RECORD DATE, VOTING RIGHTS AND OUTSTANDING SHARES

The Board has fixed February 8, 2001 as the record date (the "Record Date") for determining holders of the Common Stock, who are entitled to vote at the Meeting. As of the Record Date, the Company had [] shares of Common Stock issued and outstanding and entitled to vote at the Meeting.

Each share of Common Stock entitles the record holder to one vote on each matter to be voted upon at the Meeting. A majority of the shares of Common Stock issued and outstanding and entitled to vote at the Meeting will constitute a quorum for the transaction of business at the Meeting. Shares of Common Stock present in person or represented by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for Stockholder approval) will be counted for purposes of determining whether a quorum exists at the Meeting.

The affirmative vote of a majority of the shares of Common Stock outstanding on the Record Date is required to approve the amendment to the Company's Third Amended and Restated Certificate of Incorporation (the "Restated Charter"). Shares which abstain from voting, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter ("broker non-votes"), will not be counted as votes in favor of such matter, and will also not be counted as votes cast or shares voting on

such matter. Accordingly, abstentions and broker non-votes will have the same effect as a vote against the proposed amendment to the Company's Restated

Edgar Filing: BREAKAWAY SOLUTIONS INC - Form PRES14A

Charter.

Stockholders may vote by mail or in person, at the Meeting. To vote by mail, sign, date and complete the enclosed proxy card and return it in the enclosed envelope. No postage is necessary if the proxy card is mailed in the United States. If you hold your shares through a bank, broker or other nominee, they will give you separate instructions for voting your shares.

REVOCABILITY OF PROXY AND VOTING OF SHARES

Any Stockholder giving a proxy has the power to revoke it at any time before the meeting. The proxy may be revoked by filing with the Secretary of the Company, at the principal executive offices of the Company, 2 Seaport Lane, Boston, Massachusetts 02210, an instrument of revocation or a duly executed proxy bearing a later date. The proxy may also be revoked by attending the Meeting and voting in person. If not revoked, the proxy will be voted at the Meeting in accordance with the Stockholder's instructions indicated on the proxy card. If no instructions are indicated, the proxy will be voted FOR the approval of the amendment to the Company's Restated Charter and in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Meeting or any adjournments thereof.

PROPOSAL 1--APPROVAL OF AMENDMENT TO THIRD AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

The Company's Restated Charter currently authorizes the issuance of 80.0 million shares of Common Stock. In January 2001, the Board adopted resolutions, subject to stockholder approval, proposing an amendment to the Restated Charter providing for an increase in the authorized number of shares of Common Stock from 80.0 million to 160.0 million shares. If approved by the stockholders, such amendment would become effective upon the filing of a certificate of amendment to the Restated Charter with the Secretary of State of the State of Delaware. As described below, the Company currently has no shares of Common Stock that are authorized, not subject to any reserves and available for corporate purposes.

CHARTER AMENDMENT

The Board has adopted resolutions setting forth the proposed amendment to the first paragraph of Article Fourth of the Restated Charter (the "Charter Amendment"), the advisability of the Charter Amendment, and a call for submission of the Charter Amendment for approval by the Stockholders at the Meeting. The following is the text of the first paragraph of Article Fourth of the Restated Charter as proposed to be amended:

FOURTH. The total number of shares of all classes of stock which the Corporation shall have the authority to issue is 165,000,000 shares, consisting of (i) 160,000,000 shares of Common Stock, \$0.000125 par value per share ("Common Stock"), and (ii) 5,000,000 shares of Preferred Stock, \$0.0001 par value per share ("Preferred Stock").

PURPOSE AND EFFECT OF THE PROPOSED CHARTER AMENDMENT

The Board believes it is necessary to increase the number of authorized shares of Common Stock in order to give the Company, among other things, the ability to raise and maintain additional capital funds through the sale of stock. The ability to raise capital is important for the Company in order to facilitate growth, form strategic relationships and alliances and effect stock dividends and stock splits. The Company does not currently have sufficient shares of Common Stock authorized under the Restated Charter to account for, in addition to its issued and outstanding shares, the shares reserved

for issuance under the Company's stock plans and the shares reserved for issuance upon the exercise of outstanding warrants issued by the Company.

Specifically, on January 19, 2001 the Company issued to ICG Holdings, Inc., a Delaware corporation ("ICG Holdings"), warrants to purchase up to 9.7 million shares of Common Stock at a per share exercise price of \$0.6875, such shares and exercise price subject to adjustment in certain events (the "January Warrants"). The Company issued the January Warrants in connection with the definitive agreements it entered into on that date with respect to a secured financing (the "Financing") with ICG Holdings. ICG Holdings is an affiliate of Internet Capital Group, Inc., a Delaware corporation and the Registrant's largest stockholder ("ICG"). Walter W. Buckley, III, a director of the Company, is President and a director of ICG Holdings and is President, Chief Executive Officer and a director of ICG. Pursuant to the Financing, the Company borrowed \$5.0 million from ICG Holdings at an interest rate of 12% per annum (or 18% after an event of default). Principal and interest are due and payable in full on March 12, 2001 and are fully secured by substantially all of the Company's assets.

Upon the issuance of the January Warrants, of the 80.0 million shares of Common Stock the Company is authorized to issue, approximately (i) 48.9 million shares were issued and outstanding, (ii) 21.4 million shares were reserved for issuance under the Company's stock plans and (iii) 1.4 million shares were reserved for issuance upon the exercise of outstanding warrants issued by the Company. Accordingly, the Company had only approximately 8.3 million shares of Common Stock that were authorized, not subject to any reserves and available for corporate purposes. As the January Warrants are exercisable for up to 9.7 million shares of Common Stock, the issuance of the January Warrants created a commitment by the Company to issue approximately 1.4 million shares of Common Stock in excess of the 80.0 million shares of Common Stock authorized for issuance under the Restated Charter.

Under the terms of the January Warrants, if the January Warrants are exercised and the Company does not then have sufficient shares of Common Stock authorized and available for issuance for that exercise, the Company is required to pay to the holder of the January Warrants a cash sum for each unissued share equal to the difference obtained by subtracting the per share exercise price of the January Warrants from the fair market value per share of Common Stock. However, the Company is not required to make any such payment (i) if the Charter Amendment is approved by the Stockholders at the Meeting or (ii) if ICG and its wholly owned subsidiaries do not vote all shares of Common Stock over which they have voting control in favor of the Charter Amendment. Therefore, if the Stockholders approve the Charter Amendment at the Meeting, the Company will be able to reserve sufficient shares of Common Stock for issuance under the January Warrants and will not be required to make cash payments under the terms of the January Warrants upon an exercise of the January Warrants when the Company does not have sufficient shares of Common Stock authorized and available for issuance for that exercise.

The Board also believes that the proposed increase in the number of authorized shares of Common Stock is desirable to maintain the Company's flexibility in choosing how to pay for acquisitions. The Company has acquired a number of companies in order to expand its ability to provide diverse and innovative solutions to its customers. The Company may acquire additional companies for these and other business reasons. From time to time, the Company uses shares of Common Stock to pay for acquisitions. While the Company is in acquisition discussions from time to time with other companies and may consider issuing shares of Common Stock in the future for such acquisitions, the Company does not presently have any such agreements, understandings or arrangements that will or could result in the issuance of any shares.

Edgar Filing: BREAKAWAY SOLUTIONS INC - Form PRES14A

In addition, the Board believes that the availability of additional shares of Common Stock will provide the Company with the flexibility to issue shares for a variety of other purposes that the Board may deem advisable without further action by the Company's stockholders, unless required by law,

5

regulation or stock market rule. These purposes could include, among other things, to finance personal property leases, to finance the purchase of property, the use of additional shares for various equity compensation and other employee benefit plans, and other bona fide corporate purposes. Approval of the proposal will give the Company greater flexibility in pursuing business opportunities and to attract or retain personnel.

In some situations, the issuance of additional shares of Common Stock could have a dilutive effect on earnings per share and, for a person who does not purchase additional shares to maintain his or her pro rata interest, on a Stockholder's percentage voting power in the Company. The issuance of additional shares of Common Stock may also adversely affect the market price of the Common Stock. In addition, depending upon the nature and terms thereof, such issuances could enable the Board to render more difficult or discourage an attempt to obtain a controlling interest in the Company or the removal of the incumbent Board and may discourage unsolicited takeover attempts which might be desirable to Stockholders. For example, the issuance of shares of Common Stock in a public or private sale, merger or similar transaction would increase the number of the Company's outstanding shares, thereby diluting the interest of a party seeking to take over the Company. Furthermore, many companies have issued warrants or other rights to acquire additional shares to the holders of Common Stock to discourage or defeat unsolicited stock accumulation programs and acquisition proposals. If the Charter Amendment is adopted, more Common Stock of the Company would be available for such purposes than is currently available.

The Board is not proposing the Charter Amendment in response to any effort to accumulate the Company's stock or to obtain control of the Company by means of a merger, tender offer or solicitation in opposition to management. In addition, the Charter Amendment is not part of any plan by management to recommend a series of similar amendments to the Board and the Stockholders. Finally, the Board does not currently contemplate recommending the adoption of any other amendments to the Restated Charter which could be construed to affect the ability of third parties to take over or change control of the Company.

If this proposal is approved by the Stockholders at the Meeting, upon the filing of the Charter Amendment with the Secretary of State of the State of Delaware, the Company will have approximately 78.6 million authorized but unissued and unreserved shares of Common Stock.

DESCRIPTION OF THE COMMON STOCK

The holders of Common Stock of the Company are entitled to one vote for each share held of record on all matters to be voted on by the Stockholders. The holders of Common Stock are entitled to receive dividends when, as and if declared by the Board out of funds legally available therefor. The Company never has paid cash dividends on its shares of Common Stock. In the event of liquidation, dissolution or winding up of the Company, the holders of the shares of Common Stock are entitled to share ratably in all assets remaining available for distribution to them after payment of liabilities and after provision has been made for each class of stock, . if any, having preference over the Common Stock, Holders of shares of Common Stock have no conversion, preemptive or other subscription rights, and there are no redemption provisions applicable to the Common Stock.

THE BOARD BELIEVES THAT THE CHARTER AMENDMENT IS IN THE BEST INTERESTS OF

Edgar Filing: BREAKAWAY SOLUTIONS INC - Form PRES14A

THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE FOR THIS PROPOSAL.
