Controls and Procedures

As of the end of the registrant's fiscal year ended December 31, 2004, an evaluation of the effectiveness of CNRL's "disclosure controls and procedures" (as such term is defined in Rules 13a-15(c) and 15(d)-15(e) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) was carried out by CNRL's principal executive officer and principal financial officer. Based upon the evaluation, CNRL's principle executive officer and principal financial officer have concluded that as of the end of the fiscal year, CNRL's disclosure controls and procedures are effective to ensure that information required to be disclosed by the registrant in reports that it files or submits under the

Edgar Filing: CANADIAN NATURAL RESOURCES LTD - Form 40-F

Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in applicable Securities and Exchange Commission rules and forms and (ii) accumulated and communicated to the registrant's management, including its principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure.

It should be noted that while CNRL's principal executive officer and principal financial officer believe that CNRL's disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect the CNRL's disclosure controls and procedures or internal control over financial reporting will prevent all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met.

Audit Committee

CNRL has a separately designated standing audit committee established in accordance with section 3(a)(58)(A) of the Exchange Act. The members of the Audit Committee are Messrs. G. D. Giffin, D. A. Tuer and Ms. C.M. Best who chairs the Audit Committee.
