Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 25, 2005, the Board of Directors of Harris Corporation ("Harris ") adopted an amendment to Harris By-Laws adding a new Article IX which, among other things, permits Harris to issue shares of stock in either certificated or uncertificated form; however, if Harris issues shares of stock in uncertificated form, Harris is required to provide a physical share certificate to any holder of uncertificated shares who so requests. In addition, the amendment makes formal provision for certain other matters relating to Harris stock, including contents of share certificates; signatures on share certificates; transfer agents and registrars; lost, stolen or destroyed share certificates and issuance of new certificates; transfers of shares of stock; and registered shareholders. The amendment was adopted in preparation for Harris becoming part of Depository Trust Company's Direct Registration System for publicly traded securities for the registration of Harris common stock and became effective immediately upon adoption. The foregoing summary of the amendment does not purport to be complete and is qualified in its entirety by reference to the full text of Harris By-Laws, as amended and restated, filed as Exhibit 3.1 to this Current Report on Form 8-K and incorporated in this Item 5.03 by reference.

Item 8.01 Other Events.

On February 25, 2005, Harris issued a press release announcing that the Board of Directors of Harris has declared a two-for-one stock split to be effected in the form of a 100% stock dividend consisting of authorized but unissued shares of Harris common stock, par value \$1.00 per share. The stock dividend will be distributed on March 30, 2005 to stockholders of record as of the close of business on March 14, 2005, on the basis of one share of Harris common stock distributable for every one share of Harris common stock issued and outstanding. Further, Harris has adjusted the number of shares of common stock reserved under its various equity based agreements and compensation plans and the stock split also will result in an adjustment to the conversion ratio of Harris 3.5% Convertible Debentures due 2022. The full text of Harris press release announcing such action is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated in this Item 8.01 by reference.
