Section 2 – Financial Information

Item 2.02 Results of Operations and Financial Condition.

On January 25, 2008, Bay National Corporation issued a press release announcing its earnings for the quarter and year ended December 31, 2007.

Among other figures, the press release reports that core deposits rose to \$166.1 million at December 31, 2007. Core deposits, which management categorizes as all deposits other than national market certificates of deposit, deposits purchased through the certificate of deposit account registry service (CDARS) program and all but \$3.0 million in deposits from one account with highly variable balances, are closely monitored by management because they consider them not only a relatively stable source of funding but also reflective of the growth of commercial and consumer depository relationships.

The press release is furnished as Exhibit 99.1 hereto.

Section 9 – Financial Statements and Exhibits

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.

99.1 Press Release dated January 25, 2008.
