PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of China Pharma Holdings, Inc., a Nevada corporation (the "Company", "we" or "us"), for our 2013 Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held on Monday, December 16, 2013, at 9:00 a.m., local time, and at any adjournment(s) or postponement(s) thereof, at Conference Room, 2nd Floor, Jiahai Building, No. 17 Jinpan Road, Haikou, Hainan Province, China 570216.

The date on which the Proxy Statement and form of proxy card are intended to be sent to stockholders is November 6, 2013.

The purpose of the Annual Meeting is to vote on election of our directors. We will also transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Who May Vote

Only stockholders of record of our common stock, par value \$.001 per share ("common stock"), as of the close of business on October 27, 2013 (the "Record Date") are entitled to notice and to vote at the Annual Meeting and any adjournment or adjournments thereof.

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting, during office hours, at our executive offices located at 2nd Floor, No. 17 Jinpan Road, Haikou, Hainan Province, The People's Republic of China 570216, by contacting the Secretary of the Board.

The presence at the Annual Meeting of one-third of the outstanding shares of common stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy or voter instructions, even though you abstain as to one or more proposals, or you are not present in person at the Annual Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker "non-votes" are included for the purposes of determining whether a quorum of shares is present at the Annual Meeting. A broker "non-vote" occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

As of the Record Date, we had issued and outstanding 43,579,557 shares of common stock. Each holder of our common stock on the Record Date is entitled to one vote for each share then held on all matters to be voted at the Annual Meeting. No other class of voting securities was then outstanding.

Voting Your Proxy

You may vote by proxy via phone, fax, internet and mail by following the instructions provided in the Proxy Materials mailed to you or your household. You may submit your vote over the Internet or mail until 11:59 a.m. (New York City time) on December 15, 2012.

You may also vote in person at the Annual Meeting. If your shares are held through a broker, trust, bank, or other nominee, please refer to the Proxy Materials and any other information forwarded to you by such holder of record to obtain a valid proxy from it. You will need to bring this legal proxy with you to the Annual Meeting in order to vote in person.

The shares represented by any proxy duly given will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted FOR the election of the nominees to our Board of Directors. In addition, if other matters come before the Annual Meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters.

Each share of our common stock outstanding on the Record Date will be entitled to one vote on all matters. Assuming a quorum is present, a plurality of the votes cast at the Annual Meeting by the stockholders entitled to vote in the election, either in person or by proxy, is required to elect the director nominees. In counting the votes cast, only those cast “for” and “against” a matter are included.

Shares which abstain or which are withheld from voting as to a particular matter, and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions, withheld votes, and “broker non-votes” will have no effect on the voting on matters that require the affirmative vote of a plurality or a majority of the votes cast or the shares voting on the matter.

Stockholders have no cumulative voting rights or dissenter’s or appraisal rights relating to the matters to be acted upon at the Annual Meeting.

Revoking Your Proxy

Even if you submit a proxy or voter instructions, you may revoke your proxy and change your vote. You may revoke your proxy or voter instructions by submitting a new proxy or voter instructions over the Internet by using the procedure to vote your shares online described in the Notice of Internet Availability of Proxy Materials. You may also revoke your proxy by mail by requesting a copy be mailed to you, executing a subsequently-dated proxy or voter instructions card, and mailing it in the pre-addressed envelope, which requires no additional postage if mailed in the United States. You may also revoke your proxy by your attendance and voting in person at the Annual Meeting. Mere attendance at the meeting will not revoke a proxy or voter instructions. We will vote the shares in accordance with the directions given in the last proxy or voter instructions submitted in a timely manner before the Annual Meeting. You may revoke your vote over the Internet until 11:59 a.m. (EST) on December 15, 2013. If you revoke your vote by mail, please be aware that we can recognize the revoked vote only if we receive it by close of business of the day before the Annual Meeting.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous meeting.

You are requested, regardless of the number of shares you own or your intention to attend the Annual Meeting, to vote your shares as described above.

Solicitation of Proxies

We will pay the expenses of solicitation of proxies for the Annual Meeting. We may solicit proxies by mail, and our officers and employees may solicit proxies personally or by telephone and will receive no extra compensation from such activities. We will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

In 2011 we issued 25,000 shares at a price of \$2.54 per share granted to Mr. Waung on May 25, 2011, for which recognized \$20,646 and \$42,844 in our financial statements for the years ended December 31, 2012 and 2011, respectively. A more detailed discussion of the assumptions used in calculating these value may be found in Note 11 to the consolidated audited financial statements included in our Annual Report on Form 10-K for the Fiscal Year Ended December 31, 2012.

Employment Agreements

Zhilin Li. Hainan Helpson Medical & Biotechnology Co., Ltd., our wholly-owned subsidiary and operating entity in the PRC ("Helpson"), entered into an employment agreement with Ms. Zhilin Li, our Chairman of the Board and Chief Executive Officer, which expired on June 30, 2010. Upon the expiration of the original agreement, Helpson renewed the agreement with Ms. Li on the same terms as the original agreement. Pursuant to the terms of the new employment agreement, Ms. Li agreed to continue to serve as Helpson's chief executive officer for a term of five years at an annual salary of RMB800,000. Helpson may adjust Ms. Li's compensation based upon her production and operating achievement and her technical ability and working performance. Ms. Li's total annual cash compensation for the fiscal year ended 2010, when aggregated with her compensation from our U.S. holding company level, was \$200,000.

On May 25, 2011, Ms. Li's annual base salary was increased to \$220,000. In addition, pursuant to the 2010 Incentive Plan and the Restricted Share Award Agreement, dated May 25, 2011, between the Company and Ms. Li, she was granted 75,000 shares of restricted stock, of which (i) 50,000 shares vested on May 25, 2012, and (ii) 25,000 shares were to vest on the six-month anniversary of the achievement of certain performance-based vesting criteria, which were forfeited as the criteria was not achieved. Under the 2010 Incentive Plan and pursuant to the Non-qualified Stock Option Agreement dated May 25, 2011, between the Company and Ms. Li ("Li's Stock Option Agreement"), she was also granted non-qualified stock options to purchase 50,000 shares of common stock at an exercise price of \$2.54 per share, of which (i) 25,000 shares vested on May 25, 2012, and (ii) 25,000 shares were to vest on the three-month anniversary of the achievement of certain performance-based vesting criteria, which was forfeited as criteria were not achieved.

Frank Waung. We entered into an employment agreement with Mr. Frank Waung on April 28, 2009, according to which Mr. Waung agreed to serve as our Chief Financial Officer for one year for an annual salary of \$100,000. According to the agreement, Mr. Waung was granted an option to purchase 100,000 shares of our common stock, at the price of \$1.70 per share, of which (i) 50,000 of the shares vested on April 28, 2010 and (ii) 50,000 of the shares vested on September 30, 2010. When our 2009 Stock Option Plan was implemented, on October 13, 2009 we issued Mr. Waung an option to purchase 100,000 shares at an exercise price of \$2.75 per share and we subsequently agreed that the difference (\$1.70 to \$2.75) would be provided to Mr. Waung at the time of exercise of the options, subject to approval of the board of directors.

Upon the expiration of the original agreement on April 28, 2010, we renewed the agreement with Mr. Waung on similar terms. Pursuant to the terms of the renewed agreement, Mr. Waung agreed to continue to serve as our Chief Financial Officer for one year at an annual salary of \$150,000. Mr. Waung was also granted an additional option to purchase 200,000 shares of common stock, of which (i) options to purchase 150,000 of the shares vested on April 28, 2011 and (ii) options to purchase 50,000 shares were to vest on April 28, 2011 if we consummated an equity offering with minimum gross proceeds of at least \$10 million prior to December 31, 2010. Because we did not consummate such an offering prior to December 31, 2010, options to purchase 50,000 shares have failed to vest and were forfeited.

On April 28, 2011, we renewed the employment agreement with Mr. Waung, pursuant to which Mr. Waung agreed to continue to serve as our Chief Financial Officer for one year at an annual salary of \$165,000. In addition, pursuant to the 2010 Incentive Plan and the Restricted Share Award Agreement dated May 25, 2011 between the Company and Mr. Waung, he was granted 50,000 shares of restricted stock, of which (i) 25,000 shares vested on April 28, 2012, and (ii) 25,000 shares were to vest on the six-month anniversary of the achievement of certain performance-based vesting criteria. Under the 2010 Incentive Plan and pursuant to the Non-qualified Stock Option Agreement dated May 25, 2011 between the Company and Mr. Waung ("Waung's Stock Option Agreement"), he was also granted non-qualified stock options to purchase 50,000 shares of common stock at an exercise price of \$2.54 per share, of which (i) 25,000 shares vested on April 28, 2012, and (ii) 25,000 shares were to vest on the three-month anniversary of the achievement of certain performance-based vesting criteria, which was forfeited as criteria were not achieved.

Effective April 28, 2012, we entered into an Amendment Agreement to the Non-Qualified Stock Option Agreements to amend the terms of the equity award previously granted to Mr. Waung under the 2009 Option Plan and 2010 Incentive Plan in conjunction with the termination of his employment agreement effective April 29, 2012. The effect of the amendment was to terminate a total of 185,000 vested but unexercised options immediately on April 28, 2012 as opposed to 90 days after the employment termination date. Effective the same date, the Company granted 100,000 shares of common stock to Mr. Waung under the 2010 Incentive Plan.

Payments upon Termination or Change-in-Control

PRC Law. Under the applicable laws of the PRC, we must pay severance to all employees who are Chinese nationals and who are terminated with or without cause, or whose employment agreement with us expires and we choose not to continue their employment. The severance benefit required to be paid under the laws of the PRC equals the average monthly compensation paid to the terminated employee (including any bonuses or other payments made in the 12 months prior to the employee's termination) multiplied by the number of years the employee has been employed with us, plus an additional month's salary if 30 days' prior notice of such termination has not been given. However, if the average monthly compensation to be received by the terminated employee exceeds three times the average monthly salary of the employee's local area, as determined and published by the local government, such average monthly compensation shall be capped at three times the average monthly salary of the employee's local area. Except as described above, none of our executive officers have any other agreement or arrangement under which he or she may be entitled to severance payments upon termination of employment.

PROPOSAL 1

ELECTION OF DIRECTORS

Our by-laws provide that the initial number of our directors shall be five and that the number of directors may be increased or decreased from time to time by action of the stockholders or of the Board. Directors are divided into two classes, independent directors and non-independent directors. Independent directors will hold office for a term of one (1) year, expiring on the date of the next annual meeting, or when their respective successors shall have been elected and shall qualify, or upon their prior death, resignation or removal. Non-independent directors will hold office for a term of three (3) years or when their respective successors shall have been elected and shall qualify, or upon their prior death, resignation or removal. Directors may be re-elected for successive terms. The Board currently consists of five members, three of whom are independent. All of the three independent directors are the nominees standing for re-election at the 2013 Annual Meeting.

CORPORATE GOVERNANCE

Board Composition

Our Board of Directors is comprised of five members. Directors are divided into two classes, independent directors and non-independent directors. Independent directors will hold office for a term of one (1) year, expiring on the date of the next annual meeting, or when their respective successors shall have been elected and shall qualify, or upon their prior death, resignation or removal. Non-independent directors will hold office for a term of three (3) years or when their respective successors shall have been elected and shall qualify, or upon their prior death, resignation or removal. Ms. Zhilin Li, our President and Chief Executive Officer, is the Chairman of the Board and a non-independent director. Ms. Heung Mei Tsui, an affiliate of the company, is a non-independent director. Messrs. G. Michael Bennett, Yingwen Zhang and Baowen Dong are our independent directors and serve as members of the Audit, Nominating and Compensation Committees.

Director Independence

Our Board has determined that Messrs. Bennett, Zhang and Dong satisfy the criteria for independence under NYSE MKT and SEC rules for independence of directors and of committee members.

Board Leadership Structure

The Board believes that the combined role of Chief Executive Officer and Chairman is most suitable for our company because Ms. Li has been our company's President and Chief Executive Officer since 2005, is the individual most familiar with our business and industry, including the regulatory structure and other industry-specific matters, as well as being most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent directors and management have different perspectives and roles in strategy development. The Chief Executive Officer brings company-specific experience and expertise, while the company's independent directors bring experience, oversight, and expertise from outside the company and its industry. The Board believes that the combined role of Chief Executive Officer and Chairman of the Board promotes the development and execution of our strategy and facilitates the flow of information between management and the Board, which is essential to effective corporate governance. The Board believes the combined role of Chief Executive Officer and Chairman, together with our independent directors, is in the best interest of stockholders because it provides the appropriate balance between independent oversight of management and the development of strategy.

Risk Management

The Board is involved in the oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board, but the full Board retains responsibility for general oversight of risks. The Nominating and Compensation Committee is responsible for overseeing the management of risks related to the Company's executive compensation plans and arrangements, and also for managing risks associated with the independence of the Board of Directors and potential conflicts of interest. The Audit Committee oversees management of financial risks, including risks related to liquidity, credit, operations and regulatory compliance, among others, and the processes in place to monitor and control such exposures. Our Board and its committees have access at all times to the Company's management to discuss any matters of interest, including those related to risk. We believe that our Board leadership structure enables senior management to communicate identified risks to our Board and its committees and affords a free flow of communications regarding risk identification and mitigation.

Audit Committee

The Audit Committee assists the Board in monitoring:

- our accounting, auditing, and financial reporting processes;
- the integrity of our financial statements;
- internal controls and procedures designed to promote our compliance with accounting standards and applicable laws and regulations; and
- the appointment and evaluation of the qualifications and independence of our independent auditors.

G. Michael Bennett, Yingwen Zhang and Baowen Dong, all of whom are independent directors under SEC rules and the rules of NYSE MKT, are currently serving as members of the Audit Committee. Mr. Bennett is the chairman of the Audit Committee and is an “audit committee financial expert” as defined in Item 401(d)(5) of Regulation S-K promulgated under the Securities Act. The audit committee carries out its responsibilities in accordance with the terms of its Audit Committee Charter, a copy of which is attached as Exhibit 99.1 to our Annual Report on Form 10-K filed with the SEC on March 17, 2009.

Nominating and Compensation Committee

The functions of the Nominating and Compensation Committee are as follows:

- to assist our Board in discharging its responsibilities with respect to compensation of our executive officers and directors;
- to evaluate the performance of our executive officers;
- to assist our Board in developing succession plans for executive officers;
- to administer our stock and incentive compensation plans and recommend changes in such plans to our Board as needed;
- to identify qualified individuals to become board members;
- to determine the composition of our Board and its committees;
- to monitor the process to assess Board effectiveness; and
- to develop and implement our corporate procedures and policies.

The current members of the Nominating and Compensation Committee are Messrs. Bennett, Zhang and Dong. Mr. Zhang is the chairman of the Nominating and Compensation Committee, which carries out its responsibilities in accordance with the terms of its Nominating and Compensation Committee Charter, a copy of which is attached as Exhibit 99.1 to our Current Report on Form 8-K filed with the SEC on August 28, 2009.

Directors, executive officers and greater than 10% stockholders are required by SEC rules to furnish us with copies of Section 16(a) forms they file. Based upon a review of the filings made on their behalf during the fiscal year ended December 31, 2012, as well as an examination of the SEC's EDGAR system Form 3, 4, and 5 filings and our records, we believe that, during the year ended December 31, 2012, the Reporting Persons met all applicable Section 16(a) filing requirements.
