Saga Communications, Inc.

Employee Stock Purchase Plan

We have audited the accompanying statements of financial condition of the Saga Communications, Inc. Employee Stock Purchase Plan as of December 31, 2006 and 2005, and the related statements of changes in plan equity for each of the three years in the period ended December 31, 2006. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Plan at December 31, 2006 and 2005, and the changes in its plan equity for each of the three years in the period ended December 31, 2006, in conformity with U.S. generally accepted accounting principles.

Employee Stock Purchase Plan
Notes to Financial Statements
December 31, 2006

1. Description of the Plan

In 1999, the stockholders of Saga Communications, Inc. (Company) approved the Saga Communications, Inc. Employee Stock Purchase Plan (Plan) under which 1,562,500 shares of the Company s Class A Common Stock could be sold to the Company s employees. The Plan was effective July 1, 1999, and employees were eligible to begin contributing on October 1, 1999.

Employees are eligible to participate in the Plan if they are employed by the Company or any of its subsidiaries and 1) customarily works a minimum of 20 hours per week and 2) have completed six consecutive months of service.

Each calendar year quarter, an offering is made to eligible employees to purchase Class A Common Stock of the Company under the provisions of the Plan. An eligible employee may elect to withhold 1 to 10 percent of their compensation (up to a limit of \$5,000 per year) to purchase shares of the Company s stock at a price equal to 85 percent of the fair value of the stock as of the last day of such quarter. The Company contributes the difference between the cost of shares acquired and the participant purchase price.

Participants are not permitted under the Plan to dispose of any shares purchased under the Plan within two years after the later of (i) the beginning of the quarter in which a deduction was taken from the participant s compensation for the purchase of the shares, or (ii) the expiration of one year from the date the shares were transferred to the participant. Participants are immediately 100% vested in the Plan.

Shares are purchased on the last day of each quarter. There were 23,340, 21,000 and 23,546 shares issued under the Plan during 2006, 2005 and 2004, respectively. There were 3,152, 9,164 and 8,188 shares disposed of during 2006, 2005 and 2004, respectively.

The Plan will terminate upon the issuance of 1,562,500 shares pursuant to the Plan, unless an extension of the Plan is approved by the stockholders of the Company. In any event, the Plan will not continue beyond December 31, 2008. The Company currently has no intention of terminating the Plan. As of December 31, 2006, 147,511 shares have been issued pursuant to the Plan and 1,414,989 shares are available for issuance under the Plan.

2. Significant Accounting Policies

Administrative Expenses

The costs of administering the Plan are borne by the Company unless and until a participant receives written notice of the impositions of administrative costs, with such costs to begin effective with the next quarterly offering as described in Note 1. Currently, the Company pays all administrative fees and costs associated with the Plan. Brokerage fees or commissions when Class A Common Stock is sold are paid by the participants.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Fair Value of Investment

The fair value of common stock held in the Plan is based on the quoted market price of the Company's Class A Common Stock on the last business day of the plan year.

3. Income Tax Status

The Plan qualifies as an employee stock purchase plan under Section 423 of the Internal Revenue Code (the Code) which allows employees to purchase stock at a discount without immediate taxation on the amount of the discount. The plan is not subject to the Employee Retirement Income Security Act of 1974 (ERISA).
