Dear Neos Stockholder:

On behalf of the Neos Therapeutics, Inc. Board of Directors and our senior management team, I am pleased to invite you to attend our 2019 Annual Meeting of Stockholders to be held on Thursday, June 13, 2019 at 8:00 a.m. CDT at our offices, which are located at 2940 N. Highway 360, Suite 400, Grand Prairie, Texas 75050.

The attached Notice of 2019 Annual Meeting of Stockholders and proxy statement contain important information about the meeting and the business to be conducted at the Annual Meeting.

Pursuant to the Securities and Exchange Commission rules that allow issuers to furnish proxy materials to stockholders over the Internet, we are posting the proxy materials on the Internet and delivering a notice of the Internet availability of the proxy materials (the "Notice"). On or about April 24, 2019, we will begin mailing to our stockholders the Notice, which contains instructions on how to access or request a copy of our proxy statement for the 2019 Annual Meeting of Stockholders and our Annual Report on Form 10-K for the year ended December 31, 2018.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, I hope that you will vote as soon as possible. You may vote over the Internet or in person at the Annual Meeting or, if you requested printed copies of proxy materials, you also may vote by mailing a proxy card. Please review the instructions on the Notice or on the proxy card regarding your voting options.

We look forward to seeing you at the Annual Meeting. As always, thank you for your continued support of Neos.

Sincerely,

Gerald McLaughlin

President and Chief Executive Officer

YOUR VOTE IS IMPORTANT

To ensure your representation at the meeting, whether or not you plan to attend the meeting, please vote your shares as promptly as possible over the Internet by following the instructions on your Notice or, if you requested printed copies of your proxy materials, by following the instructions on your proxy card. Your participation will help to ensure the presence of a quorum at the meeting and save Neos the extra expense associated with additional solicitation. If you hold your shares through a broker, your broker is not permitted to vote on your behalf in the election of directors, unless you provide specific instructions to the broker by completing and returning any voting instruction form that the broker provides (or following any instructions that allow you to vote your broker-held shares via the Internet). For your vote to be counted, you will need to communicate your voting decision before the date of the Annual Meeting. Voting your shares in advance will not prevent you from attending the Annual Meeting, revoking your earlier submitted proxy or voting your stock in person.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS

Why did I receive proxy materials? What is included in the proxy materials?

Our Board of Directors is soliciting your proxy to vote at the 2019 Annual Meeting of Stockholders (the "Annual Meeting") and at any adjournment or postponement of the Annual Meeting for the purposes set forth in this proxy statement and the accompanying Notice of Internet Availability of Proxy Materials (the "Notice"). You received proxy materials because you owned shares of Neos common stock at the close of business on April 23, 2019, the record date, and that entitles you to vote at the 2019 Annual Meeting of Stockholders.

The proxy materials include the Notice, the proxy statement, and our Annual Report on Form 10-K for the year ended December 31, 2018 and, if you received paper copies, a proxy card or voting instruction form. The proxy statement describes the matters on which the Board of Directors would like you to vote, and provides information about Neos that we must disclose under Securities and Exchange Commission ("SEC") regulations when we solicit your proxy.

Your proxy will authorize specified persons, each of whom also is referred to as a proxy, to vote on your behalf at the Annual Meeting. By use of a proxy, you can vote whether or not you attend the Annual Meeting in person. The written document by which you authorize a proxy to vote on your behalf is referred to as a proxy card.

We intend to mail the Notice to you, unless you have requested a printed copy of the proxy materials on or about April 24, 2019 to all stockholders of record entitled to vote at the Annual Meeting.

How can I get access to the proxy materials?

The Notice contains instructions on how to access our proxy materials online. At the website, you may:

vote your shares after you have viewed the proxy materials; and

select a future delivery preference of paper or electronic copies of the proxy materials.

Rules adopted by the SEC allow companies to send stockholders a notice of Internet availability of proxy materials only, rather than mail them full sets of proxy materials. We have elected to take advantage of this alternative "notice only" distribution option. The Notice contains instructions on how stockholders can access our Notice of Annual Meeting and proxy statement via the Internet. It also contains instructions on how stockholders could request to receive their materials electronically or in printed form on a one-time or ongoing basis.

If you hold your shares through a bank, broker or other custodian, you also may have the opportunity to receive the proxy materials electronically. Please check the information contained in the documents provided to you by your bank, broker or other custodian.

We encourage you to take advantage of the availability of the proxy materials electronically to help reduce the environmental impact of the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT VOTING

What am I voting on at the Annual Meeting?

1	Election of the three director nominees named in this proxy statement for terms expiring at the 2022 Annual Meeting of Stockholders	Vote FOR each of the nominees	15
2	Ratification of appointment of RSM US LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019	Vote FOR	24

Could other matters be decided at the Annual Meeting?

We are not aware of any other matters that will be presented and voted upon at the Annual Meeting. Our 2018 proxy statement described the requirements under our governance documents for properly submitting proposals or nominations from the floor at this year's Annual Meeting. The proxies will have discretionary authority, to the extent permitted by law, on how to vote on other matters that may come before the Annual Meeting.

How many votes can be cast by all stockholders?

Each share of Neos common stock is entitled to one vote on each of the three directors to be elected and one vote on each of the other matters properly presented at the Annual Meeting. We had 49,722,516 shares of common stock outstanding and entitled to vote on the record date, April 23, 2019.

How many votes must be present to hold the Annual Meeting?

A majority of the issued and outstanding shares entitled to vote, or 24,861,259 shares, present in person or by proxy, are needed for a quorum to hold the Annual Meeting. Abstentions and broker non-votes (discussed below) are included in determining whether a quorum is present. We urge you to vote by proxy even if you plan to attend the Annual Meeting. This will help us know that enough votes will be present to hold the Annual Meeting.

How many votes are needed to approve each proposal? How do abstentions or broker non-votes affect the voting results?

The following table summarizes the vote threshold required for approval of each proposal and the effect on the outcome of the vote of abstentions and uninstructed shares held by brokers (referred to as broker non-votes). When a beneficial owner does not provide voting instructions to the institution that holds the shares in street name, brokers may not vote those shares in matters deemed non-routine. Proposal 1 below is deemed to be a non-routine matter, and, as a result, your broker or nominee may not vote your shares on Proposal 1 in the absence of your instruction. Proposal 2 is considered to be a "routine" matter, and, as a result, your broker or nominee may vote your shares in its discretion either for or against Proposal 2 even in the absence of your instruction. If you are a beneficial owner and want to ensure that

Table of Contents

INFORMATION ABOUT THE 2019 ANNUAL MEETING(CONTINUED)

all of the shares you beneficially own are voted for or against Proposal 2, you must give your broker or nominee specific instructions to do so.

1	Election of directors	Plurality of votes cast	No effect	Not voted/No effect
2	Ratification of the appointment of independent auditor	Majority of shares present and properly cast for and against such matter	No effect	Shares may be voted by brokers in their discretion but any non-votes have no effect

Signed but unmarked proxy cards will be voted "for" each proposal.

How do I vote if I own shares as a record holder?

If your name is registered on Neos' stockholder records as the owner of shares, you are the "record holder." If you hold shares as a record holder on the record date, there are four ways that you can vote your shares.

Over the Internet. Vote by following the instructions provided in the Notice. The Internet voting system is available 24 hours a day until 11:59 p.m. Eastern Time on Wednesday, June 12, 2019. Once you enter the Internet voting system, you can record and confirm (or change) your voting instructions.

By telephone. Use the telephone number shown on your proxy card. The telephone voting system is available 24 hours a day in the United States until 11:59 p.m. Eastern Time on Wednesday, June 12, 2019. Once you enter the telephone voting system, a series of prompts will tell you how to record and confirm (or change) your voting instructions.

By mail. If you requested and received a proxy card, mark your voting instructions on the card and sign, date and return it in the postage-paid envelope provided. If you received only a Notice but want to vote by mail, the Notice includes instructions on how to request a paper proxy card. For your mailed proxy card to be counted, we must receive it before 8:00 a.m. Central Time on Thursday, June 13, 2019.

In person. Attend the Annual Meeting or send a personal representative with a valid legal proxy.

How do I vote if my Neos shares are held by a bank, broker or custodian?

If your shares are held by a bank, broker or other custodian (commonly referred to as shares held "in street name"), the holder of your shares will provide you with a copy of this proxy statement, a voting instruction form and directions on how to provide voting instructions. These directions may allow you to vote over the Internet or by telephone.

Proposal 1 is deemed to be a "non-routine" matter, and as a result, your broker or nominee may not vote your shares in the absence of your instruction. In such a circumstance, shares not voted by the broker would result in broker non-votes. Because the vote required to approve Proposal 1 is a plurality of votes properly cast for an against such matter, broker non-votes have no effect on the approval of Proposal 1.

Table of Contents

INFORMATION ABOUT THE 2019 ANNUAL MEETING(*CONTINUED*)

Proposal 2 is deemed to be a "routine" matter. Therefore, if you are a beneficial owner of shares registered in the name of your broker or other nominee and you fail to provide instructions to your broker or nominee as to how to vote your shares on this proposal, your broker or nominee will have the discretion to vote your shares on such proposal. Accordingly, if you fail to provide voting instructions to your broker or nominee, your broker or nominee can vote your shares on the proposal in a manner that is contrary to what you intend. For example, if you are against the approval of Proposal 2 but you do not provide any voting instructions to your broker, your broker can nonetheless vote your shares "For" Proposal 2. While we do not expect any broker non-votes on either Proposal 2, if you do not provide voting instructions and your broker or nominee fails to vote your shares, this will not have any effect on the approval of Proposal 2. **If you are a beneficial owner of shares registered in the name of your broker or other nominee, we strongly encourage you to provide voting instructions to the broker or nominee that holds your shares to ensure that your shares are voted in the manner in which you want them to be voted.**

If you hold shares in street name and want to vote in person at the Annual Meeting, you will need to ask your bank, broker or custodian to provide you with a valid legal proxy. You will need to bring the proxy with you to the Annual Meeting in order to vote. Please note that if you request a legal proxy from your bank, broker or custodian, any previously executed proxy will be revoked and your vote will not be counted unless you vote in person at the Annual Meeting or appoint another valid legal proxy to vote on your behalf.

Can I change my vote?

Yes. If you are a record holder, you may:

Enter new instructions by telephone or Internet voting before 11:59 p.m. Eastern Time on Wednesday, June 12, 2019;

Send a new proxy card with a later date than the card submitted earlier. We must receive your new proxy card before 8:00 a.m. Central Time on Thursday, June 13, 2019;

Write to the Corporate Secretary at the address listed on page 41. Your letter should contain the name in which your shares are registered, the date of the proxy you wish to revoke or change, your new voting instructions, if applicable, and your signature. Your letter must be received by the Corporate Secretary before 8:00 a.m. Central Time on Thursday, June 13, 2019; or

Vote in person (or send a personal representative with a valid proxy) at the Annual Meeting. Note that simply attending the Annual Meeting without voting in person will not, by itself, revoke your proxy.

If you hold your shares in street name, you may:

Submit new voting instructions in the manner provided by your bank, broker or other custodian; or

Contact your bank, broker or other custodian to request a proxy to vote in person at the Annual Meeting.

INFORMATION ABOUT THE 2019 ANNUAL MEETING(CONTINUED)

Who will count the votes? Is my vote confidential?

A representative of our transfer agent, AST, has been appointed Inspector of Election for the Annual Meeting. The Inspector of Election will determine the number of shares outstanding, the shares represented at the Annual Meeting, the existence of a quorum, and the validity of proxies and ballots, and will count all votes and ballots.

All votes are confidential. Your voting records will not be disclosed to us, except as required by law, in contested Board elections or certain other limited circumstances.

Who pays for the proxy solicitation and how will Neos solicit votes?

We pay the cost of preparing our proxy materials and soliciting your vote. Proxies may be solicited on our behalf by our directors, officers, employees and agents by telephone, electronic or facsimile transmission or in person. We may choose to enlist the help of banks and brokerage houses in soliciting proxies from their customers and, in all cases, will reimburse them for their related out-of-pocket expenses.

Where can I find the voting results of the Annual Meeting?

We will publish the voting results of the Annual Meeting on a Current Report on Form 8-K filed with the SEC. The Form 8-K will be available online at www.sec.gov within four business days following the end of our Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Special Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

IMPORTANT INFORMATION IF YOU PLAN TO ATTEND THE ANNUAL MEETING IN PERSON

*You must be able to show that you owned Neos common stock on the record date, April 23, 2019, in order to gain admission to the Annual Meeting. Please bring to the Annual Meeting the notice of Internet availability of proxy materials, a printed proxy card, or a brokerage statement or letter from your broker verifying ownership of Neos shares as of April 23, 2019. You also must bring a valid government-issued photo ID. Registration will begin at 7:30 a.m. **Please note that you are not permitted to bring any cameras, recording equipment, electronic devices, large bags, briefcases or packages into the Annual Meeting.***

CORPORATE GOVERNANCE(CONTINUED)

ROLE OF THE BOARD AND LEADERSHIP STRUCTURE

The Board's primary role is the oversight of the management of Neos' business affairs and assets in accordance with the Board's fiduciary duties to stockholders under Delaware law. To fulfill its responsibilities to our stockholders, Neos' Board, both directly and through its committees, regularly engages with management, promotes management accountability and reviews the most critical issues that face Neos. Among other things, the Board reviews the Company's strategy and mission, its execution on financial and strategic plans, and succession planning. The Board also oversees risk management and determines the compensation of the President and Chief Executive Officer (CEO), in consultation with the Compensation Committee. All directors play an active role in overseeing the Company's business strategy at the Board and committee levels. The Board is committed to meeting the dynamic needs of the Company and focusing on the interests of its stockholders and, as a result, regularly evaluates and adapts its composition, role, and relationship with management.

Independent Board Members

Neos believes in the importance of a board comprised largely of independent, non-employee directors. Currently, the Board has determined that all Neos directors, other than the Company's CEO, Gerald McLaughlin, are independent under Nasdaq listing standards and SEC rules. Similarly, at the committee level, all committee members are independent under Nasdaq listing standards and SEC rules applicable to each committee.

Independent Chairman of the Board

We have separated the roles of the Chairman of the Board and CEO, and have appointed Alan Heller, to serve as our independent Chairman. We believe that having a Chairman separate from the CEO helps to ensure greater independent oversight of the Company and the management team and contributes to strong governance practices. The Board regularly assesses the appropriateness of this leadership structure and has concluded that this structure is appropriate for Neos at this time. The full Board evaluates the Chairman's performance on an annual basis.

The following table describes the key responsibilities that the Board has entrusted to the Chairman of the Board:

CHAIRMAN RESPONSIBILITIES

<ul style="list-style-type: none"> • <p>Serves as principal representative of the Board</p>	<ul style="list-style-type: none"> • <p>Acts as a liaison between the Board and management</p>

Risk Oversight

One of the Board's key functions is informed oversight of our risk management process and the specific risks that could affect us. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible.

OTHER BOARD PRACTICES

Neos employs a number of other practices directed to ensure the highest level of corporate governance oversight on behalf of its stockholders. The following table describes some of these practices in more detail.

Limits on Public Company Directorships	The Board does not believe that its directors should be prohibited from serving on boards of other organizations. However, the Nominating and Corporate Governance Committee takes into account the nature of and time involved in a director's service on other boards in evaluating the suitability of individual directors and making its recommendations to the Board. The Company expects that each of its directors will be able to dedicate the time and resources sufficient to ensure the diligent performance of his or her duties on the Company's behalf, including attending Board and applicable committee meetings.
Change in Director's Principal Position	If a director changes his or her principal employment position, that director is required to notify the Nominating and Corporate Governance Committee. The Committee will then review the continued appropriateness of Board membership under the new circumstances.
Continuing Education for Directors	The Board is regularly updated on Neos' businesses, strategies, operations and employee matters, as well as external trends and issues that affect the Company. The Nominating and Corporate Governance Committee oversees the continuing education process and it encourages directors to attend continuing education courses relevant to their service on Neos' Board. Neos will reimburse directors for expenses they incur in connection with continuing education courses.
Attendance at Annual Meeting of Stockholders	The Board encourages all directors and nominees for director to attend the Annual Meeting. In 2018, all of the directors attended the annual meeting of stockholders. Neos anticipates that all directors will attend the 2019 Annual Meeting.

Table of Contents

CORPORATE GOVERNANCE(*CONTINUED*)

Board Executive Sessions	As part of all regularly scheduled Board meetings, the Chairman presides over all executive sessions of the Board, including those sessions held solely with independent directors. At each regularly scheduled meeting held in 2018, the independent members of the Board met in executive session. Each Board committee also met in executive session on a regular basis in connection with their respective meetings.
Director Access to Management	Independent directors have unfettered access to members of senior management and other key employees.
Independent Advisors	The Board and its committees are able to access and retain independent advisors as and to the extent they deem necessary or appropriate.
Management Succession Planning	At the direction of the Board, the Nominating and Corporate Governance Committee oversees management succession planning. As appropriate, the Nominating and Corporate Governance Committee will develop and approve succession plans for the Company's CEO and review succession plans for the Company's CEO and senior management with the Board.
Annual Board Evaluation	Each year, the Nominating and Corporate Governance Committee oversees the evaluation of the Board, its committees and the directors. Each Board committee also is responsible for conducting a self-assessment to identify potential areas of improvement. On an ongoing basis, directors offer suggestions and recommendations intended to further improve Board performance.
Alignment of Director Compensation	The Compensation Committee periodically reviews and recommends to the Board the type and level of non-employee director compensation. Neos endeavors to deliver a significant portion of its non-employee director compensation in the form of options to purchase Neos common stock. For more information on non-employee director compensation, see page 21.
No Stockholder Rights Plan ("Poison Pill")	Neos does not have a stockholder rights plan.
Anti-hedging and Anti-pledging Policies	Our insider trading policy prohibits directors, executive officers, and employees from buying and selling derivatives on our securities, engaging in hedging transactions, or holding securities in a margin account. In addition, our securities may not be pledged as collateral for a loan without the prior approval of the Audit Committee. To date, no such requests have been made or approved.

BOARD MEETINGS AND COMMITTEES

In 2018, there were seven meetings of the Board, four meetings each of the Audit and Nominating and Corporate Governance committees of the Board, three meetings of the Compensation Committee, and one meeting of a special purpose committee of the Board. Overall director attendance at Board and committee meetings in 2018 was approximately 97%. Each director attended 87% or more of the aggregate of all meetings of the Board and committees on which he or she served during 2018. In addition to formal Board meetings, the Board engages with management throughout the year on critical matters and topics.

The Board has the three standing committees: Audit, Compensation, and Nominating and Corporate Governance. In its discretion and subject to Delaware law, the Board and each committee may delegate all or a portion of its authority to subcommittees of one or more of its members. Additional information can be found in the committee charters adopted by the Board and available on Neos' website at <http://investors.neostx.com>. DIRECTOR INDEPENDENCE

The current Board includes seven non-employee directors. To be independent under Nasdaq listing standards, the Board must affirmatively determine that a director has no material relationships with the Company directly, or as an officer, stockholder or partner of an organization that has a relationship with the Company (a "Material Relationship"). In making its assessment, the Board considers all relevant facts and circumstances, including whether transactions with such organizations are in the ordinary course of Neos' business and/or the amount of such transactions (in aggregate or as a percentage of the organization's revenues or assets). The Board also considers that the Company may sell products and services to, and/or purchase products and services from, organizations affiliated with our directors and may hold investments (generally, debt securities) in organizations affiliated with our directors. On an annual basis, the Board, through its Nominating and Corporate Governance Committee, reviews relevant relationships between directors, their immediate family members and the Company, consistent with Neos' independence standards. Neos' standards conform to the independence requirements set forth in the Nasdaq's listing standards.

The Board consults with our counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent Nasdaq listing standards.

Edgar Filing: Neos Therapeutics, Inc. - Form DEF 14A

Based on its review of director relationships, the Board has affirmatively determined that there are no Material Relationships between the non-employee directors and the Company and each of the non-employee directors is independent as defined in both the Nasdaq listing standards (including those applicable to certain board committees) and Neos' director independence standards.

CODE OF ETHICS

Neos is committed to integrity, legal compliance and ethical conduct. All directors and employees, including our executive officers, must comply with the Company's Code of Business Conduct and Ethics. The Code of Business Conduct and Ethics and Neos' related policies and procedures address major areas of professional conduct, including, among others, conflicts of interest, protection of private, sensitive or confidential information, employment practices, insider trading and adherence to laws and regulations affecting the conduct of Neos' business. The Code of Business Conduct and Ethics is available on our website at <http://investors.neostx.com>. We intend to disclose any amendments to the Code of Business Conduct and Ethics, or any waivers of its requirements, on our website.

The Code of Business Conduct and Ethics requires all directors and employees to avoid any conflict or potential conflict between their personal interests (including those of their significant others and immediate family) and the best interests of the Company. Any conflict or potential conflict must be brought to the attention of the Compliance Officer for review and disposition. In addition, directors and officers cannot participate in a personal transaction with Neos without first notifying and obtaining the approval of Audit Committee in accordance with the Company related person transaction policy described below.

CERTAIN TRANSACTIONS

Transactions with Related Persons

Neos has adopted a written policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions. For purposes of our policy only, a related person transaction is a transaction between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. Transactions involving compensation for services provided to us as an employee or director are not covered by this policy. A related person is any executive officer, director, nominee for director, or beneficial owner of more than 5% of any class of our common stock, including any of their immediate family members, in each case since the beginning of our most recently completed fiscal year. Pursuant to this policy, the Audit Committee will review the material facts of all related party transactions. The Audit Committee will take into account whether the related party transaction is on terms no less favorable to us than terms generally available in a transaction with an unrelated third party under the same or similar circumstances and the extent of the related party's interest in the related party transaction.

Based on this review and except as disclosed below, there are no related person transactions requiring disclosure under SEC rules.

Agreements with Our Stockholders

PROPOSAL 1. ELECTION OF DIRECTORS

The Board of Directors is elected by Neos' stockholders and is divided into three classes, each with a three-year term. There are currently eight members of the Board. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

At the Annual Meeting, the Board is nominating for election by stockholders three Class I directors, each of whom currently is a director of the Company. If elected at the Annual Meeting, each of these nominees would serve until the 2022 Annual Meeting of Stockholders and until her or his successor has been duly elected and qualified, or, if sooner, until the director's death, resignation, or removal.

The role of the Board, its leadership structure and governance practices are described above in the Corporate Governance section. This section describes the process for director elections and director nominations, identifies the director responsibilities and qualifications considered by the Board and the Nominating and Corporate Governance Committee in selecting and nominating directors, and presents the biographies, skills and qualifications of the director nominees and those directors continuing in office.

PROCESS FOR SELECTING AND NOMINATING DIRECTORS

The Board has delegated the director selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board, and of management, will be requested to take part in the process, as appropriate. The Nominating and Corporate Governance Committee may retain a third-party search firm to assist in identifying and evaluating candidates for Board membership. The Nominating and Corporate Governance Committee also considers suggestions for Board nominees submitted by stockholders, which are evaluated using the same criteria as new director candidates and current director nominees. Instructions for how to submit stockholder nominations to the Board can be found on page 41.

Generally, the Nominating and Corporate Governance Committee identifies candidates for director nominees in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the nominating and corporate governance committee deems to be helpful to identify candidates. Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the nominating and corporate governance committee. The Nominating and Corporate Governance Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the Nominating and Corporate Governance Committee deems to be appropriate in the evaluation process. The Nominating and Corporate Governance Committee then meets to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board's approval as director nominees for appointment or election to the Board.

In evaluating proposed director candidates, the Nominating and Corporate Governance Committee may consider all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her depth and breadth of professional experience or other background characteristics, his or her independence, the current size and composition of our Board and the needs of our Board and its respective committees. Some of the qualifications that the Nominating and Corporate Governance Committee considers include, without

limitation, integrity, judgment, diversity of experience, expertise, business acumen, understanding of our business and industry, potential conflicts of interest and other commitments. Nominees must also have proven achievement and competence in their field and the ability to provide guidance to our management team and make significant contributions to our success, and an understanding of the fiduciary responsibilities that are required of a director. Director candidates must have sufficient time available in the judgment of our nominating and corporate governance committee to perform all board of director and committee responsibilities. Members of our Board are expected to prepare for, attend, and participate in all Board and, as applicable, Board committee meetings.

While we do not have a specific policy with regard to the consideration of diversity in identifying director nominees, in identifying and evaluating proposed director candidates, we value diversity of perspective and the nominating and corporate governance committee considers, in addition to the minimum qualifications and other criteria for Board membership approved by the Board from time to time, whether, if elected, the nominee assists in achieving a mix of board members that represents a diversity of race, ethnicity, gender, age, background, and professional experience.

BOARD OF DIRECTORS' NOMINEES

Upon the recommendation of the Nominating and Corporate Governance Committee, the Board is nominating the three Class I directors listed below for election for terms expiring at the 2022 Annual Meeting of Stockholders. All nominees have consented to serve, and the Board does not know of any reason why any nominee would be unwilling or unable to serve. If a nominee becomes unavailable or unable to serve before the Annual Meeting, the Board may reduce its size or designate another nominee. If the Board designates a nominee, your proxy will be voted for the substitute nominee.

Below are biographies, skills and qualifications for each of the nominees and for each of the directors continuing in office. Each of the director nominees currently serves on the Board. The Board believes that the combination of the various experiences, skills and qualifications represented contributes to an effective and well-functioning Board and that the nominees and directors continuing in office possess the qualifications, based on the criteria described above, to provide meaningful oversight of Neos' business and strategy. In addition to the information presented below regarding each such person's specific experience, qualifications, attributes and skills, we also believe that each of our directors has a reputation for integrity, honesty and adherence to high ethical standards. Each of our directors has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to Neos and our Board. Finally, we value our directors' experience in relevant areas of business management and on other boards of directors and board committees.

NON-EMPLOYEE DIRECTOR COMPENSATION OVERVIEW

The Compensation Committee reviews and makes recommendations to the Board about the compensation paid to non-employee directors for service on the Neos Board of Directors. A director who also is an employee of the Company does not receive payment for services as a director. The CEO is the only employee who currently serves as a director.

The Board believes that the current director compensation program:

aligns with stockholder interests because it includes a significant equity-based compensation component, the value of which is tied to Neos' stock price; and

is competitive based on the work required of directors serving on the board of an entity of the Company's size, complexity and scope.

The program is designed to enable us to attract and retain, on a long-term basis, highly qualified non-employee directors.

The Compensation Committee's charter provides that it will periodically review director compensation and recommend any changes to the Board for its approval. The Compensation Committee may from time to time engage an independent compensation consultant to assist in its review of director compensation.

DIRECTOR COMPENSATION PROGRAM

The Board has approved the non-employee director compensation program set forth below.

Annual Cash Compensation

The following chart summarizes the cash retainer compensation provided to non-employee directors for their ongoing service on the Neos Board during 2018. Cash payments are made in equal, monthly installments.

Nominating and Corporate Governance	\$3,750

nonstatutory stock options, with an exercise price per share equal to the closing price of the underlying common stock on the Nasdaq Global Market on the date of grant, and a term of ten years from the date of grant (subject to earlier termination in connection with a termination of service as provided in the 2015 Equity Plan).

Initial Grant. On the date of the non-employee director's initial election or appointment to the Board, such non-employee director will be granted a stock option for 12,500 shares. The shares subject to each stock option will vest in a series of eight equal quarterly installments commencing on the date that is three months after the date of grant, such that the option is fully vested on the second anniversary of the date of grant, subject to the non-employee director's continuous service through each such vesting date.

Annual Grant. On the date of each annual stockholder meeting, each non-employee director who continues to serve as a non-employee member of the Board immediately thereafter will be granted a non-qualified stock option to purchase such number of shares of common stock equal to \$75,000 in fair value on the grant date using a Black-Scholes option pricing model, vesting quarterly over one year from the grant date, subject to the non-employee director's continuous service through such vesting date.

PROPOSAL 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm retained to audit the Company's financial statements. The Audit Committee approved the appointment of RSM US LLP as Neos' independent registered public accounting firm for the fiscal year ending December 31, 2019.

The Audit Committee and the Board believe that the continued retention of RSM US LLP to serve as the Company's independent registered public accounting firm is in the best interests of the Company and its stockholders. As a matter of good corporate governance, the Board is seeking stockholder ratification of the appointment even though ratification is not legally required. If stockholders do not ratify this appointment, the Audit Committee will reconsider RSM US LLP's appointment. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time of the year if it determines that such a change would be in the best interests of the Company and its stockholders.

A representative from RSM US LLP is expected to attend the Annual Meeting, may make a statement, and will be available to respond to appropriate questions.

The Board of Directors unanimously recommends that stockholders vote FOR the ratification of the appointment of RSM US LLP as Neos' independent registered public accounting firm for the fiscal year ending December 31, 2019 as set forth in this Proposal 2.

Policy for the Pre-Approval of Audit and Permissible Non-Audit Services

We have adopted a policy under which the Audit Committee pre-approves all audit and permissible non-audit services to be provided by the Company's independent registered public accounting firm, RSM US LLP. These services may include audit services, audit-related services, tax services, and other services. Pre-approval may also be given as part of the Audit Committee's annual approval of the scope of the engagement of the independent registered public accounting firm or on an individual explicit case-by-case basis before the independent registered public accounting firm is engaged to provide each service. In addition, in the event time constraints require pre-approval prior to the Audit Committee's next scheduled meeting, the Audit Committee has authorized its Chairperson to pre-approve services. Engagements so pre-approved are to be reported to the Audit Committee at its next scheduled meeting.

In connection with this pre-approval policy, the Audit Committee also considers whether the categories of pre-approved services are consistent with the rules on accountant independence of the SEC and the Public Company Accounting Oversight Board. The Audit Committee has determined that the rendering of the services below by RSM US LLP is compatible with maintaining the principal accountant's independence.

REPORT OF THE AUDIT COMMITTEE

Neos maintains an independent Audit Committee that operates under a written charter adopted by the Board of Directors. The Audit Committee's charter is available on our website at <http://investors.neostx.com>. All of the members of the Audit Committee are independent (as defined in SEC regulations and the listing standards of Nasdaq).

Neos' management has primary responsibility for preparing Neos' financial statements and establishing and maintaining financial reporting systems and internal controls. Management also is responsible for reporting on the effectiveness of Neos' internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of Neos' financial statements and issuing a report on these financial statements. As provided in the Audit Committee's charter, the Audit Committee's responsibilities include oversight of these processes.

In this context, before Neos filed its Annual Report on Form 10-K for the year ended December 31, 2018 (Form 10-K) with the SEC, the Audit Committee:

Reviewed and discussed with Neos' management, as well as representatives of the independent public accounting firm, RSM US LLP, the consolidated audited financial statements included in the Form 10-K and considered management's view that the financial statements present fairly, in all material respects, the financial condition and results of operations of Neos.

Reviewed and discussed with Neos' management its assessment of the effectiveness of Neos' internal control over financial reporting, including management's report on the subject, and met with RSM US LLP, with and without management present, to discuss their understanding of the Company's internal controls, including control over financial reporting, and the overall quality of the Company's financial reporting

Discussed with RSM US LLP, (1) matters related to the conduct of its audit that are required to be communicated by auditors to audit committees, including matters required to be discussed by the Statement on Auditing Standards No. 1301, as adopted by the Public Company Accounting Oversight Board, and (2) matters related to the fair presentation of Neos' financial condition and results of operations, including critical accounting estimates and judgments.

Received the required communications from RSM US LLP that disclose all relationships that may reasonably be thought to bear on its independence and to confirm its independence. Based on these communications, the Audit Committee discussed with RSM US LLP its independence from Neos.

Discussed with each of the Chief Executive Officer and Chief Financial Officer their required certifications contained in Neos' Form 10-K.

Based on the foregoing, the Audit Committee recommended to the Board of Directors that such audited financial statements be included in Neos' Annual Report on Form 10-K for the year ended December 31, 2018 for filing with the SEC.

AUDIT COMMITTEE:

John Schmid, Chair
Bryant Fong
Greg Robitaille

The material in this Report of the Audit Committee is not "soliciting material," is not deemed "filed" with the SEC and is not to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

EXECUTIVE COMPENSATION OVERVIEW

Compensation Objectives

Neos' pay-for-performance compensation philosophy has the following key objectives:

Align the interests of the Company's executives with those of its stockholders and reward the creation of long-term value for Neos stockholders.

Emphasize performance-based short-term and long-term compensation over fixed compensation.

Motivate superior enterprise results with appropriate consideration of risk and while maintaining commitment to the Company's ethics and values.

Reward the achievement of favorable long-term results more heavily than the achievement of short-term results.

Provide market competitive compensation opportunities designed to attract, retain and motivate highly qualified executives.

While the Company's Board of Directors has the ultimate responsibility for risk oversight, the Compensation Committee oversees compensation-related risks, including with respect to the Company's corporate objectives and overall compensation design and awards. Specifically, the Compensation Committee seeks to ensure that Neos' compensation programs and policies do not encourage unnecessary or excessive risk-taking behavior by executives and do not create unreasonable risks.

To that end, our compensation programs are designed to encourage our executive officers and other employees to remain focused on the attainment of both the short-term and long-term strategic goals of the Company, as approved by the Board. Although a component of total compensation is performance-based, the Compensation Committee does not believe that the current program encourages unnecessary or excessive risk-taking or create risks that are likely to have a material adverse effect on the Company.

Executive Compensation Program Elements

Neos' 2018 executive compensation program consists of the following primary elements:

Base Salary	Represents the fixed portion of each executive's total direct compensation package.
Annual Cash Incentive	At-risk compensation based on performance. Annual incentive awards under the Cash Bonus Plan are based on the achievement of corporate results relative to pre-established performance goals, as adjusted for individual performance, accomplishments and contributions.
Long-Term Incentives	At-risk compensation based on corporate performance. Equity incentive awards, including performance-based equity awards, ensure that executive officers are motivated over the long-term as owners and not just as employees, thereby aligning the executive officers' interests with those of stockholders. In accordance with Neos' compensation strategy, the predominant portion of an executive's compensation opportunity is tied to the long-term success of the Company.
Retirement Compensation	Neos provides retirement benefits that are aligned to competitive market practices, including a 401(k) plan for all eligible employees that provides for employee contributions as well as Company matching contributions of up to 4.0% of eligible pay.
No Perquisites; Other Benefits	Our current executive officers do not receive any perquisites and are eligible for all benefits offered to Neos employees generally, including medical benefits, other health and welfare benefits, and other voluntary benefits.

in Note 13 to Neos' consolidated financial statements contained in its Annual Report on Form 10-K for the year ended December 31, 2018 (disregarding any estimated forfeitures related to service-based vesting). The value of Neos stock option awards are determined using a Black-Scholes pricing methodology that assumes that all stock options are held to full-term (ten years). Richard Eisenstadt	\$349,981

Annual Cash Incentive**Key Features of the Cash Bonus Plan**

Our Cash Bonus Plan is designed to provide participants in the plan with an incentive in the form of a cash Award to achieve specified corporate and individual performance objectives during a period of time selected by the Compensation Committee to which the Award relates. Our NEOs are also eligible to earn an annual incentive bonus in a target amount set as a percentage of the executive's base salary, as described further below under the section entitled " Employment Arrangements with our Named Executive Officers". From time to time, our Board or Compensation Committee may approve annual bonuses for our named executive officers based on individual performance, Company performance or as otherwise determined in the discretion of our Board or Compensation Committee.

Each year, the Board, upon the recommendation of the Compensation Committee, establishes major financial, operational, and other corporate objectives for the coming fiscal year (and the relative weighting of such objectives) (the "Corporate Objectives"). The Corporate Objectives may be selected from among the following: achievement of certain milestones (including, but not limited to, clinical, regulatory and commercial milestones); cash flow (including, but not limited to, operating cash flow and free cash flow); revenue; earnings before interest, taxes, depreciation and amortization; net income (loss) (either before or after interest, taxes, depreciation and/or amortization); changes in the market price of our common stock; economic value-added; acquisitions or strategic transactions; operating income (loss); return on capital, assets, equity, or investment; stockholder returns; return on sales; gross or net profit levels; productivity; expense efficiency; margins; operating efficiency; customer satisfaction; working capital; earnings (loss) per share of our common stock; bookings, new bookings or renewals; sales or market shares; number of customers, number of new customers or customer references; operating income and/or net annual recurring revenue; employee satisfaction, employee turnover or other employee based metrics, any of which may be measured in absolute terms, as compared to any incremental increase, in terms of growth, measured against the market as a whole and/or as compared to any applicable market indices, measured on a pre-tax or post-tax basis (as applicable), or as compared to another company or companies or to results of a peer group.

The Board believes the Corporate Objectives contribute to the long-term success of the Company by aligning with and driving the execution of the Company's business strategy. At the end of the fiscal year, the Board, upon the recommendation of the Compensation Committee, reviews and approves the level of the Company's achievement against the Corporate Objectives. In addition to its assessment of

Table of Contents**EXECUTIVE COMPENSATION(***CONTINUED***)**

achievement against each Corporate Objective, the Board may consider Neos' performance as a whole during the fiscal year, including matters not included in the Corporate Objectives. The Committee and the Board each retain the discretion to make individual Awards that are above or below the level of corporate achievement. The Committee believes this flexibility is an important tool to aid in the retention of key talent, reward significant achievement by individual employees, motivate employees and recognize management decision-making focused on generating long-term value for stockholders over short-term achievement of the Corporate Objectives.

Long-Term Incentives**Key Features**

Long-term incentives ("LTI") are administered under the 2015 Equity Plan.

LTI awards are delivered through stock options and restricted stock units ("RSUs").

The actual realized value of stock options depends upon stock price appreciation (if any) until the option is exercised. The term of the option is 10 years.

The value of RSUs depends upon the value of our common stock and RSUs allow us to deliver equivalent value with less dilution.

Stock options and RSUs generally vest (or first become exercisable) in equal annual installments over four years. The annual equity grant is typically made in the first quarter.

The table below provides information regarding stock option awards made in 2018 to the NEOs.

EXECUTIVE OFFICER AGREEMENTS**Agreements with our Named Executive Officers**

Edgar Filing: Neos Therapeutics, Inc. - Form DEF 14A

Below are summaries of our employment agreements with our named executive officers who are employed by the Company as of December 31, 2018. All change of control benefits provided for in the employment agreements are "double-trigger," which means that they are payable only upon a change of control followed by termination of employment. Additionally, in connection with any actual termination of employment or change of control transaction, we may decide to enter into an agreement or to establish an arrangement providing additional benefits or amounts, or altering the terms of the benefits described below, as the Compensation Committee determines appropriate.

Agreement with Mr. McLaughlin

Effective as of June 27, 2018, we entered into an employment agreement with Mr. McLaughlin for the position of President and Chief Executive Officer. Mr. McLaughlin's current base salary is \$500,000, which is subject to annual review, and he is eligible to earn an annual incentive bonus in the discretion of our board of directors with a target amount equal to 50% of his base salary and, for 2018 only, a target bonus of \$140,000. Mr. McLaughlin is also eligible to participate in the employee benefit plans available to our employees, subject to the terms of those plans. Mr. McLaughlin is additionally entitled to severance benefits pursuant to his employment agreement, the terms of which are described under " Potential Payments Upon Termination of Employment or in Connection with Change in Control."

Agreement with Mr. Eisenstadt

On July 10, 2015, we entered into an amended and restated employment agreement with Mr. Eisenstadt for the position of Chief Financial Officer. Mr. Eisenstadt's current base salary is \$349,981, which is subject to annual review, and he is eligible to earn an annual incentive bonus in the discretion of our board of directors with a target amount equal to 35% of his base salary. Mr. Eisenstadt is also eligible to participate in the employee benefit plans available to our employees, subject to the terms of those plans. In addition, Mr. Eisenstadt's amended and restated employment agreement contains non-competition and

non-solicitation provisions that apply during the term of Mr. Eisenstadt's employment and for one year thereafter. Mr. Eisenstadt is additionally entitled to severance benefits pursuant to his employment agreement, the terms of which are described under " Potential Payments Upon Termination of Employment or in Connection with Change in Control."

Agreement with Dr. Garg

Effective June 27, 2018, in connection with Dr. Garg's resignation as CEO, we entered into a separation agreement and release (the "Garg Separation Agreement") with Dr. Garg, which provided for, among other things: (i) salary continuation of \$482,517 payable over 12 months plus 50% of Dr. Garg's 2018 annual target compensation in the amount of \$120,629.25, (ii) continuation of health benefit until the earlier of the end of the 12 months following the date of termination, and the end of Dr. Garg's eligibility under COBRA for continuation coverage for healthcare, (iii) unvested portion of equity awards held by Dr. Garg (other than those issued to Dr. Garg in September 2015) that would have vested had Dr. Garg remained employed by the Company through May 31, 2019 shall accelerate as of the effective date of the Garg Separation Agreement, and (iv) the extension of time on Dr. Garg's ability to exercise any vested options (including those accelerated as contemplated by the Garg Separation Agreement) to the earlier of the original expiration date of the option and May 31, 2019.

Agreement with Mr. McDonnell

On November 29, 2018, in connection with Mr. McDonnell resignation as Chief Operating Officer, we entered into a separation agreement and release (the "McDonnell Separation Agreement") with Mr. McDonnell, which provides for, among other things: (i) salary continuation at Mr. McDonald's final base salary rate of \$313,650 per year for nine months and (ii) continuation of health benefit until the earlier of the end of the nine months following the date of termination, and the end of Mr. McDonnell's eligibility under COBRA for continuation coverage for healthcare.

Potential Payments Upon Termination of Employment or in Connection With Change in Control

In its employment agreements, Neos does not provide executive officers with any single-trigger payments (triggered solely by a change in control), golden parachute excise tax gross-ups or excise tax reimbursements upon a change of control.

We believe that reasonable severance benefits for our NEOs are important because it may be difficult for them to find comparable employment within a short period of time. We also believe that it is important to protect our NEOs in the event of a change in control transaction involving our Company, as a result of which such officers might have their employment terminated. In addition, we believe that the interests of management should be aligned with those of our stockholders as much as possible, and we believe that providing protection upon a change in control is an appropriate counter to any disincentive such officers might otherwise perceive in regard to transactions that may be in the best interest of our stockholders.

As a result of these considerations, we have entered into employment agreements with Messrs. McLaughlin and Eisenstadt that provide for specified benefits to be paid if the executives are terminated under specified conditions or in connection with a change in control of our Company subject to the execution and effectiveness of a separation agreement, including a general release of claims in our favor. Summaries of these benefits are set forth below.

If Mr. McLaughlin's employment is terminated without "cause" or he resigns his employment for "good reason," he will be entitled to receive severance as follows: (i) continuation of base salary

Table of Contents**EXECUTIVE COMPENSATION(***CONTINUED***)**

for 12 months and (ii) if Mr. McLaughlin was participating in our group health plan immediately prior to his termination, a payment equal to the monthly employer COBRA premium for the same level of group health coverage as in effect on the date of termination until the earliest of (A) 12 months following termination, (B) the date of his eligibility for group health coverage through other employment and (c) the end of Mr. McLaughlin's COBRA health continuation period. In the event that such termination without cause or resignation for good reason occurs within the 12-month period following the first event constituting a "change in control", in lieu of the severance payments and benefits set forth above, Mr. McLaughlin will be entitled to receive (i) a lump sum cash payment equal to 18 months of his then-annual base salary plus 1.5 times his target annual performance bonus , (ii) if Mr. McLaughlin was participating in our group health plan immediately prior to his termination, a payment equal to the monthly employer COBRA premium for the same level of group health coverage as in effect on the date of termination until the earliest of (A) 18 months following termination, (B) the date of his eligibility for group health coverage through other employment and (c) the end of Mr. McLaughlin's COBRA health continuation period and (iii) accelerated vesting of 100% of any unvested time-based equity awards held by Mr. McLaughlin. "Cause," "good reason" and "change in control" are each defined in Mr. McLaughlin's employment agreement.

If Mr. Eisenstadt's employment is terminated by us without "cause" or Mr. Eisenstadt resigns for "good reason," he will be entitled to receive (i) an amount equal to his base salary plus any incentive compensation earned but unpaid as of the date of termination, payable in substantially equal installments over 12 months following his termination, and (ii) if Mr. Eisenstadt was participating in our group health plan immediately prior to his termination, a monthly cash payment until the earlier of 12 months following termination or the end of Mr. Eisenstadt's COBRA health continuation period in an amount equal to the amount that we would have made to provide health insurance to him had he remained employed with us. In the event that such termination without cause or resignation for good reason occurs within the 12-month period following the first event constituting a change in control, in lieu of the severance payments and benefits set forth above, Mr. Eisenstadt will be entitled to receive (i) a lump sum cash payment equal to one times the sum of (A) his then-current base salary (or his base salary in effect immediately prior to the change in control, if higher) plus (B) his target annual incentive compensation for the then-current year, (ii) if Mr. Eisenstadt was participating in our group health plan immediately prior to his termination, a monthly cash payment until the earlier of 12 months following termination or the end of Mr. Eisenstadt's COBRA health continuation period in an amount equal to the amount that we would have made to provide health insurance to him had he remained employed with us; and (iii) full acceleration of all stock options and other stock-based awards held by Mr. Eisenstadt that were granted after the date of the amended and restated employment agreement. All stock options and other stock-based awards held by Mr. Eisenstadt as of the date of the amended and restated employment agreement will be treated as indicated in the applicable award agreement. "Cause," "good reason" and "change in control" are each defined in Mr. Eisenstadt's employment agreement.

Under the employment agreements, a mere change in control itself (i.e., a "single trigger") does not trigger benefits. The intent of the severance payments and benefits in the employment agreements is to encourage executives to continue to act in stockholders' best interests in evaluating potential transactions and ensure management talent will be available to assist with the transaction and business integration.

2020 ANNUAL MEETING AND RELATED MATTERS

When do you expect to hold the 2020 Annual Meeting of stockholders?

We currently expect to hold the 2020 Annual Meeting in June 2020, at a time and location to be announced later.

How does a stockholder submit a proposal or nomination of a director candidate for the 2020 Annual Meeting?

The following summarizes the requirements for stockholder proposals to be considered for inclusion in next year's proxy materials.

If you intend to submit a proposal to be included in next year's proxy materials pursuant to SEC Rule 14a-8, the Corporate Secretary must receive your proposal on or before January 28, 2019. Submitting a stockholder proposal does not guarantee that Neos will include the proposal in the proxy statement if the proposal does not satisfy the SEC's rules.

If you want to present your proposal at the 2020 annual meeting but are not proposing it pursuant to SEC Rule 14a-8, the Corporate Secretary must receive your proposal by the close of business between February 14, 2020 and March 15, 2020 and it must satisfy the requirements set forth in Article I, Section 2 of our Amended and Restated Bylaws.

If you would like to nominate a candidate for director at the 2020 annual meeting, you must notify the Corporate Secretary by the close of business between February 14, 2020 and March 15, 2020. The notice must include certain information specified in our Amended and Restated Bylaws, including all information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors in election contests or is otherwise required under Regulation 14A of the Exchange Act, the person's written consent to be named in the proxy statement and to serve as a director if elected and such information as we might reasonably require to determine the eligibility of the person to serve as a director. The Corporate Secretary will forward all recommendations to the nominating and corporate governance committee, which will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

Correspondence to the Corporate Secretary may be addressed to: Corporate Secretary, Neos Therapeutics, Inc., 2940 N. Highway 360, Grand Prairie, TX 75050. For more information, and for more detailed requirements, please refer to our Amended and Restated Bylaws, filed as Exhibit 3.2 to our Quarterly Report on Form 10-Q, filed with the SEC on September 4, 2015.

any concerns relating to Neos' products or services, and the Corporate Secretary will notify the Board of the resolution of those concerns.

How do I obtain copies of Neos' corporate governance and other company documents?

The Corporate Governance Guidelines, committee charters and Neos' Code of Ethics are posted at <http://investors.neostx.com>. In addition, these documents are available in print to any stockholder who submits a written request to the Corporate Secretary at the address listed above.

The Company's filings with the SEC, including its annual report on Form 10-K, are available through <http://investors.neostx.com>.

What is householding and how does it affect me?

If you and other residents at your mailing address own shares of Neos stock in "street name," your broker or bank should have notified you that your household will receive only one Notice or proxy statement and annual report, as applicable, but each stockholder who resides at your address will receive a separate proxy card or voting instruction form. This practice is known as "householding." Unless you responded that you did not want to participate in householding, you were deemed to have consented to the process. Householding benefits both you and Neos because it reduces the volume of duplicate information received at your household and helps Neos reduce expenses and conserve natural resources.

If you would like to receive your own set of Neos' proxy statement and annual report or, if applicable, your own Notice, now or in the future, or if you share an address with another Neos stockholder and together both of you would like to receive only a single set of Neos' proxy materials, please contact your bank, broker, or other nominee record holder, or you may contact us at Investor Relations at Neos Therapeutics, Inc., 2940 N. Highway 360, Grand Prairie, TX 75050 or call (972) 408-1300. The request must be made by each person in the household. Be sure to indicate your name, the name of your brokerage firm or bank, and your account number. The revocation of your consent to householding will be effective 30 days following its receipt.
