Item 1.01—Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On August 23, 2015, AGL Resources Inc., a Georgia corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with The Southern Company (“Southern”), a Delaware corporation, and AMS Corp., a newly formed Georgia corporation that is a wholly-owned subsidiary of Southern (“Merger Sub”), providing for the merger of Merger Sub with and into the Company (the “Merger”), with the Company surviving the Merger as a wholly-owned subsidiary of Southern.

The Company’s Board of Directors (the “Company Board”) unanimously (1) adopted the Merger Agreement and determined that the Merger and the other transactions contemplated by the Merger Agreement are advisable and fair to and in the best interests of the Company’s shareholders, (2) approved the execution, delivery and performance of the Merger Agreement by the Company and the consummation of the Merger and the other transactions contemplated by the Merger Agreement, and (3) resolved to recommend that the Company’s shareholders approve the Merger Agreement and the transactions contemplated by the Merger Agreement.

At the time the Merger becomes effective (the “Effective Time”), each share of the Company’s common stock, par value \$5.00 per share (“Company Common Stock”), issued and outstanding immediately prior to the Effective Time, other than certain excluded shares, will be converted automatically into the right to receive \$66.00 in cash, without interest (the “Merger Consideration”).

The Merger Agreement provides that, at the Effective Time, any vested Company stock options will be converted into the right to receive a cash payment equal to the intrinsic value of such options (i.e., the Merger Consideration minus the exercise prices of such options). Any Company restricted shares, restricted stock units and deferred stock units will be converted into the right to receive the Merger Consideration, with any applicable performance goals deemed satisfied. Any Company performance share units will be converted into restricted stock units based on the greater of 125% of target performance and actual performance achieved as of the Effective Time, as determined by the Company.

Shareholders of the Company will be asked to vote on the approval of the Merger Agreement at a special shareholders meeting that will be held on a date to be announced. Completion of the Merger is subject to various closing conditions, including, among others (1) the approval of the Merger Agreement by the affirmative vote of the holders of a majority of all outstanding shares of Company Common Stock entitled to vote at such meeting, voting together as a single voting group (the “Company Shareholder Approval”), (2) the receipt of required regulatory approvals, including expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and such approvals having become final orders and (3) the absence of a judgment, order, decision, injunction, ruling or other finding or agency requirement of a governmental entity prohibiting the consummation of the Merger. Each party’s obligation to consummate the Merger also is subject to certain additional conditions that include the accuracy of the other party’s representations and warranties contained in the Merger Agreement (subject to certain materiality qualifiers) and the other party’s compliance with its covenants and agreements contained in the Merger Agreement in all material respects. The Merger Agreement does not contain a financing condition.

The Merger Agreement contains customary representations and warranties made by each of the Company and Southern, and also contains customary covenants and agreements, including, among others, agreements by the Company to conduct its business in the ordinary course during the period between the execution of the Merger Agreement and the Effective Time, to not engage in certain kinds of transactions and to convene and hold a meeting of its shareholders for the purpose of obtaining the Company Shareholder Approval, and agreements by each of the parties to use their reasonable best efforts to obtain all required regulatory approvals. The Merger Agreement

provides that Southern, and, without the prior written consent of Southern, the Company will not offer, accept or commit to agree to any undertaking, condition, obligation, commitment or sanction, among others, in connection with the consummation of the Merger that, individually or in the aggregate, constitutes or would reasonably be expected to constitute a Burdensome Effect (as such term is defined in the Merger Agreement).

The Company is subject to customary “no shop” restrictions on its ability to initiate, solicit or knowingly facilitate or encourage alternative acquisition proposals. However, at any time prior to receipt of the Company Shareholder Approval, the Company may provide information to and negotiate with third parties who submit an alternative acquisition proposal that the Board has determined, after consultation with outside financial and legal advisors, is (or is reasonably likely to lead to) a Superior Proposal (as such term is defined in the Merger Agreement), and subject to certain requirements being met before such action. Further, subject to certain limitations, at any time prior to the receipt of the Company Shareholder Approval, the Board may effect a Change of Recommendation (as such term is defined in the Merger Agreement) and the Company may terminate the Merger Agreement in order to enter into a definitive agreement with respect to a Superior Proposal, subject to the payment by the Company to Southern of a termination fee in the amount of \$201,000,000. Such termination fee may be payable in connection with other terminations. In certain circumstances, the Company would be required to reimburse Southern’s expenses up to \$5,000,000 (which reimbursement would reduce on a dollar for dollar basis any termination fee subsequently payable by the Company).

In addition, and subject to certain limitations, either party may terminate the Merger Agreement if the Merger is not consummated by August 23, 2016, which date may be extended by either party to February 23, 2017 if, on August 23, 2016, all conditions to closing other than those relating to (1) regulatory approvals or (2) the absence of legal restraints preventing consummation of the Merger (to the extent relating to regulatory approvals), have been satisfied.

Other

The Merger Agreement has been included in this filing to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company. In particular, the representations and warranties contained in the Merger Agreement were made only for the purposes of the Merger Agreement as of the specific dates therein, and were solely for the benefit of the parties to the Merger Agreement. The representations and warranties contained in the Merger Agreement may be subject to limitations agreed upon by the parties to the Merger Agreement and may be qualified, modified or excepted by information in a confidential disclosure letter provided in connection with the signing of the Merger Agreement. Certain representations and warranties in the Merger Agreement may be subject to a standard of materiality provided for in the Merger Agreement that differ from those applicable to investors and have been used for the purpose of allocating risk among the parties, rather than establishing matters of fact. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, attached hereto as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 8.01—Other Events.

On August 24, 2015, the Company and Southern issued a joint press release relating to the transactions contemplated by the Merger Agreement. A copy of that joint press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
