PROXY STATEMENT

FOR THE 2005 ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 18, 2005

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of First Industrial Realty Trust, Inc. (the Company) for use at the 2005 Annual Meeting of Stockholders of the Company to be held on Wednesday, May 18, 2005, and at any adjournments or postponements thereof (the Annual Meeting). At the Annual Meeting, stockholders will be asked to vote on the election of three Class II directors of the Company, to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the current fiscal year and to act on any other matters properly brought before them.

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are first being sent to stockholders on or about April 12, 2005. The Board of Directors has fixed the close of business on March 22, 2005 as the record date for the Annual Meeting (the Record Date). Only stockholders of record of the Company's common stock, par value \$.01 per share (the Common Stock), at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 42,944,619 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Holders of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held by them on each matter presented to the stockholders at the Annual Meeting.

Stockholders of the Company are requested to complete, sign, date and promptly return the accompanying Proxy Card in the enclosed postage-prepaid envelope. Shares represented by a properly executed Proxy Card received prior to the vote at the Annual Meeting and not revoked will be voted at the Annual Meeting as directed on the Proxy Card. If a properly executed Proxy Card is submitted and no instructions are given, the persons designated as proxy holders on the Proxy Card will vote (i) FOR the election of the three nominees for Class II directors of the Company named in this Proxy Statement, (ii) FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the current fiscal year and (iii) in their own discretion with respect to any other business that may properly come before the stockholders at the Annual Meeting or at any adjournments or postponements thereof. It is not anticipated that any matters other than those set forth in the Proxy Statement will be presented at the Annual Meeting.

PROXY STATEMENT

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. The affirmative vote of the holders of a majority of the votes cast with a quorum present at the Annual Meeting is required for the election of Class II directors and the ratification of the appointment of the Company's independent registered public accounting firm. Abstentions and broker non-votes will not be counted as votes cast and, accordingly, will have no effect on the majority vote required, although they will be counted for quorum purposes.

A stockholder of record may revoke a proxy at any time before it has been exercised by filing a written revocation with the Secretary of the Company at the address of the Company set forth above, by filing a duly executed proxy bearing a later date, or by appearing in person and voting by ballot at the Annual Meeting. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy. Street name stockholders who wish to vote in person will need to obtain a duly executed proxy form from the institution that holds their shares prior to the Annual Meeting.

In the pages preceding this Proxy Statement is a Letter to Stockholders from the Company's President and Chief Executive Officer. Also, Appendix A to this Proxy Statement contains the Company's 2004 Annual Report, including the Company's financial statements for the fiscal year ended December 31, 2004 and certain other information required by the rules and regulations of the Securities and Exchange Commission (the "SEC"). Neither the Letter to Stockholders from the Company's President and Chief Executive Officer nor the Company's 2004 Annual Report, however, are part of the proxy solicitation material. See "OTHER MATTERS-INCORPORATION BY REFERENCE" herein.

1) The member must meet the definition of "Independent Director" contained in the Company's Articles, which requires that he or she be neither an employee of the Company nor a member of The Shidler Group.

2) In accordance with Section 303A.02(a) of the Listed Company Manual of the New York Stock Exchange (the "NYSE"), the member must obtain the Board of Directors' affirmative determination, after taking into account all relevant facts and circumstances, that the member has no material relationships with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). Relationships to be considered include commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships.

3) The member must satisfy the independence tests set forth in Section 303A.02(b) of the Listed Company Manual of the NYSE.

office for a term continuing until the Annual Meeting of Stockholders held in the third year following the year of their election and the election and qualification of their successors.

Each of the directors serving in 2004 attended at least 75% of the total number of meetings of the Board of Directors and of the respective committees of the Board of Directors of which he was a member. Although the Company does not have a formal policy regarding director attendance at Annual Meetings of Stockholders, all of the directors then serving attended the 2004 Annual Meeting of Stockholders.

The Board of Directors has adopted Corporate Governance Guidelines to reflect the principles by which it operates. These guidelines, as well as the charters of the Audit Committee, Compensation Committee and Nominating/ Corporate Governance Committee of the Board of Directors, are accessible at the investor relations pages of the Company's website at www.firstindustrial.com. The Company has adopted a Code of Business Conduct and Ethics which includes the principles by which the Company expects its employees, officers and directors to conduct Company business and which is accessible at the investor relations pages of the Company's website at www.firstindustrial.com. The Company intends to post on its website amendments to, or waivers from, any provision of the Company's Code of Business Conduct and Ethics.

The Board of Directors has appointed an Audit Committee, a Compensation Committee, an Investment Committee, a Nominating/ Corporate Governance Committee and a Special Committee.

Audit Committee. The Audit Committee is directly responsible for the appointment, discharge, compensation, and oversight of the work of any independent public accountants employed by the Company for the purpose of preparing or issuing an audit report or related work. In connection with such responsibilities, the Audit Committee approves the engagement of independent public accountants, reviews with the independent public accountants the audit plan, the audit scope, and the results of the annual audit engagement, pre-approves audit and non-audit services provided by the independent public accountants, reviews the independence of the independent public accountants, pre-approves audit and non-audit fees and reviews the adequacy of the Company's internal accounting controls.

The membership of the Audit Committee currently consists of Messrs. Rau, Lynch and Wilson, each of whom, in the judgment of the Company's Board of Directors, is independent as required by the listing standards of the NYSE and the rules of the SEC. In the judgment of the Company's Board of Directors, each member is financially literate as required by the listing standards of the NYSE. Further, in the judgment of the Company's Board of Directors, Mr. Rau is an audit committee financial expert, as such term is defined in the SEC rules, and has accounting or related financial management expertise, as defined in the listing standards of the NYSE. See Mr. Rau's biography above. The Audit Committee met 13 times in 2004. On May 12, 2004, the Audit Committee unanimously reaffirmed the Company's Audit Committee Charter.

Compensation Committee. The Compensation Committee has overall responsibility for approving and evaluating the compensation plans, policies and programs relating to the executive officers of the Company. The Compensation Committee administers, and has authority to grant awards under, the First Industrial Realty Trust, Inc. 1994 Stock Incentive Plan (the 1994 Stock Plan), the First Industrial Realty Trust, Inc. 1997 Stock Incentive Plan (the 1997 Stock Plan), the First Industrial Realty Trust, Inc. Deferred Income Plan (the Deferred Income Plan) and the First Industrial Realty Trust, Inc. 2001 Stock Incentive Plan (the 2001 Stock Plan). The Compensation Committee currently consists of Messrs. Slater and Tyler, each of whom, in the judgment of the Company's Board of Directors, is independent as required by the listing standards of the NYSE. The Compensation Committee met four times and acted by unanimous consent once in 2004.

New investment opportunities are described in written reports based on detailed research and analyses in a standardized format applying appropriate underwriting criteria. The Investment Committee meets with the Company's acquisition personnel, reviews each submission thoroughly and

PROXY STATEMENT

approves acquisitions of land having a total investment of greater than \$1 million and all other acquisitions and development projects having a total investment of greater than \$5 million. The Investment Committee makes a formal recommendation to the Board of Directors for all acquisitions and development projects with a total investment in excess of \$30 million. The membership of the Investment Committee currently consists of Messrs. Shidler, Brennan and Damone. The Investment Committee met 38 times and acted by unanimous consent twice during 2004.

Nominating/ Corporate Governance Committee. The Nominating/ Corporate Governance Committee recommends individuals for election as directors at the Annual Meeting of Stockholders of the Company and in connection with any vacancy that may develop on the Board of Directors. The Board of Directors, in turn, as a whole by a majority vote either approves all of the nominations so recommended by the Nominating/ Corporate Governance Committee or rejects all of the nominations in whole, but not in part. In the event that the Board of Directors as a whole by a majority vote rejects the recommended nominations, the Nominating/ Corporate Governance Committee develops a new recommendation. In addition, the Nominating/ Corporate Governance Committee develops and oversees the Company's corporate governance policies. The membership of the Nominating/ Corporate Governance Committee consists of independent directors selected by the entire Board of Directors of the Company from among those independent directors whose term is not expiring in the calendar year that the Nominating/ Corporate Governance Committee is making its recommendation. The Nominating/ Corporate Governance Committee that recommended the Nominees approved by the Board of Directors and set forth in this Proxy Statement consisted of Messrs. Slater, Tyler and Wilson, each of whom, in the judgment of the Company's Board of Directors, is independent as required by the listing standards of the NYSE. Mr. Tyler is the current Chairman of the Nominating/ Corporate Governance Committee and also presides at meetings of non-management directors. The Nominating/ Corporate Governance Committee met twice and acted by unanimous consent once during 2004 and met once in March 2005 to determine its nominations for this Proxy Statement.

The Nominating/ Corporate Governance Committee will consider nominees recommended by stockholders of the Company. In order for a stockholder to nominate a candidate for election as a director at an Annual Meeting, notice must be given in accordance with the Bylaws of the Company to the Secretary of the Company not more than 180 days nor less than 75 days prior to the first anniversary of the preceding year's Annual Meeting. The fact that the Company may not insist upon compliance with the requirements contained in its Bylaws should not be construed as a waiver by the Company of its right to do so at any time in the future.

In general, it is the Nominating/ Corporate Governance Committee's policy that, in its judgment, its recommended nominees for election as members of the Board of Directors of the Company, at a minimum, have business experience of a breadth, and at a level of complexity, sufficient to understand all aspects of the Company's business and, through either experience or education, have acquired such knowledge as is sufficient to qualify as financially literate. In addition, recommended nominees must be persons of integrity and be committed to devoting the time and attention necessary to fulfill their duties to the Company.

The Nominating/ Corporate Governance Committee may identify nominees for election as members of the Board of Directors of the Company through its own sources (including through nominations by stockholders made in accordance with the Company's Bylaws), through sources of other directors of the Company, and through the use of third-party search firms. The Company has engaged a third party search firm to identify potential nominees and may do so again in the future. PROXY STATEMENT**REPORT OF THE COMPENSATION COMMITTEE**

The Compensation Committee of the Board of Directors is composed of two of the Company's independent directors, Messrs. Slater and Tyler. The Compensation Committee has overall responsibility for evaluating and approving the compensation plans, policies and programs relating to the executive officers of the Company.

Objectives of Executive Compensation. The Company maintains the philosophy that compensation of its executive officers and other employees should serve the best interests of the Company's stockholders. Accordingly, the Compensation Committee has designed its compensation policy to provide management proper incentives, directly and materially linked to operating performance, to maximize the Company's overall performance. Consistent with this, executive compensation is weighted towards bonuses and incentive awards (e.g., restricted stock awards) paid or granted on the basis of the Company's and each executive's performance. Thus, while annual salary increases are based on personal performance of the executive officers and general economic conditions, annual bonuses and incentive awards are directly tied to the Company's actual economic performance during the applicable fiscal year.

With respect to performance in years prior to 2002, executive compensation has included other incentive awards (e.g., stock option grants and deferred income awards) along with restricted stock. With respect to performance in 2002, 2003 and 2004, the Compensation Committee determined not to grant such other incentive awards and to utilize restricted stock awards exclusively as the Company's incentive award. Currently, the Compensation Committee anticipates that it will continue in the future to utilize restricted stock awards exclusively as the Company's incentive award; however, it reserves the right to utilize other incentive awards in the future if and when it determines such incentive awards would be appropriate.

Restricted stock is granted to the executives under the provisions of the 1997 Stock Plan and will also be granted under the 2001 Stock Plan in the future. Other incentive awards (e.g., stock options and deferred income awards) were granted to the executives under the provisions of the 1994 Stock Plan, the 1997 Stock Plan and the Deferred Income Plan, and, if granted in the future, may be granted under such plans and under the 2001 Stock Plan. The Compensation Committee determines those executives who will receive restricted stock and, if utilized in the future, other incentive awards and the terms of such awards.

2004 Bonus and Incentive Compensation/ CEO Compensation. The bonuses and incentive awards awarded for 2004 performance to each of the Chief Executive Officer and the other executive officers of the Company were based on the Company's internal plan targets for 2004, including the Company's (i) stock price, including total return, (ii) earnings per share, (iii) funds from operations, (iv) net asset value, (v) return on assets, (vi) portfolio performance, including same store net operating income, tenant retention, occupancy and capital expenditures, (vii) general and administrative expense, (viii) investment/divestment activity, (ix) capital markets activity, and (x) certain balance sheet objectives, including leverage and pay-out ratios. Generally, bonuses and incentive awards for 2004, including those for the Chief Executive Officer, were higher as a percentage of annual salary than in 2003, due to the Company's performance in 2004 relative to certain of its internal plan targets in an improving economic environment. The 2004 annual salary for Mr. Brennan, Chief Executive Officer of the Company, was set prior to the beginning of such year and reflects general economic conditions prevailing at the time.

Compensation Committee Procedures. The Compensation Committee annually evaluates the Company's performance, as well as the personal performance of the Chief Executive Officer and the other executive officers of the Company. Company performance is evaluated by quantitative factors based on the Company's internal plan targets for the applicable year. Personal performance is evaluated both by qualitative factors, including organizational and management development exhibited from year to year, and by quantitative factors based on the Company's internal plan targets for the applicable year. Generally, the Compensation Committee will meet prior to the beginning of each fiscal year to establish base salary and performance targets for the upcoming year and will meet again at the beginning of each year to review performance and approve incentive awards for the preceding fiscal year.

PROXY STATEMENT

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility on public corporations federal tax returns of compensation over \$1 million to certain executive officers. The Company does not believe that Section 162(m) of the Internal Revenue Code is applicable to its current arrangements with its executive officers. Accordingly, the Compensation Committee does not currently factor Section 162(m) deductibility limitations into its compensation decisions.

The Compensation Committee believes that it has designed and implemented a compensation structure that provides appropriate awards and incentives for the Company's executive officers as they work to sustain and improve the Company's overall performance.
