INTEROFFICE MEMORANDUM

To: All Gerber Employees

Date: June 13, 2011

From: MT Giles

Re: Merger Agreement

We are announcing today that Gerber Scientific has entered into a definitive merger agreement with Vector Capital under which an affiliate of Vector will acquire Gerber Scientific, Inc. Under the terms of the merger agreement, each shareholder of the Company will receive \$11.00 per share in cash. In addition to the cash payment, each shareholder of the Company will receive for each share they own a non-transferable right to receive contingent cash payments at future times, if recoveries are made pursuant to certain litigation claims in respect of U.S. Patent 5,537,135 (a computerized “print to cut” technology patent).

We are pleased to partner with Vector Capital, a leading technology investment firm with a long history of actively working with their portfolio companies to maximize value. Vector Capital, a San Francisco based private equity firm, specializes in spinouts, buyouts and recapitalizations of established technology businesses. Their technology expertise and financial resources will enable us to continue to provide superior products and service to our customers worldwide, while growing our global footprint.

As we have narrowed our strategic focus and divested some businesses, the Board of Directors believes this merger is the right opportunity at the right time for Gerber’s shareholders, employees, customers and business partners. In addition, this action will enable our employees – with the help of a highly focused and experienced investment partner – to better direct the Company’s destiny while pursuing our growth strategies.

We will be holding All Hands Meetings over the next couple of days to provide additional information. The team from Vector Capital that is leading this transaction will be present at the meetings to introduce their firm to you and answer your questions.

The schedule for these All Hands meetings is as follows:

North America and Europe:

Tuesday, June 14th, at 10:00 a.m. {Eastern}. Details will be forwarded separately.

Asia Pacific:

Details to follow from Tom Finn.

This news is likely to generate questions and concerns. Rest assured, we will work to provide answers to as many of your questions as we can when the information is available and we commit to communicate regularly with you throughout this process. We expect this exciting news may generate media interest, especially in our home town. It is important that you refer media inquiries to Rob Swadosh at The Dilenschneider Group, telephone: 212.922.0900.

Finally, as part of the merger agreement, the Board of Directors will solicit alternative proposals for a 45-day period. If there is no superior offer, the transaction is expected to close in the second half of calendar 2011, subject to customary approvals, including shareholder approval.

I remain excited about the opportunities that lie ahead for Gerber Scientific. Today's announcement is certainly an endorsement of our strategic direction and our growth plans.

Regards,

Marc Giles
President and CEO
