Arbitration Ruling

On November 13, 2007, we received a ruling by the arbitrator in a binding arbitration involving a dispute before the American Arbitration Association with a former consultant who demanded approximately \$3.6 million under a contract we terminated in 2005, as well as current and future royalties for certain of our products. The consultant claimed that we wrongfully terminated or breached a product development contract. The arbitrator awarded the former consultant \$3.3 million plus interest at ten percent (10%) from December 17, 2005, until the award is paid; denied the consultant's claim for punitive damages; cancelled a related consulting agreement between the parties; and denied the consultant's claims for royalties for certain of our products.

We will recognize the \$3.3 million plus interest within our results of operations for the three months ended December 31, 2007.
