The Compensation Committee (the "Committee") of Dime Community Bancshares, Inc. serves certain administrative functions for the Employee Stock Ownership Plan of Dime Community Bancshares, Inc. and Certain Affiliates (the "ESOP"), an employee stock ownership plan under the Employee Retirement Income Security Act of 1974, as amended ("ERISA") with individual accounts for the accrued benefits of participating employees and their beneficiaries. The Committee also serves certain administrative functions for the Recognition and Retention Plan For Outside Directors, Officers and Employees of Dime Community Bancshares, Inc. (the "RRP") and The Dime Savings Bank of Williamsburgh 401(k) Plan ("401(k) Plan"). As of December 31, 2002, the ESOP owns) 2,413,448 shares of the Company's common stock, of which 1,120,325 of such shares had been allocated to individual accounts established for participating employees and their beneficiaries, and 1,293,123 of such shares were held, unallocated, for allocation in future years. These shares have also been reported on the Schedule 13G filed by the Employee Stock Ownership of Dime Community Bancshares, Inc. and Certain Affiliates on February 14, 2003. As of December 31, 2002, the RRP owns 223,721 shares of the Company's common stock, of which 36,000 shares have been allocated to individuals and 187,721 shares are unallocated. All shares of common stock owned by the ESOP are held by RS Group, Inc., as Trustee, as of December 31, 2002. All shares of common stock owned by the RRPP are held by HSBC Bank, as Trustee, as of December 31, 2002. The Committee has the power and authority to direct the Trustee of the ESOP with respect to the investment of the ESOP's assets (including the acquisition or disposition of both allocated and unallocated shares of the Company) in the absence of a tender offer, but has no voting power with respect to any shares. The Committee has the power and authority to direct the Trustee of the RRP with respect to the investment of all assets of the RRP and with respect to the exercise of voting rights, but has assigned voting and tender rights over allocated shares to participating officers and directors. The Committee has the power and authority to direct the Trustee of the RRP with respect to the voting and tender rights over the unallocated shares to reflect the responses given with respect to the allocated shares. With respect to the ESOP, ERISA, in limited circumstances, may confer upon the Trustee the power and duty to control the voting and tendering of Common Stock allocated to the accounts of participating employees and beneficiaries who fail to exercise their voting and/or tender rights. As of December 31, 2002, the Company Stock Fund of the 401(k) Plan ("401(k) Plan Company Stock Fund") owns 425,169 shares of the Company's common stock, all of which are held by Retirement System Group Inc. as Trustee, as of December 31, 2002. The Committee has the power and authority to direct the Trustee of the 401(k) Plan Company Stock Fund with respect to the investment of the Company Stock Fund assets (including the acquisition or disposition of both allocated and unallocated shares of the Company) in the absence of a tender offer, but has no voting power with respect to any shares.

Item 6

Ownership of More than Five Percent on Behalf of Another Person:

Dividends on Common Stock allocated to the accounts of participating employees and their beneficiaries, to the extent paid in the form of additional securities, are added to their respective individual accounts. Dividends on Common Stock allocated to the accounts of participating employees and their beneficiaries, to the extent paid in cash, are, at the direction of the Company, either (i) credited to the respective individual accounts, (ii) distributed to the participating employees and their beneficiaries, or (iii) used to pay principal and interest on outstanding indebtedness incurred by ESOP to acquire Common Stock. Dividends payable with respect to unallocated ESOP shares that have a record date that is after June 30, 2000 will be allocated to the accounts of participants, former participants and beneficiaries as investment earnings. The allocation to each account is calculated by multiplying the aggregate amount of such dividends by a fraction, the numerator of which is the balance credited to the account and the denominator of which is the aggregate balances credited to all accounts, all as of the last day of the quarter immediately preceding the quarter in which the dividends are received. Once allocated, such dividends may, at the discretion of the Committee, be paid out to the account holder within ninety (90) days after the end of the plan year in which they are received. Under the 401(k) Plan Company Stock Fund, cash dividends on common stock allocated to the accounts of participating employees and beneficiaries are added to their respective individual accounts. Under the RRP, dividends on Common Stock allocated to the accounts of participating employees and their beneficiaries, to the extent paid in the form of additional securities, are added to their respective individual accounts. Dividends on Common Stock allocated to the accounts of participating person and their beneficiaries under the RRP, to the extent paid in cash, are, at the direction of the Company, distributed to the participating employees and their beneficiaries.
