Section 1 - Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement

As previously reported, on November 3, 2014, Superior Industries International, Inc. ("Superior") entered into a commitment letter with J.P. Morgan Securities LLC (the "Lead Arranger"), JPMorgan Chase Bank, N.A. ("JPMCB") and Wells Fargo Bank, National Association (together with JPMCB, the "Commitment Lenders"), pursuant to which, subject to the terms and conditions therein, the Lead Arranger agreed to structure and arrange a senior secured revolving credit facility in an initial aggregate principal amount of \$100,000,000. On December 19, 2014, Superior entered into a senior secured credit agreement among Superior, the lenders from time to time a party thereto and JPMCB as Administrative Agent (the "Credit Agreement").

The Credit Agreement consists of a senior secured revolving credit facility in an initial aggregate principal amount of \$100,000,000 (the "Facility"). In addition, Superior is entitled to request, subject to certain terms and conditions and the agreement of the lenders, an increase in the aggregate revolving commitments under the Facility or to obtain incremental term loans in an aggregate amount not to exceed \$50,000,000. Superior intends to use the proceeds of the Facility to finance the working capital needs, and for the general corporate purposes, of Superior and its subsidiaries. The Credit Agreement expires on December 19, 2019 and borrowings under the Facility accrue interest at (i) a London interbank offered rate plus a margin of between 0.75% and 1.25% based on the total leverage ratio of Superior and its subsidiaries on a consolidated basis, (ii) a rate based on JPMCB's prime rate plus a margin of between 0.00% and 0.25% based on the total leverage ratio of Superior and its subsidiaries on a consolidated basis or (iii) a combination thereof.

All amounts under the Facility, and if applicable under hedging and banking services arrangements (and all obligations under the guarantees), are guaranteed by certain of the U.S. subsidiaries of Superior (subject to certain limitations) and are generally secured by a first priority security interest in and lien on the personal property of Superior and the U.S. guarantors and a pledge of and first perfected security interest in the equity interests of Superior's existing and future U.S. subsidiaries and 65% of the equity interests in certain non-U.S. direct material subsidiaries of Superior and the U.S. guarantors under the Facility.

The Credit Agreement contains customary default provisions, representations and warranties and restrictive covenants. The Credit Agreement also contains a provision permitting the lenders to accelerate the repayment of all loans outstanding under the Facility during an event of default.

The description of the Credit Agreement set forth above is not complete and is qualified in its entirety by reference to the Credit Agreement filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.
