PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

We were not able to file our Annual Report on Form 10-K, for the year ended September 30, 2008, on or prior to December 29, 2008, because in September 2008, the Company sold the issued and outstanding stock of Telecom FM Limited, a wholly owned subsidiary and due to logistic challenges we just received the audited financial statements from the United Kingdom audit firm and are in the process of reviewing these audited financial statements. As a result of this disposition the financial covenants and other terms of our revolving credit agreement with Wachovia Bank, our lender, require modification to reflect the sale of this subsidiary. The modification negotiation discussions are in progress. We expect to finalize this process shortly and we expect to be in compliance with all debt covenants.

If answer is no, identify report(s).

Yes No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Sunair believes there is a significant change in its results of operations for the fiscal year ended September 30, 2008 (fiscal 2008) compared to the fiscal year ended September 30, 2007 (fiscal 2007) which will be reflected in the statements of operations to be included in the Form 10-K to which this Notice of Late Filing on Form 12b-25 relates. The reason for some of the significant changes is as follows:

In September 2008, we completed the sale of our wholly owned telephone communications subsidiary, Telecom FM Limited, in accordance with a Share Purchase Agreement dated as of September 1, 2008. Pursuant to the Share Purchase Agreement we sold all of the issued and outstanding shares of Percipia, Inc. for approximately \$3.6 million, which included the payment of outstanding inter-company debt in the amount of \$1.2 million. The aforementioned \$3.6 million payment was received in two payments of \$1.8 million. One payment received on September 30, 2008 and reflected as cash on the September 30, 2008 balance sheet and the other payment of \$1.8 million received on October 1, 2008 and reflected as prepaid and other current assets on the September 30, 2008 balance sheet. For purposes of comparability, the fiscal 2007 results of operations for Telecom FM Limited have been reclassified from continuing operations to discontinued operations.

In addition to the sale of Telecom FM Limited in 2008, we also entered into a number of acquisitions throughout 2007 which we have a full year of operations reflected in the fiscal 2008 financial statements. The 2007 acquisitions were as follows:

November 2006 we acquired substantially all the assets of Archer Exterminators, Inc. (Archer).

February 2007 we acquired substantially all the assets of Valentine s Indoor Pest Management, Inc. (Valentine).

April 2007 we acquired substantially all the assets of David Burke, Inc., D/B/A Florida Exterminating (Florida Exterminating).

May 2007 we acquired substantially all the assets of Summer Rain Fertilization Company (Summer Rain).

August 2007 we acquired substantially all the assets of Howell Environmental, Inc. (Howell).

September 2007 we acquired substantially all the assets of Longboat Key Pest Control, Inc. (Longboat Key). On October 2, 2007, we acquired substantially all of the assets of Marshall Pest Control of SW Fl, Inc.

With the exception of finalizing our analysis of our revolving credit facility we have finalized our operating results for fiscal 2008 and we expect to report sales of approximately \$56.6 million in fiscal 2008 compared to sales of \$53.0 million in fiscal 2007, an increase of approximately 6.8%. This increase in sales was primarily attributable to the integration of our 6 acquisitions that took place throughout fiscal 2007 and which have been reflected for the entire year in fiscal 2008 coupled with our Marshall acquisition that took place on October 2, 1007. Sunair expects that its loss from continuing operations, before income taxes, will be approximately \$4.6 million for fiscal 2008 compared to \$4.3 million for fiscal 2007.

Sunair's estimates of its operating results for fiscal 2008 which are contained in this Form 12b-25 Filing should be considered preliminary, and are subject to change to reflect any necessary corrections or adjustments, or changes in accounting estimates, that are identified prior to the time Sunair finalizes its audited financial statements for fiscal 2008. Sunair's actual results of operation may differ significantly from the estimates contained herein.

Some of the statements in this Form 12b-25 Filing, including those that contain the words "expect," "anticipate," "believes," and "estimates," and other similar expressions, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Those forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause Sunair's actual results, performance or achievements or those of its industry to be materially different from any future results, performance or achievements expressed or implied by those forward-looking statements. Among the factors that could cause actual results, performance or achievement to differ materially from those described or implied in the forward-looking statements, include but are not limited to the risks that additional or new information may arise during Sunair's completion of its audit for fiscal 2008 which causes Sunair to revise or change the estimates contained in this Form 12b-25 Filing or any other subsequent information which impacts the estimated results reported in this Form 12b-25 filing, including the review of Sunair's financial statements by Sunair's independent auditors and Audit Committee, any errors or mistakes that were made in preparing any Sunair's financial statements or any other events that would require Sunair to make adjustments to its financial statements for fiscal 2008, fiscal 2007 or any prior periods.
