PROXY STATEMENT

TIME, DATE AND PLACE OF ANNUAL MEETING

The enclosed proxy is solicited by the Board of Directors of ProxyMed, Inc., a Florida corporation (the Company or ProxyMed or we or us), for use at the Annual Meeting of Shareholders to be held on Wednesday, June 1, 2005, at 9:00 a.m., Atlanta time, at the Company's corporate offices located at 1854 Shackleford Court, Suite 200, Atlanta, Georgia 30093. The approximate date this Proxy Statement and the enclosed form of proxy are first being sent to shareholders is April 22, 2005. The form of proxy provides a space for you to record your vote for each proposal. You are urged to indicate your vote on each matter in the space provided; any item not voted upon by you will be voted by the persons named in the proxies at the meeting (i) **FOR** the election of six (6) persons to the Board of Directors as set forth below; (ii) **FOR** the ratification and approval of Deloitte & Touche as the Company's independent certified registered public accountants for the 2005 fiscal year; and (iii) in their discretion, upon such other business as may properly come before the meeting. Whether or not you plan to attend the meeting, please complete the proxy card, sign, date and return the proxy card to the transfer agent in the enclosed envelope, which requires no postage if mailed in the United States.

The cost of this proxy solicitation will be borne by the Company. Solicitations of proxies by mail may be supplemented by telephone, telegram, facsimile, personal or electronic solicitation by directors, officers or regular employees of the Company. No additional compensation will be paid to such persons for such activities. The Company estimates that the cost of this proxy solicitation will be approximately \$33,000 including shareholder verification, printing of materials and distribution costs.

Only shareholders of record at the close of business on April 6, 2005 (Record Date), are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, the Company had issued and outstanding 12,626,567 shares of common stock and 13,333 voting shares of common stock represented by Series C 7% Convertible Preferred Stock, all of which are entitled to vote at the Annual Meeting. In the event that there are not sufficient votes for approval of any of the matters to be voted upon at the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies. The quorum necessary to conduct business at the Annual Meeting consists of a majority of the issued and outstanding shares entitled to vote at the Annual Meeting. The approval of the proposals covered by this Proxy Statement will require an affirmative vote of the holders of a majority of the shares of common stock voting in person or by proxy at the Annual Meeting, with the exception of the election of directors, each of whom is elected by a plurality.

All shares of common stock that are represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting and not revoked will be voted at the Annual Meeting or any adjournment thereof as specified therein by the person giving the proxy in accordance with the instructions indicated in such proxies. If no instructions are indicated, such shares represented by proxy will be voted as recommended by the Board of Directors. Abstentions or broker non-votes are counted as shares present in the determination of whether shares of common

stock represented at the meeting constitute a quorum. Abstentions and broker non-votes are tabulated separately. Since only a plurality is required for the election of directors, abstentions or broker non-votes will have no effect on the election of directors (except for purposes of determining whether a quorum is present at the Annual Meeting). As to other matters to be acted upon at the Annual Meeting, abstentions are treated as AGAINST votes, whereas broker non-votes are not counted for the purpose of determining whether the proposal has been approved.

Report of the Audit Committee (1)

The Audit Committee is composed of three (3) independent directors as defined in the listing standards promulgated by NASD, as applicable and as may be modified or supplemented. The Audit Committee held eight (8) meetings during fiscal year 2004. The Company's Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee is responsible for reviewing and monitoring, in an oversight capacity, the financial reporting and auditing processes. All members of the Audit Committee share equally the responsibility for the performance of the foregoing functions as further explained below and in the Audit Committee charter.

The Audit Committee provides assistance to the Board of Directors in fulfilling its obligations with respect to matters involving the accounting, auditing, financial reporting, and internal control functions of the Company. The Audit Committee discusses with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with or without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. Only the Audit Committee can engage or terminate the engagement of the independent auditors.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements for fiscal 2004 with the Company's independent auditors, with management and with the entire Board of Directors of the Company and discussed the quality of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee reviewed with the independent auditors, all matters required to be discussed by Statement of Auditing Standards 61 Communications with Audit Committees. In addition, the Audit Committee considered and discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and determined that the independent auditors' non-audit services to the Company were consistent and compatible with the Company's and the foregoing guidelines.

The foregoing notwithstanding, management is ultimately responsible for the Company's financial reporting processes, including the preparation of its financial statements in conformity with Generally Accepted Accounting Principles (GAAP) and its system of internal audit controls, and the Company's outside auditor is responsible for the auditing of those financial statements in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB Standards) and expressing its opinion as to whether the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in conformity with GAAP.

Absent any evidence to the contrary, the Audit Committee has relied, without independent verification, on management's representations that the financial statements are complete, free of material misstatement and prepared in accordance with GAAP, and on the opinion and representations made by the auditor in its report on the Company's financial statements, including its representations that the auditor is independent and the audit was performed in accordance with PCAOB. In reliance on the foregoing reviews, discussions and representations, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K/A for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for administering, reviewing and approving compensation arrangements with respect to executive compensation, which includes base salaries, annual incentives and long-term stock option plans, as well as any executive benefits and/or perquisites. In addition, the Compensation Committee is responsible for any awards and administration of our stock option plans and grant of options to newly-hired employees, and any future equity incentive plans.

In July 2004, the Compensation Committee approved a grant to Mr. Gregory J. Eisenhower, our Executive Vice President and Chief Financial Officer, of options to purchase 18,000 shares of common stock at an exercise price of \$16.53 per share in consideration of his performance with the Company. Such options expire in ten years and vest equally over four years from the date of grant.

Mr. Hoover had been Chairman of the Board and Chief Executive Officer of the Company since July 2000. In December 2004, Mr. Hoover stepped-down as Chairman of the Board and in January 2005, he retired as Chief Executive Officer. During the fiscal year ended December 31, 2004, his annual base salary was \$275,000 pursuant to his employment agreement with us and a salary increase approved by the Compensation Committee effective January 1, 2004. In 2004, Mr. Hoover earned a \$15,000 cash bonus related to the consummation of the acquisition of PlanVista which was paid in March 2004. Mr. Hoover received no severance or any other additional compensation upon his separation from us.

In December 2004, we entered into an independent contractor agreement with Mr. McNamara. The agreement is on a month-to-month basis for a minimum of six months and shall be automatically renewed unless either party gives thirty days written notice of non-renewal. Under this agreement, Mr. McNamara is paid a cash fee of \$30,000 per month. Additionally, in conjunction with this agreement, Mr. McNamara received ten-year options to purchase 75,000 shares of our common stock at an exercise price of \$7.10 per share. Such options vest at the rate of 6,250 per month but may be accelerated to vest upon a change in control of the company or if the independent contractor agreement is terminated within the first six months for any reason other than breach of contract. In January 2005, in conjunction with Mr. McNamara's appointment as Chairman of the Board, he is also paid a cash

fee of \$10,000 per month and received ten-year options to purchase and additional 25,000 shares of our common stock at an exercise price of \$9.78 per share. These options vest at the rate of 2,083 per month and will also be accelerated to vest in the case of a change in control of our company.

The Compensation Committee's general philosophy with respect to the compensation of the Chief Executive Officer and other executive officers is to offer competitive compensation packages designed to attract and retain key executives critical to our success. In general, subjective factors rather than specific criteria of our performance have been used in determining and approving executive compensation. The Compensation Committee intends to review the performance and compensation of our executive officers annually, in conjunction with our performance. Our compensation programs include a base salary, annual bonus awards based on individual and company performance, as well as the granting of stock options designed to provide long-term incentives and aligning the interest of management with those of our shareholders.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the Company's Chief Executive Officer and the four (4) other most highly compensated executive officers, unless such compensation is performance based. For purposes of Section 162(m), we currently intend to structure any performance-based portion of the compensation of our executive officers in a manner that complies with Section 162(m).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In April 1997, we made loans totaling \$350,000 to Mr. Blue, our former Chairman of the Board and Chief Executive Officer. As of December 31, 2004, the notes have been collected in full.

In March 2001, Mr. Guinan entered into an uncollateralized promissory note for \$45,400 for amounts previously borrowed from ProxyMed. The promissory note calls for minimum bi-weekly payments of \$350 deducted directly from Mr. Guinan's payroll until the note is paid in full on or before February 2006. The note is non-interest bearing but interest is imputed annually based on the Internal Revenue Service Applicable Federal Rate at the time the note was originated (4.98%). Under terms of the promissory note, if Mr. Guinan is terminated without cause, the note is due in full after nine months from the date of termination as long as the scheduled bi-weekly payments continue to be made. As of December 31, 2004, the unpaid principal balance of the note is approximately \$4,700.

Michael S. Falk, a non-employee director of ProxyMed, was the beneficial owner of the PlanVista series C preferred stock owned by PVC Funding Partners, LLC. He is a controlling owner of Commonwealth Associates Group Holdings, LLC, which is the managing member of PVC Funding Partners, LLC which owned 96% of the outstanding PlanVista series C preferred stock and represented 57.9% of the combined voting power of the common stock and series C preferred stock of PlanVista. Commonwealth Associates Group Holdings, LLC acted as one of PlanVista's investment advisors in connection with the merger and received upon consummation of the merger an investment advisory fee of approximately \$1.7 million. Mr. Falk is the beneficial owner of approximately 287,720 shares that were issued in connection with the private equity offering the Company consummated in March 2004. Additionally, one former senior executive of ProxyMed had an immaterial ownership interest in PlanVista.

William L. Bennett, a former director of PlanVista, became a director of ProxyMed following consummation of the merger with PlanVista. PlanVista is obligated to Mr. Bennett under a promissory note in the principal amount of \$250,000 which had a maturity date of December 1, 2004. The note bears interest at a rate of prime plus 4.0% per annum, but payment of principal and interest is subordinated and deferred until all senior obligations are paid (the senior debt matures on May 31, 2005).

In conjunction with our acquisition of PlanVista, we assumed and guaranteed a \$20.4 million secured obligation to PVC Funding Partners, LLC and owner of approximately 20% of our outstanding common stock. This obligation has a balance of approximately \$18.4 million at December 31, 2004.
