ARTICLE II

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Seller as follows:

2.1 Organization, Standing and Power. The Purchaser has full legal capacity and authority to execute and deliver this Agreement and to perform its obligations hereby and thereby and the execution and delivery of this Agreement constitutes a legal, valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its terms.

2.2 Consents and Approvals. No consent, approval, order or authorization of, or registration, declaration or filing with, any court, administrative agency or commission or other governmental authority or instrumentality, domestic or foreign, is required by or with respect to the Purchaser in connection with the execution and delivery of this Agreement by the Purchaser or the consummation by it of the transactions contemplated hereby.

2.3 Accredited Investor. The Purchaser is an accredited investor as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933, as amended (the

Securities Act). The Purchaser agrees to furnish to Seller any additional information reasonably requested by it to assure compliance with applicable Federal and state securities laws in connection with the purchase and sale of the Shares.

2.4 No Reliance. The Purchaser is aware that an investment in the Company involves a high degree of risk. In making its decision to purchase the Shares being purchased by the Purchaser hereunder, the Purchaser acknowledges and represents that: (a) it has such business and financial experience as is required to give it the capacity to protect Purchaser's own interests in connection with the purchase of the Shares; and (b) Purchaser will make his own investment decision regarding the Shares based on his own knowledge and investigation of the Company and the Shares.

2.5 Information Concerning the Company. The Purchaser has been given full access to all material information concerning the condition, properties, operations and prospects of the Company and its subsidiaries. The Purchaser and the Purchaser's advisors (if any) have had an opportunity to ask questions of, and to receive information from, the Seller, the Company and persons acting on their behalf concerning the terms and conditions of the Purchaser's purchase of the Shares, and to obtain any additional information necessary to verify the accuracy of the information and data received by the Purchaser. The Purchaser has made, either alone or together with the Purchaser's advisors (if any), such independent investigation of the Company and its subsidiaries and related matters as the Purchaser deems to be, or the Purchaser's advisors (if any) have advised to be, necessary or advisable in connection with the Purchaser's purchase of the Shares, and the Purchaser and the Purchaser's advisors (if any) have received all information and data which the Purchaser and the Purchaser's advisors (if any) believe to be necessary in order to reach an informed decision as to the advisability of purchasing the Shares. The Purchaser acknowledges and agrees that, other than as expressly contained herein, no person makes any representation or warranty, expressed or implied, as to the accuracy or completeness of the information provided or to be provided to the Purchaser by any person and nothing contained in any documents provided to the Purchaser is, or shall be relied upon as, a promise or representation by any such person.

2.6 No Registration. The Purchaser understands that: (a) the Shares have not been registered under the Securities Act or under any state securities laws and that this transaction is being made by the Seller in reliance on an exemption under Section 4(1) of the Securities Act and exemptions under applicable state securities laws; (b) the Shares have not been approved or disapproved by the United States Securities and Exchange Commission or any other Federal or state regulatory agency, nor has any such agency passed on the merits of an investment in the Company; and (c) effective as of the Closing Date, that certain Registration Rights Agreement dated as of March 30, 1999 (the Registration Rights Agreement) and that certain Stockholders' Agreement dated as of March 30, 1999 (the Stockholders Agreement) have been terminated and rendered null and void and, as such, Purchaser shall not acquire or succeed to any rights or privileges granted to Seller in either the Registration Rights Agreement or the Stockholders' Agreement.

2.7 Restricted Securities. The Purchaser understands that, unless and until the Shares are registered, there are substantial restrictions on the transferability of the Shares and that the Purchaser must bear the economic risk of an investment in the Shares for an indefinite period of time, because the Shares have not been registered under the Securities Act or under the securities laws of certain states and, therefore, cannot be sold, transferred, assigned, hypothecated, pledged or otherwise disposed of unless they are registered under the Securities Act and under the applicable securities laws of such states, or an exemption from such registration is available.

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER ANY STATE SECURITIES LAWS. 2.10 No Solicitation. The Purchaser acknowledges that neither the Seller, the Company nor any other person offered to sell the Shares to the Purchaser by means of any form of general advertising, such as media advertising or seminars.

2.11 Disclosure. The Purchaser agrees and acknowledges that: (a) there are no representations or warranties by the Seller, or any other person relating to the transactions contemplated hereby other than those expressly set forth in this Agreement; and (b) the Purchaser has not relied and will not rely in respect of this Agreement or the transactions contemplated hereby upon any document or written or oral information previously furnished to or discovered by it, other than this Agreement. Neither the Seller, nor any other person will have or be subject to any liability to the Purchaser or any other person resulting from the distribution to the Purchaser, or the Purchaser's use of, any information not contained in this Agreement.

ARTICLE III

3.3 Ownership of Shares. The Seller is the sole record and beneficial owner of the Shares and sole owner of all interests in the Shares. When paid for in accordance with the terms of this Agreement, the Shares will be transferred to the Purchaser free of any liens, claims,

restrictions, security interests or encumbrances, except for restrictions on transfer provided for under the Securities Act.

3.4 No Conflict. The execution and delivery of this Agreement does not, and the consummation of the transactions contemplated hereby will not, conflict with or result in a breach or violation of, or a default under, (a) the Seller's organizational documents or (b) any contract, agreement or instrument by which the Seller or any of the Seller's properties is bound or any judgment, order, decree, statute, rule, regulation or other law to which the Seller or its properties or assets is subject.

3.5 Consents and Approvals. No consent, approval, order or authorization of, or registration, declaration or filing with, any court, administrative agency or commission or other governmental authority or instrumentality, domestic or foreign, is required by or with respect to the Seller in connection with the execution and delivery of this Agreement by the Seller or the consummation by it of the transactions contemplated hereby.

3.6 Termination of Prior Agreements. Effective as of the Closing, the Registration Rights Agreement and the Stockholders Agreement have been terminated and rendered null and void.

ARTICLE IV

CONDITION TO CLOSING

4.1 Condition to the Obligation of the Seller. The obligation of the Seller to consummate the transactions contemplated hereby is subject to the execution and delivery of that certain Stock Purchase Agreement dated as of the date hereof, between the Funds and the Company, and the consummation of the transactions contemplated thereby.

ARTICLE II

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Seller as follows:

2.1 Organization, Standing and Power. The Purchaser has full legal capacity and authority to execute and deliver this Agreement and to perform its obligations hereby and thereby and the execution and delivery of this Agreement constitutes a legal, valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its terms.

2.2 Consents and Approvals. No consent, approval, order or authorization of, or registration, declaration or filing with, any court, administrative agency or commission or other governmental authority or instrumentality, domestic or foreign, is required by or with respect to the Purchaser in connection with the execution and delivery of this Agreement by the Purchaser or the consummation by it of the transactions contemplated hereby.

2.3 Accredited Investor. The Purchaser is an accredited investor as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933, as amended (the Securities Act). The Purchaser agrees to furnish to Seller any additional information reasonably requested by it to assure compliance with applicable Federal and state securities laws in connection with the purchase and sale of the Shares.

2.4 No Reliance. The Purchaser is aware that an investment in the Company involves a high degree of risk. In making its decision to purchase the Shares being purchased by the Purchaser hereunder, the Purchaser acknowledges and represents that: (a) it has such business and financial experience as is required to give it the capacity to protect Purchaser's own interests in connection with the purchase of the Shares; and (b) Purchaser will make his own investment decision regarding the Shares based on his own knowledge and investigation of the Company and the Shares.

2.5 Information Concerning the Company. The Purchaser has been given full access to all material information concerning the condition, properties, operations and prospects of the Company and its subsidiaries. The Purchaser and the Purchaser's advisors (if any) have had an opportunity to ask questions of, and to receive information from, the Seller, the Company and persons acting on their behalf concerning the terms and conditions of the Purchaser's purchase of the Shares, and to obtain any additional information necessary to verify the accuracy of the information and data received by the Purchaser. The Purchaser has made, either alone or together with the Purchaser's advisors (if any), such independent investigation of the Company and its subsidiaries and related matters as the Purchaser deems to be, or the Purchaser's advisors (if any) have advised to be, necessary or advisable in connection with the Purchaser's purchase of the Shares, and the Purchaser and the Purchaser's advisors (if any) have received all information and data which the Purchaser and the Purchaser's advisors (if any) believe to be necessary in order to reach an informed decision as to the advisability of purchasing the Shares. ARTICLE II

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Seller as follows:

2.1 Organization, Standing and Power. The Purchaser has full legal capacity and authority to execute and deliver this Agreement and to perform its obligations hereby and thereby and the execution and delivery of this Agreement constitutes a legal, valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its terms.

2.2 Consents and Approvals. No consent, approval, order or authorization of, or registration, declaration or filing with, any court, administrative agency or commission or other governmental authority or instrumentality, domestic or foreign, is required by or with respect to the Purchaser in connection with the execution and delivery of this Agreement by the Purchaser or the consummation by it of the transactions contemplated hereby.

2.3 Accredited Investor. The Purchaser is an accredited investor as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933, as amended (the Securities Act). The Purchaser agrees to furnish to Seller any additional information reasonably requested by it to assure compliance with applicable Federal and state securities laws in connection with the purchase and sale of the Shares.

2.4 No Reliance. The Purchaser is aware that an investment in the Company involves a high degree of risk. In making its decision to purchase the Shares being purchased by the Purchaser hereunder, the Purchaser acknowledges and represents that: (a) it has such business and financial experience as is required to give it the capacity to protect Purchaser's own interests in connection with the purchase of the Shares; and (b) Purchaser will make his own investment decision regarding the Shares based on his own knowledge and investigation of the Company and the Shares.

2.5 Information Concerning the Company. The Purchaser has been given full access to all material information concerning the condition, properties, operations and prospects of the Company and its subsidiaries. The Purchaser and the Purchaser's advisors (if any) have had an opportunity to ask questions of, and to receive information from, the Seller, the Company and persons acting on their behalf concerning the terms and conditions of the Purchaser's purchase of the Shares, and to obtain any additional information necessary to verify the accuracy of the information and data received by the Purchaser. The Purchaser has made, either alone or together with the Purchaser's advisors (if any), such independent investigation of the Company and its subsidiaries and related matters as the Purchaser deems to be, or the Purchaser's advisors (if any) have advised to be, necessary or advisable in connection with the Purchaser's purchase of the Shares, and the Purchaser and the Purchaser's advisors (if any) have received all information and data which the Purchaser and the Purchaser's advisors (if any) believe to be necessary in order to reach an informed decision as to the advisability of purchasing the Shares. The Purchaser acknowledges and agrees that, other than as expressly contained herein, no person makes any representation or warranty, expressed or implied, as to the accuracy or completeness of the information provided or to be provided to the Purchaser by any person and nothing contained in any documents provided to the Purchaser is, or shall be relied upon as, a promise or representation by any such person.

2.6 No Registration. The Purchaser understands that: (a) the Shares have not been registered under the Securities Act or under any state securities laws and that this transaction is being made by the Seller in reliance on an exemption under Section 4(1) of the Securities Act and exemptions under applicable state securities laws; (b) the Shares have not been approved or disapproved by the United States Securities and Exchange Commission or any other Federal or state regulatory agency, nor has any such agency passed on the merits of an investment in the Company; and (c) effective as of the Closing Date, that certain Registration Rights Agreement dated as of March 30, 1999 (the Registration Rights Agreement) and that certain Stockholders' Agreement dated as of March 30, 1999 (the Stockholders Agreement) have been terminated and rendered null and void and, as such, Purchaser shall not acquire or succeed to any rights or privileges granted to Seller in either the Registration Rights Agreement or the Stockholders' Agreement.

2.7 Restricted Securities. The Purchaser understands that, unless and until the Shares are registered, there are substantial restrictions on the transferability of the Shares and that the Purchaser must bear the economic risk of an investment in the Shares for an indefinite period of time, because the Shares have not been registered under the Securities Act or under the securities laws of certain states and, therefore, cannot be sold, transferred, assigned, hypothecated, pledged or otherwise disposed of unless they are registered under the Securities Act and under the applicable securities laws of such states, or an exemption from such registration is available.

2.8 No Resale. The Purchaser is purchasing the Shares solely for his own account and for investment only, and not with a view to or for the resale, distribution, subdivision or

fractionalization thereof, and the Purchaser has no present intent to enter into any contract, undertaking, agreement or arrangement for any such purpose.

2.9 Transfer Restrictions. The Purchaser understands that any certificate representing the Shares will bear substantially the following restrictive legend:

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER ANY STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED, SOLD OR TRANSFERRED EXCEPT PURSUANT TO (I) AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND IN COMPLIANCE WITH THE APPLICABLE STATE SECURITIES LAWS OR (II) AN APPLICABLE EXEMPTION FROM REGISTRATION THEREUNDER OR UNDER APPLICABLE STATE SECURITIES LAWS.

2.10 No Solicitation. The Purchaser acknowledges that neither the Seller, the Company nor any other person offered to sell the Shares to the Purchaser by means of any form of general advertising, such as media advertising or seminars.

2.11 Disclosure. The Purchaser agrees and acknowledges that: (a) there are no representations or warranties by the Seller, or any other person relating to the transactions contemplated hereby other than those expressly set forth in this Agreement; and (b) the Purchaser has not relied and will not rely in respect of this Agreement or the transactions contemplated hereby upon any document or written or oral information previously furnished to or discovered by it, other than this Agreement. Neither the Seller, nor any other person will have or be subject to any liability to the Purchaser or any other person resulting from the distribution to the Purchaser, or the Purchaser's use of, any information not contained in this Agreement.
