During XL Capital Ltd's ("XL") third quarter 2006 earnings call today, third-party vendor system failure resulted in an incomplete communication of Jerry de St. Paer's response to a question regarding XL's intentions regarding its presentation of global loss development triangles. Mr. de St. Paer stated, that "We are committed to providing the investment community with transparent and accurate reports. Our 10-Ks have included consistent actuarial ranges for each of our major product lines for the past three years. We fully appreciate what you are asking for and continue to evaluate how best to provide further information."
