REMUNERATION

General

Article 65 of the Company's Articles of Association provides that ordinary remuneration of directors for the ordinary non-executive services as directors shall be determined from time-to-time by an ordinary resolution of the Company and shall be divisible (unless such resolution shall provide otherwise) among the directors as they may agree or failing agreement equally except that any directors holding office for part of a financial year shall receive a pro-rated portion of such remuneration.

This resolution proposes to fix the annual fees to be paid to each director who is not an employee of the Company (each, an Outside Director) for their ordinary services as directors in each fiscal year of the Company. No such annual ordinary remuneration shall be paid to directors who are also employees of the Company for their services as directors. It is proposed that in each financial year beginning with the fiscal year ending January 31, 2007, subject to this resolution being passed, that each Outside Director will be paid cash compensation as follows:

each Outside Director will receive an annual retainer of \$30,000;

the chairman of each of the Audit Committee and the Compensation Committee will receive an additional annual retainer of \$7,500; and

each Outside Director who is a member of any standing committee (a Committee) of the Board will receive a payment of \$2,000 per Board or Committee meeting attended up to a maximum of six meetings per year (including by conference telephone) beyond regularly scheduled meetings (i.e. a maximum additional payment of \$12,000), provided that only one meeting payment would be made in the event such additional meetings of the Board and one or more Committee were held on the same day.

Any director who is in office only for a portion of a fiscal year shall only be entitled to be paid a pro-rated portion of such remuneration reflecting such portion of the year during which he held office.

Except as described below, the Company has not previously paid cash compensation to any director for services as a member of the Board or Committee, other than reimbursements for expenses in attending meetings of the Board and Committees. The Company will continue to reimburse directors for expenses in attending meetings of the Board and Committees. On December 22, 2005, the Company made a one-time payment in the amount of \$500,000 to Howard Edelstein, a director of the Company, in recognition of Mr. Edelstein's contributions in connection with the Company's settlements of its litigation with NETg and its securities class action litigation. As a result of the payment to Mr. Edelstein, the Board determined that Mr. Edelstein is no longer an independent director as defined under Rule 4200(a)(15) of the NASDAQ Stock Market, Inc. Marketplace Rules and the Board accepted Mr. Edelstein's resignation from each of the Compensation Committee and the Nominating and Corporate Governance Committee.

The Company will also continue to grant Outside Directors compensation in the form of share options for their services as members of the Board of Directors. On initial election to the Board of Directors, each new non-employee director receives an option to purchase 25,000 ordinary shares (the Initial Grant) under the Company's 2001 Outside Director Option Plan (the Director Plan). Each non-employee director who has been a director for at least six months receives an option to purchase 10,000 ordinary shares on January 1st of each year (the Annual Grant). All options granted under the Director Plan have a term of ten years and an exercise price equal to the fair market value of the ordinary shares on the date of grant. The Initial Grant becomes exercisable as to one-third of the shares subject to the option on each of the first three anniversaries of the date of grant, provided the non-employee director remains a director on such dates. The Annual Grant

Table of Contents

becomes fully exercisable on the first anniversary of the date of grant, provided the non-employee director remains a director on such date. Upon exercise of an option, the non-employee director may elect to receive his ordinary shares in the form of ADSs. After termination as a non-employee director, an optionee may exercise an option during the period set forth in his option agreement. If termination is due to death or disability, the option will remain exercisable for 12 months. In all other cases, the option will remain exercisable for a period of three months. However, an option may never be exercised later than the expiration of its ten-year term. A non-employee director may not transfer options granted under the Director Plan other than by will or the laws of descent and distribution. Only the non-employee director may exercise the option during his lifetime. In the event of the Company's merger with or into another corporation or a sale of substantially all of the Company's assets, the successor corporation may assume, or substitute a new option in place of, each option. If such assumption or substitution occurs, the options will continue to be exercisable according to the same terms as before the merger or sale of assets. Following such assumption or substitution, if a non-employee director is terminated other than by voluntary resignation, the option will become fully exercisable and generally will remain exercisable for a period of three months. If the outstanding options are not assumed or substituted for, the Board of Directors will notify each non-employee director that he has the right to exercise the option as to all shares subject to the option for a period of 30 days following the date of the notice. The option will terminate upon the expiration of the 30-day period. Unless terminated sooner, the Director Plan will automatically terminate in 2011. The Board of Directors has the authority to amend, alter, suspend, or discontinue the Director Plan, but no such action may adversely affect any grant previously made under the Director Plan.

On January 1, 2006, Messrs. Meagher, Edelstein, Gross and Krzywicki and Dr. von Prondzynski were each granted an option to purchase 10,000 ordinary shares at an exercise price of \$5.50 per share. Each option granted to a non-employee director was in accordance with the terms of the Director Plan described above.

The Company currently has five Outside Directors, each of whom is eligible for cash remuneration as described above: P. Howard Edelstein, Stewart K.P. Gross, James S. Krzywicki, William F. Meagher, Jr. and Dr. Ferdinand von Prondzynski. Mr. Meagher is the chair of the Audit Committee and Mr. Gross is the chair of the Compensation Committee. As such, Messrs. Meagher and Gross will each be eligible to receive the additional \$7,500 retainer described above.

PROPOSAL TWO SHARE PURCHASE

General

By special resolution passed at an Extraordinary General Meeting of the Company on September 24, 2004, the Company's shareholders approved a share purchase agreement by the Company with CBT (Technology) Limited, a subsidiary of the Company, SkillSoft Finance Limited (formerly known as CBT Finance Limited), a subsidiary of the Company, and Credit Suisse Securities (USA) LLC (Credit Suisse) relating to the right to purchase the Company's ADSs (the Current Agreement). Under the Current Agreement, the Company is entitled to nominate, in addition to CBT (Technology) Limited and SkillSoft Finance Limited, other subsidiaries to become entitled to purchase ADSs of the Company. By approving the Current Agreement, the Company's shareholders provided the Company's Board of Directors and the board of directors of each of CBT (Technology) Limited and SkillSoft Finance Limited, and of each of the other subsidiaries nominated by the Company (such subsidiaries, CBT (Technology) Limited and SkillSoft Finance Limited are referred to together as the Purchasing Subsidiaries and each a Purchasing Subsidiary) with the flexibility to respond quickly in making decisions to purchase the Company's ADSs without incurring undue delay or expense in order to seek shareholder approval prior to each share purchase. Since executing the Current Agreement, CBT (Technology) Limited has purchased under the Current Agreement 6,533,884 ADSs representing ordinary shares in the Company. The Current Agreement will expire by its terms on March 24, 2006.

The directors are now proposing that the current share purchase program be renewed and extended by the execution of a new share purchase agreement (the New Agreement) between the parties above on the same terms except that the maximum number of ADSs representing ordinary shares of the Company available for purchase under the New Agreement shall be 3,500,000 and that the authority for making purchases under the New Agreement shall endure until September 22, 2007.

Proposal Two Vote Required

The affirmative vote of the holders of three-fourths of the ordinary shares represented, in person or by proxy, and voting on the proposal at the Extraordinary General Meeting is required to approve the share purchase agreement. **Unless otherwise instructed, the proxies will vote FOR this resolution.**

Summary of the Share Purchase Proposal

From time to time, the Board of Directors of the Company (or a committee appointed by the Board constituted for that purpose), and/or the board of directors of one or more of the Purchasing Subsidiaries (or a committee of such board constituted for that purpose) may consider the purchase of ADSs (representing the Company's ordinary shares) to be beneficial to the Company, its shareholders and, in the case of a purchase by a Purchasing Subsidiary, that Purchasing Subsidiary, and a means of seeking to enhance shareholder value. In making such decisions, the Company's Board of Directors (or a committee as the case may be), and, in the case of a purchase by a Purchasing Subsidiary, the board of directors of that subsidiary (or a committee as the case may be), take into account various factors including the trading price of the Company's ADSs, the Board of Directors' assessment of the Company's business and prospects and the cash position of the company making the purchase.

The Companies Act, 1990 of Ireland, as amended (the 1990 Act) prohibits: (i) an Irish incorporated limited company from purchasing its own shares unless such purchases are made pursuant to either (1) market purchases or (2) off-market purchases made under a contract (contingent or otherwise) authorized in advance by a special resolution of the shareholders of the company; and (ii) a subsidiary of an Irish incorporated company from being a member of that holding company or from purchasing shares in that holding company unless such purchases are made pursuant to either (1) market purchases; or (2) off-market

Table of Contents

purchases made under a contract (contingent or otherwise) authorized in advance by a special resolution of the shareholders of both the subsidiary company and the holding company.

For Irish law purposes, market purchases are deemed to be made only through purchases on the Irish Stock Exchange. Since the securities of the Company are publicly traded only on the NASDAQ National Market and not the Irish Stock Exchange, the shares of the Company cannot be purchased by the Company or by any of the Purchasing Subsidiaries pursuant to market purchases but rather only through such shareholder approved off-market purchases.

Irish law only permits: (1) an Irish incorporated company to purchase its own shares only out of profits available for distribution to its members or the proceeds of a fresh issue of shares; and (2) a subsidiary company to purchase shares in its holding company only out of profits available for distribution to the subsidiary company's members.

Under the terms of the New Agreement and in accordance with the requirements of Rule 10b-18 promulgated under the Exchange Act, the Company and/or any or all of the Purchasing Subsidiaries may at any time and from time to time during the term of the New Agreement request Credit Suisse to purchase on the NASDAQ National Market or in privately negotiated transactions up to an aggregate of 3,500,000 outstanding ADSs (representing 3,500,000 outstanding ordinary shares of the Company) at a per share purchase price which complies with the requirements of Rule 10b-18 and to sell such securities to the company making such request at the price at which Credit Suisse purchased them. Any such purchases of ADSs may only be made by the Company and/or by any or all of the Purchasing Subsidiaries out of its own distributable profits.

In the event that there is any consolidation or sub division of ordinary shares or a bonus issue or scrip dividend of ordinary shares by the Company (a Share Adjustment) during the term of the new Agreement then in such event the said figure of 3,500,000 outstanding ADSs (representing 3,500,000 outstanding ordinary shares of the Company) referred to in the new Agreement shall be adjusted so that the new number of ADSs (representing ordinary shares) shall be determined as follows: 3,500,000 multiplied by the quotient arrived at by dividing the total number of ordinary shares in the capital of the Company in issue immediately after the Share Adjustment by the number of such shares in issue immediately before the Share Adjustment.

Under the terms of the New Agreement, the Company or Purchasing Subsidiary effecting the purchase agrees to pay a commission to Credit Suisse which shall not in any event exceed US\$0.05 per ADS purchased.

The provisions of the Current Agreement expire on March 24, 2006. The New Agreement will terminate on September 22, 2007 and will be governed by the State of New York.

Under Section 213 of the 1990 Act, a special resolution of the Members cannot be effected to authorize a share purchase proposal if any member holding shares to which the share purchase proposal relates votes such shares in favor of the share purchase proposal and the resolution would not have been passed if such members had not done so. At the date of the Extraordinary General Meeting, the Company and the Purchasing Subsidiaries will be unable to determine the exact number of ADSs that will be purchased by the Company and/or the Purchasing Subsidiaries, pursuant to the New Agreement, or holders of such ADSs, and therefore cannot exclude the holders of such shares from voting on the share purchase proposal. Because of this uncertainty, even if the share purchase proposal is approved by the requisite vote of the Company's shareholders, the maximum number of ADSs which the Company and the Purchasing Subsidiaries may actually purchase under the New Agreement will be reduced to an amount equal to the total number of excess votes cast in favor of the share purchase proposal if such amount is less than the figure of 3,500,000 ADSs. For this purpose, the excess votes are the total number of votes actually cast in favor of the proposal in excess of the total number of votes required to be cast to approve such proposal (i.e. 75% of the votes cast).

As required by Section 213 of the 1990 Act, a copy of the New Agreement will be made available for inspection by the Members at the registered office of the Company for the 21 days immediately preceding the date of the Extraordinary General Meeting and at the Extraordinary General Meeting itself.

Table of Contents

All ordinary shares (represented by ADSs) purchased by the Company pursuant to the New Agreement shall at the option of the Company's Board of Directors be either cancelled upon their purchase and in such case the Company will instruct the custodian, BNY (Nominees) Limited, to cancel the underlying ordinary share certificates or alternatively shall be held as treasury shares.

All ordinary shares (represented by ADSs) purchased by any Purchasing Subsidiary pursuant to the New Agreement shall, for the purposes of the consolidated accounts prepared by the Company, be treated in the same manner as treasury shares, the Purchasing Subsidiary shall not be entitled to exercise any voting rights in respect of any such shares and the profits of such Purchasing Subsidiary available for distribution will be restricted by an amount equal to the total cost of such shares for so long as such shares are held by such subsidiary.

Although it is the intention of the Company and (subject to the approval of their respective shareholders) the Purchasing Subsidiaries to purchase shares if the shareholders approve this resolution, there is no assurance that the Company or the Purchasing Subsidiaries will, in fact, make any share purchases or that they will purchase all of the 3,500,000 ordinary shares referred to in this proposal.

**PROPOSAL THREE AMENDMENT TO
THE 2002 SHARE OPTION PLAN**

General

On February 1, 2006, the Board of Directors adopted, subject to shareholder approval at the Extraordinary General Meeting, an amendment to the 2002 Plan increasing the total number of shares reserved for issuance by an additional 5,100,000 ordinary shares of 0.11 each (the Additional Shares) to an aggregate of 7,450,000 ordinary shares of 0.11 each. This amendment will enable the Company to continue to grant options to employees under the terms and conditions of the 2002 Plan. As of January 31, 2006, options to purchase 856,511 ordinary shares were outstanding under the 2002 Plan.

The amendment to reserve the Additional Shares for issuance under the 2002 Plan will not increase the total number of shares that the Company has reserved for future grants under its equity plans. Under other existing employee share plans (the Other Plans), the Company has in excess of 5,100,000 shares (the Available Share Pool) currently available for future issuance. For ease of administration, and to avoid the loss of available shares under the Other Plans, some of which will expire by their terms in the near future, the Company has decided to amend the Other Plans to reduce the Available Share Pool by an aggregate of 5,100,000 shares, contingent upon shareholder approval of this amendment to the 2002 Plan.

The Board of Directors believes that the amendment proposed is necessary for the Company to remain competitive in its ability to attract and retain highly skilled employees, including executive offers. Accordingly, the Board of Directors believes that the amendment is essential to the Company's continued growth and success. The Board of Directors believes that it is in the best interests of the Company and of the Company's shareholders to approve the amendment to the 2002 Plan so that the Company may continue to provide ongoing incentives to its employees.

Proposal Three Vote Required

The affirmative vote of the holders of a majority of the ordinary shares represented, in person or by proxy, and voting on the proposal at the Extraordinary General Meeting is required to approve the amendment to the 2002 Plan. **Unless otherwise instructed, the proxies will vote FOR this resolution.**

THAT YOU VOTE FOR PROPOSAL THREE**

Summary of the 2002 Plan

The 2002 Plan was adopted by the Company's Board of Directors in June 2002 and approved by its shareholders in July 2002. The 2002 Plan will terminate in June 2012, unless earlier terminated according to its terms.

The following summary of the 2002 Plan is qualified in its entirety by the specific language of the 2002 Plan, a copy of which is available to any shareholder upon written request to our Secretary.

Purpose of the 2002 Plan. The purpose of the 2002 Plan is to attract and retain the best available personnel for positions of responsibility with the Company and to provide an additional incentive to the Company's employees, including executive officers, and consultants.

Shares Subject to the 2002 Plan. Prior to this amendment, the Board of Directors had reserved a maximum of 2,350,000 of the Company's ordinary shares for issuance under the 2002 Plan. In the event that an option is not exercised within the periods set forth in an employee's option agreement after such employee's termination of employment, the ordinary shares covered by such option will revert to the pool.

Administration. The 2002 Plan may be administered by the Board of Directors or a committee appointed by the Board of Directors (as applicable, the Administrator).

Table of Contents

Eligibility. The 2002 Plan provides for the grant of nonstatutory share options to employees (including directors who are also employees), and consultants of the Company and any parent or subsidiary of the Company. Incentive share options may be granted under the 2002 Plan only to employees (including directors who are also employees) of the Company or any parent or subsidiary of the Company. The Administrator, in its discretion, selects the employees, directors and consultants to whom options may be granted, the time or times at which options will be granted, and the number of shares subject to each such option.

Terms and Conditions of the Options. Each option is evidenced by a share option agreement between the Company and the optionee, and is subject to the following additional terms and conditions:

(a) *Term.* The term of an incentive share option may be no more than ten (10) years from the date of grant; provided that in the case of an incentive share option granted to a 10% shareholder, the term of the option may be no more than five (5) years from the date of grant. No option may be exercised after the expiration of its term.

(b) *Exercise Price.* The Administrator determines the exercise price of options at the time the options are granted. The exercise price of an incentive share option may not be less than 100% of the fair market value of the ordinary shares on the date such option is granted; provided, however, the exercise price of an incentive share option granted to a 10% shareholder may not be less than 110% of the fair market value of the ordinary shares on the date such option is granted. The fair market value of the ordinary shares is generally determined with reference to the closing sale price for the ordinary shares (or the closing bid if no sales were reported) on the last market trading day prior to the date the option is granted.

(c) *Exercise.* The Administrator determines when options become exercisable and may, in its discretion, accelerate the vesting of any outstanding option. Share options granted under the 2002 Plan generally vest and become exercisable over four years.

(d) *Forms of Consideration.* Payment for ordinary shares issued upon exercise of an option may, depending on the terms of the option agreement, consist of cash, check, promissory note, cashless exercise, a reduction in the amount of any company liability to the optionee, any other form of consideration permitted by applicable law, or any combination thereof.

(e) *Termination of Employment.* If an optionee's employment or consulting relationship terminates for any reason (other than death or disability), then all options held by the optionee under the 2002 Plan expire on the earlier of (i) the date set forth in his or her option agreement, which is generally 30 days following such termination and (ii) the expiration date of such option. To the extent the option is exercisable at the time of such termination, the optionee may exercise all or part of his or her option at any time before termination.

(f) *Death or Disability.* If an optionee's employment or consulting relationship terminates as a result of death or disability, then all options held by such optionee under the 2002 Plan expire on the earlier of (i) the date set forth in his or her option agreement, which is generally 12 months following such termination or (ii) the expiration date of such option. The optionee (or the optionee's estate or the person who acquires the right to exercise the option by bequest or inheritance), may exercise all or part of the option at any time before such expiration to the extent that the option was exercisable at the time of such termination.

(g) *Nontransferability.* Options granted under the 2002 Plan are not transferable other than by will or the laws of descent and distribution, and may be exercised during the optionee's lifetime only by the optionee.

(h) *Other Provisions.* The share option agreement may contain other terms, provisions and conditions not inconsistent with the 2002 Plan as may be determined by the Administrator.

Table of Contents***Adjustments Upon Changes in Capitalization***

If the Company's shares change by reason of any share split, reverse share split, share dividend, combination, reclassification or other similar change in the Company's capital structure effected without the receipt of consideration, appropriate adjustments will be made in the number and class of shares of ordinary shares subject to the 2002 Plan, the number and class of shares of ordinary shares subject to any option outstanding under the 2002 Plan, and the exercise price of any such outstanding option.

In the event of a liquidation or dissolution of the Company, unexercised options will terminate. The Administrator may, in its discretion, provide that each optionee shall have the right to exercise all of the optionee's options including those not otherwise exercisable, until the date ten (10) days prior to the consummation of the liquidation or dissolution.

In connection with any merger, consolidation, acquisition of assets or like occurrence involving the Company, each outstanding option will be assumed or an equivalent option substituted by the successor corporation. If the successor corporation refuses to assume the options or to substitute substantially equivalent options the optionee will have the right to exercise the option as to all the optioned shares, including shares not otherwise exercisable. In such event, the Administrator will notify the optionee that the option is fully exercisable for fifteen (15) days from the date of such notice and that the option terminates upon expiration of such period.

Amendment of the 2002 Plan

The Board may amend, alter, suspend or terminate the 2002 Plan, or any part thereof, at any time and for any reason. However, the Company must obtain shareholder approval for any amendment to the 2002 Plan to the extent necessary to comply with Section 162(m) and Section 422 of the Internal Revenue Code, or any similar rule or statute. No such action by the Board of Directors or shareholders may impair any option previously granted under the 2002 Plan without the written consent of the optionee.

United States Federal Income Tax Consequences

The following is a summary of the United States federal income tax consequences that generally will arise with respect to options granted under the 2002 Plan. This summary is based on the federal tax laws in effect as of the date of this proxy statement. In addition, this summary assumes that all options are exempt from, or comply with, the rules under Section 409A of the Internal Revenue Code of 1986, as amended (the Code) regarding nonqualified deferred compensation. Changes to these laws could alter the tax consequences described below.

Incentive Share Options. A participant will not have income upon the grant of an incentive share option. Also, except as described below, a participant will not have income upon exercise of an incentive share option if the participant has been employed by the Company or its corporate parent or 50% or more-owned corporate subsidiary at all times beginning with the option grant date and ending three months before the date the participant exercises the option. If the participant has not been so employed during that time, then the participant will be taxed as described below under Nonstatutory Share Options. The exercise of an incentive share option may subject the participant to the alternative minimum tax.

A participant will have income upon the sale of the share acquired under an incentive share option at a profit (if sales proceeds exceed the exercise price). The type of income will depend on when the participant sells the share. If a participant sells the share more than two years after the option was granted and more than one year after the option was exercised, then all of the profit will be long-term capital gain. If a participant sells the share prior to satisfying these waiting periods, then the participant will have engaged in a disqualifying disposition and a portion of the profit will be ordinary income and a portion may be capital gain. This capital gain will be long-term if the participant has held the share for more than one year and otherwise will be short-term. If a participant sells the share at a loss (sales proceeds are less than the exercise price), then the loss will be a capital loss. This capital loss will be long-term if the participant held the share for more than one year and otherwise will be short-term.

Table of Contents

Nonstatutory Share Options. A participant will not have income upon the grant of a nonstatutory share option. A participant will have compensation income upon the exercise of a nonstatutory share option equal to the value of the share on the day the participant exercised the option less the exercise price. Upon sale of the share, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the share on the day the option was exercised. This capital gain or loss will be long-term if the participant has held the share for more than one year and otherwise will be short-term.

Tax Consequences to the Company. There will be no tax consequences to the Company except that the Company will be entitled to a deduction when a participant has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Code.

Plan Benefits

As of January 31, 2006, approximately 950 persons were eligible to receive options under the 2002 Plan, including the Company's five executive officers, its employee directors and consultants. The granting of options under the 2002 Plan is discretionary, and the Company cannot now determine the number or type of options to be granted in the future to any particular person or group.

On January 31, 2006, the last reported sale price of the Company's ADSs on the NASDAQ National Market was \$5.65.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information as of January 31, 2006 with respect to the beneficial ownership of the Company's ADSs by:

each person known to the Company to own beneficially more than 5% of the Company's outstanding securities;

each director;

the Company's chief executive officer and the four most highly compensated executive officers who were serving as executive officers on January 31, 2006 (the "Named Executive Officers"); and

the current directors and executive officers of the Company as a group.

The number of ADSs beneficially owned by each 5% shareholder, director or executive officer is determined under rules of the SEC. Under such rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and includes any ADSs representing the ordinary shares which the individual has the right to acquire on or before April 1, 2006 through the exercise of share options, and any reference in the footnotes to this table to shares subject to share options refers only to share options that are so exercisable. For purposes of computing the percentage of outstanding ADSs held by each person or entity, any shares which that person or entity has the right to acquire on or before April 1, 2006, are deemed to be outstanding but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, each person or entity has sole investment and voting power (or shares such power with his or her spouse) with respect to the shares set forth in the following table. The inclusion herein of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares.

As of January 31, 2006, the Company had approximately 107,342,670 ordinary shares outstanding. The shareholders of the Company may elect to hold their respective shares of the Company's outstanding securities in the form of ordinary shares or ADSs. In addition, holders of options to purchase ordinary shares of the Company may, upon exercise of their options, elect to receive such ordinary shares in the form of ADSs. The 5% shareholders, directors and executive officers identified in the following table hold their respective shares of the Company's outstanding securities in the form of ADSs.

(1) This table excludes an aggregate of 8,020,024 ordinary shares issuable upon exercise of options that we assumed in connection with our merger with SkillSoft Corporation. The weighted average exercise price of the excluded options is \$5.53 per share. We assumed the SkillSoft Corporation 1998 Stock Incentive Plan, 1999 Non-Employee Director Stock Option Plan, 2001 Stock Incentive Plan and Books24x7.com, Inc. 1994 Stock Option Plan only insofar as they related to options outstanding under the plans at the time of the merger, and we may not grant any future options under any of those plans.

Table of Contents

- (2) Excludes ordinary shares issuable under the Company's 2004 Employee Stock Purchase Plan in connection with the current offering period; such ordinary shares are included in column (c).
- (3) Consists of 564,513 ordinary shares reserved for issuance under the 2002 Plan, 1,734,500 ordinary shares reserved for issuance under the 2004 Employee Share Purchase Plan and 448,750 ordinary shares reserved for issuance under the 2001 Outside Director Plan.
- (4) Consists of 3,878,987 ordinary shares subject to outstanding options under our 1996 Supplemental Stock Plan (the 1996 Plan) and 88 ordinary shares subject to outstanding options under the Knowledge Well Group Limited 1998 Share Option Plan (the Knowledge Well Group 1998 Plan).
- (5) Consists of 6,120,372 ordinary shares available for issuance under the 1996 Plan, 2 ordinary shares available for issuance under the ForeFront Group, Inc. 1996 Non-Employee Director's Stock Option Plan (the ForeFront 1996 Director Plan), 342,823 ordinary shares available for issuance under the ForeFront Group, Inc. Amended and Restated 1996 Stock Option Plan (the ForeFront 1996 Plan), 624,462 ordinary shares available for issuance under the Knowledge Well Group 1998 Plan and 234,269 ordinary shares available for issuance under the Knowledge Well Limited 1998 Share Option Plan (the Knowledge Well 1998 Plan).

A description of the material terms of the 1996 Plan, the ForeFront 1996 Director Plan, the ForeFront 1996 Plan, the Knowledge Well 1998 Plan and the Knowledge Well Group 1998 Plan is included in Note 9 to the Company's consolidated financial statements filed as part of the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2005 and is incorporated herein by reference.

As discussed in Proposal No. Three Amendment to the 2002 Share Option Plan, the amendment to reserve 5,100,000 ordinary shares for issuance under the 2002 Plan will not increase the total number of shares that the Company has reserved for future grants under its equity plans. As indicated in the table above, under existing non-shareholder approved employee share plans, the Company has in excess of 5,100,000 shares currently available for future issuance. For ease of administration, and to avoid the loss of available shares under certain of the existing non-shareholder approved plans, some of which will expire by their terms in the near future, the Company has decided to amend such plans to reduce the number of shares available for future issuance under those plans by an aggregate of 5,100,000 shares, contingent upon shareholder approval of the amendment to the 2002 Plan. If the plans are amended, the 7,321,928 ordinary share figure in Column C of the table above will be reduced to 2,221,928 ordinary shares.

If an Option expires or becomes unexercisable without having been exercised in full, or is surrendered pursuant to an Option Exchange Program, the unpurchased Ordinary Shares which were subject thereto shall become available for future grant or sale under the Plan (unless the Plan has terminated); *provided*, however, that Ordinary Shares that have actually been issued under the Plan, upon exercise of an Option, shall not be returned to the Plan and shall not become available for future distribution under the Plan.

4. *Administration of the Plan*.

(a) *Procedure*.

(i) *Multiple Administrative Bodies*. Different Committees with respect to different groups of Service Providers may administer the Plan.

(ii) *Section 162(m)*. To the extent that the Administrator determines it to be desirable to qualify Options granted hereunder as performance-based compensation within the meaning of Section 162(m) of the Code, the Plan shall be administered by a Committee of two or more outside directors within the meaning of Section 162(m) of the Code.

(b) *Powers of the Administrator* . Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator shall have the authority, in its discretion:

- (i) to determine the Fair Market Value;
- (ii) to select the Service Providers to whom Options may be granted hereunder;
- (iii) to determine the number of Ordinary Shares to be covered by each Option granted hereunder;
- (iv) to approve forms of agreement for use under the Plan;
- (v) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Option granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Options may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Option or the Ordinary Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;
- (vi) to reduce the exercise price of any Option to the then current Fair Market Value if the Fair Market Value of the Ordinary Shares covered by such Option shall have declined since the date the Option was granted;
- (vii) to institute an Option Exchange Program;
- (viii) to construe and interpret the terms of the Plan and awards granted pursuant to the Plan;
- (ix) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws;
- (x) to modify or amend each Option (subject to Section 14(c) of the Plan), including the discretionary authority to extend the post-termination exercisability period of Options longer than is otherwise provided for in the Plan;
- (xi) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Option previously granted by the Administrator;
- (xii) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) *Effect of Administrator's Decision* . The Administrator's decisions, determinations and interpretations shall be final and binding on all Optionees and any other holders of Options.

5. *Eligibility* . Nonstatutory Share Options may be granted to Service Providers. Incentive Share Options may be granted only to Employees.

6. *Limitations* .

(a) Each Option shall be designated in the Option Agreement as either an Incentive Share Option or a Nonstatutory Share Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Ordinary Shares with respect to which Incentive Share Options are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Share Options. For purposes of this Section 6(a), Incentive Share Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Ordinary Shares shall be determined as of the time the Option with respect to such Ordinary Shares is granted.

(b) Neither the Plan nor any Option shall confer upon an Optionee any right with respect to continuing the Optionee's relationship as a Service Provider with the Company, nor shall they interfere in any way with the Optionee's right or the Company's right to terminate such relationship at any time, with or without cause.

(c) The following limitations shall apply to grants of Options:

(i) No Service Provider shall be granted, in any fiscal year of the Company, Options to purchase more than 1,500,000 Ordinary Shares.

(ii) In connection with his or her initial service, a Service Provider may be granted Options to purchase up to an additional 500,000 Ordinary Shares, which shall not count against the limit set forth in subsection (i) above.

(iii) The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 12.

(iv) If an Option is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 12), the cancelled Option will be counted against the limits set forth in subsections (i) and (ii) above. For this purpose, if the exercise price of an Option is reduced, the transaction will be treated as a cancellation of the Option and the grant of a new Option.

7. *Term of Plan* . Subject to Section 18 of the Plan, the Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of ten (10) years unless terminated earlier under Section 14 of the Plan.

8. *Term of Option* . The term of each Option shall be stated in the Option Agreement. In the case of an Incentive Share Option, the term shall be up to ten (10) years from the date of grant or such shorter term as may be provided in the Option Agreement. Moreover, in the case of an Incentive Share Option granted to an Optionee who, at the time the Incentive Share Option is granted, owns Ordinary Shares representing more than ten percent (10%) of the total combined voting power of all classes of Ordinary Shares of the Company or any Parent or Subsidiary, the term of the Incentive Share Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Option Agreement.

9. *Option Exercise Price and Consideration*.

(a) *Exercise Price* . The per share exercise price for the Ordinary Shares to be issued pursuant to exercise of an Option shall be determined by the Administrator, subject to the following:

(i) In the case of an Incentive Share Option

(A) granted to an Employee who, at the time the Incentive Share Option is granted, owns Ordinary Shares representing more than ten percent (10%) of the voting power of all classes of Ordinary Shares of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(B) granted to any Employee other than an Employee described in paragraph (A) immediately above, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Nonstatutory Share Option, the per Share exercise price shall be determined by the Administrator, subject to compliance with Applicable Laws. In the case of a Nonstatutory Share Option intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(iii) Notwithstanding the foregoing, Options may be granted with a per Share exercise price of less than 100% of the Fair Market Value per Share on the date of grant pursuant to a merger or other corporate transaction, subject to compliance with Applicable Laws.

(b) *Waiting Period and Exercise Dates* . At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions that must be satisfied before the Option may be exercised.

Table of Contents

(c) *Form of Consideration* . The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment, subject to compliance with Applicable Laws. In the case of an Incentive Share Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of:

- (i) cash;
- (ii) check;
- (iii) promissory note;
- (iv) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan;
- (v) a reduction in the amount of any Company liability to the Optionee, including any liability attributable to the Optionee's participation in any Company-sponsored deferred compensation program or arrangement;
- (vi) any combination of the foregoing methods of payment; or
- (vii) such other consideration and method of payment for the issuance of Ordinary Shares to the extent permitted by Applicable Laws.

10. *Exercise of Option* .

(a) *Procedure for Exercise; Rights as a Shareholder* . Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Option Agreement. Unless the Administrator provides otherwise, vesting of Options granted hereunder shall be suspended during any unpaid leave of absence. An Option may not be exercised for a fraction of a Share.

An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Ordinary Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of (i) the Optionee, or if requested by the Optionee, in the name of the Optionee and his or her spouse, or in the name of a third party as the Optionee's nominee to hold the shares issued on exercise on Optionee's behalf and subject to the Optionee's directions. Until the Ordinary Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a Shareholder shall exist with respect to the Optioned Shares, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Ordinary Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 12 of the Plan.

Exercising an Option in any manner shall decrease the number of Ordinary Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Ordinary Shares as to which the Option is exercised.

(b) *Termination of Relationship as a Service Provider* . If an Optionee ceases to be a Service Provider, other than upon the Optionee's death or Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Option Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for three (3) months following the Optionee's termination. If, on the date of termination, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the

Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Ordinary Shares covered by such Option shall revert to the Plan.

(c) *Disability of Optionee* . If an Optionee ceases to be a Service Provider as a result of the Optionee's Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Option Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for twelve (12) months following the Optionee's termination. If, on the date of termination, the Optionee is not vested as to his or her entire Option, the Ordinary Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Ordinary Shares covered by such Option shall revert to the Plan.

(d) *Death of Optionee* . If an Optionee dies while a Service Provider, the Option may be exercised following the Optionee's death within such period of time as is specified in the Option Agreement to the extent that the Option is vested on the date of death (but in no event may the option be exercised later than the expiration of the term of such Option as set forth in the Option Agreement), by the Optionee's designated beneficiary, provided such beneficiary has been designated prior to the Optionee's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Optionee, then such Option may be exercised by the personal representative of the Optionee's estate or by the person(s) to whom the Option is transferred pursuant to the Optionee's will or in accordance with the laws of descent and distribution. In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for twelve (12) months following the Optionee's death. If, at the time of death, the Optionee is not vested as to his or her entire Option, the Ordinary Shares covered by the unvested portion of the Option shall immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Ordinary Shares covered by such Option shall revert to the Plan.

11. *Transferability of Options* . Unless determined otherwise by the Administrator, an Option may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. If the Administrator makes an Option transferable, such Option shall contain such additional terms and conditions as the Administrator deems appropriate.

12. *Adjustments Upon Changes in Capitalization, Merger or Change in Control* .

(a) *Changes in Capitalization* . Subject to any required action by the shareholders of the Company, the number of Ordinary Shares that have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option and the number of Ordinary Shares as well as the price per Ordinary Shares covered by each such outstanding Option shall be proportionately adjusted for any increase or decrease in the number of issued Ordinary Shares resulting from a share split, reverse share split, share dividend, combination or reclassification of the Ordinary Shares, or any other increase or decrease in the number of issued Ordinary Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Ordinary Shares subject to an Option.

(b) *Dissolution or Liquidation* . In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Optionee as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for an Optionee to have the right to exercise his or her Option until ten (10) days prior to such transaction as to all of the Optioned Shares

covered thereby, including Ordinary Shares as to which the Option would not otherwise be exercisable. To the extent it has not been previously exercised, an Option will terminate immediately prior to the consummation of such proposed action.

(c) *Merger or Change in Control* . In the event of a merger of the Company with or into another corporation, or a Change in Control, each outstanding Option shall be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation.

In the event that the successor corporation refuses to assume or substitute for the Option, the Optionee shall fully vest in and have the right to exercise the Option as to all of the Optioned Shares, including Ordinary Shares as to which it would not otherwise be vested or exercisable. If an Option becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator shall notify the Optionee in writing or electronically that the Option shall be fully vested and exercisable for a period of fifteen (15) days from the date of such notice, and the Option shall terminate upon the expiration of such period.

For the purposes of this subsection (c), the Option shall be considered assumed if, following the merger or Change in Control, the option or right confers the right to purchase or receive, for each Share subject to the Option immediately prior to the merger or Change in Control, the consideration (whether Ordinary Shares, cash, or other securities or property) received in the merger or Change in Control by holders of Ordinary Shares for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Ordinary Shares); provided, however, that if such consideration received in the merger or Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option, for each Share subject to the Option, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Ordinary Shares in the merger or Change in Control.

13. *Date of Grant* . The date of grant of an Option shall be, for all purposes, the date on which the Administrator makes the determination granting such Option, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Optionee within a reasonable time after the date of such grant.

14. *Amendment and Termination of the Plan* .

(a) *Amendment and Termination* . The Board may at any time amend, alter, suspend or terminate the Plan.

(b) *Shareholder Approval* . The Company shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) *Effect of Amendment or Termination* . No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Optionee, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Options granted under the Plan prior to the date of such termination.

15. *Conditions Upon Issuance of Shares* .

(a) *Legal Compliance* . Ordinary Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Ordinary Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) *Investment Representations* . As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the

Table of Contents

Ordinary Shares are being purchased only for investment and without any present intention to sell or distribute such Ordinary Shares if, in the opinion of counsel for the Company, such a representation is required.

16. *Inability to Obtain Authority* . The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Ordinary Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Ordinary Shares as to which such requisite authority shall not have been obtained.

17. *Reservation of Shares* . The Company, during the term of this Plan, will at all times reserve and keep available such number of Ordinary Shares as shall be sufficient to satisfy the requirements of the Plan.

18. *Shareholder Approval* . The Plan shall be subject to approval by the shareholders of the Company within twelve (12) months after the date the Plan is adopted. Such shareholder approval shall be obtained in the manner and to the degree required under Applicable Laws.
