**HMG/COURTLAND PROPERTIES, INC.**  
**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
**(Unaudited)**

**1. CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

In the opinion of the Company, the accompanying unaudited condensed consolidated financial statements prepared in accordance with instructions for Form 10-QSB, include all adjustments (consisting only of normal recurring accruals) which are necessary for a fair presentation of the results for the periods presented. Certain information and footnote disclosures normally included in the financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed consolidated financial statements be read in conjunction with the Company's Annual Report for the year ended December 31, 2005. The balance sheet as of December 31, 2005 was derived from audited financial statements as of that date. The results of operations for the three months ended March 31, 2006 are not necessarily indicative of the results to be expected for the full year.

The condensed consolidated financial statements include the accounts of HMG/Courtland Properties, Inc. (the "Company") and entities in which the Company owns a majority voting interest or controlling financial interest. All material transactions and balances with consolidated and unconsolidated entities have been eliminated in consolidation or as required under the equity method.

**2. RECENT ACCOUNTING PRONOUNCEMENT**

In May 2005, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 154, Accounting Changes and Error Corrections, a replacement of APB Opinion No. 20 and FASB Statement No. 3. This Statement provides guidance on accounting for reporting of accounting changes and error corrections. It establishes, unless impracticable, retrospective application as the required method for reporting a change in accounting principle in the absence of explicit transition requirements specific to the newly adopted accounting principle. This Statement also provides guidance for determining whether retrospective application of a change in accounting principle is impracticable and for reporting a change when retrospective application is impracticable. This Statement also provides guidance on the correction of an error by restating previously issued financial statements. This Statement shall be effective for accounting changes and corrections of errors made in fiscal years beginning after December 15, 2005. The Company does not expect Financial Accounting Standards Board Statement of Financial Accounting Standards No. 154, Accounting Changes and Error Corrections to have a material effect on its financial statements.

**3. RESULTS OF OPERATIONS FOR MONTY'S RESTAURANT, MARINA AND OFFICE/RETAIL PROPERTY, COCONUT GROVE, FLORIDA**

**HMG/COURTLAND PROPERTIES, INC.**  
**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
**(Continued)**  
**(Unaudited)**

**4. INVESTMENTS IN MARKETABLE SECURITIES**

Investments in marketable securities consist primarily of large capital corporate equity and debt securities in varying industries or issued by government agencies with readily determinable fair values. These securities are stated at market value, as determined by the most recent traded price of each security at the balance sheet date. Consistent with the Company's overall current investment objectives and activities its entire marketable securities portfolio is classified as trading.

Net gain from investments in marketable securities for the three months ended March 31, 2006 and 2005 is summarized below:

Description	Three Months Ended March 31,	
	2006	2005
Net realized gain from sales of securities	\$ 29,000	\$ 42,000
Unrealized net gain (loss) in trading securities	107,000	(34,000)
Total net gain from investments in marketable securities	\$ 136,000	\$ 8,000

For the three months ended March 31, 2006 net realized gain from sales of marketable securities of approximately \$29,000 consisted of approximately \$164,000 of gross gains net of \$135,000 of gross losses. For the three months ended March 31, 2005 net realized gain from sales of marketable securities of approximately \$42,000 consisted of approximately \$49,000 of gross gains net of \$7,000 of gross losses.

Investment gains and losses on marketable securities may fluctuate significantly from period to period in the future and could have a significant impact on the Company's net earnings. However, the amount of investment gains or losses on marketable securities for any given period has no predictive value and variations in amount from period to period have no practical analytical value.

**5. OTHER INVESTMENTS**

As of March 31, 2006, the Company has committed to invest approximately \$12.8 million in other investments primarily in private capital funds, of which approximately \$11.3 million has been funded. The carrying value of other investments (which reflects distributions and valuation adjustments) is approximately \$5.2 million as of March 31, 2006.

During the three months ended March 31, 2006 the Company made initial contributions to two new funds totaling \$205,000 and made follow-on contributions to three existing investments of approximately \$50,000. During this same period the Company received approximately \$229,000 in distributions primarily from one investment in which the partial redemption of \$100,000 was requested and granted.

**HMG/COURTLAND PROPERTIES, INC.**  
**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
**(Continued)**  
**(Unaudited)**

Net income (loss) from other investments for the three months ended March 31, 2006 and 2005, is summarized below:

	2006	2005
High yield distressed debt fund	\$ 38,000	\$ -
Venture capital fund - technology	51,000	20,000
Others, net	-	(\$133,000)
Income from investment in 49% owned affiliate (T.G.I.F. Texas, Inc.)	24,000	29,000
Total net income (loss) from other investments	\$ 113,000	(\$84,000)

During the three months ended March 31, 2006, the Company received cash distributions from two funds, one from a high yield distressed debt fund the other from a technology venture fund. These distributions exceeded the carrying amount of the investments and accordingly were recognized as income.

In March 2005, the Company reduced the remaining carrying value (approximately \$147,000) of one of its investments in a privately held company in the personal cosmetic industry. This investment experienced a decline in demand for its product which is believed to result in other-than-temporary decline in the value of the investment. This write down is included under the caption "Others, net" in the table above.

**6. DERIVATIVE FINANCIAL INSTRUMENTS**

The Company is exposed to interest rate risk through its borrowing activities. In order to minimize the effect of changes in interest rates, the Company has entered into an interest rate swap contract under which the Company agrees to pay an amount equal to a specified rate of 7.57% times a notional principal approximating the outstanding loan balance, and to receive in return an amount equal to the one month LIBOR rate plus 2.45% times the same notional amount. The Company designated this interest rate swap contract as a cash flow hedge. As of March 31, 2006 the fair value (net of 50% minority interest) was a gain of \$65,000 and as of December 31, 2005 the fair value (net of 50% minority interest) of the cash flow hedge was a loss of approximately \$133,000. These amounts have been recorded as other comprehensive gain (loss) and will be reclassified to interest expense over the life of the swap contract.

**7. PURCHASE OF TREASURY STOCK**

In February 2006 the Company purchased 49,080 shares of the Company's common stock from one shareholder for \$687,000, or \$14 per share.

**8. SEGMENT INFORMATION**

The Company has three reportable segments: Real estate rentals; Food and Beverage sales; and Other investments and related income. The Real estate and rentals segment primarily includes the leasing of its Grove Isle property, marina dock rentals at both Monty's and Grove Isle marinas, and the leasing of office and retail space at its Monty's property. The Food and Beverage sales segment consists of the Monty's restaurant operation. Lastly, the Other investment and related income segment includes all of the Company's other investments, marketable securities, loans, notes and other receivables and the Grove Isle spa operations which individually do not meet the criteria as a reportable segment.

## Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

### RESULTS OF OPERATIONS

The Company reported a net loss of approximately \$75,000 (or \$.07 per share) for the three months ended March 31, 2006. This is as compared with net income of approximately \$142,000 (or \$.13 per share) for the three months ended March 31, 2005.

As discussed further below, total revenues for the three months ended March 31, 2006 as compared with the same period in 2005, increased by approximately \$668,000 or 27%. Total expenses for the three months ended March 31, 2006, as compared with the same period in 2005, increased by approximately \$453,000 or 17%.

### **REVENUES**

Rentals and related revenues for the three months ended March 31, 2006 as compared with the same period in 2005 increased by \$32,000 (8%). This increase was primarily due to increased rental revenue from the Monty's retail mall

The Monty's Marina dockage fee and related income for the three months ended March 31, 2006 as compared to the same period in 2005 increased by approximately \$34,000 or over 8%. This was the result of increased dockage after repairs and improvements to the marina were completed in December 2005. Bay bottom lease expense for the three months ended March 31, 2006 as compared to the same period in 2005 increased by approximately \$21,000 or 55% due to increased rent allocated to the Monty's Marina relating to its lease with the City of Miami, Florida. This lease calls for lease payments of 15% of marina revenue plus sales tax.

Spa revenues for the three months ended March 31, 2006 as compared with the same period in 2005 increased by \$68,000 or 111%. The spa began operations in the first quarter of 2005 and comparisons for these two periods are not meaningful at this time.

Interest and dividend income for the three months ended March 31, 2006 was approximately \$130,000 as compared with approximately \$142,000, for the same period in 2005. **EXPENSES**

Expenses for rental and other properties for the three months ended March 31, 2006 increased by approximately \$35,000 (or 16%) as compared to that for the three months ended March 31, 2005. This increase was primarily due to a management fee of \$100,000 paid to the manager of the HMG-Fieber joint venture which sold its last property in August 2005. This increase was partially offset by decreased repairs and maintenance at the Monty's retail mall.

For comparisons of all food and beverage related expenses refer to Restaurant Operations (above) summarized statement of income for Monty's restaurant.

Professional fees expense for the three months ended March 31, 2006 increased by approximately \$20,000 (or 35%) as compared with the same period in 2005. This increase was primarily the result of an increase in accounting fees.

Interest expense for the three months ended March 31, 2006 increased by approximately \$55,000 (or 16%), as compared with the same period in 2005. This was primarily due to increased bank borrowings for improvements made to the Monty's property.

**EFFECT OF INFLATION:**

Inflation affects the costs of operating and maintaining the Company's investments. In addition, rentals under certain leases are based in part on the lessee's sales and tend to increase with inflation, and certain leases provide for periodic adjustments according to changes in predetermined price indices.

**LIQUIDITY, CAPITAL EXPENDITURE REQUIREMENTS AND CAPITAL RESOURCES**

The Company's material commitments in 2006 primarily consist of maturities of debt obligations of approximately \$4.1 million and commitments to fund private capital investments of approximately \$1.5 million due upon demand. The funds necessary to meet these obligations are expected to be available from the proceeds of sales of properties or investments, refinancing, distributions from investments and available cash. The majority of maturing debt obligations for 2006 is a note payable to the Company's 49% owned affiliate, T.G.I.F. Texas, Inc. ("TGIF") of approximately \$3.7 million. This amount is due on demand. It is expected that this obligation when due to TGIF would be paid with funds available from distributions from its investment in TGIF and from available cash.
