**(To Prospectus Filed March 7, 2006)**  
**3.9375% Convertible Senior Debentures Due 2015**  
**5,105,061 Common Shares**

This prospectus supplement, together with the prospectus described above, is to be used by certain holders of the securities referenced above, or by their transferees, pledgees, donees or their successors, in connection with the offer and sale of the securities. This prospectus supplement should be read in conjunction with the prospectus and is qualified by reference to the prospectus, except to the extent that the information contained in this prospectus supplement supersedes the information contained in the prospectus.

**SELLING SECURITY HOLDERS**

The table included in the section captioned Selling Security Holders commencing on page 23 of the prospectus is hereby amended to reflect the following new amount of debentures, and common stock issuable upon conversion of the debentures, for the selling security holders named below:

Name of Selling Stockholder	Amount of Debentures Beneficially Owned (\$)	% of Debentures Beneficially Owned	Amount of Debentures Being Offered (\$) <sup>(a)</sup>	No. of Shares of Common Stock Beneficially Owned <sup>(b)(c)</sup>	No. of Shares of Common Stock Being Offered <sup>(a)(c)</sup>	No. of Shares of Common Stock Owned After Offering <sup>(a)</sup>
Aristeia International Limited <sup>(1)</sup>	13,250,000	7.68%	13,250,000	392,127	392,127 <sup>(d)</sup>	0
Aristeia Partners LP <sup>(1)</sup>	1,750,000	1.01%	1,750,000	51,790	51,790 <sup>(d)</sup>	0

(a) Because each selling security holder may sell pursuant to this prospectus all or a portion of the offered debentures, and common stock issuable upon conversion of the debentures, we cannot know or estimate number or percentage of debentures and common stock that the selling security holder

will hold upon the termination of any particular offering. Please refer to the Plan of Distribution beginning on page 64 of the prospectus. The information presented assumes that all of the selling security holders will fully convert the debentures for cash and shares of our common stock, and that the selling security holders will sell all shares of our common stock that they receive pursuant to such conversion.

- (b) Includes shares of our common stock issuable upon conversion of the debentures.
-

- (c) The number of shares of our common stock issuable upon conversion of the debentures is calculated assuming (i) the debentures are worth \$345,000,000 at the time of conversion, with the \$172,500,000 principal amount paid in cash and the remaining \$172,500,000 paid in shares of our common stock, and (ii) the conversion of the full amount of debentures held by the selling security holders at the initial conversion price of \$33.79, which corresponds to the initial conversion rate of 29.5972 shares per \$1,000 principal amount of the debentures. The number of shares of our common stock to be offered using this prospectus may increase or

decrease from time to time.

Fractional shares will not be issued upon conversion of the debentures. Instead, we will pay cash in lieu of fractional shares, if any.

(d) This selling security holder has declined to indicate whether it owns shares of our common stock other than shares issuable upon conversion of the debentures. For purposes of this table, we have assumed it does not.

(1) Aristeia Capital LLC is the investment manager for Aristeia International Limited and Aristeia Partners LP and has voting and investment power over the securities held by those selling security holders. Aristeia Capital LLC is owned by Kevin Toner, Robert H. Lynch, Jr., Anthony Frascella and Bill Techar.

The amended table is based solely on the most current information provided to us by the selling security holders named above. These selling security holders have not, within the past three years, held any position or office with us or any of our predecessors or affiliates, or had any other material relationship with us or any of our predecessors or affiliates.
