**ASSURANCEAMERICA CORPORATION
PROXY STATEMENT FOR THE
2007 ANNUAL SHAREHOLDERS MEETING**

This Proxy Statement is being furnished to you in connection with the solicitation by and on behalf of our Board of Directors of proxies for use at the 2007 Annual Shareholders Meeting (the Annual Meeting) at which you will be asked to vote upon:

the election of eight Directors to serve until the 2008 Annual Shareholders Meeting and until their successors are duly elected and qualified (see Proposal 1); and

such other business as may properly come before the Annual Meeting, including adjourning the meeting to permit, if necessary, further solicitations of proxies.

The Annual Meeting will be held at 11:15 a.m., local time, on Thursday, April 26, 2007, at our main offices at RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328. This Proxy Statement and the enclosed proxy are first being mailed to shareholders on or about April 5, 2007.

VOTING INFORMATION

Proxy Card and Revocation

You are requested to promptly sign, date and return the accompanying proxy card to us in the enclosed envelope. Any shareholder who has delivered a proxy may revoke it at any time before it is voted by either electing to vote in person at the Annual Meeting, by giving notice of revocation in writing or by submitting to us a signed proxy bearing a later date, provided that we actually receive such notice or proxy prior to the taking of the shareholder vote at the Annual Meeting. Any notice of revocation should be sent to: AssuranceAmerica Corporation, RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328, Attention: Mark H. Hain, Secretary. The shares of our common and preferred stock represented by properly executed proxies received at or before the Annual Meeting and not subsequently revoked will be voted as directed in such proxies. If instructions are not given, shares represented by proxies received will be voted FOR the election of each of the eight nominees for Director. As of the date of this Proxy Statement, we are unaware of any other matter to be presented at the Annual Meeting.

Who Can Vote; Voting Of Shares

Our Board of Directors has established the close of business on April 2, 2007, as the record date (the Record Date) for determining our shareholders entitled to notice of and to vote at the Annual Meeting. Only our shareholders of record as of the Record Date will be entitled to vote at the Annual Meeting. A plurality of votes cast at the Annual Meeting will be required to elect eight Directors to serve until the 2008 Annual Shareholders Meeting and until their successors are duly elected and qualified. A plurality means that the nominees who receive the most votes for the available directorships will be elected as Directors. Accordingly, the withholding of authority by a shareholder will not be counted in computing a plurality and will have no effect on the results of the election of such nominees. The affirmative majority votes of our outstanding common stock and preferred stock, voting together as a class, present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to approve any other matter properly brought before the Annual Meeting.

Under certain circumstances, brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies to the brokers (so-called broker non-votes). In such cases, those shares will be counted for the purpose of determining if a quorum is present but will not be included in the vote totals with respect to those

matters for which the broker cannot vote. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present, and each is tabulated separately. Because Directors are elected by a

Table of Contents

plurality, abstentions and broker non-votes have no effect on the election of Directors. In all other matters, abstentions are counted as votes against a proposal and broker non-votes are not counted.

As of the Record Date, there were 56,642,971 shares of our common stock outstanding and entitled to vote at the Annual Meeting, with each share entitled to one vote. As of the Record Date, there were 800,000 shares of our Series A Convertible preferred stock (preferred stock) outstanding and entitled to vote at the Annual Meeting. Each share of preferred stock is entitled to ten (10) votes, representing the current number of shares of common stock into which each share of preferred stock may be converted. Holders of common stock and holders of preferred stock will vote together without regard to class on the matters to be voted upon at the Annual Meeting.

The presence, in person or by proxy, of holders of 10% of the outstanding shares of our common and preferred stock entitled to vote at the Annual Meeting is necessary to constitute a quorum of the shareholders in order to take action at the Annual Meeting. For these purposes, shares of our common and preferred stock that are present, or represented by proxy, at the Annual Meeting will be counted for quorum purposes regardless of whether the holder of the shares or proxy fails to vote on any matter or whether a broker with discretionary authority fails to exercise its discretionary voting authority with respect to any matter.

How You Can Vote

You may vote your shares by marking the appropriate boxes on the enclosed proxy card. You must sign and return the proxy card promptly in the enclosed self-addressed envelope. **Your vote is important. Even if you plan to attend the Annual Meeting in person, please return your marked proxy card promptly to ensure that your shares will be represented.**

PROPOSAL 1

ELECTION OF DIRECTORS

Number of Directors

Our Bylaws provide that our Board of Directors will consist of not less than three directors and no more than ten directors. The number of Directors has been set at eight by the Board. Our Board of Directors currently consists of eight Directors.

Nominees

We have selected eight nominees that we propose for election to our Board of Directors. The nominees are: John E. Cay III, Quill O. Healey, Guy W. Millner, Donald Ratajczak, John Ray, Kaaren J. Street, Lawrence (Bud) Stumbaugh, and Sam Zamarripa. Each of the nominees presently serves on our Board of Directors. It is intended that each proxy solicited on behalf of the Board of Directors will be voted only for the election of the designated nominees.

Each of the nominees has consented to being named in this Proxy Statement and to serve as a Director if elected. In the event that any nominee withdraws or for any reason is not able to serve as a Director, the proxy will be voted for such other person as may be designated by the Board of Directors (or to reduce the number of persons to be elected by the number of persons unable to serve), but in no event will the proxy be voted for more than eight nominees.

Mr. Ray is a director nominee requested by the majority holder of the preferred stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH NAMED NOMINEE FOR DIRECTOR.

Meetings and Committees of the Board

Our Board of Directors held four meetings during the year ended December 31, 2006. Each Director attended 75% or more of the aggregate number of meetings held by the Board of Directors and the Committees, if any, on which such Director served. The Board of Directors has a standing Compensation Committee and Audit Committee. Copies of the current charters for each of the Compensation Committee and Audit Committee are available at our website, www.assuranceamerica.com, under Governance in the investor relations section of the website.

The Audit Committee is composed of Mr. Healey, Mr. Cay, and Dr. Ratajczak. The Audit Committee met six times in 2006. The Audit Committee acts pursuant to a charter adopted by the Board of Directors. Mr. Healey and Dr. Ratajczak are audit committee financial experts as defined by the SEC rules.

The Compensation Committee is composed of Mr. Zamarripa, Chairman, Mr. Ray and Mrs. Street. The Compensation Committee met twice in 2006. The Compensation Committee is generally responsible for overseeing the compensation and benefits of our management and employees and acts in accordance with a charter adopted by the board of directors. The Compensation Committee has the specific responsibility to: (i) establish the compensation of the Company's executive officers including salary, bonus, equity grants, perquisites, and other forms of compensation; (ii) administer the Company's equity incentive plans including the Company's stock option plan; and (iii) perform such other duties and responsibilities as the Board of Directors deems appropriate. The Chairman and the CEO are regularly invited to attend meetings of the committee but are excused from the meeting during any discussion of their own compensation. As members of the Board, the members of the committee receive information concerning the performance of the Company during the year and interact with our management. During the committee's deliberations on executive compensation, the Chairman gives the committee and the Board an assessment of his performance during the year just ended; he also reviews the performance of the CEO and the other executive officers with the committee and makes recommendations regarding their compensation. Before setting executive compensation, the committee reviews the total compensation and benefits of the executive officers, the history of changes to their compensation, annual performance evaluations of each individual executive officer, the Company's financial and non-financial results for the year, and competitive market information regarding compensation at comparable companies and competitors. The committee has the authority to retain independent experts and advisors but decided not to do so in 2006. The committee may delegate its authority as provided in its charter; however, it has not done so except to delegate to the CEO the authority to grant stock options under the Company's stock option plan pursuant to specific criteria and limitations established by the committee. The CEO has typically used the delegated authority to make grants of stock options as needed between regularly scheduled meetings of the compensation committee to newly hired employees. The compensation committee reviews such grant activity at its regularly scheduled meetings.

Because approximately 66% of our outstanding common stock is beneficially held by two individuals, our Board of Directors feels that it is appropriate not to have a standing Nominating Committee. Each of the members of our Board of Directors participates in the consideration of Director nominees. The Board has not established specific, minimum qualifications for a nominee to the Board of Directors. The Board considers the personal attributes of a candidate, including: leadership, integrity, independence, interpersonal skills, contributing nature, and effectiveness. The candidates experience attributes are also considered and include: financial acumen, general business experience,

industry knowledge, diversity of viewpoint, special business experience, and expertise. Messrs. Healey, Cay, Ratajczak, Ray, Zamarripa, and Mrs. Street are independent directors, as defined in Rule 4200 of the Nasdaq manual, the standard we use to evaluate the independence of our directors, and SEC Rule 10A-3(b)(1)(ii) regarding independence of audit committee members.

Table of Contents

Messrs. Millner and Stumbaugh serve as our Chairman and President and Chief Executive Officer, respectively. As a result, Messrs. Millner and Stumbaugh are not independent directors. Our Board of Directors does not have a charter relating to the nomination of Directors. Our Board of Directors does not consider nominees for Director submitted by shareholders.

Our directors are expected to attend each annual shareholders meeting but are not required to do so. Last year, each director attended our annual shareholders meeting.

Communicating with the Board

If you wish to communicate with our Board of Directors or any individual Director, you may send correspondence to: AssuranceAmerica Corporation, RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328, Attention: Corporate Secretary. Our Corporate Secretary will submit your correspondence to the Board or the appropriate Director, as applicable.

Director Compensation

Our non-officer Directors are granted an option to purchase 50,000 shares of our common stock (exercisable over five years with the exercise price equal to the fair market value of our common stock on the date of the grant) upon their initial election to the Board of Directors. Annually, each Director may choose between an award of 20,000 shares of our common stock or a cash payment of \$2,500 per quarter. We reimburse each non-officer director for travel expenses related to attendance at Board and committee meetings. In setting non-officer director compensation, the Company considers the significant amount of time the directors expend in fulfilling their duties to the Company as well as the skill-level required by the Company of members of the Board. Periodically, the Board reviews and considers changes to non-officer directors compensation as recommended to the Board by the Compensation Committee. No changes were made in 2006.

For the year ended December 31, 2006, Guy W. Millner and Lawrence Stumbaugh were not compensated in their capacity as Directors. Donald Ratajczak, Sam Zamarripa, Quill O. Healey, Kaaren J. Street, John Ray, and John E. Cay III each accepted a grant of 20,000 shares of our common stock in lieu of cash compensation for their service for the year ended December 31, 2006.
