The Bancorp, Inc. (the “Company”) is unable to file its Annual Report on Form 10-K for the year ended December 31, 2014 (the “2014 10-K”) within the prescribed time period due to the circumstances described below.

At September 30, 2014, the Company discontinued its commercial lending operations, which was one of its principal lines of business. The discontinuance required the Company to restate its financial statements for discontinued operations for all prior periods included in the financial statements to be presented in the 2014 10-K. In connection with the discontinuance, on December 30, 2014 the Company sold loans, significant in both number and aggregate outstanding balances, to a variable interest entity. The Company needs additional time to complete its assessment of the effects of the foregoing.

In accordance with Rule 12b-25 of the Securities Exchange Act of 1934, the Company will file its 2014 10-K no later than the fifteenth calendar day following the prescribed due date.
