**Q. Do I need to apply for a job with Fresenius Medical Care?**

- A. No. You will continue to be employed by Renal Care Group both before and after Fresenius Medical Care acquires Renal Care Group. Since Fresenius Medical Care is buying the common stock of Renal Care Group, Renal Care Group will continue to exist after the transaction. As we communicated to you earlier, there are no planned closings of Renal Care Group dialysis facilities nor planned changes in wages or benefits.

**Q. I currently have PTO/Vacation accumulated. Will I keep my PTO/Vacation when the merger is complete?**

- A. Yes. Your accumulated PTO/Vacation will transfer to Fresenius Medical Care, and you will be allowed to use it in the usual course either before or after closing.

**Q. Will I maintain my seniority when the merger is complete?**

- A. Yes. Fresenius Medical Care will recognize your original hire date and your prior years of service for all of Fresenius Medical Care's current benefit plans.

**Q. Can I accept shares of stock in Fresenius Medical Care instead of the \$48.00 per share cash offer for my shares of Renal Care Group common stock?**

- A. No. Fresenius Medical Care will pay \$48.00 per share in cash when the transaction closes. You will receive instructions on how to surrender your shares soon after the transaction closes. If you have options to buy Renal Care Group common stock, you will receive instructions on how to receive the difference between the \$48.00 deal price and the strike price for your options.

**Q. I still have questions about other items such as the 401(k) plan and tuition reimbursement. When will I receive information about these types of programs?**

- A. Fresenius Medical Care offers a comprehensive benefit package that is comparable in the aggregate to your current Renal Care Group benefit plan. Our agreement with Fresenius Medical Care requires them to provide salary and benefits to Renal Care Group's associates that are comparable in the aggregate to what Renal Care Group has in place today. The transition planning is just now beginning and as more details become available, we will communicate them to you.
