Dear Shareholders:

We are pleased to send you this Prospectus describing the Dividend Reinvestment and Stock Purchase Plan of Shore Bancshares, Inc. The Plan offers our shareholders the opportunity to purchase shares of our common stock, \$0.01 par value, with automatically reinvested dividends or optional cash payments, without payment of brokerage commissions or fees, except brokerage commissions and taxes, if any, when shares are sold for a participant's account.

Shares of our common stock purchased with reinvested dividends will be purchased either (i) from us at the market value determined by the Plan or (ii) in the open market. Dividends will be reinvested when paid by us, and shareholders may participate with respect to all or any portion of their shares. Optional cash payments may be made at any time, but may not be less than \$25 per payment or total more than \$5,000 per quarter. We pay all brokerage commissions and fees, in connection with the Plan, except brokerage fees incurred upon disposition of shares held under the Plan.

You may enroll in the Plan at any time by completing an Authorization Card and returning it to Registrar and Transfer Company, the Plan agent.

Our shareholders who choose not to participate in the Plan will continue to receive cash dividends when and if declared by our Board of Directors. The Plan does not represent a change in our dividend policy or a guaranty of future dividends. The declaration of dividends by our Board of Directors will continue to depend on earnings, financial requirements and other factors.

This Prospectus describes the Plan as currently in effect, and you are urged to read it carefully before deciding whether to participate. RISK FACTORS

There are risks and uncertainties involved with an investment in shares of our common stock. See the **Risk Factors** sections of our annual reports on Form 10-K and quarterly reports on Form 10-Q, which we file with the Securities and Exchange Commission and incorporate by reference into this prospectus, for a discussion of the factors that should be considered in connection with such an investment.

DESCRIPTION OF THE PLAN

The following sets forth the provisions of the Plan in question and answer form. The holders of our common stock who do not wish to participate in the Plan will continue to receive cash dividends in the same manner, if and when declared by our Board of Directors.

Purposes and Advantages

1. *What is the purpose of the Plan?* The purpose of the Plan is to provide our eligible shareholders with a means of investing cash dividends and/or optional cash payments into shares of our common stock, without paying brokerage commissions, service charges or other expenses. In the case of shares purchased directly from us, we will use the additional funds received for our general corporate purposes. See **Use of Proceeds** .

2. *What are the advantages of the Plan?* Participants in the Plan may:

Reinvest dividends and invest optional cash payments without brokerage commissions or fees.

Invest the full amount of dividends in our common stock since the Plan provides for fractional interests in the shares held in the Plan.

Avoid safekeeping requirements and record-keeping costs through the free custodial service and reporting provisions of the Plan.

Participation

3. *Who is eligible to participate?* Any record holder of our common stock is eligible to participate in the Plan with respect to any or all of his shares held of record. A holder of record is one who owns shares of our common stock registered in his name on our records. Our full-time employees and the full-time employees of our

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

wholly-owned subsidiaries who are record holders of our common stock are eligible to participate in the Plan through payroll deductions.

A beneficial holder is a person who owns shares of our common stock in street name, such as through a broker or other nominee. A beneficial holder may participate in the Plan with the consent and cooperation of the broker or other nominee or must become a record holder.

4. *How does an eligible shareholder or employee become a participant?* An eligible shareholder may join the Plan by signing the Authorization Card and returning it to the Plan agent. You will be provided with an Authorization Card upon request of us or the Plan agent. See question number 8 below for the Plan agent's contact information.

The eligible employees of ours and our wholly-owned subsidiaries may join the Plan by completing and signing the Authorization Card and returning it to the human resources department. Employees may obtain Authorization Cards at any time by notifying the human resources department.

5. *When may a shareholder join the Plan?* An eligible shareholder may join the Plan at any time.

If an Authorization Card specifying reinvestment of dividends is received by the Plan agent five business days prior to the record date established for payment of a dividend, reinvestment will begin with that dividend payment. If the Authorization Card is received after the record date established for a dividend, the reinvestment of dividends will begin with the next succeeding dividend. See question number 13 below for information concerning the investment of optional cash payments.

6. *What does the Authorization Card provide?* The Authorization Card allows you to indicate how you wish to participate in the Plan. You may indicate whether you will reinvest dividends paid on all or a specified number of your shares of our common stock or whether you will make optional cash payments, or both.

Dividends on all shares purchased for your account under the Plan, whether through dividend reinvestment or optional cash payments, will be automatically reinvested in additional shares of our common stock, unless the shares are withdrawn from the Plan. See question number 17 and 18 below.

7. *May a participant change his method of participation after enrollment?* If a participant elects to participate only in the optional cash payment feature, but later decides to enroll in the dividend reinvestment feature, an additional Authorization Card (as described in question number 4 above) must be executed and returned to the Plan agent. If a participant elects to participate through the reinvestment of dividends, but later decides to participate in the optional cash payment feature only, or if a participant wishes to change the number of shares for which dividends will be reinvested, the participant must notify the Plan agent in writing to that effect. Such notification must be received no later than the dividend record date in order to apply to the reinvestment of the corresponding dividend. See question number 17 below.

Administration

8. *Who administers the Plan for participants?* Registrar and Transfer Company is the Plan agent and administers the Plan for participants, arranges for the custody of share certificates, keeps records, sends statements of account to participants and performs other duties

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

relating to the Plan. All inquiries and communications relating to the Plan should include your account number and should be directed to the Plan agent at:

See question number 26 below for additional information regarding the responsibilities of the Plan agent. Other inquiries regarding us should be directed to Investor Relations, Shore Bancshares, Inc., 18 East Dover Street, Easton, Maryland 21601.

Costs

9. *Are there any expenses to participants in connection with purchases under the Plan?* No. Participants will incur no brokerage commissions or service charges for purchases made under the Plan. We will pay the costs of the administration of the Plan, except for service charges by the Plan agent for the deposit of shares for safekeeping, transfers of shares, issuances of certificates and brokerage commissions, fees and taxes, if any, when shares are sold for a participant's account. See question number 20 below concerning participant expenses for the liquidation of fractional interests.

Purchase of Shares

10. *How many shares of our common stock will be purchased for participants?* If you become a participant in the Plan, the number of shares to be purchased depends on the amount of your dividends, optional cash payments, or both, and the market price of our common stock. Your account will be credited with the number of shares, including fractional interests computed to four decimal places, equal to the total amount to be invested, divided by the applicable purchase price per share. See question number 11 below for an explanation of the purchase price.

11. *When and at what price will shares of our common stock be purchased under the Plan?* On each date that we pay cash dividends, we will pay to the Plan agent the total amount of dividends payable on all of the shares of our common stock that are enrolled in the Plan, including shares held in Plan accounts. The Plan agent will use this cash, along with any optional cash payments received by the Plan agent at least 5 business days but no more than 30 days before the payable date, to purchase shares of our common stock for the accounts of the participants. Participants will become owners of the shares purchased for them under the Plan on the purchase date on which such shares are purchased; however, for federal income tax purposes, the holding period will commence on the following day. See question number 22 below for an explanation of federal income tax consequences.

At our option, shares of our common stock will be purchased either from us or in the open market. The purchase price of shares of our common stock purchased directly from us with reinvested dividends or optional cash payments will be determined by taking 100% of the average of the last sales prices of our common stock on The Nasdaq Global Market for the preceding three days in which trades of our common stock took place before the applicable purchase date or, if such information is not available, the average of the bid and asked prices of our common stock on the day before the applicable purchase date. Shares of our common stock purchased with reinvested dividends or optional cash payments in the open market will be purchased at the then prevailing market price. Each account will be credited with an amount of our common stock equal to the amount invested divided by the weighted average purchase price. No purchases may be made from us in the event that the purchase price per share is less than the par value of our common stock, \$0.01 per share. In such event, any optional cash payments received or any dividends payable, and not previously invested, will be used to purchase shares of our common stock in the open market.

12. *Will certificates be issued for shares of our common stock purchased under the Plan?* Unless requested by a participant, separate certificates of shares of our common stock purchased under the Plan will not be issued to participants. Certificates for shares purchased will be issued to and held by a nominee of and for the benefit of participants. The number of shares purchased for your account under the Plan will be shown on your statement of account. This feature protects against loss, theft or destruction of stock certificates.

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

The Plan allows a participant to deposit shares of common stock registered in such participant's name with the Plan agent to be administered under the Plan. There is a fee charged for each deposit of one or more certificates. More

-6-

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

than one certificate may be deposited for the same fee. The participant must send a check for the fee with the certificates to be deposited.

Certificates for any number of whole shares credited to a participant's account under the Plan will be issued upon the participant's written request for a fee. Any remaining full shares and fractional interests will continue to be credited to the participant's account. Certificates representing fractional interests will not be issued under any circumstances. See question number 18 below for instructions on certificate issuance.

13. *Who will be eligible to make optional cash payments?* Our eligible shareholders who have submitted a signed Authorization Card are eligible to make optional cash payments under the Plan at any time. Except as provided in the following sentence, we will apply any optional cash payment received from a participant on or before a purchase date to the purchase on such purchase date of shares of our common stock for the account of the participant.

An initial optional cash payment may be made by a participant when enrolling in the Plan by enclosing a check with the Authorization Card. Thereafter, optional cash payments may be made at any time by sending them to the Plan agent at the address set forth in question number 8 above. Optional Cash payments may be made by sending a personal check, drawn from a U.S. Bank in U.S. Currency payable to Registrar and Transfer Company.

Please include your Plan account number on your check (or other instrument). While optional cash payments may be made at any time within the 30 day period prior to a dividend payment date, we recommend that they be sent so as to be received at least 10 days before a purchase date. Shares will only be purchased in connection with a dividend payment date. No interest will be paid on any optional cash payments. A participant may obtain the return of any optional cash payment up to 48 hours before it is to be invested by written request to the Plan agent. Optional cash payments received within five business days prior to a purchase date may be returned.

You can also authorize automatic deductions from your bank account. You can arrange for automatic deductions by returning a properly completed Authorization Form. This feature enables you to make an individual investment, or to make ongoing quarterly investments, without having to write a check. If you elect to make ongoing quarterly investments, you may change or terminate this election by writing to the Plan agent at the address set forth in Question 8. This change or termination must be received by the Plan agent at least three business days before the next scheduled investment date in order to apply to that date.

14. *What are the limitations on making optional cash payments?* The option to make cash payments is available at any time within the 30 day period prior to a dividend payment date. The same amount of money need not be sent each quarter and you are under no obligation to make an optional cash payment in any quarter. Any optional cash payments you wish to make must not be less than \$25 per payment nor may payments on behalf of any owner aggregate more than \$5,000 in any quarter. We reserve the right, in our sole discretion, to determine who is an owner for purposes of the foregoing restrictions, and, without limitation, to determine whether optional cash payments on behalf of any particular owner aggregate more than \$5,000 in any quarter.

For employees who elect to participate through payroll deductions, we will deduct the amount elected by an employee from such employee's pay in each pay period. Amounts deducted during a quarter will be transferred to the Plan agent prior to the dividend payment date. No interest will be paid on any payroll deductions.

Reports to Participants

15. *What kind of reports will be sent to participants in the Plan?* As soon as practicable after each purchase, a participant will receive a report of all transactions since the last such report, including a statement of the number of shares allocated to the participant's account, the amount of dividends received that are allocable to such participant, the amount of our common stock purchased and the price paid. These statements will provide a record of the cost of purchase under the Plan and should be retained for tax purposes. In addition, each participant will receive copies of our annual reports to shareholders, proxy statements and information for income tax reporting purposes.

A participant who changes his place of residence must promptly notify the Plan agent of the change of address. See question number 26 below.

Dividends

16. *Will participants be credited with dividends on shares held in their accounts under the Plan?* Yes. The Plan agent will receive dividends for all shares held in the Plan on a dividend record date and credit such dividends to participants' accounts on the basis of full shares and fractional interests credited to those accounts. Such dividends will be automatically reinvested in additional shares of our common stock.

Discontinuation of Dividend Reinvestment

17. *How does a participant discontinue the reinvestment of dividends under the Plan?* A participant may discontinue the reinvestment of dividends under the Plan by notifying the Plan agent in writing to that effect. Any notice of withdrawal received less than five business days before a dividend record date will not be effective until dividends paid for such record date have been reinvested and the shares purchased have been credited to the participant's Plan account.

Options open to participants who wish to discontinue participation are: (a) withdrawal from the automatic dividend reinvestment feature, while continuing to participate in the optional cash payments feature, or (b) complete withdrawal from the Plan (dividend reinvestment and optional cash payments). In the event that a participant withdraws from the automatic dividend reinvestment portion of the Plan without withdrawing from the optional cash payment feature, dividends on shares held in the participant's account will continue to be reinvested until the participant withdraws from the Plan.

Withdrawal of Shares in Plan Accounts

18. *How may a participant withdraw shares purchased under the Plan?* A participant who has purchased our common stock under the Plan may withdraw all or a portion of such shares from his Plan account by notifying the Plan agent in writing to that effect and specifying in the notice the number of shares to be withdrawn. There will be a \$10.00 fee for withdrawing shares. This notice should be mailed to the Plan agent at the address set forth in question number 8 above.

Certificates for whole shares of our common stock withdrawn from the Plan will be registered in the name of and issued to the participant. In no event will certificates representing fractional interests be issued. Any notice of withdrawal received after a dividend record date will not be

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

effective until dividends paid for such record date have been reinvested and the shares credited to the participant's Plan account. The Plan agent may charge a fee for each certificate issued by the Plan agent.

Upon the request of a participant, the Plan agent may also sell some or all of such participant's shares held under the Plan. See Question 19.

19. *How may a participant sell shares purchased under the Plan?* The Plan agent will sell some or all of a participant's shares held under the Plan upon receipt of written instructions from a participant. Such sales will be effected for a participant through a registered broker-dealer selected by the Plan agent in its sole discretion. All

-8-

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

broker-dealers used by the Plan agent for these sales will be independent of and not affiliated with the Plan agent. Upon sale of such shares, the Plan will remit to the participant a check with the proceeds of such sale, less the participant's share of brokerage commissions, \$15.00 fee and any applicable taxes.

Because the Plan agent will sell the shares on behalf of the Plan, neither we nor any participant in the Plan has the authority or power to control the timing or pricing of shares sold or the selection of the broker making the sales. Therefore, you will not be able to precisely time your sales through the Plan, and will bear the market risk associated with fluctuation in the price of our common stock. That is, if you send in a request to sell shares, it is possible that the market price of our common stock could go down or up before the broker sells your shares. In addition, you will not earn interest on a sales transaction.

**Medallion Signature Guarantee required for sale requests of \$10,000 or higher.

Prior written instructions from the participant must be received at least 48 hours preceding the sale. Sales of a participant's shares will be made at then current market prices in transactions carried out through one or more brokerage firms. This procedure may be particularly attractive to holders of small amounts of our common stock because the Plan can combine odd lots and small numbers of shares into larger blocks to be sold, and thereby take advantage of lower brokerage costs that might not otherwise be available to individual participants in the sale of their shares. No shares will be sold between the fourth business day prior to a dividend record date and the following dividend payment date. Participants may not direct the Plan agent to effect the sales subject to any price limits or other restrictions on sales.

20. *What happens to any fractional interest when a participant withdraws all shares from the Plan?* Any fractional interest withdrawn will be liquidated and a cash payment made promptly from the proceeds thereof less brokerage commissions, fees and transfer taxes, if any. The net sales proceeds for any fractional interest together with certificates for whole shares will be mailed directly to the withdrawing participant by the Plan agent.

21. *What happens to a participant's Plan account if all shares in the participant's own name are transferred or sold?* If you dispose of all shares of our common stock registered in your own name, the Plan agent will, unless you also withdraw or sell all shares held in your account under the Plan, continue to reinvest the dividends on the shares held in your Plan account.

Federal Income Tax Consequences

22. *What are the Federal income tax consequences of participation in the Plan?* The Plan does not offer a discount for purchases of our common stock with reinvested dividends. In the absence of a discount feature, the Internal Revenue Service has ruled that shareholders participating in dividend reinvestment plans are treated for federal income tax purposes as having received the full amount of the cash distribution that was payable, even though the shareholder received no cash, but instead received credit for stock of equivalent value.

In addition, in the case of shares purchased on the open market with reinvested dividends or optional cash contributions, the amount of any brokerage commission paid on your behalf by Shore Bancshares, Inc. will be treated as a distribution subject to income tax in the same manner as dividends.

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

To the extent distributions by us to our shareholders are treated as made from our earnings and profits, the distributions will be dividends taxable as ordinary income. At the present time, we expect to have sufficient earnings and profits such that participating shareholders can expect that the full amount of any distribution under the Plan will be taxable as a dividend.

The full amount of dividends reinvested will be eligible, in the case of corporate shareholders, for the dividends-received deduction available under the Internal Revenue Code.

In the case of foreign shareholders whose taxable income under the Plan is subject to federal income tax withholding and in the case of any shareholders as to whom federal income tax withholding on dividends is required, the dividend reinvested will be net of the amount of tax required to be withheld.

The tax basis of any shares acquired through the Plan will be the purchase price on the applicable purchase date. The holding period for shares acquired through the Plan will begin on the day after the purchase date.

-9-

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

In addition, in the case of shares purchased on the open market with reinvested dividends or optional cash contributions, the amount of any brokerage commissions paid on your behalf by us will be treated as distribution subject to income tax in the same manner as dividends.

Participants should consult their own tax advisors as to the tax consequences of Plan transactions. Certain tax information will be provided to participants by the Plan agent as described in question number 15 above.

Other Information

23. *What happens if we have a common stock rights offering, issue a stock dividend or declare a stock split?* Participation in any rights offering will be based upon both the shares registered in each participant's name and the shares (including fractional interests) credited to such participant's Plan account. Any stock dividend or share resulting from stock splits with respect to full shares and fractional interests credited to participant's accounts will be added to their accounts. Any securities other than our common stock or rights to subscribe for securities other than our common stock received in respect of the shares held in the accounts of participants will be distributed by the Plan agent to the participants and will not become part of the Plan.

24. *How will a participant's Plan shares be voted at a meeting of shareholders?* All shares of our common stock credited to your account under the Plan will be voted as you direct. If on the record date for a meeting of shareholders there are shares credited to your account under the Plan, you will be sent the proxy material for such meeting. When you return an executed proxy, it will be voted with respect to all shares credited to you. Or, if you elect, you may direct the vote of all such shares in person at the shareholders' meeting.

25. *What procedures should be followed to sell or pledge shares held in the Plan?* A participant who wishes to sell or pledge shares credited to his account must request the withdrawal of such shares as described in question number 18 above.

26. *What is the responsibility of the Plan agent?* The Plan agent receives the participant's dividend payments, invests such amounts in additional shares of our common stock, maintains continuing records of each participant's account, and advises participants as to all transactions in and the status of their accounts. The Plan agent acts in the capacity of agent for the participants.

All notices from the Plan agent to a participant will be addressed to the participant at his last address of record with the Plan agent. The mailing of a notice to a participant's last address of record will satisfy the Plan agent's duty of giving notice to such participant. Therefore, participants must promptly notify the Plan agent of any change of address.

Neither the Plan agent, the participant's nominee or nominees, nor we shall have any responsibility for acts taken or omitted in connection with the Plan including, without limitation, any claim for liability arising out of failure to terminate a participant's account upon such participant's death or adjudicated incompetency prior to receipt of notice in writing of such death or adjudicated incompetency, nor shall they have any duties, responsibilities or liabilities except such as are expressly set forth in the Plan.

The Plan agent had no responsibility with respect to the preparation or content of this Prospectus.

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

The participant should recognize that neither we nor the Plan agent can provide any assurance that shares purchased under the Plan will, at any particular time, be worth more or less than their purchase price.

All transactions in connection with the Plan, including the optional cash payments feature, shall be governed by the laws of the State of Maryland.

27. *Who bears the risk of market price fluctuations in the shares of common stock?* A participant's investment in shares acquired under the Plan is no different from direct investment in shares of our common stock.

-10-

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

The participant bears the risk of loss and realizes the benefits of any gain from market price changes with respect to all such shares held in the Plan, or otherwise. Neither we nor the Plan agent makes any representations with respect to the future value of the shares of our common stock purchased under the Plan. The participant should recognize that we, the Plan agent and related parties cannot assure the participant of realizing any profits or protect the participant against a loss related to investment in the shares of our common stock purchased or sold under the Plan.

THE SHARES OF COMMON STOCK PURCHASED IN ACCORDANCE WITH THE PLAN DO NOT CONSTITUTE SAVINGS ACCOUNTS OR DEPOSITS ISSUED BY A SAVINGS INSTITUTION OR BANK AND ARE NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION OR ANY OTHER GOVERNMENTAL AGENCY.

28. *May the Plan be changed or discontinued?* While we hope to continue a dividend reinvestment and stock purchase plan indefinitely, our Board of Directors reserves the right to suspend or terminate the Plan at any time. It also reserves the right to make modifications to the Plan. Participants will be notified of any such suspension, termination or modification. We also may adopt reasonable procedures for the administration of the Plan.

We or the Plan agent may terminate a shareholder's individual participation in the Plan at any time by written notice to the shareholder. In the event the Plan agent does not receive instructions from the participant, it will send the participant a certificate for the number of full shares held for the participant under the Plan and a check for any fractional share.

USE OF PROCEEDS

We do not know either the number of shares of our common stock that ultimately will be purchased under the Plan or the prices at which shares will be sold. The net proceeds from the sale of our common stock offered pursuant to the Plan will be added to our general funds and used for general corporate purposes.

INDEMNIFICATION

Our articles of incorporation, as well as the statutes of the State of Maryland, contain provisions providing for the indemnification of our directors and officers against certain liabilities, including liabilities arising under the Securities Act of 1933.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 15. Indemnification of Directors and Officers

The Maryland General Corporation Law (the "MGCL") permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their services in those capacities, unless it is established that:

- (1) the act or omission of the director was material to the matter giving rise to such proceeding and
 - (A) was committed in bad faith or
 - (B) was the result of active and deliberate dishonesty;
- (2) the director actually received an improper personal benefit in money, property, or services; or
- (3) in the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful.

In addition to the foregoing, a court of appropriate jurisdiction: (1) shall order indemnification of reasonable expenses incurred by a director who has been successful, on the merits or otherwise, in the defense of any proceeding identified above, or in the defense of any claim, issue or matter in the proceeding; and (2) may under certain circumstances order indemnification of a director or an officer who the court determines is fairly and reasonably entitled to indemnification in view of all of the relevant circumstances, whether or not the director or officer has met the standards of conduct set forth in the preceding paragraph or has been declared liable on the basis that a personal benefit improperly received in a

Edgar Filing: SHORE BANCSHARES INC - Form S-3D

proceeding charging improper personal benefit to the director or the officer, provided that if the proceeding was an action by or in the right of the corporation or involved a determination that the director or officer received an improper personal benefit, no indemnification may be made if the director or officer is adjudged liable to the corporation, except to the extent of expenses approved by a court of appropriate jurisdiction.

II-1

The MGCL also permits a corporation to pay or reimburse, in advance of the final disposition of a proceeding, reasonable expenses incurred by a present or former director or officer made a party to the proceeding by reason of his or her service in that capacity, provided that the corporation shall have received: (i) a written affirmation by the director or officer of his good faith belief that he has met the standard of conduct necessary for indemnification by the corporation; and (ii) a written undertaking by or on behalf of the director to repay the amount paid or reimbursed by the corporation if it shall ultimately be determined that the standard of conduct was not met.

The MGCL authorizes a Maryland corporation to limit by provision in its Articles of Incorporation the liability of directors and officers to the corporation or to its stockholders for money damages except to the extent (i) the director or officer actually receives an improper benefit or profit in money, property, or services, for the amount of the benefit or profit actually received, or (ii) a judgment or other final adjudication adverse to the director or officer is entered in a proceeding based on a finding in the proceeding that the director's or officer's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding.

The Amended and Restated Articles of Incorporation of the Registrant (the Articles) provide that the Registrant will indemnify its directors and officers to the fullest extent of Maryland law. The Articles also limit the liability of directors and officers for money damages to the fullest extent of Maryland law. As permitted under Section 2-418(k) of the MGCL, the Registrant has purchased and maintains insurance on behalf of its directors and officers against any liability asserted against such directors and officers in their capacities as such, whether or not the Registrant would have the power to indemnify such persons under the provisions of Maryland law governing indemnification.
