PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JUNE 17, 2004

The Board of Directors of Merrimac Industries, Inc. (the "Company") hereby solicits all holders of the Company's common stock, par value \$0.01 per share ("Common Stock"), to vote by proxy at the Annual Meeting of Stockholders, which will be held at the offices of the Company, 41 Fairfield Place, West Caldwell, New Jersey, on Thursday, June 17, 2004, at 10:00 a.m. (including any adjournment or postponement thereof, the "Meeting") for the purposes stated in the Notice of Annual Meeting of Stockholders. The shares represented by proxies will be voted at the Meeting in accordance with the instructions noted thereon.

A proxy may be revoked at any time before it is exercised by filing a written notice of revocation with the Secretary of the Company, by revocation in person at the Meeting or by presenting a later-dated proxy.

This Proxy Statement and the accompanying form of proxy are first being mailed to stockholders on or about May 3, 2004.

The cost of solicitation will be paid by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies from stockholders by telephone, letter, e-mail, facsimile or in person. The Company expects to pay compensation for the solicitation of proxies, plus expenses, to Georgeson Shareholder Communications Inc. to supply brokers and other persons with proxy materials for forwarding to beneficial holders of Common Stock. The Company expects to pay Georgeson a fee of approximately \$2,000 for its services. The Company will also reimburse such brokers and other persons for expenses related to the forwarding of this mailing.

VOTING RIGHTS; VOTES REQUIRED FOR APPROVAL

The Board fixed the close of business on April 23, 2004 as the record date for the determination of stockholders entitled to receive notice of, and to vote at, the Meeting. At the close of business on the record date, there were outstanding and entitled to vote 3,120,891 shares of Common Stock. Every stockholder of record on the record date is entitled to one vote for each share of Common Stock then held.

The presence of a quorum is required to conduct business at the Meeting. A quorum is defined as a majority of all the shares of Common Stock entitled to vote at the Meeting, present in person or by proxy. Votes withheld from director nominees and abstentions will be counted in determining whether a quorum has been reached.

The affirmative vote of (i) a plurality of the shares present at the Meeting and entitled to vote on the subject matter is required to elect the director nominees to the Board and (ii) a majority of the shares present at the Meeting and entitled to vote on the subject matter is required to ratify the selection of Ernst & Young LLP as the Company's independent auditors and any other business which may properly come before the Meeting.

Abstentions will have the same effect as negative votes, except that abstentions will have

no effect on the election of directors because directors are elected by a plurality of the votes cast. In accordance with the American Stock Exchange rules, brokers holding shares in street name for their customers may vote, in their discretion, on behalf of any customers who do not furnish voting instructions within 10 days of the Meeting on items such as the election of directors and ratification of the selection of auditors.

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of three classes of directors with overlapping three-year terms. One class of directors is to be elected each year with terms extending to the third succeeding annual meeting of stockholders. Each of the three nominees, Edward H. Cohen, Arthur A. Oliner and Harold J. Raveche, to be elected as a Class II director at the Meeting will hold office until the Company's annual meeting of stockholders in the year 2007 and until his successor has been duly elected and qualified. The three directors in Class I, Robert C. Cargo, Fernando L. Fernandez and Joel H. Goldberg, and the three directors in Class III, Mason N. Carter, Albert H. Cohen and David B. Miller, are serving terms expiring at the time of the Company's annual meetings in 2006 and 2005, respectively, and until their respective successors have been duly elected and qualified.

The persons named in the enclosed form of proxy will vote such proxy for the election to the Board of Directors as Class II directors of Edward H. Cohen, Arthur A. Oliner and Harold J. Raveche, each of whom has previously been elected as a director by the stockholders. Approval of the director nominees requires the affirmative vote of a plurality of the shares present at the Meeting and entitled to vote on the subject matter. If no contrary indication is made, proxies in the accompanying form are to be voted for such nominees or, in the event any such nominee is not a candidate or is unable to serve as a director at the time of the election (which is not now expected), for any nominee who shall be designated by the Board to fill such vacancy, unless the Board shall determine to reduce the number of directors pursuant to the By-laws. There is no arrangement or understanding between any director or nominee and any other person pursuant to which such person was selected as a director or nominee except for David B. Miller, who was elected pursuant to an agreement between the Company and DuPont Electronic Technologies ("DuPont") which was entered into on February 28, 2002.

The Company's Corporate Governance and Nominating Committee (including Dr. Goldberg, who is not being nominated for director at this time) has reviewed the qualifications and independence of the nominees for Class II director, and, with each member of the Committee abstaining as to himself, has recommended each of the other nominees for election to the Board.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During the fiscal year that ended on January 3, 2004, the Board of Directors held seven meetings, one of which was by telephone conference. Each director attended at least 75% of the total number of meetings of the Board and of the committees on which such director served during fiscal year 2003. All of the current directors attended the Company's 2003 Annual Meeting.

The Board of Directors has an Audit Committee, a Compensation Committee, a Management Committee, and a Corporate Governance and Nominating Committee.

The Audit Committee currently consists of Messrs. Cargo, A. Cohen, E. Cohen and Dr. Raveche. All current members of the Audit Committee are independent as defined in Section 121(A) of the American Stock Exchange listing standards. The Audit Committee's function is to provide assistance to the Board of Directors in fulfilling the Board's oversight functions relating to the quality and integrity of the Company's financial reports, monitor the Company's financial reporting process and internal control system, and perform such other activities consistent with its charter and the Company's By-laws as the Committee or the Board of Directors deems appropriate. The Audit Committee is directly responsible for the appointment, compensation and oversight of the work of the outside auditors (including resolution of disagreements between management of the Company and the outside auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Audit Committee must pre-approve all audit and non-audit services to be provided to the Company by its outside auditors. The Committee carries out all functions required by the American Stock Exchange, the Securities and Exchange Commission and the federal securities laws. The Board of Directors has determined that Mr. Cargo, in addition to being "independent," is an "audit committee financial expert" as defined in the SEC's Regulation S-B, Item 401(e)(2). Mr. Cargo's biographical information is on page 6. During fiscal year 2003, the Audit Committee held eleven meetings. The Audit Committee's charter is available on the Company's website at www.merrimacind.com.

Mr. A. Cohen, Dr. Goldberg and Mr. E. Cohen currently serve on the Compensation Committee. The purpose of the Compensation Committee is to oversee the responsibilities relating to compensation of the Company's executives and produce an annual report on executive compensation for inclusion in the Company's proxy statement. Since December 11, 2002, the Compensation Committee has administered the Company's equity based employee incentive benefit plans. During fiscal year 2003, the Compensation Committee held three

Edgar Filing: MERRIMAC INDUSTRIES INC - Form DEF 14A

meetings. The Compensation Committee's charter is available on the Company's website at www.merrimacind.com.

Messrs. Carter and A. Cohen currently serve on the Management Committee. The Management Committee recommends to the Board the strategic business direction for the Company and evaluates the impact of current changes in the business environment in which the Company operates. During fiscal year 2003, the Management Committee held two meetings.

On February 27, 2003, the Company formed a Corporate Governance and Nominating Committee of its Board of Directors comprised of Mr. E. Cohen, Dr. Goldberg and Dr. Raveche. Each of the members of the Corporate Governance and Nominating Committee is independent as defined in Section 121(A) of the American Stock Exchange listing standards. The Governance Committee is responsible for (1) identifying and recommending to the Board of Directors individuals qualified to become Board and Committee members; (2) maintaining that a majority of the Board of Directors members are independent and that all the members of the Audit, Compensation and Corporate Governance and Nominating Committees are independent as required; (3) developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company; and (4) addressing corporate governance issues and recommending proposals and actions for the Board's consideration. The Company has not paid any third party a fee to assist in the process of identifying and evaluating candidates for director. The Company has not received any nominees for director from a stockholder who owns more than 5% of the Company's voting stock. The Corporate Governance and Nominating Committee's charter is available on the Company's website at www.merrimacind.com.

NOMINATIONS FOR THE BOARD OF DIRECTORS

The Corporate Governance and Nominating Committee of the Board of Directors considers director candidates based upon a number of qualifications, including their independence, knowledge, judgment, integrity, character, leadership, skills, education, experience, financial literacy, standing in the community and ability to foster a diversity of backgrounds and views and to complement the Board's existing strengths. There are no specific, minimum or absolute criteria for Board membership. The Corporate Governance and Nominating Committee seeks directors who have demonstrated an ethical and successful career. This may include experience as a senior executive of a publicly traded corporation, management consultant, investment banker, partner at a law firm or registered public accounting firm, professor at an accredited law or business school, experience in the management or leadership of a substantial private business enterprise, educational, religious or not-for-profit organization, or such other professional experience as the Committee shall determine shall qualify an individual for Board service. The Committee shall make every effort to ensure that the Board and its Committees include at least the required number of independent directors, as that term is defined by applicable standards promulgated by the AMEX and/or the SEC. Backgrounds giving rise to actual or perceived conflicts of interest are undesirable. In addition, prior to recommending to the Board the nomination of an existing director for re-election to the Board, the Committee will consider and review such existing director's Board and Committee attendance and performance,

independence, experience, skills and the contributions that the existing

Edgar Filing: MERRIMAC INDUSTRIES INC - Form DEF 14A

director brings to the Board.

The Corporate Governance and Nominating Committee has not in the past relied upon third-party search firms to identify director candidates, but may employ such firms if so desired. The Corporate Governance and Nominating Committee generally relies upon, receives and reviews recommendations from a wide variety of contacts, including current executive officers, directors, community leaders, and stockholders as a source for potential director candidates. The Board retains complete independence in making nominations for election as a member of the Board.

The Corporate Governance and Nominating Committee will consider qualified director candidates recommended by stockholders in compliance with the Company's procedures and subject to applicable inquiries. The Corporate Governance and Nominating Committee's evaluation of candidates recommended by stockholders does not differ materially from its evaluation of candidates recommended from other sources. Any stockholder may recommend nominees for director at least 120 calendar days prior to the date on which the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, by writing to Robert V. Condon, Secretary, Merrimac Industries, Inc., 41 Fairfield Place, West Caldwell, NJ 07006, giving the name, company stockholdings and contact information of the person making the nomination, the candidate's name, address and other contact information, any direct or indirect holdings of the Company's securities by the nominee, any information required to be disclosed about directors under applicable securities laws and/or stock exchange requirements, information regarding related party transactions with the Company and/or the stockholder submitting the nomination, and any actual or potential conflicts of interest, the nominee's biographical data, current public and private company affiliations, employment history and qualifications and status as "independent" under applicable securities laws and/or stock exchange requirements. All of these communications will be reviewed by our Secretary and forwarded to Edward H. Cohen, the Chair of the Corporate Governance and Nominating Committee for further review and consideration in accordance with this policy. Any such stockholder recommendation should be accompanied by a written statement from the candidate of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Any stockholder or other interested party who desires to communicate with the Company's Chairman of the Board of Directors or any of the other members of the Board of Directors may do by writing to: Board of Directors, c/o Mason N. Carter, Chairman of the Board of Directors, Merrimac Industries, Inc., 41 Fairfield Place, West Caldwell, NJ 07006. Communications may be addressed to the Chairman of the Board, an individual director, a Board Committee, the non-management directors or the full Board. Communications received by the Chairman of the Board will then be distributed to the appropriate directors unless the Chairman determines that the information submitted constitutes "spam," pornographic material and/or communications offering to buy or sell products or services.

AUDIT COMMITTEE REPORT

The Company's management has the primary responsibility for the financial statements and the reporting process, including the Company's system of internal controls and disclosure controls and procedures. The outside auditors audit the Company's financial statements and express an opinion on the financial

Edgar Filing: MERRIMAC INDUSTRIES INC - Form DEF 14A

statements based on the audit. The Audit Committee oversees (i) the accounting and financial reporting processes of the Company and (ii) the audits of the financial statements of the Company on behalf of the Board of Directors. The Audit Committee operates under a written charter adopted by the Board, which charter was included as an appendix to the Company's Proxy Statement for the 2003 Annual Meeting.

We met and held discussions with management and Ernst & Young LLP, the Company's independent auditors for fiscal 2003. Management represented to us that the Company's consolidated financial statements for the fiscal year ended January 3, 2004 were prepared in accordance with generally accepted accounting principles. We reviewed and discussed the consolidated financial statements with both management and the independent auditors. We also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

We discussed with the independent auditors the overall scope and plans for the audit. We met with the independent auditors, with and without management, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

We discussed with the independent auditors the auditors' independence from the Company and management, including the independent auditors' written disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

Based on the foregoing, we recommended that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended January 3, 2004, for filing with the SEC.

Edgar Filing: MERRIMAC INDUSTRIES INC - Form DEF 14A

No options to purchase shares of Common Stock were exercised by any of the Named Executive Officers during fiscal year 2003.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

Mason N. Carter is subject to an employment agreement pursuant to which he will serve as President and Chief Executive Officer of the Company for a minimum annual salary of \$240,000. The initial term of the employment agreement ends on December 31, 2007 and automatically renews for successive one year periods thereafter unless terminated pursuant to the terms of the employment agreement. If, within 12 months after a change-in-control of the Company, Mr. Carter resigns for "good reason" (as defined in the employment agreement) or is dismissed without "cause" (as defined in the employment agreement), the Company will pay Mr. Carter the greater of (a) his 24-month salary and benefits (including bonus) or (b) his salary and benefits from the date of his resignation or termination to the end of the then current term of the employment agreement. The employment agreement also provides that Mr. Carter will receive an annual special bonus on August 31 in each of the years 2001, 2002, 2003, 2004 and 2005, in the form of forgiveness of 20% of the principal and the accrued interest (grossed up for income taxes) on a \$280,000 loan the Company made to Mr. Carter on August 31, 2000, in connection with an amendment to Mr. Carter's employment agreement. See "Certain Relationships and Related Transactions" below.

12

In September 2003, the Company replaced its existing severance agreements with each of the Named Executive Officers (other than Mr. Carter) with a new Plan. The Plan provides, among other things, that if an executive is terminated by the Company without "cause" or the executive resigns for "good reason" (as such terms are defined in the Plan) within one year following a "change in control" (as defined therein) the Company is obligated to pay to the executive officer over a 12-month period one or two times (as determined by the Compensation Committee) his "Annual Base Salary" (as defined therein) and to continue to provide health insurance benefits for two years.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In May 1998, the Company sold 22,000 shares of Common Stock to Mason N. Carter, Chairman, President and Chief Executive Officer of the Company, at a price of \$11.60 per share, which approximated the average closing price of the Company's Common Stock during the first quarter of fiscal year 1998. The Company lent Mr. Carter \$255,000 in connection with the purchase of these shares and combined that loan with a prior loan to Mr. Carter in the amount of \$105,000. The resulting total principal amount of \$360,000 was payable May 4, 2003, and bore interest at a variable interest rate based on the prime rate of the Company's lending bank. This loan was further amended on July 29, 2002. Accrued interest of \$40,000 was added to the principal, bringing the new principal amount of the loan to \$400,000, the due date was extended to May 4, 2006, and interest (at the same rate as was previously applicable) is now payable monthly. Mr. Carter has pledged 33,000 shares of Common Stock as security for this loan, which is a full-recourse loan.

On August 31, 2000, in connection with an amendment of Mr. Carter's

Edgar Filing: MERRIMAC INDUSTRIES INC - Form DEF 14A

employment agreement, the Company loaned Mr. Carter an additional \$280,000. Interest on the loan varies and is based on the prime rate of the Company's lending bank, payable in accordance with Mr. Carter's employment agreement. Each year the Company is required to forgive 20% of the amount due under this loan and the accrued interest thereon (grossed up for income taxes). During 2002, the Company forgave \$56,000 of principal and \$11,586 of accrued interest and paid \$11,000 for a tax gross-up benefit. During 2003, the Company forgave \$56,000 of principal and \$6,800 of accrued interest and paid \$8,300 for a tax gross-up benefit. The Company projects that \$56,000 of principal and \$4,000 of interest will be forgiven and a tax gross-up benefit will be paid, in fiscal year 2004.

During fiscal years 2003 and 2002, Mr. A. Cohen was paid \$12,000 and \$36,000, respectively, for providing financial consulting services to the Company. This consulting fee was terminated as of April 30, 2003.

During each of fiscal year 2003 and 2002, Dr. Oliner was paid \$36,000 for providing technology-related consulting services to the Company.

During fiscal years 2003 and 2002, the Company retained Career Consultants, Inc. and SK Associates to perform executive searches and to provide outplacement services to the Company and paid those companies \$40,000 in 2003 and \$24,000 in 2002. Dr. Goldberg is the Chairman and Chief Executive Officer of these companies.

13

During fiscal years 2003 and 2002, DuPont was paid \$109,000 and \$36,000, respectively, for providing technological and marketing related personnel and services on a cost-sharing basis to the Company.

During fiscal years 2003 and 2002, the Company's General Counsel, Katten Muchin Zavis Rosenman, was paid \$359,000 and \$372,000, respectively, for providing legal services to the Company. Mr. E. Cohen is of counsel to Katten Muchin Zavis Rosenman but does not share in any fees paid by the Company to Katten Muchin Zavis Rosenman.

On April 7, 2000, the Company entered into a stock purchase and exclusivity agreement with Ericsson Microelectronics, A.B. ("Ericsson") and Ericsson Holding International, B.V. ("EHI") pursuant to which the Company sold to EHI 375,000 shares of Common Stock, representing approximately 17.5% of the Company's outstanding Common Stock after giving effect to the sale, for an aggregate purchase price of \$3,375,000. The stock purchase and exclusivity agreement also provides that the Company will design, develop and produce exclusively for Ericsson certain Multi-Mix(R) products that incorporate active RF power transistors for use in certain wireless basestation applications, television transmitters and certain other applications that are intended for Bluetooth transceivers.

On October 26, 2000, the Company sold to a group of investors led by Adam Smith Investment Partners, L.P. and certain of its affiliates (the "Adam Smith Investors"), EHI and three members of the board of directors of the Company units at a price of \$12.80 per unit, each unit consisting of one share of Common Stock and one warrant with an exercise price of \$21.25 which expired on October 26, 2003. The Adam Smith Investors purchased 240,000 units, EHI purchased 100,000 units and Messrs. E. Cohen, Goldberg and Fuller (a former director of the Company) purchased 5,000, 11,000 and 4,000 units, respectively, for an aggregate purchase price of \$4,608,000. The Common Stock portion of the units represented an aggregate of approximately 14% of the outstanding Common Stock of

Edgar Filing: MERRIMAC INDUSTRIES INC - Form DEF 14A

the Company after giving effect to the sales.

On October 1, 2002, EHI completed the sale of most of its microelectronics business to Infineon Technologies AG ("Infineon"). As part of this transaction, EHI transferred to Infineon 475,000 shares of the Company's Common Stock and the right to acquire 119,380 shares of the Company's Common Stock pursuant to the warrants issued in October 2000, which expired on October 26, 2003, and EHI assigned to Infineon its rights in the various agreements between EHI and the Company, which were modified in certain respects pursuant to an agreement with Infineon.

On February 28, 2002, the Company sold to DuPont 528,413 shares of Common Stock, approximately 16.6% of the outstanding Common Stock of the Company after giving effect to the sale, for an aggregate purchase price of \$5,284,130. The Company and DuPont have also agreed to work together to better understand the dynamics of the markets for high-frequency electronic components and modules. As part of this transaction, David B. Miller, Vice President and General Manager of DuPont Electronic Technologies, was appointed to the Company's Board of Directors.

14

As a result of the sale of Common Stock to DuPont, pursuant to the anti-dilution provisions of the warrants issued in October 2000, the exercise price of the warrants was reduced to \$17.80 and the number of shares subject to the warrants was increased to 429,775. The warrants expired October 26, 2003.

COMPENSATION OF DIRECTORS

Each director who is not an employee of the Company receives a monthly director's fee of \$1,500, plus an additional \$500 for each meeting of the Board of Directors and of any Committees of the Board attended. Beginning in fiscal year 2004, the Chair of the Audit Committee will receive an annual fee of \$2,500 for his services in such capacity. The directors are also reimbursed for reasonable travel expenses incurred in attending Board and Committee meetings. In addition, pursuant to the 2001 Stock Option Plan, each non-employee director is annually granted an immediately exercisable option to purchase 2,500 shares of the Common Stock on the date of each annual meeting of stockholders. Each such grant is at the fair market value on the date of grant and will expire on the tenth anniversary of the date of the grant.

PRIOR AUDITORS

On April 26, 2002, Merrimac Industries, Inc. (the "Company") decided to engage Ernst & Young LLP to serve as the Company's independent auditors for 2002. The Company's independent auditor since 1997 had been Arthur Andersen LLP. This determination not to reappoint Arthur Andersen LLP was approved by the Board of Directors of the Company upon the recommendation of the Audit Committee of the Company.

During the years ended December 29, 2001 and December 30, 2000 and through April 26, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting

POLICY ON PRE-APPROVAL OF SERVICES PROVIDED BY ERNST & YOUNG LLP

The Audit Committee has established policies and procedures regarding pre-approval of all services provided by the independent auditor. The Audit Committee will annually review and pre-approve the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee. Unless a type of service has received general pre-approval, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent auditor. The Audit Committee may delegate, subject to any rules or limitations it may deem appropriate, to one or more designated members of the Audit Committee the authority to grant such pre-approvals; provided, however, that the decisions of any member to whom authority is so delegated to pre-approve an activity shall be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee has delegated such pre-approval authority to Edward H. Cohen, Chair of the Audit Committee. The Audit Committee pre-approved all audit and permitted non-audit services that were provided after the pre-approval requirements under the Sarbanes-Oxley Act became effective on May 6, 2003. The Company's pre-approval policy can be found on the Company's website at www.merrimacind.com.
