**Item 1.01. Entry into a Material Definitive Agreement.**

On December 23, 2008, HearUSA, Inc. (the Company) entered into a Third Amendment to Credit Agreement (Credit Agreement Amendment), Second Amendment to Supply Agreement (Supply Agreement Amendment), Second Amendment to Investor Rights Agreement (Investor Rights Amendment), Amendment No. 2 to Amended and Restated Security Agreement (Security Agreement Amendment) (collectively the Amendments) and a Purchase Agreement (the Purchase Agreement) with Siemens Hearing Instruments, Inc. (Siemens). The Company and Siemens are parties to a Second Amended and Restated Credit Agreement dated December 30, 2006, as amended by a First Amendment to Credit Agreement dated as of June 27, 2007 and a Second Amendment to Credit Agreement and First Amendment to Investor Rights Agreement and Supply Agreement dated September 28, 2007 (the 2007 Amendments) (as amended, the Credit Agreement), an Amended and Restated Supply Agreement dated December 30, 2006, as amended by the 2007 Amendments (as amended, the Supply Agreement) and an Investor Rights Agreement dated December 30, 2006, as amended by the 2007 Amendments (as amended, the Investor Rights Agreement).

Pursuant to these agreements, Siemens has extended to the Company a \$50 million credit facility and the Company purchases from Siemens most of the Company's requirements for hearing aids. The December 2006 agreements represented amendments to agreements that had been in place between the parties since 2001. In 2006 when the Credit Agreement was amended, the Company granted to Siemens the right to convert a portion of the debt into common stock at certain times and upon certain conditions. Pursuant to the Supply Agreement, the Company has agreed to purchase at least 90% of the hearing aids it sells in the United States from Siemens and its affiliates. If the minimum purchase requirement of the Supply Agreement is met, the Company earns rebates which are then applied to certain payments due under the Credit Agreement to liquidate those payments. The Investor Rights Agreement provided Siemens with certain rights, including the right to have the shares of common stock underlying the debt be registered for resale and a right of first refusal on equity securities sold by the Company. In 2007 when the 2007 Amendments were made, Siemens agreed to provide the Company with an additional \$3 million revolving line of credit for working capital purposes in the form of Tranche E which would be due on December 29, 2008. In addition, in the 2007 Amendments Siemens agreed that the \$4.2 million principal of Tranche D in the Credit Agreement would be due on December 19, 2008.

Pursuant to the Amendments and the Purchase Agreement executed on December 23, 2008, the parties have agreed to the following:

The required prepayment of \$4.2 million of Tranche D loans under Section 2.05(c) of the Credit Agreement was eliminated and that amount was transferred to Tranche C. The repayment date for the Tranche E loan of \$3 million was extended to coincide with the Maturity Date under the amended Credit Agreement. To facilitate that change, the balance under Tranche E was also transferred to Tranche C. Because of the prior repayment in full of Tranche A, going forward the Credit Agreement will have only Tranches B and C.

The aggregate maximum commitment amount of the Tranche B and Tranche C loans is \$50 million, all of which is now fully self liquidating with rebates earned

under the Supply Agreement, as amended, and repaid principal may be reborrowed for acquisition purposes under the amended Credit Agreement.

The conversion provisions of the Credit Agreement have been eliminated.

The Maturity Date under the Credit Agreement and Supply Agreement has been extended by two years (to February of 2015).

Approximately \$3.8 million of outstanding trade debt under the Supply Agreement was converted into 6.4 million shares of the Company's Common Stock, \$0.10 par value per share (the "Shares") at a conversion price equal to \$0.60 pursuant to the Purchase Agreement. An additional \$6.2 million of trade debt under the Supply Agreement was converted into indebtedness under Tranche C of the Credit Agreement.

Under the Investor Rights Agreement, as amended, the Shares are now included in the definition of "Registrable Securities" and the Company has undertaken to register the Shares for resale within 180 days. (The Company will deregister shares underlying the Credit Agreement conversion rights which have now been eliminated.)

In the Investor Rights Amendment, the Company has granted Siemens a right of first refusal for all new issuances of equity (except issuances pursuant to employee compensation plans and pursuant to warrants outstanding on the date of the Amendments) for a period of 18 months. Thereafter, Siemens will have a more limited right of first refusal and preemptive rights for the life of the Investor Rights Agreement, as amended.

Pursuant to the Investor Rights Amendment, the Company will invite a representative of Siemens to attend meetings of the Board in a nonvoting observer capacity.

A copy of each of the Amendments and the Purchase Agreement is attached to this Form 8-K as Exhibits 10.1 through 10.5. On December 23, 2008, the Company issued a press release relating to the Amendments and the Purchase Agreement. A copy of that press release is furnished with this Form 8-K as Exhibit 99.1.
