PROXY STATEMENT

Edgar Filing: MANUFACTURED HOME COMMUNITIES INC - Form DEF 14A

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of Manufactured Home Communities, Inc., a Maryland corporation (the "Company"), of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held on Tuesday, May 13, 2003 (the "Meeting"), and any adjournment or postponement thereof. The Company will pay the cost of soliciting these proxies. The Company has retained the services of MacKenzie Partners, Inc. to solicit proxies and distribute materials to brokerage firms, banks, custodians and other institutional owners. The Company will pay MacKenzie Partners, Inc. a fee of approximately \$7,500 for these services, plus expenses. In addition, the Company will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. The Company may conduct further solicitation personally, by telephone or by facsimile through its employees, officers and directors, none of whom will receive additional compensation for assisting with the solicitation. Brokers and other nominees who held of record stock of the Company on March 14, 2003 (the "Record Date"), the record date for determining stockholders entitled to notice of and to vote at the Meeting, will be asked to contact the beneficial owners of the shares which they hold.

This Proxy Statement and accompanying proxy are being mailed to stockholders commencing on or about April 11, 2003. The proxy, if properly executed and returned, will be voted according to your instructions, but it may be revoked at any time before it is exercised by giving notice of revocation in writing to the Secretary of the Company, by voting in person at the Meeting or by submitting a subsequently dated proxy to the Secretary of the Company at or prior to the Meeting. The mere presence at the Meeting of a stockholder who has granted a proxy shall not itself revoke the proxy. Shares held in street name may be voted in person only if the stockholder obtains a signed proxy from the record holder giving the stockholder the right to vote.

2002 ANNUAL REPORT

Stockholders are concurrently being furnished a copy of the Company's 2002 Annual Report (the "Annual Report") and of the Company's Annual Report on Form 10-K for the year ended December 31, 2002 (the "Form 10-K") as filed with the Securities and Exchange Commission (the "SEC"). Additional copies of the Annual Report and of the Form 10-K may be obtained by contacting Ellen Kelleher, Executive Vice President, General Counsel and Secretary of the Company, at Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606, 312-279-1400; copies will be furnished promptly at no additional expense.

VOTING

Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Meeting. On the Record Date, 22,258,447 shares of the Company's common stock, par value \$.01 per share ("Common Stock"), were outstanding. Each share of Common Stock outstanding on the Record Date entitles the holder thereof to one vote upon each matter to be voted upon at the Meeting.

The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall constitute a quorum. Shares represented by proxies that reflect abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. The affirmative vote of a plurality of all votes cast at the Meeting, if a quorum is present, is sufficient to elect each nominated

Edgar Filing: MANUFACTURED HOME COMMUNITIES INC - Form DEF 14A

director to the Board. The approval of the proposal to amend the Company's charter (the "Charter Amendment") to eliminate the current classification of the Board (see Proposal No. 2 below) requires the affirmative vote of the holders of two-thirds of all the votes entitled to be cast on the proposal. An abstention as to any particular matter when passage requires the vote of a majority of the votes entitled to be cast at the Meeting, however, does not constitute a vote "for" or "against" and will be disregarded in calculating the votes cast as to such matter. "Broker non-votes" (i.e., where a broker or nominee submits a proxy specifically indicating the lack of discretionary authority to vote on a matter) will be treated in the same manner as abstentions. Abstentions and broker non-votes have the effect of votes against matters, such as the Charter Amendment, requiring the affirmative vote of the holders of two-thirds of all the votes entitled to be cast on such matters.

If there is not a quorum at the Meeting, the stockholders entitled to vote at the Meeting, whether present in person or represented by proxy, shall only have the power to adjourn the Meeting until such time as there is a quorum. The Meeting may be reconvened without notice to the stockholders, other than an announcement at the prior adjournment of the Meeting, within 120 days after the Record Date, and a quorum must be present at such reconvened Meeting.

If a proxy in the form enclosed is duly executed, dated and returned, and it has not been revoked in accordance with the instructions set forth therein, the shares of Common Stock represented thereby will be voted by Samuel Zell and Howard Walker, the Board's proxy agents for the Meeting, in accordance with the specifications made thereon by the stockholder. If no such specifications are made, such proxy will be voted (i) for the election of the three nominees for director to the Board, (ii) for the approval of the Charter Amendment and (iii) at the discretion of Mr. Zell and Mr. Walker with respect to such other business as may properly come before the Meeting or any adjournment or postponement thereof.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Board currently consists of ten members. However, two directors, Dr. Masotti and Mr. Torres, have resigned effective May 12, 2003, and a third director position currently held by Mr. Podjasek, whose term expires at the Meeting, will not be filled. In accordance with the Company's Bylaws, the Board has determined to reduce its size from ten members to seven members effective immediately after the Meeting. The Company's charter (the "Charter") currently provides that the Company's directors shall be divided into three classes as nearly equal in number as possible, with each class having a term of three years. The Board has nominated Donald S. Chisholm, Thomas E. Dobrowski and Howard Walker for election to serve as directors of the Company until the 2006 Annual Meeting of Stockholders and until their successors are duly elected and qualified. If the Charter Amendment is approved, the classified Board will be eliminated, the current term of each director in office as of the Meeting and each director elected at the Meeting will end at the 2004 Annual Meeting of Stockholders (the "2004 Meeting"), and all directors will, starting with the 2004 Meeting, be elected for one-year terms at each Annual Meeting of Stockholders. Biographical information for each of the nominees is set forth under the caption "Management."

Each nominee has consented to be named in this Proxy Statement and to serve if elected. All nominees are currently directors. In the event that any nominee should become unable to serve as a director (which is not anticipated), the persons designated as representatives will cast votes for the remaining nominees and for such other person or persons as the Board may recommend.

Edgar Filing: MANUFACTURED HOME COMMUNITIES INC - Form DEF 14A

THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES NAMED ABOVE. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THE NOMINEES UNLESS INSTRUCTIONS TO WITHHOLD SUCH VOTE OR TO THE CONTRARY ARE GIVEN.

The number of shares of Restricted Common Stock granted to each named executive officer in 2000 was as follows:

- (6) Under the Company's MBO bonus plan, an officer who receives a management-by-objective ("MBO") bonus receives 50% of the MBO bonus in cash and 50% of the MBO bonus in the form of a stock award. The officer may request, subject to approval by the Compensation Committee, to receive any portion of the MBO bonus in the form of a stock award. To the extent that an officer receives up to 50% of the MBO bonus as a stock award, the stock award is calculated using the fair market value of a share of Common Stock as of the date the MBO bonus is paid or (for 2002) as of the date the MBO bonus is declared. If more than 50% of the MBO bonus is to be paid as a stock award, the additional stock award is calculated using the most recent purchase price for a share of Common Stock under the Company's Non-Qualified Employee Stock Purchase Plan ("ESPP") or the price that would be used under the ESPP for the offering period then in progress if the period ended the day the MBO bonus was paid, which is less than the fair market value of a share of Common Stock on the day the MBO bonus is paid. Bonus amounts reflected for certain of the named executive officers for each of the years indicated include the discount on shares of Common Stock with respect to elections they made to receive more than 50% of the MBO bonus as a stock award, as follows: (a) for 2000, Messrs. Heneghan and Zoeller; (b) for 2001, Messrs. Heneghan and Zoeller; and (c) for 2002, Messrs. Walker and Zoeller and Ms. Kelleher.

DIRECTOR COMPENSATION

The Company paid each of its non-employee directors an annual fee of \$30,000 in 2002. In addition, directors who serve on the Audit Committee, Executive Committee or Compensation Committee receive an additional \$1,000 per annum for each committee on which they serve. Committee chairs receive an additional \$500 per annum. Directors who are employees of the Company are not paid any directors' fees. The Company reimburses the directors for travel expenses incurred in connection with their activities on behalf of the Company. On the date of the first Board meeting after each Annual Meeting of Stockholders, each director then in office will receive at the director's election either an annual grant of options to purchase 10,000 shares of Common Stock at the then-current market price or an annual grant of 2,000 shares of Restricted Common Stock. In March 2003, Mr. Zell was awarded options to purchase 100,000 shares of Common Stock, which he elected to receive as 20,000 shares of Restricted Common Stock, for services rendered as Chairman of the Board during 2002, and Mrs. Rosenberg was awarded options to purchase 25,000 shares of Common Stock, which she elected to receive as 5,000 shares of Restricted Common Stock, for services rendered as Lead Director during 2002. One-third of the shares of Restricted Common Stock covered by these grants vests on each of December 31, 2003, December 31, 2004 and December 31, 2005.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee members for 2002 were Messrs. Chisholm, Masotti and Waterman and Mrs. Rosenberg. No Compensation Committee interlocking relationships existed in 2002. For a description of certain transactions with Board members or their affiliates, see "Certain Relationships and Related Transactions."

COMPENSATION COMMITTEE REPORT
ON EXECUTIVE COMPENSATION

The Compensation Committee determines the compensation of the Company's executive officers, including those named in the Summary Compensation Table, and guides the Company's overall philosophy towards compensation of its employees. The Compensation Committee believes that the compensation of the Company's Chief Executive Officer and all of the Company's executive officers should be both competitive and based on individual and Company performance.

The Company's compensation policy takes into account a review of local and national peer group salary surveys focusing primarily on the SNL Executive Compensation Review 2002 for REITs ("SNL Survey"). The SNL Survey contains detailed compensation and performance data on publicly traded REITs. The Compensation Committee believes the SNL Survey provides comparable salary data for the Company. The Compensation Committee believes that the Company's compensation levels compare favorably to the Company's peer groups described in the surveys and targets median to high compensation levels for the Company's executive officers. This is not the same peer group that is used in the Performance Graph on page 13.

During the fiscal year ended December 31, 2002, there were three major components of executive compensation: base salary, bonuses and Restricted Common Stock Awards.

The Compensation Committee believes that attracting and retaining highly qualified executives is accomplished by providing competitive base salaries and meaningful incentives, both short-term and long-term, intended to reward performance and retain experienced management. Benchmarks for determining base salary and bonus levels include targeted funds from operations ("FFO") levels, strength of the balance sheet and creation of stockholder value. Each performance measure carries equal weight.

The Company's executive salary structure is reviewed annually by the Compensation Committee using the SNL Survey for guidance. In addition, the entire Company's salary structure is reviewed annually. Where salary information is unavailable for a particular position, other positions having similar responsibilities either within the Company or in companies of comparable size are used. Salary increases are based upon overall Company performance and upon each executive officer's (including the Chief Executive Officer's) performance and contribution to the Company's performance. Also, the Compensation Committee has deliberately kept base salaries at levels which may compare less favorably with comparable positions in other companies. This allows the Compensation Committee to reward executive officers' performance through bonuses and long-term incentives such as Restricted Common Stock Awards.

Further short-term and mid-term incentives for executive officers are accomplished through the Company's MBO bonus plan. The MBO bonus plan involves the Company and the executive officer jointly setting goals for such executive officer at the beginning of each year.

In 2002, the Company and the REIT industry encountered a challenging economic environment. Despite the poor economy, the Company's core business continued to deliver solid operating income growth. The Company successfully redeployed approximately \$90 million of capital from all age communities in average growth markets to age qualified communities in Florida and Arizona that are more in line with the Company's long term strategic plan. The Company has maintained its balance sheet at an appropriate debt to equity level and has continued its efforts to obtain market rent levels that achieve an equitable

Edgar Filing: MANUFACTURED HOME COMMUNITIES INC - Form DEF 14A

balance between the expectations of residents and those of stockholders. In light of the foregoing, the Compensation Committee determined that the MBO bonuses should be paid to the executive officers of the Company. In determining the total MBO bonus for each executive officer, the Compensation Committee also considered the amount of other awards and benefits which were included in the total compensation of such executive officer.

MBO bonuses, if paid, are paid to the executive officers of the Company 50% in cash and 50% in a stock award calculated using the fair market value of a share of Common Stock on the date the bonus is

9

paid. The officer may request, subject to the Compensation Committee's approval, to receive more or less of the bonus in the form of a stock award. To the extent that the officer receives more than 50% of the MBO bonus as a stock award, the stock award is calculated using the most recent purchase price for a share of Common Stock under the ESPP or the price that would be used under the ESPP for the offering period then in progress if the period ended the day the MBO bonus was paid.

To provide long-term incentives for executive officers and as a means to retain qualified executive officers, the Company has created performance and tenure-based Restricted Common Stock Award programs.

In 1997, the Company implemented a five-year incentive program tied to increases in stockholder value (the "1997 Program"). Shares were awarded under the 1997 Program only if annual performance benchmarks (based upon increases in share price plus distributions to stockholders) were achieved. Shares awarded were then subject to a vesting schedule (50% immediately and 25%, respectively, on the next two anniversaries of the award). Executive officers received awards under the 1997 Program in 1997 and 2000. In addition, effective January 4, 2002, executive officers received awards under the 1997 Program as follows: Mr. Walker was awarded 20,250 shares; Mr. Heneghan was awarded 18,000 shares; and Ms. Kelleher and Mr. Zoeller were each awarded 15,750 shares.

In 1998, the Company implemented an incentive program tied to achieving targeted levels of FFO per share through 2003 (the "1998 Program"). On November 24, 1998, Restricted Common Stock Awards were granted to executive officers and other members of senior management under the 1998 Program. In 1999 and 2001, awards were made under the 1998 Program to certain additional members of senior management (excluding executive officers who had received awards in 1998). Any Restricted Common Stock awarded under the 1998 Program will vest over a five-year period, with lapsing of restrictions tied to achieving targeted levels of FFO per share. Vesting with respect to 80% of the Restricted Common Stock awarded under the 1998 Program had occurred as of December 31, 2002.

In December 2001, the Compensation Committee created the 2004 Long Term Restricted Stock Plan (the "2004 Program"), which provides for shares of Restricted Common Stock to be granted on January 5, 2004 to individuals who are employed by the Company on November 15, 2001 and on January 5, 2004 and who hold the respective titles of Chief Executive Officer, Chief Operating Officer, General Counsel and Chief Financial Officer, as well as certain other titles on such grant date. Any shares granted on January 5, 2004 would be subject to a further three year vesting schedule, with one-third vesting December 10, 2004, one-third vesting December 10, 2005 and one-third vesting December 10, 2006, with vesting based solely on an individual's tenure in such titled positions. These shares have not been issued and there can be no assurance that any person listed in the Summary Compensation Table would be eligible for a grant of shares under the 2004 Program. Mr. Walker will not be eligible for the 2004 Program. In lieu of the 2004 Program for Mr. Walker and in order to provide for an orderly transition of senior management, Mr. Walker received an employment contract

Edgar Filing: MANUFACTURED HOME COMMUNITIES INC - Form DEF 14A

ending May 17, 2004 providing for an annual base salary of \$500,000 and annual bonus range not to exceed \$250,000.

To encourage Mr. Walker to remain employed by the Company, the Company has entered into a deferred compensation agreement with Mr. Walker. The agreement, entered into in December 2000, provides Mr. Walker with a salary benefit commencing May 17, 2004. Pursuant to the agreement, commencing on such date Mr. Walker will receive an annual deferred compensation payment in the amount of \$200,000 for a ten year period. The Company has purchased an annuity for approximately \$1,200,000 to fund its future obligations under the agreement. The annuity is held by a trust for the benefit of Mr. Walker and is subject to the claims of creditors of the Company.

In 2002, the Compensation Committee did not implement any new programs, and the only shares awarded to management in 2002 were awarded under the 1997 Program as described above as a result of attainment of the performance benchmarks contained in the 1997 Program.

10

The vesting of Restricted Common Stock Awards is subject to acceleration in the case of death, disability and involuntary termination not for cause or change of control of the Company. The Compensation Committee recognizes that the interests of stockholders are best served by giving key employees the opportunity to participate in the appreciation of the Company's Common Stock.

No options were granted to employees or officers of the Company during 2002.

The Compensation Committee believes that the compensation program properly rewards the Company's officers for achieving improvements in the Company's performance and serving the interests of its stockholders.

The Company may or may not structure compensation arrangements to satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial reporting process, including the system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Audit Committee is governed by a written charter approved by the Board. In accordance with this charter, the Audit Committee oversees the accounting, auditing and financial reporting practices of the Company. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the Company's independent accountants, who are responsible for expressing an opinion on the conformity of those audited

Edgar Filing: MANUFACTURED HOME COMMUNITIES INC - Form DEF 14A

financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent accountants the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards) and the accountants' independence from the Company and management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and considered the compatibility of non-audit services provided to the Company by the independent accountants with the accountants' independence.

The Audit Committee discussed with the Company's independent accountants the overall scope and plans for their audit. The Audit Committee met with the independent accountants, with and without management present, to discuss the results of their examinations, their evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

11

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Form 10-K for filing with the SEC.

Respectfully submitted,

Michael A. Torres, Chairman
Thomas E. Dobrowski
Sheli Z. Rosenberg

AUDIT FEES

The aggregate fees billed (or expected to be billed) for professional services rendered by the independent accountants for the audit of the Company's financial statements for fiscal year 2002 and the reviews by the independent accountants of the financial statements included in the Company's Forms 10-Q for fiscal year 2002 were \$175,000.

ALL OTHER FEES

There were no fees billed for professional services rendered by the independent accountants for any financial systems design and implementation in fiscal year 2002. The aggregate fees billed (or expected to be billed) for services rendered by the independent accountants to the Company and not otherwise described under "Audit Fees" for fiscal year 2002 were \$84,000. Included in these fees are approximately \$40,000 of fees for attest services related to audits of subsidiaries and benefit plans, \$10,000 of fees for corporate tax compliance, and \$34,000 of fees for other non-audit services performed for the Company.

The Audit Committee has determined that the independent accountants' provision of the non-audit services described above is compatible with maintaining the independent accountants' independence.

PERFORMANCE GRAPH

Edgar Filing: MANUFACTURED HOME COMMUNITIES INC - Form DEF 14A

The following performance graph compares total stockholders' return on the Common Stock since December 31, 1997 with the Standard and Poors ("S&P") 500 Stock Index and the index of equity REITs prepared by the National Association of Real Estate Investment Trusts ("NAREIT"). The Common Stock price performance graph assumes that an investment of \$100 was made on December 31, 1997 in the Common Stock and in each of the two indexes and further assumes the reinvestment of all dividends. Equity REITs are defined as those REITs which derive more than 75% of their income from equity investments in real estate assets. The NAREIT equity index includes all tax qualified REITs listed on the NYSE, the American Stock Exchange or the NASDAQ Stock Market. Common Stock price performance presented for the period from December 31, 1997 through December 31, 2002 is not necessarily indicative of future results.

PROPOSAL NO. 2

TO APPROVE AN AMENDMENT TO THE COMPANY'S CHARTER TO ELIMINATE THE CURRENT CLASSIFICATION OF THE BOARD

The Board has determined that the Charter should be amended to eliminate the current classification of the Board and to provide for the annual election of all directors, has declared such amendment to be advisable and has unanimously resolved to recommend such amendment to the stockholders. If the proposed amendment is approved, the classified Board will be eliminated, the current term of office of each director in office as of the Meeting and each director elected at the Meeting will end at the 2004 Meeting and all directors will thereafter be elected for one-year terms at each Annual Meeting of Stockholders.

Pursuant to the Charter as currently in effect, the Board is divided into three classes with staggered three-year terms, and one class of directors is elected at each Annual Meeting of Stockholders. The proposed Charter Amendment would eliminate the three classes with their staggered three-year terms, as described below, and provide for the annual election of all directors.

Proponents of classified boards of directors believe that a classified board helps the board of directors maintain a greater continuity of experience because the majority of directors at any given time will have experience with the business affairs and operations of the corporation. This continuity may assist the corporation in long-term strategic planning. Additionally, proponents argue that a classified board reduces the possibility of a sudden change in control of the board of directors.

The Board believes that it is in the best interests of the Company and its stockholders to eliminate the classified Board, thereby permitting the Company's stockholders to elect all members of the Board annually. The Board believes that this will promote greater accountability of each director to all stockholders and will allow the Company's stockholders an opportunity annually to register their views on the collective performance of the Board and the performance of each director individually. In addition, the Board believes that, in general, boards that are not classified are perceived by the investment community more positively than classified boards. The proposal to eliminate the classification of the Board is neither the result of any effort to unseat incumbent directors nor the result of any effort by any person to take control of the Board.

Section 1 of Article VI of the current Charter provides that the directors shall be divided into three classes, as nearly equal in number as possible, with a term of three years each, and with the term of office of one class expiring each year. If the proposed Charter Amendment is approved, Section 1 of Article VI of the Charter would be deleted and replaced with the following:

SECTION 1. NUMBER AND TERM. The number of directors constituting the entire Board of Directors shall be established in the manner provided in the Bylaws of the Corporation; provided, however, that (a) if there is stock outstanding and so long as there are three or more stockholders, the number of directors shall never be less than three and (b) if there is stock outstanding and so long as there are less than three stockholders, the number of directors may be less than three but not less than the number of stockholders. The directors of the Corporation shall be elected by the stockholders entitled to vote thereon at each annual meeting of stockholders and shall hold office until the next annual meeting of stockholders and until their

successors are elected and qualify. The term of the directors in office on May 14, 2003 shall expire at the annual meeting of stockholders next occurring after May 14, 2003 or upon the election and qualification of their successors.

If the proposed Charter Amendment is approved by the stockholders of the Company, the Charter Amendment will become effective upon the filing of the articles of amendment relating thereto with the Maryland State Department of Assessments and Taxation, which will occur as soon as reasonably practicable following such approval. The approval of the Charter Amendment requires the affirmative vote of the holders of two-thirds of all the votes entitled to be cast on the matter.

THE BOARD RECOMMENDS A VOTE "FOR" PROPOSAL TWO. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THIS PROPOSAL UNLESS INSTRUCTIONS TO WITHHOLD SUCH VOTE OR TO THE CONTRARY ARE GIVEN.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 ("Section 16(a)") requires the Company's officers and directors, and persons who own more than 10% of its Common Stock, to file reports of ownership and changes of ownership with the SEC and the NYSE. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of those forms received by the Company, or written representations from officers and directors that no Forms 5 were required to be filed for the fiscal year ended December 31, 2002, all appropriate Section 16(a) forms were filed in a timely manner, except as described below.

Form 4s filed for Mrs. Rosenberg on June 3, 2002 and July 6, 2002 reported that Mrs. Rosenberg directly purchased Common Stock through the exercise of certain options. However, Mrs. Rosenberg transferred such options to her spouse and her spouse exercised the options to purchase the respective shares of Common Stock reflected therein. Consequently, 15,000 shares of Common Stock reported as directly owned by Mrs. Rosenberg were in fact indirectly owned by her. Thereafter, Mrs. Rosenberg's spouse reinvested dividends received through the Company's dividend reinvestment plan in October 2002. As a result of these purchases by Mrs. Rosenberg's spouse, the Form 4 filed for Mrs. Rosenberg on November 1, 2002 inadvertently failed to report 240 shares of Common Stock acquired by Mrs. Rosenberg's spouse in this manner. Upon such information becoming known, amended Form 4s were filed for Mrs. Rosenberg on March 28, 2003.

INDEPENDENT ACCOUNTANTS

Ernst & Young LLP served as the Company's independent accountants for the fiscal year ended December 31, 2002. There have been no disagreements between the Company and its independent accountants relating to accounting procedures, financial statement disclosures or related items. Representatives of Ernst & Young LLP are expected to be available at the Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

STOCKHOLDER PROPOSALS

Under regulations adopted by the SEC, stockholder proposals intended to be presented at the 2004 Meeting must be received by the Secretary of the Company no later than December 2, 2003, in order to be considered for inclusion in the Company's proxy statement and on the proxy card that will be solicited by the Board in connection with the 2004 Meeting.

In addition, if a stockholder desires to bring business before an Annual Meeting of Stockholders which is not the subject of a proposal for inclusion in the Company's proxy materials, the stockholder must follow the advance notice procedures outlined in the Company's Bylaws. The Company's Bylaws provide that in order for a stockholder to nominate a candidate for election as a director at a meeting or propose business for consideration at such meeting, notice must generally be given to the Secretary of the Company no more than 90 days nor less than 60 days prior to the first anniversary of the preceding year's meeting. The Meeting is scheduled for May 13, 2003. Therefore, if a stockholder desires to present a proposal for the 2004 Meeting without seeking to include the proposal in the Company's proxy materials, the Company must receive notice of the proposal no earlier than February 8, 2004 and no later than March 9, 2004. The fact that the Company may not insist upon compliance with these requirements should not be construed as a waiver by the Company of its right to do so at any time in the future. The Company reserves the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

OTHER MATTERS

The Board is not aware of any business which will be presented at the Meeting other than those matters set forth in the accompanying Notice of Annual Meeting of Stockholders. If any other matters are properly presented at the Meeting for action, it is intended that the persons named in the accompanying proxy and acting thereunder will vote in accordance with their best judgment on such matters.
