Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On August 27, 2008 Rockland Trust Company, the wholly-owned bank subsidiary of registrant Independent Bank Corp., announced that it had issued \$30 million of subordinated debt to USB Capital Resources Inc., a wholly-owned subsidiary of U.S. Bank National Association. Rockland Trust received the \$30 million derived from the sale of the subordinated debenture on August 27, 2008, and intends to use the proceeds to support growth and for other corporate purposes. A copy of the Press Release announcing the subordinated debt issuance is attached hereto as Exhibit 99.1.

The subordinated debenture, which qualifies as Tier 2 capital under Federal Deposit Insurance Corporation rules and regulations, was issued and sold through a private placement pursuant to a subordinated debt purchase agreement which includes customary representations, warranties, covenants, and events of default. The subordinated debenture matures on August 27, 2018. Rockland Trust may, with regulatory approval, redeem the subordinated debenture without penalty at any time on or after August 27, 2013. The interest rate for the subordinated debenture is fixed at 7.02% until August 27, 2013. After that point the subordinated debenture, if not redeemed, will have a floating interest rate determined, at the option of Rockland Trust, at either the then current: London Inter-Bank Offered Rate plus 3.00%; or, the U.S. Bank base rate plus 1.25%. A copy of the Subordinated Debenture Purchase Agreement is attached hereto as Exhibit 99.2.
