Dear Neos Stockholder:

I am pleased to invite you to attend the 2016 Annual Meeting of Stockholders (the "Annual Meeting") of Neos Therapeutics, Inc. ("Neos") to be held on Wednesday, June 15, 2016 at 8:00 a.m. Central Time at our offices, which are located at 2940 N. Highway 360, Suite 400, Grand Prairie, Texas, 75050.

Details regarding the meeting and the business to be conducted are more fully described in the accompanying Notice of 2016 Annual Meeting of Stockholders and Proxy Statement.

Pursuant to the Securities and Exchange Commission rules that allow issuers to furnish proxy materials to stockholders over the Internet, we are posting the proxy materials on the Internet and delivering a notice of the Internet availability of the proxy materials. On or about April 26, 2016, we will begin mailing to our stockholders a Notice of Internet Availability (the "Notice") containing instructions on how to access or request a copy of our Proxy Statement for the 2016 Annual Meeting of Stockholders and our Annual Report on Form 10-K for the year ended December 31, 2015.

Your vote is important. Whether or not you plan to attend the Annual Meeting, I hope you will vote as soon as possible. You may vote over the Internet or in person at the Annual Meeting or, if you requested printed copies of proxy materials, you also may vote by mailing a proxy card. Please review the instructions on the Notice or on the proxy card regarding your voting options.

Thank you for being a Neos stockholder. We look forward to seeing you at our Annual Meeting.

Sincerely,

Vipin Garg
Chief Executive Officer

YOUR VOTE IS IMPORTANT

In order to ensure your representation at the meeting, whether or not you plan to attend the meeting, please vote your shares as promptly as possible over the Internet by following the instructions on your Notice or, if you requested printed copies of your proxy materials, by following the instructions on your proxy card. Your participation will help to ensure the presence of a quorum at the meeting and save Neos the extra expense associated with additional solicitation. If you hold your shares through a broker, your broker is not permitted to vote on your behalf in the election of directors, unless you provide specific instructions to the broker by completing and returning any voting instruction form that the broker provides (or following any instructions that allow you to vote your broker-held shares via the Internet). For your vote to be counted, you will need to communicate your voting decision before the date of the Annual Meeting. Voting your shares in advance will not prevent you from attending the Annual Meeting, revoking your earlier submitted proxy or voting your stock in person.

**PROXY STATEMENT
FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD WEDNESDAY, JUNE 15, 2016**

GENERAL INFORMATION

Our Board of Directors (the "Board") solicits your proxy on our behalf for the 2016 Annual Meeting of Stockholders (the "Annual Meeting") and at any postponement or adjournment of the Annual Meeting for the purposes set forth in this Proxy Statement and the accompanying Notice of Internet Availability of Proxy Materials (the "Notice"). The Annual Meeting will be held at 8:00 a.m. Central Time on Wednesday, June 15, 2016 at our offices, which are located at 2940 N. Highway 360, Suite 400, Grand Prairie, Texas, 75050. We made this Proxy Statement available to stockholders beginning on April 26, 2016.

In this Proxy Statement the terms "Neos," "the company," "we," "us," and "our" refer to Neos Therapeutics, Inc. The mailing address of our principal executive offices is Neos Therapeutics, Inc., 2940 N. Highway 360, Suite 400, Grand Prairie, Texas, 75050.

Internet Availability of Proxy Materials We are providing access to our proxy materials over the Internet. On April 26, 2016, we mailed the Notice to stockholders, unless they requested a printed copy of proxy materials. The Notice contains instructions on how to access our proxy materials and how to vote. If you would like to receive a paper or e-mail copy of our proxy materials, please follow the instructions in the Notice. If you requested printed versions of these materials by mail, they will also include a proxy card for the Annual Meeting.

Record Date April 22, 2016.

Quorum A majority of the shares of all issued and outstanding stock entitled to vote on the record date must be present in person or represented by proxy to constitute a quorum.

Shares Outstanding 16,048,107 shares of common stock outstanding as of April 22, 2016.

Voting There are three ways a stockholder of record can vote:

- (1) By Internet: You may vote over the Internet by following the instructions provided in the Notice.
- (2) By Mail: If you requested printed copies of proxy materials, you can vote by mailing your proxy as described in the proxy materials.

Table of Contents

- (3) In Person: If you are a stockholder as of the record date, you may vote in person at the meeting. Submitting a proxy will not prevent a stockholder from attending the Annual Meeting, revoking their earlier-submitted proxy, and voting in person.

In order to be counted, proxies submitted by Internet must be received by 11:59 p.m. Eastern Time on June 14, 2016. Proxies submitted by U.S. mail must be received before the start of the Annual Meeting.

If you hold your shares through a bank or broker, please follow their instructions.

Revoking Your Proxy

Stockholders of record may revoke their proxies by attending the Annual Meeting and voting in person, by filing an instrument in writing revoking the proxy or by filing another duly executed proxy bearing a later date with our Secretary before the vote is counted or by voting again using the Internet before the cutoff time (your latest Internet proxy is the one that will be counted). If you hold shares through a bank or broker, you may revoke any prior voting instructions by contacting that firm.

Votes Required to Adopt Proposals

Each share of our common stock outstanding on the record date is entitled to one vote on any proposal presented at the Annual Meeting:

For Proposal One, the election of directors, the two nominees receiving the plurality of votes properly cast will be elected as directors.

For Proposal Two, a majority of the votes properly cast is required to ratify the appointment of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Effect of Abstentions and Broker Non-Votes

Votes withheld from any nominee, abstentions and "broker nonvotes" (*i.e.*, where a broker has not received voting instructions from the beneficial owner and for which the broker does not have discretionary power to vote on a particular matter) are counted as present for purposes of determining the presence of a quorum. Shares voting "withheld" have no effect on the election of directors. Abstentions have no effect on the ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Table of Contents

Voting Instructions	<p>Under the rules that govern brokers holding shares for their customers, brokers who do not receive voting instructions from their customers have the discretion to vote uninstructed shares on routine matters, but do not have discretion to vote such uninstructed shares on non-routine matters. Only Proposal Two, the ratification of the appointment of RSM US LLP, is considered a routine matter where brokers are permitted to vote shares held by them without instruction. If your shares are held through a broker, those shares will not be voted in the election of directors unless you affirmatively provide the broker instructions on how to vote. If you complete and submit your proxy voting instructions, the persons named as proxies will follow your instructions. If you submit proxy voting instructions but do not direct how your shares should be voted on each item, the persons named as proxies will vote for the election of the nominees for directors and for the ratification of the appointment of RSM US LLP as our independent registered public accounting firm. The persons named as proxies will vote on any other matters properly presented at the Annual Meeting in accordance with their best judgment, although we have not received timely notice of any other matters that may be properly presented for voting at the Annual Meeting.</p>
Voting Results	<p>We will announce preliminary results at the Annual Meeting. We will report final results by filing a Form 8-K within four business days after the Annual Meeting. If final results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.</p>
Additional Solicitation/Costs	<p>We are paying for the distribution of the proxy materials and solicitation of the proxies. As part of this process, we reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our stockholders. Proxy solicitation expenses that we will pay include those for preparation, mailing, returning and tabulating the proxies. Our directors, officers, and employees may also solicit proxies on our behalf in person, by telephone, email or facsimile, but they do not receive additional compensation for providing those services.</p>

Householding

Some banks, brokers, and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the Notice, Proxy Statement, and Annual Report on Form 10-K for the year ended December 31, 2015, as applicable, is being delivered to multiple stockholders sharing an address unless we have received contrary instructions. We will promptly deliver a separate copy of any of these documents to you if you write to us at Investor Relations at Neos Therapeutics, Inc., 2940 N. Highway 360, Grand Prairie, Texas, 75050 or call (972) 408-1300. If you want to receive separate copies of the Notice, Proxy Statement, or Annual Report on Form 10-K in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address or telephone number.

PROPOSAL ONE

ELECTION OF DIRECTORS

Number of Directors; Board Structure

Our Board is divided into three staggered classes of directors as nearly equal in number as possible. One class is elected each year at the annual meeting of stockholders for a term of three years. The term of the Class I directors expires at the Annual Meeting. The term of the Class II directors expires at the 2017 annual meeting. The term of the Class III directors expires at the 2018 annual meeting. Directors are elected to hold office for a three-year term or until the election and qualification of their successors in office.

Nominees

Based on the recommendation of the Nominating and Corporate Governance Committee of our Board, our Board has nominated Alan Heller and Bryant Fong for election as directors to serve for a three-year term ending at the 2019 annual meeting or until their successors are elected and qualified. Each of the nominees is a current member of our Board and has consented to serve if elected.

Unless you direct otherwise through your proxy voting instructions, the persons named as proxies will vote all proxies received "for" the election of each nominee. If any nominee is unable or unwilling to serve at the time of the Annual Meeting, the persons named as proxies may vote for a substitute nominee chosen by the present Board. In the alternative, the proxies may vote only for the remaining nominees, leaving a vacancy on the Board. The Board may fill such vacancy at a later date or reduce the size of the Board. We have no reason to believe that any of the nominees will be unwilling or unable to serve if elected as a director.

Recommendation of the Board

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF EACH OF THE FOLLOWING NOMINEES.

The biographies of each of the nominees and continuing directors below contain information regarding each such person's service as a director, business experience, director positions held currently or at any time during the last five years and the experiences, qualifications, attributes or skills that caused the nominating and corporate governance committee to determine that the person should serve as a director of the company. In addition to the information presented below regarding each such person's specific experience, qualifications, attributes and skills that led the Board and its nominating and corporate governance committee to the conclusion that he or she should serve as a director, we also believe that each of our directors has a reputation for integrity, honesty and adherence to high ethical standards. Each of our directors has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to Neos and our Board. Finally, we value our directors' experience in relevant areas of business management and on other boards of directors and board committees.

Our corporate governance guidelines also dictate that a majority of the Board be comprised of independent directors whom the Board has determined have no material relationship with Neos and who are otherwise "independent" directors under the published listing requirements of the NASDAQ Global Market ("NASDAQ").

CORPORATE GOVERNANCE

Board Independence

The Board has determined that each of our directors, except for Dr. Garg as chief executive officer and president, has no relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is "independent" within the meaning of our director independence standards and the director independence standards of NASDAQ and the SEC. Furthermore, the Board has determined that each member of each of the committees of the Board is independent within the meaning of the NASDAQ's, the SEC's, and our applicable committees' independence standards, including Rule 10a-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). In making that determination, the Board considered all relevant facts and circumstances, including (but not limited to) the director's commercial, industrial, banking, consulting, legal, accounting, charitable, and familial relationships. There are no family relationships among any of our directors or executive officers. In addition, a majority of the members of the Board meets the independence standards under the rules of the NASDAQ.

At least annually, the Board will evaluate all relationships between us and each director in light of relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a potential conflict of interest or otherwise interfere with such director's ability to satisfy his or her responsibilities as an independent director. Based on this evaluation, the Board will make an annual determination of whether each director is independent within the meaning of the NASDAQ's, the SEC's, and our applicable committees' independence standards.

Code of Business Conduct and Ethics

On July 9, 2015 we adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. Our code of business conduct and ethics is available on our website at <http://investors.neostx.com>. We intend to disclose any amendments to the code, or any waivers of its requirements, on our website, or in a current report on Form 8-K as may be required by law or applicable NASDAQ rules.

Corporate Governance Guidelines

The Board has adopted corporate governance guidelines to assist and guide its members in the exercise of its responsibilities. These guidelines should be interpreted in accordance with any requirements imposed by applicable federal or state law or regulation, the NASDAQ and our certificate of incorporation and bylaws. Our corporate governance guidelines are available on our website at <http://investors.neostx.com>. Although these corporate governance guidelines have been approved by the Board, it is expected that these guidelines will evolve over time as customary practice and legal requirements change. In particular, those guidelines that encompass legal, regulatory or exchange requirements as they currently exist will be deemed to be modified as and to the extent that such legal, regulatory or exchange requirements are modified. In addition, the guidelines may also be amended by the Board at any time as it deems appropriate.

Board and Committee Meetings

The Board meets on a regularly scheduled basis during the year to review significant developments affecting us and to act on matters requiring their approval. It also holds special meetings when important matters require action between scheduled meetings. Members of senior management regularly attend meetings to report on and discuss their areas of responsibility. During 2015, the Board held eight meetings. The Board has three standing committees:

the compensation committee, which held two meetings and operated by written consent twice in 2015; and

Each of the incumbent directors of the Board attended at least 75% of the aggregate of all meetings of the Board and meetings of committees of our Board upon which they served (during the periods that they served) during 2015. The Board regularly holds executive sessions of the independent directors. Executive sessions do not include employee directors or directors who do not qualify as independent under NASDAQ and SEC rules.

Annual Meeting Attendance

It is our policy that members of our Board are encouraged to attend annual meetings of our stockholders.

Nominating and Corporate Governance Committee

Messrs. Edick, Schmid and Heller and Ms. Hecht currently serve on the nominating and corporate governance committee, which is chaired by Mr. Edick. The Board has determined that each member of the nominating and corporate governance committee is "independent" as that term is defined in the applicable SEC and NASDAQ rules. The nominating and corporate governance committee's responsibilities include:

developing and recommending to the board of directors criteria for board and committee membership;

establishing procedures for identifying and evaluating board of director candidates, including nominees recommended by stockholders;

identifying individuals qualified to become members of the board of directors;

recommending to the board of directors the persons to be nominated for election as directors and to each of the board's committees; and

developing and recommending to the board of directors a set of corporate governance principles.

Identifying and Evaluating Director Nominees

The Board has delegated the director selection and nomination process to the nominating and corporate governance committee, with the expectation that other members of the Board, and of management, will be requested to take part in the process as appropriate.

Generally, the nominating and corporate governance committee identifies candidates for director nominees in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the nominating and corporate governance committee deems to be helpful to identify candidates. Once candidates have been identified, the nominating and corporate governance committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the nominating and corporate governance committee. The nominating and corporate governance committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the nominating and corporate governance committee deems to be appropriate in the evaluation process. The nominating and corporate governance committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board. Based on the results of the evaluation process, the nominating and corporate governance committee recommends candidates for the Board's approval as director nominees for election to the Board.

Minimum Qualifications

In evaluating proposed director candidates, the nominating and corporate governance committee may consider, all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her depth and breadth of professional experience or other background characteristics, his or her independence, the current size and composition of our Board and the needs of our Board and its respective committees. Some of the qualifications that our nominating and corporate governance committee considers include, without

limitation, integrity, judgment, diversity of experience, expertise, business acumen, understanding of our business and industry, potential conflicts of interest and other commitments. Nominees must also have proven achievement and competence in their field and the ability to provide guidance to our management team and make significant contributions to our success, and an understanding of the fiduciary responsibilities that are required of a director. Director candidates must have sufficient time available in the judgment of our nominating and corporate governance committee to perform all board of director and committee responsibilities. Members of our Board are expected to prepare for, attend, and participate in all board of director and applicable committee meetings.

While we do not have a specific policy with regard to the consideration of diversity in identifying director nominees, in identifying and evaluating proposed director candidates, we value diversity of perspective and the nominating and corporate governance committee considers, in addition to the minimum qualifications and other criteria for Board membership approved by the Board from time to time, whether, if elected, the nominee assists in achieving a mix of board members that represents a diversity of race, ethnicity, gender, age, background, and professional experience.

Stockholder Recommendations

Stockholders may submit recommendations for director candidates to the nominating and corporate governance committee by sending the individual's name and qualifications to our Secretary at Neos Therapeutics, Inc., 2940 N. Highway 360, Suite 400, Grand Prairie, Texas, 75050, who will forward all recommendations to the nominating and corporate governance committee. The nominating and corporate governance committee will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

Stockholder Communications

The Board provides to every securityholder the ability to communicate with the Board, as a whole, and with individual directors on the Board through an established process for securityholder communication. For a securityholder communication directed to the Board of Directors as a whole, securityholders may send such communication to the attention of the Company's Secretary via U.S. Mail or Expedited Delivery Service to: Neos Therapeutics, Inc., 2940 N. Highway 360, Suite 400, Grand Prairie, Texas, 75050, Attn: Board of Directors, c/o Secretary.

For a securityholder communication directed to an individual director in his or her capacity as a member of the Board, securityholders may send such communication to the attention of the individual director via U.S. Mail or Expedited Delivery Service to: Neos Therapeutics, Inc., 2940 N. Highway 360, Suite 400, Grand Prairie, Texas, 75050, Attn: [Name of Individual Director].

We will forward by U.S. Mail any such securityholder communication to each director, and the Chairman of the Board in his or her capacity as a representative of the Board, to whom such securityholder communication is addressed to the address specified by each such director and the Chairman of the Board, unless there are safety or security concerns that mitigate against further transmission.

Board Leadership Structure and Board's Role in Risk Oversight

The positions of our chairman of the board and chief executive officer are separated. Separating these positions allows our chief executive officer to focus on our day-to-day business, while allowing the chairman of the board to lead the board of directors in its fundamental role of providing advice to and independent oversight of management. Our board of directors recognizes the time, effort and energy that the chief executive officer must devote to his position in the current business environment, as well as the commitment required to serve as our chairman, particularly as the board of directors' oversight

Table of Contents

responsibilities continue to grow. Our board of directors also believes that this structure ensures a greater role for the independent directors in the oversight of our company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our board of directors. This leadership structure also is preferred by a significant number of our stockholders. Our board of directors believes its administration of its risk oversight function has not affected its leadership structure.

Although our bylaws do not require our chairman and chief executive officer positions to be separate, our board of directors believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including those described under the section "Risk factors" located in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015. Our board of directors is actively involved in oversight of risks that could affect us. This oversight is conducted primarily by our full board of directors, which has responsibility for general oversight of risks.

Our board of directors satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our company. Our board of directors believes that full and open communication between management and the board of directors is essential for effective risk management and oversight.

Compensation Risk Assessment

We believe that although a portion of the compensation provided to our executive officers and other employees is performance-based, our executive compensation program does not encourage excessive or unnecessary risk taking. Our compensation programs are designed to encourage our executive officers and other employees to remain focused on both short-term and long-term strategic goals, in particular in connection with our pay-for-performance compensation philosophy. As a result, we do not believe that our compensation programs are reasonably likely to have a material adverse effect on us.

Anti-Hedging and Anti-Pledging Policies

Our insider trading policies prohibit all directors, executive officers, and employees from buying or selling derivatives on our securities, engaging in hedging transactions involving our securities or holding our securities in a margin account, and only allow our securities to be pledged as collateral for a loan with the prior approval by the audit committee which must have at least two (2) weeks to consider any such request for approval. To date no such requests have been made or approved.

PROPOSAL TWO

**RATIFICATION OF THE APPOINTMENT OF
OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our independent registered public accounting firm for the fiscal year ending December 31, 2015 was RSM US LLP (formerly McGladrey LLP through October 25, 2015), and we are asking you and other stockholders to ratify this appointment for the fiscal year ended December 31, 2016.

The audit committee annually reviews the independent registered public accounting firm's independence, including reviewing all relationships between the independent registered public accounting firm and us and any disclosed relationships or services that may impact the objectivity and independence of the independent registered public accounting firm, and the independent registered public accounting firm's performance. As a matter of good corporate governance, the Board determined to submit to stockholders for ratification of the appointment of RSM US LLP. A majority of the votes properly cast is required in order to ratify the appointment of RSM US LLP. In the event that a majority of the votes properly cast do not ratify this appointment of RSM US LLP, we will review our future appointment of RSM US LLP.

We expect that a representative of RSM US LLP will attend the Annual Meeting and the representative will have an opportunity to make a statement if he or she so chooses. The representative will also be available to respond to appropriate questions from stockholders.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

We have adopted a policy under which the audit committee must pre-approve all audit and permissible non-audit services to be provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval would generally be requested annually, with any pre-approval detailed as to the particular service, which must be classified in one of the categories of services listed below. The audit committee may also, on a case-by-case basis, pre-approve particular services that are not contained in the annual pre-approval request. In connection with this pre-approval policy, the audit committee also considers whether the categories of pre-approved services are consistent with the rules on accountant independence of the SEC and the Public Company Accounting Oversight Board.

In addition, in the event time constraints require pre-approval prior to the audit committee's next scheduled meeting, the audit committee has authorized its Chairperson to pre-approve services. Engagements so pre-approved are to be reported to the audit committee at its next scheduled meeting.

Table of Contents**EXECUTIVE COMPENSATION****OVERVIEW**

Historically, our executive compensation program has reflected our growth and development-oriented corporate culture. To date, the compensation of Dr. Garg, our Chief Executive Officer, and the other executive officers identified in the Summary Compensation Table below, whom we refer to as our named executive officers, has consisted of a combination of base salary, cash incentive bonus and long-term incentive compensation in the form of stock options and grants of restricted common stock. Our named executive officers and all salaried employees are also eligible to receive retirement, health and welfare benefits. On July 10, 2015 we entered into employment agreements with certain of our executive officers that entitle those executive officers to, among other things, severance upon a termination of employment under certain circumstances. For a description of these agreements, please see "Employment Agreements" below. To assist with evaluating and designing our executive compensation programs, we have engaged the services of an independent executive compensation consulting firm to review our current compensation plans and procedures and to provide additional information about comparative compensation offered by peer companies, market survey information and information about trends in executive compensation. At a minimum, we expect to review executive compensation annually with input from a compensation consultant. As part of this review process, we expect the board of directors and the compensation committee to apply our values and philosophy, while considering the compensation levels needed to ensure our executive compensation program remains competitive. We will also review whether we are meeting our retention objectives.

EMPLOYEE BENEFIT PLANS

Senior executive cash incentive bonus plan

In July 2015, our board of directors adopted the Senior Executive Cash Incentive Bonus Plan, or the Bonus Plan. The Bonus Plan provides for cash bonus payments based upon the attainment of performance targets established by our compensation committee. The payment targets will be related to financial and operational measures or objectives with respect to our company, or corporate performance goals, as well as individual performance objectives.

Our compensation committee may select corporate performance goals from among the following: achievement of certain milestones (including, but not limited to, clinical, regulatory and commercial milestones); cash flow (including, but not limited to, operating cash flow and free cash flow); revenue; earnings before interest, taxes, depreciation and amortization; net income (loss) (either before or after interest, taxes, depreciation and/or amortization); changes in the market price of our common stock; economic value-added; acquisitions or strategic transactions; operating income (loss); return on capital, assets, equity, or investment; stockholder returns; return on sales; gross or net profit levels; productivity; expense efficiency; margins; operating efficiency; customer satisfaction; working capital; earnings (loss) per share of our common stock; bookings, new bookings or renewals; sales or market shares; number of customers, number of new customers or customer references; operating income

Table of Contents

and/or net annual recurring revenue; employee satisfaction, employee turnover or other employee based metrics, any of which may be measured in absolute terms, as compared to any incremental increase, in terms of growth, measured against the market as a whole and/or as compared to any applicable market indices, measured on a pre-tax or post-tax basis (as applicable), or as compared to another company or companies or to results of a peer group.

Each executive officer who is selected to participate in the Bonus Plan will have a target bonus opportunity set for each performance period. The bonus formulas will be adopted in each performance period by the compensation committee and communicated to each executive. The corporate performance goals will be measured at the end of each performance period after our financial reports have been published or such other appropriate time as the compensation committee determines. If the corporate performance goals and individual performance objectives are met, payments will be made as soon as practicable following the end of each performance period. Subject to the rights contained in any agreement between the executive officer and us, an executive officer must be employed by us on the bonus payment date to be eligible to receive a bonus payment. The Bonus Plan also permits the compensation committee to approve additional bonuses to executive officers in its sole discretion.

Retirement plans

We maintain a tax-qualified 401(k) retirement plan that provides eligible employees with an opportunity to save for retirement on a tax-advantaged basis. Under our 401(k) plan, employees may elect to defer up to 50% of their eligible compensation, subject to applicable annual limits set pursuant to the Internal Revenue Code of 1986, as amended, or the Code. We also provide matching contributions. Employees are 100% vested in their personal contributions and non-elective employer contributions to the 401(k) plan. Matching employer contributions are 100% vested and nonforfeitable. We intend for the plan to qualify under Sections 401(a) and 501(a) of the Code.

Indemnification of officers and directors

We have agreed to indemnify our directors and officers in certain circumstances. See "Certain relationships and related party transactions Limitation of liability and indemnification of officers and directors."

Compensation Committee interlocks and insider participation

During 2015, our compensation committee was comprised of Messrs. Robitaille, Fong and Edick. None of the members of our compensation committee is an officer or employee of our company. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or compensation committee.

Modifications to and conversion of promissory note

On March 13, 2015, we entered into an amendment to an amended and restated promissory note with Essex Capital Corporation whereby, upon prior written consent of our senior lender, Essex Capital Corporation may assign, pledge and/or grant security interests in the promissory note.

EMPLOYMENT AGREEMENTS

We have entered into employment agreements with certain of our executive officers. For more information regarding these change of control agreements, see "Executive Compensation Employment Agreements."

LIMITATION OF LIABILITY AND INDEMNIFICATION OF OFFICERS AND DIRECTORS

Our amended and restated certificate of incorporation contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for the following:

any breach of their duty of loyalty to our company or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or

any transaction from which they derived an improper personal benefit.

Table of Contents

Any amendment to, or repeal of, these provisions will not eliminate or reduce the effect of these provisions in respect of any act, omission or claim that occurred or arose prior to that amendment or repeal. If the Delaware General Corporation Law is amended to provide for further limitations on the personal liability of directors of corporations, then the personal liability of our directors will be further limited to the greatest extent permitted by the Delaware General Corporation Law.

In addition, our amended and restated bylaws provides that we will indemnify, to the fullest extent permitted by law, any person who is or was a party or is threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is or was one of our directors or officers or is or was serving at our request as a director or officer of another corporation, partnership, joint venture, trust or other enterprise. Our amended and restated bylaws provide that we may indemnify to the fullest extent permitted by law any person who is or was a party or is threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is or was one of our employees or agents or is or was serving at our request as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Our amended and restated bylaws also provide that we must advance expenses incurred by or on behalf of a director or officer in advance of the final disposition of any action or proceeding, subject to very limited exceptions.

Further, we have entered into indemnification agreements with each of our directors and executive officers that may be broader than the specific indemnification provisions contained in the Delaware General Corporation Law. These indemnification agreements require us, among other things, to indemnify our directors and executive officers against liabilities that may arise by reason of their status or service. These indemnification agreements also require us to advance all expenses incurred by the directors and executive officers in investigating or defending any such action, suit or proceeding. We believe that these agreements are necessary to attract and retain qualified individuals to serve as directors and executive officers.

The limitation of liability and indemnification provisions included in our amended and restated certificate of incorporation, amended and restated bylaws and in indemnification agreements that we enter into with our directors and executive officers may discourage stockholders from bringing a lawsuit against our directors and executive officers for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against our directors and executive officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be harmed to the extent that we pay the costs of settlement and damage awards against directors and executive officers as required by these indemnification provisions. At present, we are not aware of any pending litigation or proceeding involving any person who is or was one of our directors, officers, employees or other agents or is or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

We have obtained insurance policies under which, subject to the limitations of the policies, coverage is provided to our directors and executive officers against loss arising from claims made by reason of breach of fiduciary duty or other wrongful acts as a director or executive officer, including claims relating to public securities matters, and to us with respect to payments that may be made by us to these directors and executive officers pursuant to our indemnification obligations or otherwise as a matter of law.

Certain of our non-employee directors may, through their relationships with their employers, be insured and/or indemnified against certain liabilities incurred in their capacity as members of our board of directors. The underwriting agreement provides for indemnification by the underwriters of us and our officers, directors and employees for certain liabilities arising under the Securities Act, or otherwise.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

AGREEMENTS WITH OUR STOCKHOLDERS

In connection with our preferred stock financings, we entered into an investors' rights agreement with certain purchasers of our redeemable convertible preferred stock.

Our amended and restated investors' rights agreement, or Investor Rights Agreement, provides certain holders of our capital stock with the right to demand that we file a registration statement, subject to certain limitations, and to request that their shares be covered by a registration statement that we are otherwise filing. These rights terminate for a holder upon the earlier of (a) such time as Rule 144 or another similar exemption under the Securities Act is available for the sale of all of such holder's shares without limitation during a three-month period without registration, and (b) the fifth anniversary of our initial public offering. For additional information regarding such registration rights, see "Description of capital stock Registration rights" in the final prospectus with respect to our initial public offering.

OTHER TRANSACTIONS

We have granted stock options and restricted stock to our executive officers. For a description of these stock options, see "Executive compensation."

POLICIES AND PROCEDURES FOR RELATED PARTY TRANSACTIONS

We have a written related party transaction approval policy that governs the review of related party transactions. Pursuant to this policy, the audit committee of our board of directors will have the primary responsibility for reviewing and approving or disapproving "related party transactions," which are transactions between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. For purposes of this policy, a related person will be defined as a director, executive officer, nominee for director or greater than 5% beneficial owner of our common stock, in each case since the beginning of the most recently completed year, and their immediate family members. Pursuant to this policy, our audit committee will review the material facts of all related party transactions. The audit committee will take into account, among other factors that it deems appropriate, whether the related party transaction is on terms no less favorable to us than terms generally available in a transaction with an unrelated third party under the same or similar circumstances and the extent of the related party's interest in the related party transaction.

All of the transactions described above were entered into prior to the adoption of this policy. Historically, related party transactions were typically approved by disinterested members of our board of directors.

Procedures for Submitting Stockholder Proposals

Requirements for Stockholder Proposals to be Brought Before the Annual Meeting. Highway 360, Suite 400, Grand Prairie, Texas, 75050, not later than the close of business 90 days, nor earlier than the close of business 120 days, prior to the first anniversary of the date of the preceding year's annual meeting. Any nomination must include all information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors in election contests or is otherwise required under Regulation 14A of the Exchange Act, the person's written consent to be named in the proxy statement and to serve as a director if elected and such information as we might reasonably require to determine the eligibility of the person to serve as a director. As to other business, the notice must include a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting, and any material interest of such stockholder (and the beneficial owner) in the proposal. The proposal must be a proper subject for stockholder action. In addition, to make a nomination or proposal, the stockholder must be of record at the time the notice is made and must provide certain information regarding itself (and the beneficial owner), including the name and address, as they appear on our books, of the stockholder proposing such business, the number of shares of our capital stock which are, directly or indirectly, owned beneficially or of record by the stockholder proposing such business or its affiliates or associates (as defined in Rule 12b-2 promulgated under the Exchange Act) and certain additional information.

The advance notice requirements for the Annual Meeting, which is the first annual meeting following the initial public offering of our common stock, are as follows: a stockholder's notice shall be timely if delivered to our Secretary at the address set forth above not later than the close of business on the later of the 90th day prior to the scheduled date of the Annual Meeting or the 10th day following the day on which public announcement of the date of the Annual Meeting is first made or sent by us.

Requirements for Stockholder Proposals to be Considered for Inclusion in the Company's Proxy Materials. In addition to the requirements stated above, any stockholder who wishes to submit a proposal for inclusion in our proxy materials must comply with Rule 14a-8 promulgated under the Exchange Act. For such proposals to be included in our proxy materials relating to our 2017 annual meeting of stockholders, all applicable requirements of Rule 14a-8 must be satisfied and we must receive such proposals no later than December 27, 2016. Such proposals must be delivered to our Secretary, c/o Neos Therapeutics, Inc., 2940 N. Highway 360, Suite 400, Grand Prairie, Texas, 75050.
