**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On July 1, 2005, Pacific Energy Group LLC ("PEG LLC"), a wholly owned subsidiary of Pacific Energy Partners, L.P. ("Pacific"), entered into a Sale and Purchase Agreement (the "Purchase Agreement"), with Support Terminals Operating Partnership, L.P., Kaneb Pipe Line Operating Partnership, L.P., and Shore Terminals LLC (the "Sellers"), pursuant to which PEG LLC agreed to acquire certain terminal and pipeline assets from the Sellers for an aggregate purchase price of \$455 million. Valero L.P. is required to divest these assets pursuant to an order from the Federal Trade Commission in connection with its acquisition of the Kaneb group of companies.

The terminals and pipeline assets being acquired from the Sellers include:

West Coast Terminals in the San Francisco, California area, specifically, the Martinez Terminal and the Richmond Terminal, which have 4.1 million barrels of combined storage capacity on 147 acres of land.

East Coast Terminals in the Philadelphia, Pennsylvania area, specifically, the North Philadelphia Terminal, the South Philadelphia Terminal and the Paulsboro, New Jersey Terminal, which have a combined storage capacity of 3.2 million barrels on 102 acres of land.

West Pipeline System in the U.S. Rocky Mountains, which consists of 550 miles of refined products pipeline extending from Casper, Wyoming east to Rapid City, South Dakota and south to Colorado Springs, Colorado. In addition, there are products terminals at Rapid City, South Dakota, Cheyenne, Wyoming, and Denver and Colorado Springs, Colorado with a combined storage capacity of 1.7 million barrels.

In connection with the acquisition, PEG LLC delivered to the Sellers an irrevocable stand-by letter of credit in the amount of \$22,750,000 on July 5, 2005 as a deposit to secure PEG LLC's obligations under the Purchase Agreement. Pacific has received \$700 million in financing commitments from Bank of America, N.A. and Lehman Brothers Inc. These commitments include a new five-year \$400 million secured revolving credit facility, which would partly fund the acquisition as well as repay and replace Pacific's existing U.S. and Canadian revolving credit facilities, which would have matured in mid-2007. These commitments also include a \$300 million, 364-day secured bridge credit facility, which would only be used to fund the acquisition if permanent financing has not yet been obtained by the closing date. Pacific expects to fund the acquisition on a permanent basis by issuing common units and debt securities.

Additionally, on July 1, 2005, Pacific entered into a Guarantee Agreement with the Sellers, whereby Pacific unconditionally and irrevocably guaranteed the punctual payment and performance of the obligations of PEG LLC under the Purchase Agreement and each other instrument and agreement executed and delivered or to be executed and delivered by PEG LLC in connection with the Purchase Agreement.

Consummation of the transaction is subject to the receipt of certain regulatory approvals, as well as various other customary closing conditions.
