ITEM 7.01 Regulation FD Disclosure

On February 9, 2007, Nuance Communications, Inc. filed its Quarterly Report on Form 10-Q. The financial results presented for the period ended December 31, 2006, include approximately \$1.0 million of additional revenue associated with enterprise speech revenues than was reported in the Company's earnings announcement on February 5, 2007. The additional revenue was identified through the final process of verification that the company performs prior to filing its Quarterly Report on Form 10-Q. The adjustments resulted in a slight improvement to the company's net income and had no impact on earnings per share.
