PAPERCLIP SOFTWARE, INC.
NOTES TO CONDENSED FINANCIAL STATEMENTS (UNAUDITED)
September 30, 2006

NOTE A - NATURE OF THE BUSINESS AND BASIS OF PRESENTATION

PaperClip Software, Inc. (formerly known as PaperClip Imaging Software, Inc.) located in Hackensack, New Jersey, ("PaperClip" or the "Company"), a Delaware corporation, incorporated in October, 1991, is engaged in the development and distribution of computer software for document management and transport of electronic document packages across the public Internet or a private Intranet with interoperability, security and tracking capabilities. The Company's systems allow users of personal computer networks to scan, file, retrieve, display, print and route documents and other software objects (such as word processing files, spreadsheets and electronic mail), while continuing to use their existing application software. The systems can be integrated with many personal computer applications with little or no programming and can file and retrieve documents without the time consuming step of manually labeling or

Edgar Filing: PAPERCLIP SOFTWARE INCE - Form 10QSB

indexing each document.

The accompanying unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information, the instructions to Form 10-QSB and Item 310 under subpart A of Regulation S-B. Accordingly, they do not include all the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary in order to make the financial statements not misleading, have been included. The results of operation for such interim periods are not necessarily indicative of results of operation for a full year or for any other period. The unaudited financial statements should be read in conjunction with the audited financial statements and notes thereto and management's discussion and analysis of financial conditions included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2005 as filed with the Securities and Exchange Commission (the "SEC"). The financial statements are presented on the accrual basis.

NOTE B - Summary of Significant Accounting Policies

The significant accounting policies followed by the Company are set forth in Note 2 to the Company's financial statements in the December 31, 2005 Form 10-KSB.

NOTE C - NET INCOME (LOSS) PER COMMON SHARE

Income(loss) per common share-basic is computed based upon the weighted average number of common shares and common share equivalents outstanding, if dilutive, during the period.

Income (loss) per common share-fully diluted is computed based upon the weighted average number of common shares, common share equivalents and Series A Preferred Stock outstanding, if dilutive, during the period.

NOTE D - GOING CONCERN

As shown in the accompanying financial statements, the Company has a history of significant operating losses and as of September 30, 2006, current liabilities exceeded current assets by approximately \$496,000 and total liabilities exceeded total assets by approximately \$1,352,000. These factors raise doubt about the Company's ability to continue as a going concern.

Note E- INVESTMENT BANKING AGREEMENT; TERMINATION OF LOAN PAYABLE:

On October 29, 2004, the Company signed an investment banking agreement with Sloan Securities Corp. (together with its affiliates, "Sloan") to raise capital for the Company. In connection with such engagement, the Company issued two-year warrants to Sloan to purchase 500,000 shares of the Company's Common Stock at an exercise price of \$.10 per share. The warrants expired under their terms on October 29, 2006. The warrants had vested as to 425,000 shares on the date of issuance, but did not vest as to the remaining 75,000 shares as the requisite financing contemplated by the investment banking agreement was never consummated. The Company recorded the 425,000 warrants on the balance sheet as deferred financing costs at a value of \$24,000.

On March 31, 2005 and April 8, 2005 the Company received funds from a group of accredited investors in the amounts of \$100,000 and \$57,500, respectively, in anticipation of the execution of definitive documentation with such investors. Documents had been fully negotiated in anticipation of a financing for gross

Edgar Filing: PAPERCLIP SOFTWARE INCE - Form 10QSB

proceeds of between \$500,000 and \$1,200,000. While the Company executed certain documents prior to its receipt of the funds, the documents were to be held in escrow pending a final transaction and the Company never received countersigned agreements from the investors. Under the terms of the negotiated transaction, the invested funds were to be in the form of a two year loan, secured by a lien on the Company's assets, with interest at the rate of 12% per annum prepaid for the entire period, and financing fees to Sloan in the aggregate amount equal to 13% of the gross proceeds raised. Warrants to purchase 200,000 shares and 50,000 shares were also to be issued to the investors and Sloan, respectively, for each \$100,000 of the financing. One half of such warrants were to be exercisable at \$0.20 per share, and the other half of such warrants were to be exercisable at \$0.25 per share. In a letter agreement dated March 31, 2005, Sloan and the investors agreed that they would not enforce their registration rights related to shares of common stock issuable upon exercise of the warrants until such time as the Company had received an aggregate of \$500,000 of gross proceeds through the issuance of notes. The Company had been unable to obtain executed documents from the investors or Sloan or definite confirmation of their intent regarding the funds. The Company had accounted for the loan as short-term indebtedness.

-5-

On May 12, 2006, the Company, the investors and Sloan entered into a letter agreement, pursuant to which the Company returned to the investors the aggregate \$157,500 amount that had been extended to the Company, in exchange for the release by the investors of any interest they may have had under any documents (whether in draft or executed form) relating to the \$157,500 amount, including, without limitation, any promissory note, warrant, securities purchase agreement, security agreement and registration rights agreement. Any such agreements have no force or effect from and after May 12, 2006.

Note F- Accounting for Share Based Payments:

Prior to 2006, the Company accounted for employee stock options under the intrinsic method of APB No. 25, with fair value presented on a proforma basis, as provided in SFAS No. 123, as permitted under accounting principles generally accepted in the United States of America. Beginning in 2006, the Company began accounting for employee stock options as compensation expense, in accordance with SFAS No. 123R, "Share Based Payments." SFAS No. 123R requires companies to expense the value of employee stock options and similar awards for periods beginning after December 15, 2005 and applies to all outstanding and invested stock based awards at a company's adoption date. In computing the impact, the fair value of each option is estimated at the date of grant based on the Black-Scholes option-pricing model utilizing certain assumptions for a risk free interest rate, volatility and expected remaining lives of the awards vesting. The impact of applying SFAS No. 123R was deemed negligible during the first nine months of 2006.

Note G - Stock Purchase and Share Exchange Agreement

On November 6, 2006, the Company entered into a Stock Purchase and Share Exchange Agreement (as amended on November 9, 2006 and as may be subsequently amended from time to time, the "Share Exchange Agreement") with American Sunrise International, Inc., a Delaware corporation ("ASI"), Jilin Dongsheng Weiye Science and Technology Co., Ltd., a limited liability company organized under the laws of the People's Republic of China and a wholly-owned subsidiary of ASI ("Dongsheng"), and the ASI Shareholders party thereto (the "ASI Shareholders"). On November 9, 2006 (the "Closing Date"), the Company acquired 100% of the issued and outstanding capital stock of ASI owned by the ASI Shareholders, thereby making ASI a wholly-owned subsidiary of the Company, in consideration for a cash payment of \$280,000 and in exchange for the issuance of (i)

Edgar Filing: PAPERCLIP SOFTWARE INCE - Form 10QSB

18,153,934 shares of the Company's common stock and (ii) 1,762,472 shares of the Company's newly-designated Series B Convertible Preferred Stock, of which series each share will convert into 500 shares of the Company's common stock (upon the increase of the Company's authorized common stock to an appropriate amount to satisfy full conversion of all Series B Convertible Preferred Stock shares). After giving effect to the transactions contemplated by the Share Exchange Agreement (the "Transaction"), the ASI Shareholders and the former shareholders of the Company own 98.7% and 1.3%, respectively, of the Company's common stock on a fully-diluted basis, thereby resulting in a substantial dilution to the Company's shareholders of record as of November 6, 2006 (the "Historic PaperClip Shareholders") and constituting a change in control of the Company. In connection with the Transaction, the Company is to convey its current business, assets and liabilities to a newly-formed wholly-owned subsidiary ("Spinco"), the shares of which will be paid as a dividend to the Historic PaperClip Shareholders. It is anticipated that the distribution of Spinco shares to the Historic PaperClip Shareholders will be a taxable transaction.

-6-

It is intended that, subsequent to the making of certain filings with the SEC, Spinco will cease to be a public reporting company and Spinco's duty to file periodic reports with the SEC will be suspended. Information regarding Spinco's operations and financial results that is currently available to the general public and the Historic PaperClip Shareholders will not be available after Spinco has terminated the registration of the Common Stock. Upon Spinco's suspension of filing reports with the SEC, investors seeking information about Spinco will have to contact Spinco directly to receive such information. Spinco may or may not provide investors with requested information.

On the Closing Date, William Weiss, D. Michael Bridges, and Michael Suleski delivered to the Company resignations from the Board of Directors of the Company which will become effective on the date that is 10 calendar days after the Company mails an Information Statement prepared pursuant to Rule 14f-1 under the Securities Exchange Act of 1934, as amended, relating to the Share Exchange Agreement, and Aidong Yu, Huizhu Xie and Dekui Wang were appointed to the Board of Directors of the Company. On the Closing Date, Michael Suleski (Vice President, Engineering and Secretary) and D. Michael Bridges (President), resigned, and the following persons were appointed as officers of the Company: Aidong Yu (Chief Executive Officer and Chief Financial Officer), Huizhu Xie (General Manager) and Dekui Wang (Vice President). Aidong Yu's appointment as Chief Financial Officer is effective as of November 15, 2006. On the Closing Date, William Weiss resigned from his position as Chief Executive Officer but will remain Principal Financial Officer through November 15, 2006, at such time Aidong Yu will continue as Chief Financial Officer.

The Share Exchange Agreement provides for William Weiss to use his reasonable best efforts, until December 9, 2006 (the "Settlement Date") to (i) cause the holders of the 3,649,543 shares of Series A Preferred Stock, par value \$.01 per share, to convert their shares into shares of common stock with the written consent of ASI, and (ii) cause the holders of all outstanding stock options, rights, warrants and convertible notes (including the Company's currently outstanding convertible notes, in the principal amount of \$129,691) to cancel or exchange such instruments for shares of the Company's common stock with the written consent of ASI. The Share Exchange Agreement also provides for William Weiss to assist new management of the Company, its auditors and counsel with the Company's SEC reporting obligations and financial statements for a period of twelve months from the Closing Date.

The acquisition of ASI will be accounted for under the purchase method of accounting as there has been a change in control of the Company. The financial statements of the acquired business and pro forma financial information required by Regulation S-B Items 310(c) and (d), respectively, were furnished on the Current Report on Form 8-K filed by the Company on November 9, 2006.

Item 2 Management's Discussion and Analysis or Plan of Operation

Certain information included in this Quarterly Report may be deemed to include forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that involve risk and uncertainty, such as information relating to the acceptance and sale of the Company's products, the Company's ability to successfully market and distribute its products, the Company's ability to generate sufficient cash flow from the sale of its products to meet the Company's cash requirements and to pay its liabilities when due, the Company's ability to protect its proprietary property and the Company's ability to attract and retain key employees. Further, the results of operation for the second quarter period are not necessarily indicative of results of operation for a full year or any other period. In addition, certain statements may involve risk and uncertainty if they are preceded by, followed by, or that include the words "intends," "estimates," "believes," "expects," "anticipates," "should," "could," or similar expressions, and other statements contained herein regarding matters that are not historical facts. Although we believe that our expectations are based on reasonable assumptions, we can give no assurance that our expectations will be achieved. We do not undertake any obligation to release publicly any revisions to such forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

As described in greater detail below under the subheading "Stock Purchase and Share Exchange Agreement" and as previously reported in a Current Report filed by the Company on November 9, 2006, the Company's business, financial condition and outlook with regard to liquidity and capital resources was impacted substantially by a change in control transaction that was consummated on November 9, 2006.

Edgar Filing: PAPERCLIP SOFTWARE INCE - Form 10QSB

ended September 30, 2006 from \$369,361 for the nine months ended September 30, 2005. The increases were primarily due to an increase in depreciation of equipment.

Stock Purchase and Share Exchange Agreement

On November 6, 2006, the Company entered into a Stock Purchase and Share Exchange Agreement (as amended on November 9, 2006 and as may be subsequently amended from time to time, the "Share Exchange Agreement") with American Sunrise International, Inc., a Delaware corporation ("ASI"), Jilin Dongsheng Weiye Science and Technology Co., Ltd., a limited liability company organized under the laws of the People's Republic of China and a wholly-owned subsidiary of ASI ("Dongsheng"), and the ASI Shareholders party thereto (the "ASI Shareholders"). On November 9, 2006 (the "Closing Date"), the Company acquired 100% of the issued and outstanding capital stock of ASI owned by the ASI Shareholders, thereby making ASI a wholly-owned subsidiary of the Company, in consideration for a cash payment of \$280,000 and in exchange for the issuance of (i) 18,153,934 shares of the Company's common stock and (ii) 1,762,472 shares of the Company's newly-designated Series B Convertible Preferred Stock, of which series each share will convert into 500 shares of the Company's common stock (upon the increase of the Company's authorized common stock to an appropriate amount to satisfy full conversion of all Series B Convertible Preferred Stock shares). After giving effect to the transactions contemplated by the Share Exchange Agreement (the "Transaction"), the ASI Shareholders and the former shareholders of the Company own 98.7% and 1.3%, respectively, of the Company's common stock on a fully-diluted basis, thereby resulting in a substantial dilution to the Company's shareholders of record as of November 6, 2006 (the "Historic PaperClip Shareholders") and constituting a change in control of the Company. In connection with the Transaction, the Company is to convey its current business, assets and liabilities to a newly-formed wholly-owned subsidiary ("Spinco"), the shares of which will be paid as a dividend to the Historic PaperClip Shareholders. It is anticipated that the distribution of Spinco shares to the

Edgar Filing: PAPERCLIP SOFTWARE INCE - Form 10QSB

Historic PaperClip Shareholders will be a taxable transaction.

It is intended that, subsequent to the making of certain filings with the SEC, Spinco will cease to be a public reporting company and Spinco's duty to file periodic reports with the SEC will be suspended. Information regarding Spinco's operations and financial results that is currently available to the general public and the Historic PaperClip Shareholders will not be available after Spinco has terminated the registration of the Common Stock. Upon Spinco's suspension of filing reports with the SEC, investors seeking information about Spinco will have to contact Spinco directly to receive such information. Spinco may or may not provide investors with requested information.

On the Closing Date, William Weiss, D. Michael Bridges, and Michael Suleski delivered to the Company resignations from the Board of Directors of the Company which will become effective on the date that is 10 calendar days after the Company mails an Information Statement prepared pursuant to Rule 14f-1 under the Securities Exchange Act of 1934, as amended, relating to the Share Exchange Agreement, and Aidong Yu, Huizhu Xie and Dekui Wang were appointed to the Board of Directors of the Company. On the Closing Date, Michael Suleski (Vice President, Engineering and Secretary) and D. Michael Bridges (President), resigned, and the following persons were appointed as officers of the Company: Aidong Yu (Chief Executive Officer and Chief Financial Officer), Huizhu Xie (General Manager) and Dekui Wang (Vice President). Aidong Yu's appointment as Chief Financial Officer is effective as of November 15, 2006. On the Closing Date, William Weiss resigned from his position as Chief Executive Officer but will remain Principal Financial Officer through November 15, 2006, at such time Aidong Yu will continue as Chief Financial Officer.

-11-

The Share Exchange Agreement provides for William Weiss to use his reasonable best efforts, until December 9, 2006 (the "Settlement Date") to (i) cause the holders of the 3,649,543 shares of Series A Preferred Stock, par value \$.01 per share, to convert their shares into shares of common stock with the written consent of ASI, and (ii) cause the holders of all outstanding stock options, rights, warrants and convertible notes (including the Company's currently outstanding convertible notes, in the principal amount of \$129,691) to cancel or exchange such instruments for shares of the Company's common stock with the written consent of ASI. The Share Exchange Agreement also provides for William Weiss to assist new management of the Company, its auditors and counsel with the Company's SEC reporting obligations and financial statements for a period of twelve months from the Closing Date.

The acquisition of ASI will be accounted for under the purchase method of accounting as there has been a change in control of the Company. The financial statements of the acquired business and pro forma financial information required by Regulation S-B Items 310(c) and (d), respectively, were furnished on the Current Report on Form 8-K filed by the Company on November 9, 2006.
