Shares of CMS common stock purchased will be either newly issued shares or, at our discretion, will be purchased in the open market (New York Stock Exchange) by the Plan's independent agent. Neither CMS Energy nor the Plan participants will have the authority to direct or control how or when the independent agent purchases shares of CMS common stock. We will credit newly issued shares of CMS common stock to your account at the **average of the high and low sale prices of CMS common stock as reported on the New York Stock Exchange Composite Tape for the trading day preceding the purchase date.** We will credit shares of CMS common stock purchased in the open market to your account at the actual weighted average price per share incurred. You will not pay brokerage commissions for the shares purchased.

Sale of Shares

You can request the sale of some or all of your CMS common stock by completing the appropriate section of the form included on your account statement and returning it to the Plan Administrator. Sale requests can also be submitted via our Web site (subject to the below guidelines). The Plan Administrator will forward the sale instructions to the independent agent for sale. Sales will generally be made weekly. The independent agent will sell your shares, together with the shares of other Plan participants, in the open market, and the price will be the weighted average of all shares included in the sale.

We will pay to you by check the proceeds from the sale of your shares, less a nominal brokerage fee (as of the date of this prospectus, approximately \$.05 per share). Checks are made payable as your account is registered. Requests to change the payee require Medallion Guaranteed signatures of all owners, guaranteed by a financial institution participating in the Medallion Guarantee program. Medallion Guaranteed signatures also are required on all sale requests that are likely to exceed a market value of \$5,000. We cannot accept instructions to sell your shares on a specific day, at a specific price, in a specific manner, or equal to a specific dollar value. You determine and indicate the number of **shares** to be sold. To obtain sale request forms, please refer to the back cover of this document.

You can obtain certificates for some or all of the full shares in your account at no cost by completing the appropriate section of the form included on your account statement and returning it to the Plan Administrator. You can terminate your participation in the Plan either by completing and returning the appropriate section of the form included on your account statement, by providing written, signed notice to the Plan Administrator, or on our Web site. You can terminate either by selling all of your shares or by requesting a certificate for all of your whole shares and a check for the market value of your fractional share. If a certificate or check is to be issued in a name(s) other than the name(s) on your account, your written request, signed by all owners, must be Medallion Guaranteed by a financial institution participating in the Medallion Guarantee program.

Additional Information

Any shares resulting from a stock split or stock dividend paid on shares held in your Plan account will be credited to your account in book-entry form. In the event of a rights offering, you will receive rights based on the total number of whole shares in your account.

We will make available to you a proxy statement in connection with each meeting of our shareholders, along with an opportunity to vote the shares in your Plan account. Your proxy, when properly submitted, will be voted as you indicate. Your shares will not be voted unless you vote them.

We reserve the right to suspend, modify or terminate the Plan at any time. All participants will receive notice of any such suspension, modification or termination. If we terminate the Plan, certificates for whole shares held in your account will be issued and a cash payment will be made for any fractional share.

We participate in the Direct Registration System (DRS). Participants in the Plan may choose to have their direct registration/book-entry shares electronically delivered to or from their brokerage accounts. Participants in the Plan participating in the DRS can authorize their broker/dealer to request electronic movement of their book-entry shares. To effect such transactions, brokers will need to include the following information: The CMS account number; social security or taxpayer identification number of the participant; the registered name(s) on the DRS account and the number of DRS shares to be delivered. We will honor such requests from any broker participating in the DRS.

Table of Contents

EMPLOYEE PAYROLL DEDUCTION

Our employees (including part-time employees, but not temporary or contract employees) and employees of our subsidiaries who participate in the Plan can invest through the Plan by submitting an Employee Payroll Deduction Authorization Form. The Employee Payroll Deduction Authorization Form authorizes the Plan to make payroll deductions of at least \$6.25 per pay period for employees paid weekly and at least \$12.50 per pay period for employees paid semimonthly and to use the deductions for the purchase of CMS common stock pursuant to the Plan. Employees may, at any time, increase or decrease, within the above limits, the amount of the deduction by notifying the Plan Administrator at the address on the back cover of this document. Payroll deduction authorizations previously provided remain in effect unless the Plan Administrator is otherwise notified.

All other aspects of the Plan apply to employees.

U.S. FEDERAL INCOME TAXATION

The following discussion relates to certain federal income tax consequences if you participate in the Plan. The full effect upon you will depend upon your individual circumstances. We suggest you discuss this material, as well as the impact of state and local taxes, with your tax advisor.

You will be required to include in your gross income for federal income tax purposes amounts equal to any dividends reinvested through the Plan as if you had directly received the cash. You will have no taxable income upon the purchase of shares under the plan. You will not realize taxable gain or loss upon deposit of shares into the Plan or the withdrawal of whole shares from the Plan.

However, you will recognize gain or loss when you sell shares or receive cash for your fractional shares. The gain or loss will be equal to the difference between the amount received for the shares or a fractional share (less any brokerage commissions) and your tax basis in the shares. Gain or loss will generally be a capital gain or loss; long-term or short-term depending on your holding period.

Your tax basis will be the cost of your shares. The holding period will begin the day after the shares are allocated to your account. The statements you receive from us are your continuing record of the cost of your purchases and should be retained for tax purposes.

Generally, dividends will be taxable to you as ordinary income to the extent of our current or accumulated earnings and profits for federal income tax purposes. Dividends paid in taxable years beginning on or before December 31, 2010 will be eligible for a reduced rate of federal income taxation for individuals (not exceeding 15%), provided that the dividend is paid with respect to shares held for more than 60 days during the 120-day period beginning 60 days before the ex-dividend date, the individual is not obligated to make related payments with respect to substantially similar or related property, and certain other conditions are met. The amount of any dividends in excess of earnings and profits will be a return of capital and, as such, would not be taxable as ordinary income. In the event of a return of capital distribution, we will provide you with reports that will indicate that we have made a return of capital distribution during the year. If you receive a return of capital dividend, you must reduce the tax basis of the share on which the dividend is paid by the amount of the dividend that is a return of capital. If the amount that is a return of capital exceeds the tax basis, the excess must be reported as capital gains.

Table of Contents

If you fail to furnish a properly completed Form W-9 or its equivalent, then the backup withholding provisions of the Internal Revenue Code will cause us to withhold the required tax from any dividends or sales proceeds.

Investors who are citizens or residents of a country other than the United States are generally subject to a withholding tax on any dividends paid. We are required to withhold from dividends the appropriate amount determined in accordance with Internal Revenue Service regulations. Where applicable, this withholding tax is determined by treaty between the United States and the country in which the investor resides.

ITEM 15. *Indemnification of Directors and Officers.*

The following resolution was adopted by CMS Energy's board of directors on May 6, 1987:

RESOLVED: That effective March 1, 1987 the Corporation shall indemnify to the full extent permitted by law every person (including the estate, heirs and legal representatives of such person in the event of the decease, incompetency, insolvency or bankruptcy of such person) who is or was a director, officer, partner, trustee, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against all liability, costs, expenses, including attorneys' fees, judgments, penalties, fines and amounts paid in settlement, incurred by or imposed upon the person in connection with or resulting from any claim or any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative, investigative or of whatever nature, arising from the person's service or capacity as, or by reason of the fact that the person is or was, a director, officer, partner, trustee, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Such right of indemnification shall not be deemed exclusive of any other rights to which the person may be entitled under statute, bylaw, agreement, vote of shareholders or otherwise.

CMS Energy's Bylaws provide:

The Corporation may purchase and maintain liability insurance, to the full extent permitted by law, on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity.

Article VIII of CMS Energy's Restated Articles of Incorporation, as amended, provides:

A director shall not be personally liable to the Corporation or its shareholders for monetary damages for breach of duty as a director except (i) for a breach of the director's duty of loyalty to the Corporation or its shareholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) for a violation of Section 551(1) of the Michigan Business Corporation Act, and (iv) for any transaction from which the director derived an improper personal benefit. No amendment to or repeal of this Article VIII, and no modification to its provisions by law, shall apply to, or have any effect upon, the liability or alleged liability of any

director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment, repeal or modification.

Article IX of CMS Energy's Restated Articles of Incorporation, as amended, provides:

Each director and each officer of the Corporation shall be indemnified by the Corporation to the fullest extent permitted by law against expenses (including attorneys' fees), judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the defense of any proceeding in which he or she was or is a party or is threatened to be made a party by reason of being or having been a director or an officer of the Corporation. Such right of indemnification is not exclusive of any other rights to which such director or officer may be entitled under any now or hereafter existing statute, any other provision of these Articles, bylaw, agreement, vote of shareholders or otherwise. If the Business Corporation Act of the State of Michigan is amended after approval by the shareholders of this Article IX to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Business Corporation Act of the State of Michigan, as so amended. Any repeal or modification of this Article IX by the shareholders of the Corporation shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or modification.

Sections 561 through 571 of the Michigan Business Corporation Act provide CMS Energy with the power to indemnify directors, officers, employees and agents against certain expenses and payments, and to purchase and maintain insurance on behalf of directors, officers, employees and agents.

Officers and directors are covered within specified monetary limits by insurance against certain losses arising from claims made by reason of their being directors or officers of CMS Energy or of CMS Energy's subsidiaries, and CMS Energy's officers and directors are indemnified against such losses by reason of their being or having been directors or officers of another corporation, partnership, joint venture, trust or other enterprise at CMS Energy's request. In addition, CMS Energy has indemnified each of its present directors by contracts that contain affirmative provisions essentially similar to those in Sections 561 through 571 of the Michigan Business Corporation Act cited above.

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

Edgar Filing: CMS ENERGY CORP - Form S-3ASR

- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
