September 30, 2008

Dear Fund Shareholder:

TWO LEADING INDEPENDENT PROXY ADVISORY FIRMS RECOMMEND THAT  
SHAREHOLDERS VOTE THE WHITE PROXY CARD!

We are happy to announce that ISS Corporate Governance Services, a division of RiskMetrics Group and Glass Lewis & Co., the two leading independent proxy advisory firms, are recommending that shareholders vote to re-elect J. Atwood Ives, William R. Gutow, Michael Hegarty, and Robert W. Uek as independent Trustees of the Fund and to vote AGAINST a shareholder proposal that the Trustees adopt a policy to conduct annual tender offers for shares of the Fund. Please vote today, as the Fund's annual meeting of shareholders will take place next Thursday, October 9, 2008. We are pleased that these respected, independent firms agreed that shareholders should support the Fund's Trustees, and we urge you to immediately VOTE THE ENCLOSED WHITE PROXY CARD.

You may have received a green proxy card from activist hedge fund manager Karpus Management, Inc., seeking board seats. We urge you to discard their green proxy card as we believe their interests are entirely self-motivated and inconsistent with yours.

And we're not alone in recommending that you VOTE THE ENCLOSED WHITE PROXY CARD:

- |X| Both leading independent proxy advisory firms, recommend that you VOTE THE ENCLOSED WHITE PROXY CARD. These firms are independent from MFS and the Fund, and hundreds of major institutional investors and other fiduciaries rely on these firms' independent recommendations.
- |X| Both independent firms cited the Fund's strong performance and active and engaged Board.
- |X| RiskMetrics observed that "the Fund's average annual total investment return, during the one- and three-year periods ended July 31, 2008, OUTPERFORMED the average of similar closed-end bond funds as measured by Lipper, Inc." Glass Lewis noted that the Fund's performance "has generally equaled or surpassed [its] peers in recent periods."
- |X| RiskMetrics noted that Board action, specifically "changing the investment strategy, adopting a level-rate distribution plan and authorizing the Fund's investment adviser to more aggressively engage in open market purchases have effectively managed" the discount, and that since the distribution policy became effective on January 1, 2008, the Fund's discount to net asset value decreased from 13.76% to 8.21%. (1)
- |X| Glass Lewis concluded that the Karpus proposal "would not be in the best interests of the [Fund] or its shareholders." RiskMetrics agreed, stating that the Karpus proposal "could negatively impact the return for long-term shareholders of the Fund" and cause "a potential increase in the Fund's expense ratio."

-----

Edgar Filing: MFS INTERMEDIATE INCOME TRUST - Form DEFA14A

- (1) As of December 31, 2007, the fund's discount to net asset value was 13.76%.  
As of September 11, 2008, the discount was 8.21%.

How did Karpus respond after THE TWO LEADING INDEPENDENT SHAREHOLDER ADVISORY FIRMS RECOMMENDED THAT YOU VOTE FOR MANAGEMENT'S NOMINEES AND AGAINST THE KARPUS PROPOSAL? Karpus responded by sending you a letter with false and misleading statements about the current Board. And Karpus didn't mention either of the independent recommendations.

Karpus doesn't want you to know that independent firms - firms that work on behalf of shareholders - don't agree with Karpus. That's why Karpus didn't mention that THE LEADING SHAREHOLDER ADVISORY FIRMS RECOMMEND VOTES FOR THE FUND'S NOMINEES AND AGAINST THE KARPUS PROPOSAL that the Board adopt a policy to conduct annual tender offers for shares of the Fund.

We are pleased that THE LEADING INDEPENDENT SHAREHOLDER ADVISERS RECOMMEND THAT SHAREHOLDERS VOTE THE FUND'S WHITE PROXY CARD FOR THE BOARD'S NOMINEES AND AGAINST THE SHAREHOLDER PROPOSAL.

IF YOU VALUE STRONG PERFORMANCE AND A LONG-TERM APPROACH INTENDED TO ENHANCE VALUE FOR ALL SHAREHOLDERS - VOTE THE ENCLOSED WHITE PROXY CARD TODAY!

Your Board strongly urges you not to sign any green proxy card you may receive from Karpus. Instead, YOUR BOARD URGES YOU TO SIGN AND DATE THE WHITE PROXY CARD ENCLOSED WITH THIS LETTER AND RETURN IT IN THE ENVELOPE PROVIDED.

- |X| Even if you have previously signed a Karpus proxy card, you should sign, date and return the ENCLOSED WHITE PROXY CARD. You have the right to change your vote and only your latest proxy vote counts.
- |X| If you hold your shares in a brokerage or bank account (in "street name"), your broker or bank cannot vote your shares this year (as it has in past routine annual meetings) unless you complete, sign and return the ENCLOSED WHITE PROXY CARD.
- |X| Please do not send back any green proxy card you receive, even to vote against the Karpus candidates. Doing so will cancel any prior vote you cast for your Board. Please return only the ENCLOSED WHITE PROXY CARD.

Thank you for your time and attention.

Sincerely,

/s/ Robert J. Manning

Robert J. Manning, President
