**Item 1.01 Entry into a Material Definitive Agreement.**

On August 16, 2006, we entered into an early lease termination agreement on our Liverpool premises with the Region of Queens Municipality ("Landlord"). In consideration of the early lease termination agreement, we have agreed to sell certain assets to the landlord for \$1.00. The estimated value of the equipment that is being sold is approximately \$0.2 million USD which is approximately the same value of the surrendered lease.

A copy of the agreement is included as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

**Item 1.02 Termination of a Material Definitive Agreement.**

See the discussion in Item 1.01 above regarding information with respect of the termination of our Liverpool, Nova Scotia facility lease.

**Item 2.06 Material Impairments.**

We expect to incur a non-cash asset impairment charge of approximately \$0.2 million in the third quarter of 2006 with respect to the action described above. This amount was included in our original estimates as reported in our Current Report on Form 8-K filed with the Securities and Exchange Commission on May 25, 2006, in which we announced certain exit or disposal activities with respect our Liverpool, Nova Scotia contact center.
