On January 28, 2008, Matria Healthcare, Inc. (Matria) and Inverness Medical Innovations, Inc. (Inverness) announced that they entered into an Agreement and Plan of Merger (the Merger Agreement) pursuant to which Inverness will acquire all outstanding shares of common stock of Matria for \$39.00 per share, payable in cash and shares of Inverness convertible preferred stock. The proposed transaction will take the form of an indirect acquisition through a merger (the Merger) of a newly formed, wholly-owned subsidiary of Inverness with and into Matria.

Under the terms of the Merger Agreement, each issued and outstanding share of Matria common stock (excluding shares owned by Matria or Inverness) will be converted into the right to receive (i) \$6.50 in cash and (ii) \$32.50 in Inverness convertible preferred stock (convertible at \$69.32 into shares of Inverness common stock) or (at the election of Inverness) in cash. Cash will be paid in lieu of fractional shares of preferred stock. A summary of the terms of the Inverness convertible preferred stock to be issued in the transaction are set forth on Exhibit 99.1 hereto. The parties to the Merger Agreement have agreed to prepare and file documents with the Securities and Exchange Commission (see Additional Information About the Proposed Transaction and Where to Find It below) and a Certificate of Designations of Series B Convertible Perpetual Preferred Stock of Inverness Medical Innovations, Inc. (the Certificate of Designations) with the Secretary of State of the State of Delaware. These documents will contain the complete terms of the Inverness convertible preferred stock.

The acquisition, which is subject to approval by regulatory authorities and Matria stockholders, is expected to close in the second quarter of 2008.

A copy of the press release announcing the Merger Agreement is attached hereto as Exhibit 99.2 and incorporated herein. The foregoing description is qualified in its entirety by reference to the full text of the exhibits attached hereto.
