PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

To Be Held on June 14, 2019

GENERAL INFORMATION

VolitionRx Limited has made this Proxy Statement, as well as the Notice of Annual Meeting of Stockholders and our Annual Report on Form 10-K for the year ended December 31, 2018, or collectively, the Proxy Materials, available to you on the Internet or, upon your request, in paper or e-mail form, in connection with the solicitation of proxies by the board of directors of VolitionRx Limited for the 2019 Annual Meeting, or the Annual Meeting, of our stockholders to be held on June 14, 2019, and any adjournment or postponement of the Annual Meeting. In addition to the Proxy Materials, proxies may be solicited personally or by telephone, mail, facsimile or other electronic means. Directors, officers and employees will not be paid any additional compensation for soliciting proxies, but Broadridge Financial Solutions, Inc. will be paid its customary fee of approximately \$6,000, exclusive of printing and mailing fees. We will, upon request, also reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of stock. The cost of solicitation will be borne by the Company.

The Company is taking advantage of the Securities and Exchange Commission, or the SEC, rules that allow us to furnish our Proxy Materials over the Internet to our stockholders rather than in paper form. We believe that this delivery process will expedite our stockholders' receipt of our Proxy Materials, reduce the environmental impact of the Annual Meeting and lower the costs of printing and distributing our Proxy Materials. Accordingly, you will receive a Notice of Internet Availability of Proxy Materials, or the Notice, which we expect to mail on or about May 1, 2019. You may request receipt of our Proxy Materials in paper or e-mail form by following the instructions on the Notice.

In this Proxy Statement, we refer to VolitionRx Limited as VolitionRx, the Company, we or us. VolitionRx has one wholly-owned operating subsidiary, Singapore Volition Pte. Limited, a Singapore registered company, or Singapore Volition. Singapore Volition has one wholly-owned subsidiary, Belgian Volition SPRL, a Belgium registered

company, or Belgian Volition. Belgian Volition has two wholly-owned subsidiaries, Volition Diagnostics UK Limited, a company registered in the United Kingdom, or Volition Diagnostics, and Volition America, Inc., a Delaware corporation, or Volition America. Additionally, in this Proxy Statement we use the term “Share Exchange Agreement” to refer to the share exchange agreement with Singapore Volition and the former shareholders of Singapore Volition dated September 26, 2011, pursuant to which we acquired Singapore Volition through an exchange of shares with the former Singapore Volition shareholders effective October 6, 2011.

ABOUT THE MEETING

We are holding the Annual Meeting at 42-44 avenue de la Gare, L – 1610 Luxembourg, on June 14, 2019, at 12:00 p.m. local time. At the Annual Meeting, our stockholders will act upon the matters outlined herein. In addition, our management will report on our performance during the 2018 year and respond to questions from stockholders.

Attendance at the Annual Meeting will be limited to stockholders of the Company. Stockholders will be required to furnish valid identification and proof of ownership of the Company’s common stock before being admitted to the meeting. Stockholders holding shares in street name are requested to bring a statement from the bank, broker or other holder of record confirming their ownership in the Company’s common stock. For directions to the Annual Meeting, you may contact the Company’s Corporate Secretary, Rodney Rootsart, by writing to VolitionRx’s principal executive offices at 1 Scotts Road, #24-05 Shaw Centre, Singapore 228208, or by telephone at +1 (646) 650-1351.

VOTING INFORMATION

All shares represented by properly executed proxies received by the board of directors pursuant to this solicitation will be voted in accordance with the holder's directions specified on the proxy. If no directions have been specified using the Internet voting site, toll-free number or by marking the appropriate places on a Proxy Card, the shares will be voted in accordance with the board of directors' recommendations which are:

1 . FOR the election of Dr. Alan Colman, Dr. Martin Faulkes, Dr. Edward Futcher, Guy Innes, Cameron Reynolds and Dr. Habib Skaff as directors of the Company to serve for a term of one (1) year until the next annual meeting of stockholders or, if Proposal 5 is approved, to hold office until the annual meeting of stockholders applicable to the class of director to which the applicable director will be assigned, and until such director's successor is duly elected and qualified, or until his earlier death, resignation or removal.

2 . FOR ratification of the selection of Sadler, Gibb & Associates, LLC as the Company's independent registered public accounting firm for the year ending December 31, 2019.

3 . FOR the approval, by a non-binding advisory vote, of the compensation of our named executive officers, as disclosed in this Proxy Statement.

4 . FOR the approval of an amendment to the Company's 2015 Stock Incentive Plan, as amended, or the 2015 Plan, to increase the number of shares of common stock that the Company has authority to grant under the 2015 Plan from 3,250,000 to 4,250,000.

5 . FOR the approval of a Third Amended and Restated Certificate of Incorporation, or the Restated Certificate, to provide for the election of a classified board of directors and grant to our board of directors the exclusive authority to fill vacancies on our board of directors.

6 . FOR the approval of the Restated Certificate to permit stockholder action only at a duly called annual or special meeting and to prohibit stockholder action by written consent or electronic transmission (our Amended and Restated Bylaws, or our Bylaws, already contain a similar provision).

7 . FOR the approval of the Restated Certificate to require that special meetings of stockholders be called (i) by the board of directors pursuant to a resolution approved by a majority of the board of directors, (ii) by the chairman of the

board of directors, (iii) by the chief executive officer or (iv) by the president (in the absence of a chief executive officer) (our Bylaws already contain a similar provision).

8 . FOR the approval of the Restated Certificate to prohibit director removal without cause and to allow removal with cause only by the vote of the holders of at least two-thirds (66-2/3%) of all then outstanding shares of common stock of the Company.

We are asking you to vote on four separate Proposals relating to our Restated Certificate, instead of only one, in order to comply with applicable rules of the Securities Exchange Act of 1934, or the Exchange Act, governing how separate matters should be submitted for stockholder approval and guidance issued by the SEC thereunder. You can vote “FOR” or “AGAINST” (or “ABSTAIN” from voting on) any of these Proposals. Your vote on any one of these Proposals will not affect your vote on any of the other Proposals, except that approval of Proposal 8 (the approval of the Restated Certificate to prohibit director removal without cause and to allow removal with cause only by the vote of the holders of at least two-thirds (66-2/3%) of all then outstanding shares of common stock of the Company) is contingent on approval of Proposal 5 (approval of the Restated Certificate to provide for the election of a classified board of directors and grant to our board of directors the exclusive authority to fill vacancies on our board of directors). Accordingly, if Proposal 5 is not approved, we will not implement the amendment contemplated in Proposal 8, even if approved by our stockholders. We intend to file the Restated Certificate with the Secretary of State of the State of Delaware reflecting those of Proposals 5 through 8 that are approved by our stockholders promptly after stockholder approval is obtained. However, our board of directors may abandon the amendments reflected in the Restated Certificate, or any of them, before or after adoption and approval by our stockholders at any time prior to the effectiveness of the Restated Certificate.

When using Internet or telephone voting, the voting systems will verify that you are a stockholder through the use of a company number for VolitionRx and a control number unique to you. ***If you vote by Internet or telephone, please do not also mail a Proxy Card.***

If you plan to vote in person at the Annual Meeting, please bring valid identification. Even if you currently plan to attend the Annual Meeting, we recommend that you also submit your proxy so that your vote will be counted if you later decide not to attend the Annual Meeting.

Record Date

You may vote all shares that you owned as of April 22, 2019, which is the Record Date for the Annual Meeting. As of April 22, 2019, we had 37,813,991 shares of common stock issued and outstanding held of record by approximately 164 stockholders. Each share of common stock is entitled to one vote on each matter properly brought before the Annual Meeting.

A complete list of the stockholders entitled to vote at the Annual Meeting will be open to examination by any stockholder for purposes germane to the meeting, during normal business hours for ten (10) days prior to the date of the Annual Meeting at the Company's offices at 1 Scotts Road, #24-05 Shaw Centre, Singapore 228208.

Ownership of Shares

If your shares are registered directly in your name, you are the holder of record of these shares, and we are sending the Notice or, if requested, paper or e-mail copies of the Proxy Materials directly to you. As the holder of record, you have the right to give your proxy directly to us or to vote in person at the Annual Meeting. If you hold your shares in a brokerage account or through a bank or other holder of record, you hold the shares in "street name," and your broker, bank or other holder of record is sending the Notice or Proxy Materials to you. As a holder in street name, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form that accompanies your Proxy Materials. Regardless of how you hold your shares, we invite you to attend the Annual Meeting.

If you receive more than one Notice or set of Proxy Materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions to ensure that all of your shares are voted.

How to Vote

Your Vote Is Important. We encourage you to vote promptly. You may vote in any of the following ways:

By Internet – www.proxyvote.com: Use the Internet to submit your proxy by going to www.proxyvote.com and following the instructions on how to complete an electronic proxy card up until 5:00 p.m. Eastern Time on June 13,

2019, the day before the Annual Meeting date. You will need the 12-digit control number included on your Notice or your Proxy Card in order to vote by Internet.

By Telephone – 1-800-690-6903: Use any touch-tone telephone to submit your proxy by dialing 1-800-690-6903 up until 5:00 p.m. Eastern Time on June 13, 2019, the day before the Annual Meeting date. You will need the 12-digit control number included on your Notice or your Proxy Card in order to vote by telephone.

By Mail: You may request a paper copy of the Proxy Materials from us by following the instructions on your Notice. When you receive the Proxy Card, mark your selection on the Proxy Card, date and sign your name exactly as it appears on your Proxy Card. Mail the Proxy Card in the postage-paid envelope that will be provided to you.

At the Annual Meeting: If you vote your shares now it will not limit your right to change your vote at the Annual Meeting if you attend in person. If you hold your shares in street name, you must obtain a proxy, executed in your favor, from your bank, broker or other holder of record, if you wish to vote your shares at the Annual Meeting.

All shares that have been properly voted and not revoked will be voted at the meeting. If you vote using the Internet voting site or the toll-free number, or by signing and returning a Proxy Card in each case without any voting instructions, your shares will be voted as the board of directors recommends.

Revocation of Proxies

You can revoke your proxy (or voting instructions if you hold your shares in street name) at any time before your shares are voted at the Annual Meeting if you: (1) send a written notice to our Corporate Secretary indicating that you want to revoke your proxy; or (2) vote after delivery of your proxy and before the Annual Meeting by using the Internet voting site or toll-free number or deliver to our Corporate Secretary a duly executed Proxy Card bearing a later date, which revokes all previous proxies; or (3) attend the Annual Meeting in person, give written notice of revocation of your proxy to the Secretary of the Annual Meeting prior to the voting of your proxy and vote your shares in person, although your attendance at the meeting will not by itself revoke your proxy.

Quorum and Required Vote

Quorum

We will have a quorum and will be able to conduct the business of the Annual Meeting if the holders of a majority of the outstanding shares of the Company's common stock entitled to vote are present at the meeting, either in person or by proxy. In determining whether we have a quorum, we count abstentions and broker non-votes as present and entitled to vote.

Vote Required for Proposals

1 . Election of Directors (Proposal 1). Directors are elected by a plurality of the shares of common stock that are present in person or represented by proxy and entitled to vote on the matter, meaning the nominees receiving the highest number of votes will be elected to the board of directors. A properly executed proxy marked "WITHHOLD ALL" or "FOR ALL EXCEPT" with respect to the election of directors will not be voted with respect to the director or directors indicated. The election of directors is a non-discretionary matter under applicable stock exchange rules, meaning that if you are the beneficial owner of your shares and do not instruct your broker how to vote with respect to the election of directors, your broker is not permitted to vote on this Proposal and your votes will be counted as broker non-votes. Because broker non-votes are not entitled to vote on the matter, they will have no effect in determining which directors are elected at the Annual Meeting.

2 . Ratification of Selection of Independent Registered Public Accounting Firm (Proposal 2). The ratification of Sadler, Gibb & Associates, LLC as the Company's independent registered public accounting firm for the year ending December 31, 2019 requires the approval of a majority of the shares present in person or represented by proxy and entitled to vote on the matter. A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted. Accordingly, an abstention will have the same effect as a vote "AGAINST" this Proposal. The ratification of Sadler, Gibb & Associates, LLC is a discretionary matter under applicable stock exchange rules, meaning that if you are the beneficial owner of your shares and do not instruct your broker how to vote with respect to the ratification of Sadler, Gibb & Associates, LLC, your broker may use its discretion to vote your uninstructed shares on this Proposal. Accordingly, broker non-votes are not expected for this Proposal. Broker non-votes, if any, will have no effect in determining the outcome of this Proposal.

3 . Advisory Vote on the Compensation of the Named Executive Officers (Proposal 3). The approval, on a non-binding advisory basis, of the compensation of our named executive officers, as disclosed in this Proxy Statement, requires the approval of a majority of the shares present in person or represented by proxy and entitled to

vote on the matter. A properly executed proxy marked “ABSTAIN” with respect to such matter will not be voted. Accordingly, an abstention will have the same effect as a vote “AGAINST” this Proposal. The advisory vote on compensation is a non-discretionary matter under applicable stock exchange rules, meaning that if you are the beneficial owner of your shares and do not instruct your broker how to vote with respect to the advisory vote on compensation, your broker is not permitted to vote on this Proposal and your votes will be counted as broker non-votes. Broker non-votes will have no effect on the outcome of the Proposal.

4 . Approval of Amendment to 2015 Stock Incentive Plan (Proposal 4). The approval of the amendment to the 2015 Plan requires the approval of a majority of the shares present in person or represented by proxy and entitled to vote on the matter. A properly executed proxy marked “ABSTAIN” with respect to such matter will not be voted. Accordingly, an abstention will have the same effect as a vote “AGAINST” this Proposal. The approval of the amendment to the 2015 Plan is a non-discretionary matter under applicable stock exchange rules, meaning that if you are the beneficial owner of your shares and do not instruct your broker how to vote with respect to the approval of the amendment to the 2015 Plan, your broker is not permitted to vote on this Proposal and your votes will be counted as broker non-votes. Broker non-votes will have no effect on the outcome of the Proposal.

5. Approval of Restated Certificate (Proposals 5 through 8). The approval of each Proposal related to the Restated Certificate requires the approval of the holders of a majority of the shares outstanding and entitled to vote on the matter. A properly executed proxy marked “ABSTAIN” with respect to any such Proposal will not be voted. Accordingly, an abstention will have the same effect as a vote “AGAINST” the particular Proposal. The approval of the Restated Certificate with respect to each Proposal is a non-discretionary matter under applicable stock exchange rules, meaning that if you are the beneficial owner of your shares and do not instruct your broker how to vote with respect to the approval of the Restated Certificate with respect to a particular Proposal, your broker is not permitted to vote on Proposals 5 through 8 and your votes will be counted as broker non-votes with respect to such Proposals. Broker non-votes will have the same effect as a vote “AGAINST” Proposals 5 through 8.

Dissenter's Rights

Under Delaware law, stockholders are not entitled to dissenter’s rights of appraisal on any Proposal referred to herein.

Cumulative Voting

Stockholders shall not be entitled to cumulate votes with respect to voting on the election of directors or any other Proposal referred to herein.

Voting Results

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amended Form 8-K to publish the final results.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information concerning the number of shares of our common stock owned beneficially as of April 22, 2019, by: (i) each of our directors and director nominees; (ii) each of our named executive officers; (iii) all of our directors, director nominees and executive officers as a group; and (iv) each person or group known by us to beneficially own more than 5% of our outstanding shares of common stock.

We have determined beneficial ownership in accordance with the rules of the SEC and the information is not necessarily indicative of beneficial ownership for any other purpose. Under the rules of the SEC, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which the person has a right to acquire beneficial ownership within sixty (60) days. Under these rules more than one person may be deemed a beneficial owner of the same securities and a person may be deemed to be a beneficial owner of securities as to which such person has no economic interest.

Unless otherwise indicated below, to the best of our knowledge (i) each beneficial owner named in the table has the sole voting and sole investment power with respect to all shares beneficially owned, subject to community property laws where applicable, and (ii) the address of such beneficial owner is 1 Scotts Road, #24-05 Shaw Centre, Singapore 228208.

CORPORATE GOVERNANCE OF THE COMPANY

Our business is managed by the Company's board of directors. Our board members are informed of our business through discussions with management, materials provided to them, visits to the Company's offices and facilities, and their participation in meetings of the board of directors.

Corporate Governance Practices and Policies

Our board of directors has been carefully following the corporate governance developments that have been taking place as a result of the adoption of the Sarbanes-Oxley Act of 2002, the rules promulgated thereunder by the SEC, and other corporate governance recommendations. Our board of directors addresses, among other things, the board of directors' composition, qualifications and responsibilities, director education and stockholder communication with directors.

Director Independence

For purposes of determining director independence, the board of directors reviews a summary of the relationships of each director, including any of his or her family members or related parties, with the Company or management and other facts relevant to the analysis of whether the directors qualify as "independent directors" under the NYSE American Company Guide §803(A)(2). No director qualifies as independent unless the board of directors affirmatively determines that the director does not have a relationship that would interfere with the exercise of his or her independent judgment in carrying out his or her responsibilities as a director. In addition, the NYSE American Company Guide provides a non-exclusive list of persons who may not be considered independent.

The board of directors has affirmatively determined that each of Drs. Colman, Fitcher and Skaff, as well as Mr. Innes, is an independent director under the rules of the NYSE American. In addition, the members of the Audit Committee are independent directors pursuant to the heightened independence criteria for members of Audit Committees set forth in the applicable SEC rules.

Term of Office for Directors and Officers

Each director serves for a term of one year until the next annual meeting of stockholders or, if Proposal 5 is approved, to hold office until the annual meeting of stockholders applicable to the class of director to which the applicable director will be assigned, and until such director's successor is duly elected and qualified, or until his or her earlier death, resignation or removal. Each officer serves for such term as determined by the board of directors or, in the case of officers with employment agreements, for such term set forth in their employment agreement as approved by the board of directors or Compensation Committee. Information regarding employment agreements is provided under the *Employment and Consulting Agreements* section of this Proxy Statement.

Family Relationships

None of the officers or directors of our Company, or any nominees therefor, are related to each other.

Involvement in Certain Legal Proceedings

During the past ten years no director, executive officer or director nominee of VolitionRx has been involved in any legal proceedings required to be disclosed pursuant to Item 401(f) of Regulation S-K.

Board and Committee Meetings; Annual Meeting Attendance

During the fiscal year ended December 31, 2018: the board of directors held 4 regularly scheduled meetings and acted by written consent 7 times; the Audit Committee held 4 regularly scheduled meetings and acted by written consent 6 times; the Compensation Committee held 2 regularly scheduled meetings and acted by written consent 4 times; and the Nominations and Governance Committee held 1 regularly scheduled meeting and acted by written consent 1 time. During the fiscal year ended December 31, 2018, all directors attended, in person or by telephone, at least 75% of the total number of meetings of both our board of directors and the committees of our board of directors on which such directors served, during such period.

The Company does not have a policy with regard to the attendance of the members of the board of directors at annual meetings of stockholders, however, directors are strongly encouraged to attend the annual meetings of stockholders whether in person or by telephone. All directors attended the 2018 Annual Meeting of Stockholders, either in person or by telephone.

Committees of the Board of Directors

Our board of directors has established an Audit Committee, a Compensation Committee and a Nominations and Governance Committee. The Committees operate pursuant to written charters adopted by the board of directors, copies of which are available on our website at <http://ir.volitionrx.com/committee-charters>. However, the reference to our website in this Proxy Statement does not constitute incorporation by reference of the information contained on or available through our website, and you should not consider it to be a part of this Proxy Statement. In addition, from time to time, the board of directors may establish special committees when necessary to address specific issues. The composition and functions of each of our Audit, Compensation and Nominations and Governance Committees are described below. Members serve on these committees until their resignation or until otherwise determined by our board of directors.

Audit Committee

Our Audit Committee consists of four members, Mr. Innes (Chair), and Drs. Skaff, Colman and Futcher, each of whom has been determined to be an independent director under applicable SEC rules and the applicable rules of the NYSE American. The Audit Committee shall at all times be composed exclusively of directors who are, in the opinion of our board of directors, free from any relationship which would interfere with the exercise of independent judgment as a committee member and who possess an understanding of financial statements and generally accepted accounting principles.

The Audit Committee is responsible for, among other things:

appointing, terminating, compensating and overseeing the work of any independent auditor engaged to prepare or issue an audit report or other audit, review or attest services;

reviewing all audit and non-audit services to be performed by the independent auditor, taking into consideration whether the independent auditor's provision of non-audit services to us is compatible with maintaining the independent auditor's independence;

reviewing and discussing the adequacy and effectiveness of our accounting and financial reporting processes and internal controls and the audits of our financial statements;

establishing and overseeing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential, anonymous submission by our employees regarding questionable accounting or auditing matters;

investigating any matter brought to its attention within the scope of its duties and engaging independent counsel and other advisors as the Audit Committee deems necessary;

determining compensation of the independent auditors and of advisors hired by the Audit Committee and ordinary administrative expenses;

reviewing and discussing with management and the independent auditor the annual and quarterly financial statements prior to their release;

monitoring and evaluating the independent auditor's qualifications, performance and independence on an ongoing basis;

reviewing reports to management prepared by the internal audit function, as well as management's response;

reviewing and assessing the adequacy of the Audit Committee's formal written charter on an annual basis;

reviewing and approving transactions with related persons for potential conflict of interest situations on an ongoing basis; and

overseeing such other matters that are specifically delegated to the Audit Committee by our board of directors from time to time.

The board of directors has affirmatively determined that Mr. Innes is designated as an "Audit Committee financial expert."

Compensation Committee

Our Compensation Committee consists of three members, Mr. Innes (Chair) and Drs. Skaff and Futcher, each of whom has been determined to be an independent director under the applicable rules of the NYSE American.

The Compensation Committee is responsible for, among other things:

developing, reviewing, and approving our overall compensation programs, and regularly reporting to the full board of directors regarding the adoption of such programs;

developing, reviewing and approving our cash and equity incentive plans, including approving individual grants or awards thereunder;

reviewing and approving individual and company performance goals and objectives that may be relevant to the compensation of executive officers and other key employees;

reviewing and discussing with management the tables and narrative discussion regarding executive officer and director compensation to be included in the annual proxy statement;

reviewing and assessing, on an annual basis, the adequacy of the Compensation Committee's formal written charter; and

overseeing such other matters that are specifically delegated to the Compensation Committee by our board of directors from time to time.

In fulfilling its responsibilities, the Compensation Committee has the authority to delegate any or all of its responsibilities to a subcommittee of the Compensation Committee.

Nominations and Governance Committee

Our Nominations and Governance Committee consists of three members, Mr. Innes (Chair) and Drs. Skaff and Futcher, each of whom has been determined to be an independent director under the applicable rules of the NYSE American.

The Nominations and Governance Committee is responsible for, among other things:

identifying and screening candidates for our board of directors, and recommending nominees for election as directors;

assessing, on an annual basis, the performance of the board of directors and any committee thereof;

reviewing the structure of the board of directors' committees and recommending to the board of directors for its approval directors to serve as members of each committee, including each committee's respective chair, if applicable;

reviewing and assessing, on an annual basis, the adequacy of the Nominations and Governance Committee's formal written charter; and

generally advising our board of directors on corporate governance and related matters including, without limitation, with respect to the Company's Certificate of Incorporation, Bylaws and charters of other committees.

Nominating Procedures

The Nominations and Governance Committee considers candidates for the board of directors from any reasonable source, including stockholder recommendations. The Committee will not evaluate candidates differently based on who has made the proposal. The Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used to date and, accordingly, no fees have been paid to consultants or search firms in the past fiscal year. The Nominations and Governance Committee, and our board of directors, believe that directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the Company's stockholders. Each director must also be able to dedicate the time and resources sufficient to ensure the diligent performance of his or her duties. Further, our board of directors is intended to encompass a range of talents, experience, skills, backgrounds, and expertise sufficient to provide sound and prudent guidance with respect to the operations and interests of the Company and its stockholders. The Company values diversity and seeks to achieve a diversity of professional experiences and personal backgrounds on our board of directors, but no specific policy regarding board diversity has been adopted.

Stockholders who wish to suggest qualified candidates should write to the Chair of the Nominations and Governance Committee c/o VolitionRx Limited, 1 Scotts Road, #24-05 Shaw Centre, Singapore 228208, in accordance with the time periods and information requirements set forth in the Bylaws, specifying the name of the candidates and stating in detail the qualifications of such persons for consideration by the Committee. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any such recommendation. See the section of this Proxy Statement titled *Deadline for Receipt of Stockholder Proposals for the Next Annual Meeting*. No director nominations by stockholders have been received as of the filing of this Proxy Statement.

Board Leadership Structure and Role in Risk Oversight

Our board of directors does not have a formal policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board. Our board of directors believes that it is in the best interests of our organization to make that determination from time to time based on the position and the direction of our organization and the membership of our board of directors.

Dr. Martin Faulkes currently serves as the Executive Chairman of our board of directors. Guy Innes is the lead independent director on the board of directors. As the lead independent director, Mr. Innes regularly consults with the Executive Chairman of the board of directors and management on the key issues concerning the Company. Cameron Reynolds, our Chief Executive Officer and principal executive officer, also serves as a director of the Company. Due to Mr. Reynolds' executive officer position, he is not an independent director. Our board of directors views this

arrangement as providing an efficient connection between our management and board of directors, enabling our board to obtain information pertaining to operational matters expeditiously and enabling our Executive Chairman and our Chief Executive Officer to bring areas of concern before the board in a timely manner.

One of our board of directors' key functions is informed oversight of our risk management process. Our board of directors does not have a standing risk management committee, but rather administers this oversight function directly through the board as a whole, as well as through various board standing committees that address risks inherent in their respective areas of oversight. In particular, our board of directors is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for us. Each committee of our board of directors meets in executive session with key management personnel and representatives of outside advisors as necessary to oversee risks associated with their respective principal areas of focus. Our Audit Committee oversees management of financial risks. Our Compensation Committee oversees the management of risks related to our executive compensation plans and arrangements. Our Nominations and Governance Committee manages risks associated with the independence of our board and potential conflicts of interest. Although each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board of directors is regularly informed through committee reports about such risks. While our board of directors, through its committees, oversees our risk management, our management team is responsible for day-to-day risk-management processes to ensure that such risks are being adequately managed.

Stockholder Communications

The board of directors encourages stockholders to send communications to the board of directors or to individual members of the board of directors. Such communications, whether by letter, e-mail or telephone, should be directed to the Executive Chairman of the board of directors who will forward them to the intended recipients. However, unsolicited advertisements or invitations to conferences or promotional material, in the discretion of the Executive Chairman or his designee, may not be forwarded to the directors.

If a stockholder wishes to communicate to the board of directors about a concern relating to the Company's financial statements, accounting practices or internal controls, the concern should be submitted in writing to the board of directors in care of the Executive Chairman at the Company's headquarters. If the concern relates to the Company's governance practices, business ethics or corporate conduct, the concern likewise should be submitted in writing to the Executive Chairman at the Company's headquarters address. If the stockholder is unsure as to which category his or her concern relates, he or she may communicate it to any one of the directors in care of the Company's Corporate Secretary.

Stockholders who wish to contact members of the board of directors either individually or as a group may do so by writing to Corporate Secretary c/o VolitionRx Limited, 1 Scotts Road, #24-05 Shaw Centre, Singapore 228208, or by telephone at +1 (646) 650-1351, specifying whether the communication is directed to the entire board of directors or to a particular director. Stockholder letters are screened by Company personnel to filter out improper or irrelevant topics, such as solicitations, and to confirm that such communications relate to matters that are within the scope of responsibilities of the board of directors.

Code of Ethics

We have adopted a Code of Ethics that applies to our directors, officers and employees, including our Chief Executive Officer and Chief Financial Officer. A copy of our Code of Ethics is available on our Company website at <http://ir.volitionrx.com/governance-documents>. Amendments to our Code of Ethics that apply to our principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions, if any, will be posted on our website at <http://ir.volitionrx.com/governance-documents>. We will disclose any waivers of provisions of our Code of Ethics that apply to such persons by disclosing such information on a Current Report on Form 8-K.

Transactions with Related Persons

For disclosures relating to certain transactions with related persons, see the sections titled *Summary Compensation Table*, *Employment and Consulting Agreements* and the *Compensation of Directors Table* in this Proxy Statement.

On August 10, 2018, we issued to a beneficial owner of more than 5% of our outstanding shares (Cotterford Company Limited) in a private placement offering 5 million shares of common stock at a price of \$1.80 per share, for aggregate gross proceeds of \$9 million. Additionally, we issued to Cotterford a warrant to purchase up to an additional 5 million shares of common stock at an exercise price of \$3.00 per share payable in cash. The warrant has an expiration date of August 10, 2019 and is exercisable for a period of 6 months commencing on February 10, 2019. The shares of common stock (including the shares underlying the warrant) were subsequently registered for resale on Form S-3 (declared effective by the SEC on October 15, 2018, File No. 333-227731). Following approval of the board of

directors and the Audit Committee, effective March 5, 2019 we entered into an amendment to the warrant that temporarily reduced the exercise price of such warrant from \$3.00 per share to \$2.90 per share through the close of business on March 8, 2019. On March 8, 2019, Cotterford partially exercised the warrant for 1,724,138 shares of our common stock at \$2.90 per share resulting in the issuance of 1,724,138 shares of common stock for gross proceeds of \$5 million. The warrant remains exercisable through August 10, 2019 for the remaining balance of 3,275,862 shares of common stock at a price of \$3.00 per share.

We provide indemnification to our directors and officers so that they will be free from undue concern about personal liability in connection with their service to the Company. Under our Bylaws and Certificate of Incorporation, we are required to indemnify our directors and officers to the extent permitted by Delaware law. Additionally, as part of the engagement letters with each of our directors, certain indemnification provisions may require us, among other things, to indemnify our directors and executive officers for expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by a director or officer in any action or proceeding arising out of his or her service as one of our directors or officers.

Other than the foregoing, none of the directors, nominees for directors or executive officers of the Company, nor any person who owned of record or was known to own beneficially more than 5% of the Company's outstanding shares of its common stock, nor any associate or affiliate of such persons or companies, has any material interest, direct or indirect, in any transaction that has occurred during the past two fiscal years, or in any currently proposed transaction, to which we are a party that requires disclosure under Item 404(a) of Regulation S-K.

Policy on the Review, Approval or Ratification of Transactions with Related Persons

The Company has not adopted a separate written policy for the approval or ratification of all transactions with related persons that are required to be reported under Item 404(a) of Regulation S-K. Rather, at this time and pursuant to its existing charter, and unless otherwise provided by the board of directors, the Audit Committee reviews the material facts of all such transactions and either ratifies, approves or disapproves of the Company's entry into the transaction.

No director is allowed to participate in the approval of a transaction for which he or she is a related person and directors must provide all material information concerning such transactions to the Audit Committee.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of our board of directors is responsible for assisting our board of directors in fulfilling its oversight responsibilities regarding the Company's financial accounting and reporting process, system of internal control, audit process, and process for monitoring compliance with laws and regulations. The Audit Committee operates pursuant to a written charter, a copy of which is posted on our website at <http://ir.volitionrx.com/committee-charters>. The Audit Committee met 4 times and acted by written consent 6 times during the fiscal year ended December 31, 2018. All members of the Audit Committee are non-employee directors and satisfy the current NYSE American Company Guide and SEC requirements with respect to independence, financial literacy and experience.

Management of the Company has the primary responsibility for the Company's consolidated financial statements as well as the Company's financial reporting process, accounting principles and internal controls. Sadler, Gibb & Associates, LLC, the independent registered public accounting firm for the Company in 2018, is responsible for performing an audit of the Company's consolidated financial statements, and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed the audited consolidated financial statements of the Company as of and for the year ended December 31, 2018 with the Company's management and the independent registered public accounting firm. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, "Communication with Audit Committees" (formerly known as Statement on Auditing Standards No. 16, which superseded Statement on Auditing Standards No. 61 for fiscal years beginning after December 15, 2012), as adopted by the Public Company Accounting Oversight Board, or PCAOB. Role of Executive Officers in Compensation Decisions

For executive officers, including our named executive officers other than our Chief Executive Officer, the Compensation Committee considers recommendations of our Chief Executive Officer. The Compensation Committee then takes the recommendations of the Chief Executive Officer and makes a determination on the amount of any cash or equity incentive awards payable to the other executive officers. The other executive officers and other senior management personnel also are generally not present at meetings of the Compensation Committee and do not participate in its discussions regarding executive compensation decisions.

While our Chief Executive Officer discusses his compensation recommendations with the Compensation Committee for other executive officers, he does not participate in any Compensation Committee deliberation or determination with respect to his own compensation. The determination of the amount of compensation paid to the Chief Executive Officer is made by the Compensation Committee and subject to the terms of his employment agreement.

With respect to compensation of non-employee directors, the Compensation Committee considers the recommendations of our Chief Executive Officer and makes a determination on the amount of compensation, including equity awards, to such directors subject to the terms of their independent director agreements.

No compensation consultant was used or hired during the fiscal year ended December 31, 2018.

PROPOSAL 3 — ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

We are asking our stockholders to approve, on a non-binding advisory basis, the compensation paid to our executive officers who are named in the *Summary Compensation Table* in this Proxy Statement, which we refer to as our named executive officers. We have disclosed the compensation of our named executive officers pursuant to rules adopted by the SEC.

The Compensation Committee has structured our executive compensation program to:

Attract and retain key executives;

Align executives' interests with those of our stockholders;

Pay for performance; and

Reward achievement of short-term and long-term goals.

We believe that our executive compensation practices have fostered our success by:

Including reasonable vesting provisions for our equity awards;

Providing both cash and equity awards and an appropriate mix of these awards;

Establishing performance goals to reflect the individual contribution of each executive and Company-wide financial performance; and

Requiring achievement of long and short-term Company goals before payment of certain compensation elements.

We urge stockholders to carefully read the section of this Proxy Statement titled *Compensation of Named Executive Officers*, which provides the *Summary Compensation Table* and related compensation disclosures that follow it. Our board of directors and the Compensation Committee believe that the compensation policies and procedures described in this Proxy Statement are effective in achieving our compensation objectives.

Therefore, in accordance with Section 14A of the Exchange Act, and as a matter of good corporate governance, we ask our stockholders to approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on a non-binding advisory basis, all of the compensation of the Company's executive officers who are named in the Summary Compensation Table of the Company's 2019 Proxy Statement, as such compensation is disclosed in the Company's 2019 Proxy Statement pursuant to the disclosure rules of the Securities and Exchange Commission, which disclosure includes the section entitled Compensation of Named Executive Officers, the Summary Compensation Table, and the related compensation tables, notes and narrative in the Proxy Statement for our Company's 2019 Annual Meeting of Stockholders.

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Because your vote is advisory, it will not be binding on the board of directors, the Compensation Committee or the Company. However, our board of directors and Compensation Committee value the opinions of our stockholders and will take into account the outcome of the stockholder vote on this proposal at the Annual Meeting when considering future executive compensation arrangements.

Proxies

Proxies received in response to this solicitation will be voted "**FOR**" the approval, on an advisory basis, of the compensation of our named executive officers disclosed in this Proxy Statement unless otherwise specified in the proxy.

Vote Required

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to approve, on an advisory basis, the compensation of our named executive officers as described herein.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL, ON A NON-BINDING ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS SET FORTH ABOVE.

PROPOSAL 4 — APPROVAL OF AMENDMENT TO 2015 STOCK INCENTIVE PLAN

In August 2015, the board of directors adopted, and our stockholders subsequently approved, the 2015 Stock Incentive Plan, which Plan was later amended in August 2016, June 2017 and June 2018, respectively, and is collectively referred to as the 2015 Plan. As of April 22, 2019, there were 3,181,000 shares of common stock subject to outstanding awards and 69,000 shares still available for grant under the 2015 Plan.

In an effort to preserve cash and to attract, retain and motivate persons who make important contributions to our business, we would like to have the flexibility to issue securities to our employees, directors, consultants, independent contractors and advisors whose present and potential contributions are important to our success, by offering them an opportunity to participate in our future performance. Management believes that the number of shares of common stock currently available for issuance under the 2015 Plan is insufficient to meet its needs to provide for awards to the 2015 Plan participants for the next 12 months and inadequate to allow us the ability to compete successfully for talented employees and consultants.

Consequently, the board of directors has approved, subject to stockholder approval, the amendment to the 2015 Plan to increase by 1,000,000 the number of shares that may be granted under the 2015 Plan. The amendment to our 2015 Plan will increase the number of shares of common stock with respect to which awards may be granted under the Plan from 3,250,000 to 4,250,000. We are requesting stockholder approval of the proposed increase in the authorized number of shares of common stock under the 2015 Plan.

The board of directors believes that the amendment to the 2015 Plan is necessary and in the best interests of our Company because of the continuing need to provide equity-based incentives to attract and retain qualified personnel and to respond to relevant market changes in equity compensation practices. The use of equity compensation has historically been a significant part of our overall compensation philosophy and is a practice that we plan to continue. The 2015 Plan serves as an important part of this practice and is a critical component of the overall compensation package that we offer to retain and motivate our service providers. In addition, awards under the 2015 Plan provide our service providers an opportunity to acquire or increase their ownership stake in us, and we believe this aligns their interests with those of our stockholders, creating strong incentives for our employees, directors, consultants, independent contractors and advisors to work hard for our future growth and success. If Proposal 4 is not approved by our stockholders, we believe our ability to attract and retain the talent we need to compete in our industry would be seriously and negatively impacted, and this could affect our long-term success.

A broad-based stock incentive plan focuses our employees who receive grants on achieving strong corporate performance, and we have embedded in our culture the necessity for employees to think and act as stockholders. This is an important component of our long-term employee incentive and retention plan and has been very effective in enabling us to attract and retain the talent critical for an innovative and growth-focused company. We also have

granted, and in the future may grant, awards to certain employees on a targeted basis to incentivize retention and performance objectives.

In setting and recommending to our stockholders the aggregate number of shares to authorize under the 2015 Plan, our board of directors and Compensation Committee considered the historical number of equity awards granted under the 2011 Plan as well as our three-year average burn rate for the preceding three fiscal years as follows:

Burn Rate Table

Year	No. of Options Granted	Full-Value		Weighted Average No. of Shares of Common Stock Outstanding	Annual Burn Rate
		Shares Granted	Total Granted		
FY 2018	805,000	-0-	805,000	31,389,220	2.56%
FY 2017	871,000	-0-	871,000	26,389,580	3.30%
FY 2016	825,000	-0-	825,000	23,049,089	3.58%

Our average burn rate for the preceding three fiscal years as set forth in the table above was 3.15%. The burn rate is the ratio of the number of shares underlying awards granted under the 2015 Plan during a fiscal year to our weighted-average number of common shares outstanding at the corresponding fiscal year end.

As of April 22, 2019, we had 1,047,801 stock options outstanding under the 2011 Plan with a weighted-average per share exercise price of \$3.20 and a weighted-average remaining contractual term of 0.44 years, subject to time-based vesting, and we had 3,181,000 stock options outstanding under the 2015 Plan with a weighted-average per share exercise price of \$4.35 and a weighted-average remaining contractual term of 2.73 years, subject to time-based vesting. The aggregate of 4,228,801 stock options outstanding under our 2011 Plan and our 2015 Plan and 69,000 shares available for issuance under the 2015 Plan (excluding the 1,000,000 shares subject to approval under this Proposal 4) represent an overhang of approximately 10.21% based on our common shares outstanding as of April 22, 2019. The 1,000,000 additional shares proposed to be available for future grant under our 2015 Plan would increase the overhang to approximately 12.29% based on our common shares outstanding as of April 22, 2019. We calculate “overhang” as the (a) total number of shares underlying outstanding awards plus shares available for issuance under future equity awards, divided by (b) the total number of shares outstanding, shares underlying outstanding awards and shares available for issuance under future equity awards.

Summary of the 2015 Stock Incentive Plan

The following summary highlights the significant terms of the 2015 Plan, as amended (assuming approval under this Proposal 4). This summary does not contain all of the information contained in the 2015 Plan, which is set forth in full as Appendix A to this Proxy Statement and which incorporates the amendment to the 2015 Plan discussed above. To the extent there is a conflict between this summary and the terms of the 2015 Plan, the terms of the 2015 Plan will govern.

Purposes. The purposes of the 2015 Plan are to enhance our ability to attract and retain the services of qualified employees, officers, directors, consultants and other services providers and provide additional incentives for such persons to devote their effort and skill to the advancement of the Company by providing them an opportunity to participate in the ownership of the Company.

Shares Authorized. 4,250,000 shares will be authorized under the 2015 Plan, subject to adjustment for stock splits and other similar changes in our capital structure. Any shares subject to awards that are forfeited, expire or are otherwise terminated without shares being issued will be returned to the pool of shares available for grant and issuance under the 2015 Plan. In addition, any shares subject to awards that are tendered by holders or withheld by us to pay the exercise price of an award or shares withheld to satisfy tax withholding obligations in connection with the exercise or vesting of any awards will also be returned to the pool of shares available for grant and issuance under the 2015 Plan. As of April 22, 2019, there are 69,000 shares of common stock available for grants that may be made under the 2015 Plan (excluding the 1,000,000 shares subject to approval under this Proposal 4).

Limitations on Awards. No more than 4,250,000 shares may be issued pursuant to the exercise of incentive stock options. Subject to adjustment for stock splits and other similar changes in our capital structure, no participant in the

2015 Plan may be granted options or stock appreciation rights during any 12-month period with respect to more than 500,000 shares (increased to two times such amount with respect to awards granted during the first calendar year of employment).

Eligible Participants. Incentive stock options may be granted only to Company employees. All other awards may be granted to any of our employees, directors, consultants, independent contractors and advisors that render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction. The Compensation Committee determines which individuals will participate in the 2015 Plan. As of April 22, 2019, there were approximately 42 employees and consultants and 4 non-employee directors eligible to participate in the 2015 Plan.

Adjustments. If the number of outstanding shares of the Company is changed by a stock dividend, extraordinary dividends or distributions (whether in cash, shares or other property, other than a regular cash dividend), recapitalization, stock split, reverse stock split, subdivision, combination, reclassification, spin-off or similar change in our capital structure, then (a) the number of shares reserved for issuance and future grant under the 2015 Plan; (b) the exercise prices of and number of shares subject to outstanding options and stock appreciation rights; (c) the number of shares subject to other outstanding awards; (d) the maximum number of shares that may be issued as incentive stock options or other awards; and (e) the maximum number of shares that may be issued to an individual or to a new employee in any one calendar year, will be proportionately adjusted, subject to any required action by our board of directors or our stockholders and in compliance with applicable securities laws. No fraction of shares may be issued following any adjustment.

Award Types. The 2015 Plan permits the issuance of the following types of awards: non-qualified and incentive stock options, restricted stock awards, stock bonus awards, stock appreciation rights, restricted stock units and performance awards.

Options. Options may be non-qualified stock options or incentive stock options and may vest based on time or achievement of performance goals. Our Compensation Committee may provide for options to be exercised only as they vest or to be immediately exercisable with any shares issued on exercise being subject to our right of repurchase that lapses as the shares vest. The term of options may not be longer than ten years, except in the case of incentive stock options granted to holders of more than 10% of our voting power, which may have a term no longer than five years.

Restricted Stock. A restricted stock award is an offer by us to sell shares of our common stock subject to restrictions, which may vest based on time or achievement of performance goals. The price, if any, of a restricted stock award will be determined by the Compensation Committee.

Stock Bonuses. Stock bonus awards may be granted as additional compensation for past or future service or achievement of performance goals, and therefore, no payment will be required for any shares awarded under a stock bonus.

Stock Appreciation Rights. Stock appreciation rights provide for a payment, or payments, in cash or shares of our common stock, to the holder based upon the difference between the fair market value of our common stock on the date of exercise and the stated exercise price at grant up to a maximum amount of cash or number of shares. The term of stock appreciation rights may not be longer than ten years.

Restricted Stock Units. Restricted stock units represent the right to receive shares of our common stock at a specified date in the future, subject to forfeiture of that right because of termination of employment or failure to achieve certain performance goals. If a restricted stock unit has not been forfeited, then on the date specified in the applicable agreement, we will deliver to the holder of the restricted stock unit shares of our common stock (which may be subject to additional restrictions), cash or a combination of our common stock and cash.

Performance Awards. Performance awards cover a number of shares of our common stock that may be settled upon achievement of the pre-established performance goals in cash or by issuance of the underlying shares.

Non-Employee Directors. Under the 2015 Plan, non-employee directors may be granted awards either on a discretionary basis or pursuant to policy adopted by our board of directors, except that no non-employee director may be granted awards in any calendar year with a grant date fair value of more than \$1 million (increased to two times such amount with respect to awards granted during the first calendar year of service).

Administration. The Compensation Committee will administer the 2015 Plan. Subject to the terms and limitations expressly set forth in the 2015 Plan, the Compensation Committee selects the persons who receive awards, determines the number of shares covered thereby, and, establishes the terms, conditions and other provisions of the grants. The Compensation Committee may construe and interpret the 2015 Plan and prescribe, amend and rescind any rules and regulations relating to the 2015 Plan.

Corporate Transactions. In the event of a change of control, merger, sale of all or substantially all of our assets or other similar corporate transaction, unless otherwise determined by the Compensation Committee, all outstanding awards may be assumed or replaced by the successor corporation. In the alternative, the successor corporation may substitute equivalent awards or provide substantially similar consideration to participants as was provided to stockholders (after taking into account the existing provisions of the awards). The successor corporation may also issue, in place of outstanding shares held by the participant, substantially similar shares or other property subject to repurchase restrictions no less favorable to the participant. In the event such successor or acquiring corporation (if any) refuses to assume, convert, replace or substitute awards, then the awards will have their vesting accelerate as to all shares subject to such award (and any applicable rights of repurchase fully lapse) immediately prior to the consummation of the corporate transaction. In addition, in the event such successor or acquiring corporation (if any) refuses to assume, convert, replace or substitute awards, then the Compensation Committee will notify the participants that such award will be exercisable for a period of time determined by the Compensation Committee, and such awards will terminate upon the expiration of such period. Awards need not be treated similarly in a corporate transaction. Notwithstanding the foregoing, in the event of a change of control, merger, sale of all or substantially all of our assets or other similar corporate transaction, the vesting of all awards granted to non-employee directors will accelerate and such awards will become exercisable in full.

Method of Payment. The exercise price of options and the purchase price, if any, of other stock awards may be paid in cash or by check or, where expressly approved by the Compensation Committee and permitted by law, cancellation of indebtedness, surrender of shares, waiver of compensation, a broker-assisted or other form of cashless exercise program, any combination of the foregoing or any other method permitted by applicable law.

Transferability. Except as otherwise determined by the Compensation Committee, awards granted under the 2015 Plan may not be sold, pledged, assigned, hypothecated, transferred or disposed of except by will or the laws of descent and distribution.

Repricing Prohibited. Repricing, or reducing the exercise price of outstanding options or stock appreciation rights, or canceling in exchange for cash outstanding options or stock appreciation rights when the exercise price per share exceeds the fair market value of one share is prohibited without stockholder approval under the 2015 Plan.

Term. The 2015 Plan will terminate on August 18, 2025, unless it is earlier terminated.

Amendments. Our board of directors may terminate or amend the 2015 Plan at any time, provided that no action may be taken by our board of directors (except for adjustment for stock splits and other similar changes in our capital structure described in “Adjustments” above) without the approval of our stockholders to:

permit the repricing of outstanding stock options or stock appreciation rights under the 2015 Plan;

cancel in exchange for cash outstanding stock options or stock appreciation rights under the 2015 Plan when the exercise price per share exceeds the fair market value of one share; or

otherwise implement any amendment to the 2015 Plan required to be approved by stockholders.

Insider Trading Policy. Any participant that receives an award under the 2015 Plan must comply with our insider trading policy.

Clawback or Recoupment. Awards, including gains realized with respect to such awards, under the 2015 Plan will be subject to clawback or recoupment pursuant to any compensation clawback or recoupment policy adopted by our board of directors or required by law.

New Plan Benefits. Future benefits to executive officers and employees under the amended 2015 Plan generally will be granted at the discretion of the Compensation Committee and are therefore not currently determinable.

U.S. Federal Income Tax Consequences

The following is a general summary as of the date of this Proxy Statement of the United States federal income tax consequences to us and participants in the 2015 Plan. The federal tax laws may change and the federal, state and local tax consequences for any participant will depend upon his or her individual circumstances. Each participant has been, and is, encouraged to seek the advice of a qualified tax advisor regarding the tax consequences of participation in the 2015 Plan.

Non-Qualified Stock Options. A participant will realize no taxable income at the time a non-qualified stock option is granted under the 2015 Plan, but generally at the time such non-qualified stock option is exercised, the participant will realize ordinary income in an amount equal to the excess of the fair market value of the shares on the date of exercise over the stock option exercise price. Upon a disposition of such shares, the difference between the amount received and the fair market value on the date of exercise will generally be treated as a long-term or short-term capital gain or loss, depending on the holding period of the shares. We will generally be entitled to a deduction for federal income tax purposes at the same time and in the same amount as the participant is considered to have realized ordinary income in connection with the exercise of the non-qualified stock option.

Incentive Stock Options. A participant will realize no taxable income, and we will not be entitled to any related deduction, at the time any incentive stock option is granted. If certain employment conditions are satisfied, then no taxable income will result upon the exercise of such option, and we will not be entitled to any deduction in connection with the exercise of such stock option. Upon disposition of the shares after expiration of the statutory holding periods, any gain realized by a participant will be taxed as long-term capital gain and any loss sustained will be long-term capital loss, and we will not be entitled to a deduction in respect to such disposition. While no ordinary taxable income is recognized at exercise (unless there is a “disqualifying disposition,” see below), the excess of the fair market value of the shares over the stock option exercise price is a preference item that is recognized for alternative minimum tax purposes.

Except in the event of death, if shares acquired by a participant upon the exercise of an incentive stock option are disposed of by such participant before the expiration of the statutory holding periods (*i.e.*, a “disqualifying disposition”), such participant will be considered to have realized as compensation taxed as ordinary income in the year of such disposition an amount, not exceeding the gain realized on such disposition, equal to the difference between the stock option exercise price and the fair market value of such shares on the date of exercise of such stock option. Generally, any gain realized on the disposition in excess of the amount treated as compensation or any loss realized on the disposition will constitute capital gain or loss, respectively. If a participant makes a “disqualifying disposition,” generally in the fiscal year of such “disqualifying disposition” we will be allowed a deduction for federal income tax purposes in an amount equal to the compensation realized by such participant.

Restricted Stock. A participant receiving restricted stock may be taxed in one of two ways: the participant (i) pays tax when the restrictions lapse (*i.e.*, with respect to the shares as they become vested) or (ii) makes an election under Section 83(b) of United States Internal Revenue Code of 1986, as amended, or the Code, to pay tax in the year the grant is made with respect to all of the shares subject to the grant. At either time the value of the award for tax purposes is the excess of the fair market value of the shares at that time over the amount (if any) paid for the shares. This value is taxed as ordinary income and if granted to an employee, is subject to income tax withholding. We receive a tax deduction at the same time and for the same amount taxable to the participant. If a participant makes an election under Section 83(b) of the Code to be taxed at grant, then, when the restrictions lapse, there will be no further tax consequences attributable to the awarded stock until the recipient disposes of the stock, at which point any gain or loss will be short-term or long-term capital gain or loss, depending on the holding period of the stock prior to such disposition.

Stock Bonuses. The participant will not realize income when a stock bonus (which can be settled in cash or our common stock) is granted, but will realize ordinary income when shares (or cash, if cash settled) are transferred to him or her. The amount of such income will be equal to the fair market value of such transferred shares (or cash, if cash settled) on the date of transfer. We generally will be entitled to a tax deduction at the time and in the amount that the participant recognizes ordinary income.

Stock Appreciation Rights. A grant of a stock appreciation right (which can be settled in cash or our common stock) has no federal income tax consequences at the time of grant. Upon the exercise of stock appreciation rights, the value received is generally taxable to the recipient as ordinary income, and we generally will be entitled to a corresponding tax deduction.

Restricted Stock Units. In general, no taxable income is realized upon the grant of a restricted stock unit award (which can be settled in cash or our common stock). The participant will generally include in ordinary income the fair market value of the award of stock (or cash, if cash settled) at the time shares of stock (or cash, if cash settled) are delivered to the participant or at the time the restricted stock unit vests. We generally will be entitled to a tax deduction at the time and in the amount that the participant recognizes ordinary income.

Performance Awards. The participant will not realize income when a performance award is granted (which can be settled in cash or our common stock), but will realize ordinary income when shares (or cash, if cash settled) are transferred to him or her. The amount of such income will be equal to the fair market value of such transferred shares (or cash, if cash settled) on the date of transfer. We generally will be entitled to a tax deduction at the time and in the amount that the participant recognizes ordinary income.

Withholding Tax Requirements. Whenever shares are to be issued in satisfaction of awards granted under the 2015 Plan or the applicable tax event occurs, we may require the participant to remit to us an amount sufficient to satisfy applicable withholding tax requirements. Whenever payments in satisfaction of an award are to be made in cash, such payment will be net of an amount sufficient to satisfy the applicable withholding tax requirements. The Compensation Committee may require or permit the participant to satisfy applicable withholding tax requirements, in whole or in part by paying cash, electing to have us withhold otherwise deliverable cash or shares having a fair market value equal to the minimum statutory amount required to be withheld (or such other amount that will not cause an adverse accounting consequence or cost), delivering to us already-owned shares having a fair market value equal to the minimum amount required to be withheld or withholding from the proceeds of the sale of otherwise deliverable shares acquired pursuant to an award either through a voluntary sale or through a mandatory sale arranged by us.

Section 162(m). Section 162(m) of the Code limits the deductibility of compensation in excess of \$1 million paid to any one executive officer in any calendar year. Under the tax rules in effect before 2018, compensation that qualified as “performance-based” under Section 162(m) was deductible without regard to this \$1 million limit. However, the Tax Cuts and Jobs Act, which was signed into law December 22, 2017, eliminated this performance-based compensation exception effective January 1, 2018, subject to a special rule that “grandfathers” certain awards and arrangements that were in effect on or before November 2, 2017. As a result, compensation that is paid on or after January 1, 2018 may not be fully deductible, depending on the application of the special grandfather rules. Moreover, from and after January 1, 2018, compensation awarded in excess of \$1 million to our executive officers generally will not be deductible.

Board of Directors’ Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL AND ADOPTION OF THE AMENDMENT TO THE 2015 STOCK INCENTIVE PLAN AS SET FORTH ABOVE.

PROPOSAL 5 — APPROVAL OF RESTATED CERTIFICATE TO PROVIDE FOR CLASSIFIED BOARD OF DIRECTORS

Our board of directors has unanimously approved and recommends that our stockholders approve the Restated Certificate in the form attached to this proxy as Appendix B, which provides for the establishment of a classified board structure. Our board of directors currently consists of six members elected to one year terms at each annual meeting of stockholders. The proposed amendments divide our board of directors into three classes, with each class having a three-year term. The specific amendments to our Certificate of Incorporation necessary to make these changes are included in the Restated Certificate attached to this Proxy Statement as Appendix B, and are incorporated herein by reference.

Classified Board of Directors

Delaware law provides, unless otherwise provided in our Certificate of Incorporation or Bylaws, directors are elected for a one year term at the annual meeting of stockholders. If adopted, Proposal 5 would amend our Certificate of Incorporation to provide that our board of directors be divided into three classes of directors serving staggered three-year terms. As a result, approximately one-third of the board will be elected each year. Initially, six directors will serve between one- to three-year terms. The two directors elected to Class I will serve for approximately one year. The two directors elected to Class II will serve for approximately two years. The two directors elected to Class III will serve approximately three years. After this transition, our directors will serve for three-year terms, with one class being elected each year.

If this Proposal 5 is approved, upon the filing with the Secretary of State of the State of Delaware, the Restated Certificate will authorize our board of directors to assign directors then in office to the classes of directors, and our board of directors will be responsible for assigning new directors to classes upon their appointment or election to the board. Consistent with its authority to assign directors to classes of the board of directors, under the Restated Certificate vacancies on the board of directors may only be filled by the affirmative vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director. Any such newly-appointed director will hold office until the next election of the class to which such director has been assigned, subject to the election and qualification of a successor and to such director's earlier death, resignation or removal. A similar provision providing that our board of directors may fill vacancies is already included in our Bylaws. If this Proposal 5 is approved, the provisions related to filling vacancies will be reflected in the Restated Certificate, which will also specifically provide that our stockholders may not fill any vacancies.

If this Proposal 5 is approved, upon the recommendation provided by our Nominations and Governance Committee, our board of directors currently expects that, contingent upon their re-election, Dr. Edward Futcher and Dr. Habib Skaff will be designated to serve as Class I directors for an initial one-year term, that Dr. Martin Faulkes and Dr. Alan

Colman will be designated to serve as Class II directors for an initial two-year term, and that Cameron Reynolds and Guy Innes will be designated to serve as Class III directors for an initial three-year term.

Advantages of a Classified Board of Directors

Our board of directors believes that a classified board with three-year terms and the election of approximately one-third of the directors each year will help to assure the continuity and stability of our long-term policies in the future, since a majority of the directors at any given time will have prior experience working with management. This enhances directors' leadership role in supporting our long-term planning and objectives and encourages independence from management. In addition, our board of directors believes that the proposal will assist it in protecting the interests of our stockholders in the event of an unsolicited offer for the Company. Our board of directors believes that the existence of a classified board will encourage any potential acquirer to negotiate directly with the board, thereby giving it added leverage in such negotiations as well as increasing the likelihood of *bona fide* offers for the Company by serious acquirers. In accordance with our board of director's fiduciary duties, transactions negotiated and approved by our board of directors are designed to obtain appropriate value for, and ensure the equal treatment of, all stockholders. A classified board would not preclude unsolicited acquisition proposals but, by eliminating the threat of imminent removal, would put our board in a position to act to maximize value for all stockholders. A longer term in office also would allow our directors to stay focused on long-term value creation, without undue pressure that may come from special interest groups intent on pursuing their own agenda at the expense of the interests of the Company and its other stockholders. Further, it would enable the Company to benefit more effectively from directors' (particularly non-management directors') experience, knowledge of the Company and wisdom, while helping the Company to attract and retain highly qualified individuals willing to commit the time and dedication necessary to understand the Company, its operations and its competitive environment.

Disadvantages of a Classified Board of Directors

While a classified board of directors with all vacancies filled by our board of directors may have the beneficial effects discussed immediately above, it may also discourage some takeover bids, including some that a majority of our stockholders believe might be in their best interests to accept or where the reason for the desired change is inadequate performance of the directors or management. A classified board of directors, if adopted, would be applicable to every election of directors, rather than only an election occurring after a change in control of the Company. Because of the additional time required to change control of our board of directors, a classified board may also make it more difficult for a potential acquirer to obtain control of the Company without first obtaining the approval of the incumbent board. Currently, a change in control of our board of directors can be made by stockholders holding a plurality of the votes cast at a single annual meeting. If we establish a classified board of directors, it will take at least two annual meetings for a potential acquirer to effect a change in control of our board of directors, even if the potential acquirer were to acquire a majority of our outstanding common stock. A classified board of directors may discourage some takeover bids, perhaps including some takeover bids that would otherwise allow stockholders the opportunity to realize a premium over the market price of their stock. A classified board may also increase the cost of attempting a takeover or change of control or removal or replacement of existing directors, which may further discourage attempted takeovers or changes of control.

If this Proposal 5 is approved, the provisions establishing a classified board of directors and designating the power to fill vacancies on the board to the board of directors will be effective upon the filing with the Secretary of State of the State of Delaware of the Restated Certificate, which we intend to file promptly after stockholder approval is obtained.

Our board of directors may abandon the proposed amendments and the Restated Certificate before or after adoption and approval by our stockholders at any time prior to the effectiveness of the Restated Certificate.

We are not aware of any present or threatened third-party plans to gain control of the Company, and this Proposal 5 is not being recommended in response to any such plan or threat.

This summary does not purport to be complete and is qualified in its entirety by reference to the Restated Certificate attached hereto as Appendix B.

Proxies

Proxies received in response to this solicitation will be voted **“FOR”** the approval of the Restated Certificate to provide for the election of a classified board of directors and the designation of the power to fill vacancies on the board to the board of directors, unless otherwise specified in the proxy.

Vote Required

Approval of this Proposal 5 requires that the proposal receive the affirmative vote of a majority of the shares outstanding. This proposal is considered a “non-routine” matter. As a result, abstentions and broker non-votes will count towards a quorum, but will have the effect of a vote “**AGAINST**” on the outcome of this Proposal 5.

Unbundling with Other Proposals

This Proposal 5 is separate from the approval of Proposal 8 (*Approval of Restated Certificate to Prohibit Director Removal Without Cause and to Allow Removal With Cause by the Vote of the Stockholders of at Least 66-2/3% of All Then Outstanding Shares of Common Stock of the Company*). Your vote on Proposal 8 does not affect your vote on Proposal 5, but Proposal 8 is contingent on approval of Proposal 5. Accordingly, if Proposal 5 is not approved, we will not implement the amendment contemplated in Proposal 8, even if approved by our stockholders. You can vote “**FOR**” or “**AGAINST**”, or “**ABSTAIN**” from voting on, any of these proposals.

This Proposal 5 is also separate from Proposals 6 and 7. Your vote on Proposal 5 does not affect your vote on Proposals 6 and 7 and vice versa. You can vote “**FOR**” or “**AGAINST**”, or “**ABSTAIN**” from voting on, any of these proposals.

For the reasons stated above, our board of directors believes that approval of this Proposal 5 is in the Company’s best interests and the best interests of our stockholders.

Board of Directors’ Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE RESTATED CERTIFICATE TO PROVIDE FOR THE ELECTION OF A CLASSIFIED BOARD OF DIRECTORS AS SET FORTH ABOVE.

PROPOSAL 6 — APPROVAL OF RESTATED CERTIFICATE TO PERMIT STOCKHOLDER ACTION ONLY AT A DULY CALLED ANNUAL OR SPECIAL MEETING AND TO PROHIBIT STOCKHOLDER ACTION BY WRITTEN CONSENT OR ELECTRONIC TRANSMISSION

Our board of directors has unanimously approved and recommends that our stockholders approve the Restated Certificate to permit stockholder action to be taken only at a duly called annual or special meeting and to eliminate stockholder action by written consent or electronic transmission. Our board of directors believes that this amendment to our Certificate of Incorporation is in the best interest of our stockholders in order to protect our stockholders from various takeover bids. The specific amendments to our Certificate of Incorporation that are necessary to make these changes are included in the Restated Certificate attached to this proxy statement as Appendix B, and are incorporated herein by reference.

Delaware law provides that, unless otherwise provided in our Certificate of Incorporation, any action that may be taken or is required to be taken at any annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action taken, are signed by the holders of not less than the minimum number of votes that would be necessary to take such action at a meeting at which all stockholders having a right to vote thereon were present and voted.

Our Certificate of Incorporation currently does not contain any provision restricting or regulating stockholder action by written consent. Our Bylaws provide that no action may be taken by the stockholders except at a duly called annual or special meeting of stockholders and that stockholders may not act by written consent in lieu of a meeting. As noted above, however, this provision may be ineffective under Delaware law because it is not set forth in our Certificate of Incorporation. Accordingly, this Proposal 6, if approved, would amend our Certificate of Incorporation to include a similar provision eliminating the ability of our stockholders to act by written consent or electronic transmission without a meeting, and requiring all stockholder action to be taken at a duly called annual or special meeting of stockholders.

Advantages of Prohibiting Stockholder Action by Written Consent or Electronic Transmission

Our board of directors believes that the approval of this Proposal 6 is in our best interests should a person or group holding a majority of our stock seek to call a special meeting of stockholders or seek stockholder action by written consent without a meeting. By permitting action to be taken only at a duly called annual or special meeting of stockholders and eliminating action by written consent or electronic transmission of stockholders, the amendment would give all of our stockholders entitled to vote on a particular matter advance notice of and the opportunity to participate in the determination of any proposed action and the ability to take judicial or other action to protect their interests. In addition, our board of directors believes that this meeting and voting proposal is desirable to avoid untimely notice of an action in a context that might not permit stockholders to have the full benefit of the knowledge,

advice and participation of our management and board of directors.

Disadvantages of Prohibiting Stockholder Action by Written Consent or Electronic Transmission

This proposal, especially in conjunction with the classified board proposal (Proposal 5), might make it more difficult to effect or might discourage a merger, tender offer, proxy contest or change in control and the removal of management, which stockholders might otherwise deem favorable.

We are not aware of any present or threatened third-party plans to gain control of the Company, and this Proposal 6 is not being recommended in response to any such plan or threat.

If this Proposal 6 is approved, the provisions permitting stockholder action to be taken only at a duly called annual or special meeting and eliminating action by written consent or electronic transmission of stockholders will be effective upon the filing with the Secretary of State of the State of Delaware of the Restated Certificate, which we intend to file promptly after stockholder approval is obtained. Our board of directors may abandon the proposed amendments and the Restated Certificate before or after adoption and approval by our stockholders at any time prior to the effectiveness of the Restated Certificate.

This summary does not purport to be complete and is qualified in its entirety by reference to the Restated Certificate attached hereto as Appendix B.

Proxies

Proxies received in response to this solicitation will be voted “**FOR**” the approval of the Restated Certificate to permit stockholder action only at a duly called annual or special meeting and to prohibit stockholder action by written consent or electronic transmission, unless otherwise specified in the proxy.

Vote Required

Approval of this Proposal 6 requires the affirmative vote of at least a majority of the shares outstanding. This proposal is considered a “non-routine” matter. As a result, abstentions and broker non-votes will count towards a quorum, but will have the effect of a vote “**AGAINST**” on the outcome of this Proposal 6.

Unbundling with Other Proposals

This Proposal 6 is separate from Proposals 5, 7 and 8. Your vote on Proposal 6 does not affect your vote on Proposals 5, 7 and 8. You can vote “**FOR**” or “**AGAINST**”, or “**ABSTAIN**” from voting on, any of these proposals.

For the reasons stated above, our Board believes that approval of this Proposal 6 is in the Company’s best interests and the best interests of our stockholders.

Board of Directors’ Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE RESTATED CERTIFICATE TO PERMIT STOCKHOLDER ACTION ONLY AT A DULY CALLED ANNUAL OR SPECIAL MEETING AND TO PROHIBIT STOCKHOLDER ACTION BY WRITTEN CONSENT OR ELECTRONIC TRANSMISSION AS SET FORTH ABOVE.

PROPOSAL 7 — APPROVAL OF THE RESTATED CERTIFICATE TO REQUIRE THAT SPECIAL MEETINGS OF STOCKHOLDERS BE CALLED (I) BY THE BOARD OF DIRECTORS PURSUANT TO A RESOLUTION APPROVED BY A MAJORITY OF THE BOARD OF DIRECTORS, (II) BY THE CHAIRMAN OF THE BOARD OF DIRECTORS, (III) BY THE CHIEF EXECUTIVE OFFICER OR (IV) BY THE PRESIDENT (IN THE ABSENCE OF A CHIEF EXECUTIVE OFFICER)

Our board of directors unanimously approved and recommends that our stockholders approve the Restated Certificate to require that special meetings of our stockholders be called only by (i) our board of directors pursuant to a resolution approved by a majority of our board of directors, (ii) the chairperson of our board of directors, (iii) our chief executive officer or (iv) our president (in the absence of a chief executive officer). The specific amendments to our Certificate of Incorporation that are necessary to make these changes are included in the Restated Certificate attached to this Proxy Statement as Appendix B, and are incorporated herein by reference.

Delaware law does not grant stockholders of a corporation the absolute right to call a special meeting. Rather, it provides that special meetings of stockholders may be called by the board of directors or by such persons as are authorized by a corporation's certificate of incorporation or bylaws. We believe that the Delaware legislature adopted this approach to permit a corporation to alleviate the significant financial and administrative burdens that unrestricted special meetings could impose on corporations (particularly, public corporations such as ours). Our Certificate of Incorporation is silent on the matter, but our Bylaws provide that only our board of directors (acting based on a resolution adopted by a majority of the board of directors), the chairman of our board of directors, our chief executive officer or our president (in the absence of a chief executive officer) may call a special meeting. This Bylaw provision prevents special meetings from being called by stockholders, which may include persons seeking control of the Company or special interest groups in pursuit of their own agendas, but may currently be amended by our stockholders without the board of directors' approval. There are a variety of reasons why a potential acquirer would seek to compel us to hold a special meeting of stockholders. These could include the replacement of one or more members of our board of directors, amending our Certificate of Incorporation or Bylaws to dismantle the Company's defenses against abusive takeover practices and make it easier for a hostile bidder to gain control of the Company and/or forcing the stockholders to consider an offer that our board deems inadequate or on the basis of information that our board deems incomplete or inaccurate. These could lead to a stockholder acquiring control of the Company without paying a control premium. Furthermore, special meetings where special interest groups can advance their own interests can be divisive, costly and disruptive and can divert management's attention and resources from pursuing and implementing those strategic goals and objectives upon which our growth and stockholder value creation depend.

Advantages of Requiring Special Meetings of Stockholders Only Be Called by Certain Specified Persons

Our board of directors believes that amending the provisions of our Certificate of Incorporation to add a similar provision regarding the ability to call a special meeting of our stockholders consistent with our Bylaws is a prudent corporate governance measure in that it would perpetuate the benefits of the Bylaw provision described above, by foreclosing a stockholder-initiated amendment of such Bylaw provision that would permit stockholders to call special

meetings without board approval. If such an amendment were to be implemented, and depending on the terms of such amendment, stockholders (perhaps even an inappropriately small number of them) could prematurely force stockholder consideration of a proposal over the opposition of our board of directors at a special meeting before stockholders have the full benefit of the knowledge, advice and participation of our management and board of directors. In the event of a proposed acquisition of the Company, our board of directors believes that the interests of our stockholders will best be served by a transaction that results from negotiations based on careful consideration of the proposed terms. We believe that when our board of directors is granted the opportunity to thoroughly analyze a proposal, our stockholders can benefit from our board of directors' insight regarding what is in the best interests of all of our stockholders.

Disadvantages of Requiring Special Meetings of Stockholders Only Be Called by Certain Specified Persons

Including a provision regarding the ability to call a special meeting of stockholders in our Certificate of Incorporation and not providing stockholders with the power to call a special meeting may deter certain acquisitions of our stock and may delay, deter or impede stockholder action not approved by our board of directors. Such actions may include stockholder attempts to obtain control of our board of directors, unsolicited tender offers or other efforts to acquire control of the Company. While a similar provision is already contained within our Bylaws, the effect of this proposal may be to impede or delay, at least until the next regularly scheduled annual meeting (and, if Proposal 5, adoption of a classified board of directors, is approved, beyond such meeting), the initiation or consummation of business transactions, such as reorganizations, mergers, or recapitalizations, which are opposed by our board of directors even though sought by a majority of our stockholders. Without the ability to act by written consent (if Proposal 6 is also approved) or to call a special meeting of our stockholders, a holder or group of holders controlling a majority interest of the common stock would not be able to amend our Certificate of Incorporation or Bylaws except as voted upon at an annual stockholders' meeting where such action is duly proposed or at a special meeting of the stockholders, held to take any such action and duly called for by our board of directors. Our board of directors believes, however, that the benefits of discouraging hostile and potentially abusive takeover tactics and special interest groups seeking to further their own agendas from conducting potentially expensive and disruptive consent solicitations and special meetings of our stockholders outweigh these disadvantages.

We are not aware of any present or threatened third-party plans to gain control of the Company, and this Proposal 7 is not being recommended in response to any such plan or threat.

If this Proposal 7 is approved, the provisions requiring that special meetings of stockholders be called (i) by the board of directors pursuant to a resolution approved by a majority of the board of directors, (ii) by the chairman of the board of directors, (iii) by the chief executive officer or (iv) by the president (in the absence of a chief executive officer), will be effective upon the filing with the Secretary of State of the State of Delaware of the Restated Certificate, which we intend to file promptly after stockholder approval is obtained. Our board of directors may abandon the proposed amendments and the Restated Certificate before or after adoption and approval by our stockholders at any time prior to the effectiveness of the Restated Certificate.

This summary does not purport to be complete and is qualified in its entirety by reference to the Restated Certificate attached hereto as Appendix B.

Proxies

Proxies received in response to this solicitation will be voted **“FOR”** the approval of the Restated Certificate to require that special meetings of stockholders be called (i) by the board of directors pursuant to a resolution approved by a majority of the board of directors, (ii) by the chairman of the board of directors, (iii) by the chief executive officer or (iv) by the president (in the absence of a chief executive officer), unless otherwise specified in the proxy.

Vote Required

Approval of this Proposal 7 requires the affirmative vote of at least a majority of the shares outstanding. This proposal is considered a “non-routine” matter. As a result, abstentions and broker non-votes will count towards a quorum, but will have the effect of a vote **“AGAINST”** on the outcome of this Proposal 7.

Unbundling with Other Proposals

This Proposal 7 is separate from Proposals 5, 6 and 8. Your vote on Proposal 7 does not affect your vote on Proposals 5, 6 and 8. You can vote **“FOR”** or **“AGAINST”**, or **“ABSTAIN”** from voting on, any of these proposals.

For the reasons stated above, our Board believes that approval of this Proposal 7 is in the Company's best interests and the best interests of our stockholders.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THE RESTATED CERTIFICATE TO REQUIRE THAT SPECIAL MEETINGS OF STOCKHOLDERS BE CALLED (I) BY THE BOARD OF DIRECTORS PURSUANT TO A RESOLUTION APPROVED BY A MAJORITY OF THE BOARD OF DIRECTORS, (II) BY THE CHAIRMAN OF THE BOARD OF DIRECTORS, (III) BY THE CHIEF EXECUTIVE OFFICER OR (IV) BY THE PRESIDENT (IN THE ABSENCE OF A CHIEF EXECUTIVE OFFICER), AS SET FORTH ABOVE.

PROPOSAL 8 — APPROVAL OF RESTATED CERTIFICATE TO PROHIBIT DIRECTOR REMOVAL WITHOUT CAUSE AND TO ALLOW REMOVAL WITH CAUSE BY THE VOTE OF THE STOCKHOLDERS OF AT LEAST 66-2/3% OF ALL THEN OUTSTANDING SHARES OF COMMON STOCK OF THE COMPANY

Our board of directors has unanimously approved and recommends that our stockholders approve the Restated Certificate to provide for the addition of provisions regarding director removal. The proposed provisions prohibit director removal without cause and allow removal with cause by the affirmative vote of the holders of at least 66-2/3% of the voting power of all then outstanding shares of our common stock entitled to vote generally at an election of directors. The specific amendments to our Certificate of Incorporation that are necessary to make these changes are included in the Restated Certificate attached to this Proxy Statement as Appendix B, and are incorporated herein by reference.

Delaware law provides that, when a board of directors is classified, stockholders may only remove directors for cause unless our Certificate of Incorporation provides otherwise. In Proposal 5, we seek to establish a classified board of directors. Accordingly, this proposal partially seeks to align our Certificate of Incorporation with Delaware law. The Restated Certificate provides that our stockholders can remove directors only with cause and by the vote of at least 66-2/3% of the voting power of all our then outstanding shares of all our common stock entitled to vote generally at an election of directors.

Advantages of Director Removal Provisions

Our board of directors believes that a classified board where stockholders can remove directors only with cause and by the vote of at least 66-2/3% of the voting power of then outstanding shares of common stock will help to assure continuity and enhances directors' leadership role in supporting our long-term planning and objectives and encourages independence from management. In addition, our board of directors believes that this proposal will assist it in protecting the interests of our stockholders in the event of an unsolicited offer for the Company because it will be difficult to remove directors. Additionally, requiring a two-thirds vote by stockholders protects against self-interested action by large stockholders by requiring broad stockholder support for director changes.

Disadvantages of Director Removal Provisions

While the proposed removal provisions may have the beneficial effects discussed immediately above, it may also discourage some takeover bids, including some that a majority of the independent stockholders believe might be in their best interests to accept or where the reason for the desired change is inadequate performance of our directors. In

addition, some commentators argue that two-thirds stockholder voting requirements could limit a board's accountability to stockholders or stockholder participation in a company's corporate governance. Requiring a two-thirds vote for director removal by stockholders for cause could also lead to the entrenchment of management because it will be more difficult to remove directors.

We are not aware of any present or threatened third-party plans to gain control of the Company, and this Proposal 8 is not being recommended in response to any such plan or threat.

If this Proposal 8 is approved, the provisions regarding removal of directors by stockholders will be effective upon the filing with the Secretary of State of the State of Delaware of the Restated Certificate, which we intend to file promptly after stockholder approval is obtained. Our board of directors may abandon the proposed amendments and the Restated Certificate before or after adoption and approval by our stockholders at any time prior to the effectiveness of the Restated Certificate.

This summary does not purport to be complete and is qualified in its entirety by reference to the Restated Certificate attached hereto as Appendix B.

Proxies

Proxies received in response to this solicitation will be voted "**FOR**" the approval of the Restated Certificate to prohibit director removal without cause and to allow removal with cause by the vote of the stockholders of at least 66-2/3% of all then outstanding shares of common stock of the Company, unless otherwise specified in the proxy.

Vote Required

Approval of this Proposal 8 requires the affirmative vote of at least a majority of the shares outstanding. This proposal is considered a "non-routine" matter. As a result, abstentions and broker non-votes will count towards a quorum, but will have the effect of a vote "**AGAINST**" on the outcome of this Proposal 8.

Unbundling with Other Proposals

This Proposal 8 is separate, but contingent on the approval of, Proposal 5 (*Approval of Restated Certificate to Provide for Classified Board of Directors*). Your vote on Proposal 5 does not affect your vote on Proposal 8, but Proposal 8 is contingent on approval of Proposal 5. Accordingly, if Proposal 5 is not approved, we will not implement the amendment contemplated in Proposal 8, even if approved by our stockholders. You can vote “**FOR**” or “**AGAINST**”, or “**ABSTAIN**” from voting on, any of these proposals.

This Proposal 8 is also separate from Proposals 6 and 7. Your vote on Proposal 8 does not affect your vote on Proposals 6 and 7 and vice versa. You can vote “**FOR**” or “**AGAINST**”, or “**ABSTAIN**” from voting on, any of these proposals.

For the reasons stated above, our Board believes that approval of this Proposal 8 is in the Company’s best interests and those of our stockholders.

BOARD OF DIRECTORS’ RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE RESTATED CERTIFICATE TO PROHIBIT DIRECTOR REMOVAL WITHOUT CAUSE AND TO ALLOW REMOVAL WITH CAUSE BY THE VOTE OF THE STOCKHOLDERS OF AT LEAST 66-2/3% OF ALL THEN OUTSTANDING SHARES OF COMMON STOCK OF THE COMPANY.

DELIVERY OF DOCUMENTS TO STOCKHOLDERS SHARING AN ADDRESS

We will send only one copy of the Proxy Materials to stockholders who share a single address unless we receive contrary instructions from any stockholder at that address. This practice, known as “householding,” is designed to reduce our printing and postage costs. However, the Company will deliver promptly upon written or oral request a separate copy of the Notice or Proxy Materials to a stockholder at a shared address to which a single copy of the Notice or Proxy Materials was delivered. You may make such a written or oral request by calling the Company or sending a written notification, stating your name, your shared address and the address to which the Company should direct the additional copy of the Notice or Proxy Materials, to VolitionRx Limited, 1 Scotts Road, #24-05 Shaw Centre, Singapore 228208, Attention: Rodney Rootsart, Corporate Secretary, or by telephone at +1 (646) 650-1351. Additionally, if current stockholders with a shared address received multiple copies of the Notice or Proxy Materials or other corporate mailings and would prefer the Company to mail one copy of future mailings to stockholders at the shared address, such request may also be made by mail or telephone to the Company’s principal executive offices.

ARTICLE 2

Notwithstanding the foregoing, the foregoing definition of “Cause” may, in part or in whole, be modified or replaced in each individual employment agreement or Award Agreement with any Participant, provided that such document supersedes the definition provided in this Section 2.5.

For purposes of this definition, Persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock or similar business transaction with the Company. Notwithstanding the foregoing, to the extent that any amount constituting deferred compensation (as defined in Section 409A of the Code) would become payable under this Plan by reason of a Corporate Transaction, such amount

ARTICLE 3

PLAN SHARES

3.1 Number of Shares Available. Subject to adjustment as provided in Section 3.5, the total number of Shares reserved and available for grant and issuance pursuant to this Plan is four million two hundred fifty thousand (4,250,000) Shares.

3.2 Lapsed, Returned Awards. If any Shares subject to an Award are forfeited, an Award expires or otherwise terminates without issuance of Shares or an Award is settled for cash (in whole or in part) or otherwise does not result in the issuance of all or a portion of the Shares subject to such Award (including on payment in Shares on exercise of a SAR), such Shares shall, to the extent of such forfeiture, expiration, termination, cash settlement or non-issuance, be added to the Shares available for grant under the Plan. If (i) any Award granted hereunder is exercised through the tendering of Shares (either actually or by attestation) or by the withholding of Shares by the Company or (ii) withholding tax liabilities arising from such Award are satisfied by the tendering of Shares (either actually or by attestation) or by the withholding of Shares by the Company, then in each such case the Shares so tendered or withheld shall be added to the Shares available for grant under the Plan on a one-for-one basis.

3.3 Minimum Share Reserve. At all times the Company will reserve and keep available a sufficient number of Shares as will be required to satisfy the requirements of all outstanding Awards granted under this Plan.

3.4 Limitations; Eligibility. No more than four million two hundred fifty thousand (4,250,000) Shares will be issued pursuant to the exercise of ISOs. ISOs may be granted only to Employees. All other Awards may be granted to Employees, Consultants, Directors and Non-Employee Directors; provided such Consultants, Directors and Non-Employee Directors render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction. Subject to adjustment as provided in Section 3.5, no Participant may be granted (a) Options or SARs during any 12-month period with respect to more than five hundred thousand (500,000) Shares and (b) Restricted Stock Awards, Restricted Stock Unit Awards, Performance Awards or Stock Bonus Awards during any calendar year that are intended to comply with the performance-based exception under Section 162(m) of the Code and are denominated in Shares under which more than five hundred thousand (500,000) Shares may be earned for each twelve (12) months in the vesting period or Performance Period. Each of the limitations in the preceding sentence of this Section 3.4 shall be multiplied by two (2) with respect to Awards granted to a Participant during the first calendar year in which the Participant commences employment with the Company and its Subsidiaries. If an Award is cancelled, the cancelled Award shall continue to be counted toward the applicable limitation in this Section 3.4.

3.5 Adjustment of Shares. If the number of outstanding Shares is changed by a stock dividend, extraordinary dividends or distributions (whether in cash, shares or other property, other than a regular cash dividend), recapitalization, stock split, reverse stock split, subdivision, combination, reclassification, spin-off or similar change in the capital structure of the Company, then (a) the number of Shares reserved for issuance and future grant under the Plan set forth in Section 3.1; (b) the Exercise Prices of and number of Shares subject to outstanding Options and SARs; (c) the number of Shares subject to other outstanding Awards; (d) the maximum number of shares that may be issued as ISOs or other Awards set forth in Section 3.4 and (e) the maximum number of Shares that may be issued to an individual or to a new Employee in any one calendar year set forth in Section 3.4, will be proportionately adjusted, subject to any required action by the Board or the stockholders of the Company and in compliance with applicable securities laws, provided that fractions of a Share will not be issued.

ARTICLE 4

OPTIONS

4.1 Options. An Option is the right but not the obligation to purchase a Share, subject to certain conditions, if applicable. The Committee may grant Options to eligible Employees, Consultants and Directors and will determine whether such Options will be Incentive Stock Options within the meaning of the Code (“*ISOs*”) or Nonqualified Stock Options (“*NSOs*”), the number of Shares subject to the Option, the Exercise Price of the Option, the period during which the Option may vest and be exercised, and all other terms and conditions of the Option, subject to the following terms of this Section 4.1.

4.2 Option Grant. Each Option granted under this Plan will identify the Option as an ISO or an NSO. An Option may be, but need not be, awarded upon satisfaction of such Performance Factors during any Performance Period as are set out in advance in the Participant’s individual Award Agreement. If the Option is being earned upon the satisfaction of Performance Factors, then the Committee will: (a) determine the nature, length and starting date of any Performance Period for each Option and (b) select from among the Performance Factors to be used to measure the performance, if any. Performance Periods may overlap and Participants may participate simultaneously with respect to Options that are subject to different performance goals and other criteria.

4 . 3 Date of Grant. The date of grant of an Option will be the date on which the Committee makes the determination to grant such Option or a specified future date. The Award Agreement and a copy of this Plan will be delivered to the Participant within a reasonable time after the granting of the Option.

4 . 4 Exercise Period. Options may be vested and exercisable within the times or upon the conditions as set forth in the Award Agreement governing such Option; provided, however, that no Option will be exercisable after the expiration of ten (10) years from the date the Option is granted; and provided further that no ISO granted to a person who, at the time the ISO is granted, directly or by attribution owns more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or of any Parent or Subsidiary of the Company (“**Ten Percent Stockholder**”) will be exercisable after the expiration of five (5) years from the date the ISO is granted. The Committee also may provide for Options to become exercisable at one time or from time to time, periodically or otherwise, in such number of Shares or percentage of Shares as the Committee determines.

4 . 5 Exercise Price. The Exercise Price of an Option will be determined by the Committee when the Option is granted, provided that (a) the Exercise Price of an Option will be not less than one hundred percent (100%) of the Fair Market Value of the Shares on the date of grant and (b) the Exercise Price of any ISO granted to a Ten Percent Stockholder will not be less than one hundred ten percent (110%) of the Fair Market Value of the Shares on the date of grant. Payment for the Shares purchased may be made in accordance with Section 13.1 and the Award Agreement and in accordance with any procedures established by the Company.

4 . 6 Method of Exercise. Any Option granted hereunder will be vested and exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Committee and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share. An Option will be deemed exercised when the Company receives: (a) notice of exercise (in such form as the Committee may specify from time to time) from the person entitled to exercise the Option (and/or via electronic execution through the authorized third party administrator) and (b) full payment for the Shares with respect to which the Option is exercised (together with applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Committee and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares, notwithstanding the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 3.5. Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

4 . 7 Termination of Service. Unless otherwise provided in the Award Agreement, if the Participant’s Service terminates for any reason except for Cause or the Participant’s death or Disability, then the Participant may exercise

such Participant's Options only to the extent that such Options would have been exercisable by the Participant on the date Participant's Service terminates no later than three (3) months after the date Participant's Service terminates (or such shorter or longer time period as may be determined by the Committee, with any exercise beyond three (3) months after the date Participant's Service terminates deemed to be the exercise of an NSO), but in any event no later than the expiration date of the Options. Unless otherwise provided in the Award Agreement, if the Participant's Service terminates because of the Participant's death (or the Participant dies within three (3) months after Participant's Service terminates other than for Cause or because of the Participant's Disability), then the Participant's Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the date Participant's Service terminates and must be exercised by the Participant's legal representative or authorized assignee no later than twelve (12) months after the date Participant's Service terminates (or such shorter time period or longer time period as may be determined by the Committee), but in any event no later than the expiration date of the Options. Unless otherwise provided in the Award Agreement, if the Participant's Service terminates because of the Participant's Disability, then the Participant's Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the date Participant's Service terminates and must be exercised by the Participant (or the Participant's legal representative or authorized assignee) no later than twelve (12) months after the date Participant's Service terminates (or such shorter or longer time period as may be determined by the Committee, with any exercise beyond (a) three (3) months after the date Participant's Service terminates when the termination of Service is for a Disability that is not a "permanent and total disability" as defined in Section 22(e)(3) of the Code or (b) twelve (12) months after the date Participant's Service terminates when the termination of Service is for a Disability that is a "permanent and total disability" as defined in Section 22(e)(3) of the Code, deemed to be exercise of an NSO), but in any event no later than the expiration date of the Options. Unless otherwise provided in the Award Agreement, if the Participant is terminated for Cause, then Participant's Options will expire on such Participant's date of termination of Service or at such later time and on such conditions as are determined by the Committee, but in any no event later than the expiration date of the Options. Unless otherwise provided in the Award Agreement, Cause will have the meaning set forth in the Plan.

4 . 8 Limitations on Exercise. The Committee may specify a minimum number of Shares that may be purchased on any exercise of an Option, provided that such minimum number will not prevent any Participant from exercising the Option for the full number of Shares for which it is then exercisable.

4 . 9 Limitations on ISOs. With respect to Awards granted as ISOs, to the extent that the aggregate Fair Market Value of the Shares with respect to which such ISOs are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds one hundred thousand dollars (\$100,000), such Options will be treated as NSOs. For purposes of this Section 4.9, ISOs will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted. In the event that the Code or the regulations promulgated thereunder are amended after the Effective Date to provide for a different limit on the Fair Market Value of Shares permitted to be subject to ISOs, such different limit will be automatically incorporated herein and will apply to any Options granted after the effective date of such amendment.

4 . 10 Modification or Extension. Subject in all cases to Section 13.8, the Committee may modify or extend outstanding Options (but not beyond their original term) and authorize the grant of new Options in substitution therefor, provided that any such action may not, without the written consent of a Participant, impair any of such Participant's rights under any Option previously granted. Any outstanding ISO that is modified, extended or otherwise altered will be treated in accordance with Section 424(h) of the Code.

4 . 11 No Disqualification. Notwithstanding any other provision in this Plan, no term of this Plan relating to ISOs will be interpreted, amended or altered, nor will any discretion or authority granted under this Plan be exercised, so as to disqualify this Plan under Section 422 of the Code or, without the consent of the Participant affected, to disqualify any ISO under Section 422 of the Code.

ARTICLE 5

RESTRICTED STOCK AWARDS

5 . 1 Restricted Stock Awards. A Restricted Stock Award is an offer by the Company to sell to an eligible Employee, Consultant or Director Shares that are subject to restrictions ("*Restricted Stock*"). The Committee will determine to whom an offer will be made, the number of Shares the Participant may purchase, the Purchase Price (if any), the restrictions under which the Shares will be subject and all other terms and conditions of the Restricted Stock Award, subject to the Plan.

5.2 Award Agreement. All Restricted Stock Awards will be evidenced by an Award Agreement. Except as may otherwise be provided in an Award Agreement, a Participant accepts a Restricted Stock Award by signing and delivering to the Company an Award Agreement with full payment of the Purchase Price (if any), within thirty (30) days from the date the Award Agreement was delivered to the Participant. If the Participant does not accept such Award within thirty (30) days, then the offer of such Restricted Stock Award will terminate, unless the Committee determines otherwise.

5.3 Purchase Price. The Purchase Price (if any) for a Restricted Stock Award will be determined by the Committee and may be less than Fair Market Value on the date the Restricted Stock Award is granted. Payment of the Purchase Price (if any) must be made in accordance with Section 13.1, the Award Agreement and any procedures established by the Company.

5.4 Terms of Restricted Stock Awards. Restricted Stock Awards will be subject to such restrictions as the Committee may impose or are required by law. These restrictions may be based on completion of a specified number of years of service with the Company or upon completion of Performance Factors, if any, during any Performance Period as set out in advance in the Participant's Award Agreement. Prior to the grant of a Restricted Stock Award, the Committee will: (a) determine the nature, length and starting date of any Performance Period for the Restricted Stock Award; (b) select from among the Performance Factors to be used to measure performance goals, if any and (c) determine the number of Shares that may be awarded to the Participant. Performance Periods may overlap and a Participant may participate simultaneously with respect to Restricted Stock Awards that are subject to different Performance Periods and having different performance goals and other criteria.

5.5 Termination of Service. Except as may be set forth in the Participant's Award Agreement, vesting ceases on such date Participant's Service terminates (unless determined otherwise by the Committee).

ARTICLE 6

STOCK BONUS AWARDS

6.1 Stock Bonus Awards. A Stock Bonus Award is an award to an eligible Employee, Consultant or Director of Shares for Services to be rendered or for past Services already rendered to the Company or any Parent or Subsidiary. All Stock Bonus Awards will be made pursuant to an Award Agreement. No payment from the Participant will be required for Shares awarded pursuant to a Stock Bonus Award.

6.2 Terms of Stock Bonus Awards. The Committee will determine the number of Shares to be awarded to the Participant under a Stock Bonus Award and any restrictions thereon. These restrictions may be based upon completion of a specified number of years of service with the Company or upon satisfaction of performance goals based on Performance Factors during any Performance Period as set out in advance in the Participant's Stock Bonus Agreement. Prior to the grant of any Stock Bonus Award the Committee will: (a) determine the nature, length and starting date of any Performance Period for the Stock Bonus Award; (b) select from among the Performance Factors to be used to measure performance goals (if any) and (c) determine the number of Shares that may be awarded to the Participant. Performance Periods may overlap and a Participant may participate simultaneously with respect to Stock Bonus Awards that are subject to different Performance Periods and different performance goals and other criteria.

6.3 Form of Payment to Participant. Payment may be made in the form of cash, whole Shares or a combination thereof, based on the Fair Market Value of the Shares earned under a Stock Bonus Award on the date of payment, as determined in the sole discretion of the Committee.

6.4 Termination of Service. Except as may be set forth in the Participant's Award Agreement, vesting ceases on such date Participant's Service terminates (unless determined otherwise by the Committee).

ARTICLE 7

STOCK APPRECIATION RIGHTS

7.1 Stock Appreciation Rights. A Stock Appreciation Right ("SAR") is an award to an eligible Employee, Consultant or Director that may be settled in cash or Shares (which may consist of Restricted Stock) having a value equal to (a) the difference between the Fair Market Value on the date of exercise over the Exercise Price multiplied by (b) the

number of Shares with respect to which the SAR is being settled (subject to any maximum number of Shares that may be issuable as specified in an Award Agreement). All SARs will be made pursuant to an Award Agreement.

7. 2 Terms of SARs. The Committee will determine the terms of each SAR, including: (a) the number of Shares subject to the SAR; (b) the Exercise Price and the time or times during which the SAR may be settled; (c) the consideration to be distributed on settlement of the SAR and (d) the effect of the Participant's termination of Service on each SAR. The Exercise Price of the SAR will be determined by the Committee when the SAR is granted, and may not be less than Fair Market Value. A SAR may be awarded upon satisfaction of Performance Factors, if any, during any Performance Period as are set out in advance in the Participant's individual Award Agreement. If the SAR is being earned upon the satisfaction of Performance Factors, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for each SAR and (y) select from among the Performance Factors to be used to measure the performance, if any. Performance Periods may overlap and Participants may participate simultaneously with respect to SARs that are subject to different Performance Factors and other criteria.

7. 3 Exercise Period and Expiration Date. A SAR will be exercisable within the times or upon the occurrence of events determined by the Committee and set forth in the Award Agreement governing such SAR. The SAR Agreement will set forth the expiration date; provided that no SAR will be exercisable after the expiration of ten (10) years from the date the SAR is granted. The Committee may also provide for SARs to become exercisable at one time or from time to time, periodically or otherwise (including upon the attainment during a Performance Period of performance goals based on Performance Factors), in such number of Shares or percentage of the Shares subject to the SAR as the Committee determines. Except as may be set forth in the Participant's Award Agreement, vesting ceases on the date Participant's Service terminates (unless determined otherwise by the Committee). Notwithstanding the foregoing, the rules of Section 4.7 also will apply to SARs.

7. 4 Form of Settlement. Upon exercise of a SAR, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying (a) the difference between the Fair Market Value of a Share on the date of exercise over the Exercise Price; times (b) the number of Shares with respect to which the SAR is exercised. At the discretion of the Committee, the payment from the Company for the SAR exercise may be in cash, in Shares of equivalent value or in some combination thereof. The portion of a SAR being settled may be paid currently or on a deferred basis with such interest or dividend equivalent, if any, as the Committee determines, provided that the terms of the SAR and any deferral satisfy the requirements of Section 409A of the Code.

7.5 Termination of Service. Except as may be set forth in the Participant's Award Agreement, vesting ceases on such date Participant's Service terminates (unless determined otherwise by the Committee).

ARTICLE 8

RESTRICTED STOCK UNITS

8.1 Restricted Stock Units. A Restricted Stock Unit ("**RSU**") is an award to an eligible Employee, Consultant or Director covering a number of Shares that may be settled in cash and/or by issuance of Shares (which may consist of Restricted Stock). All RSUs will be made pursuant to an Award Agreement.

8.2 Terms of RSUs. The Committee will determine the terms of an RSU including: (a) the number of Shares subject to the RSU; (b) the time or times during which the RSU may be settled; (c) the amount (including any minimum amount), nature (which may include cash, Shares or a combination of both) and valuation of the consideration to be paid or distributed on settlement; (d) the effect of the Participant's termination of Service on each RSU; and (e) such other terms as the Committee may determine. An RSU may be awarded upon satisfaction of such performance goals based on Performance Factors during any Performance Period as are set out in advance in the Participant's Award Agreement. If the RSU is being earned upon satisfaction of Performance Factors, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for the RSU; (y) select from among the Performance Factors to be used to measure the performance, if any and (z) determine the number of Shares deemed subject to the RSU. Performance Periods may overlap and participants may participate simultaneously with respect to RSUs that are subject to different Performance Periods and different performance goals and other criteria.

8.3 Timing of Settlement. Payment of earned RSUs will be made as soon as practicable after the date(s) determined by the Committee and set forth in the Award Agreement. The Committee may permit a Participant to defer payment under a RSU to a date or dates after the RSU is earned provided that the terms of the RSU and any deferral satisfy the requirements of Section 409A of the Code.

8.4 Termination of Service. Except as may be set forth in the Participant's Award Agreement, vesting ceases on such date Participant's Service terminates (unless determined otherwise by the Committee).

ARTICLE 9

PERFORMANCE AWARDS

9.1 Performance Awards. A Performance Award is an award to an eligible Employee, Consultant or Director of a cash bonus or an award of Performance Shares denominated in Shares that may be settled in cash or by issuance of those Shares (which may consist of Restricted Stock). Grants of Performance Awards will be made pursuant to an Award Agreement.

9.2 Terms of Performance Shares. The Committee will determine, and each Award Agreement will set forth, the terms of each Performance Award including: (a) the amount of any cash bonus; (b) the number of Shares deemed subject to an award of Performance Shares; (c) the Performance Factors and Performance Period that will determine the time and extent to which each Performance Award will be settled; (d) the consideration to be distributed on settlement and (e) the effect of the Participant's termination of Service on each Performance Award. In establishing Performance Factors and the Performance Period the Committee will: (x) determine the nature, length and starting date of any Performance Period; (y) select from among the Performance Factors to be used and (z) determine the number of Shares deemed subject to the award of Performance Shares. Prior to settlement the Committee will determine the extent to which Performance Awards have been earned. Performance Periods may overlap and Participants may participate simultaneously with respect to Performance Awards that are subject to different Performance Periods and different performance goals and other criteria. During any calendar year no Participant may be granted Performance Awards that are intended to comply with the performance-based exception under Section 162(m) of the Code and are denominated in cash under which more than \$10,000,000 may be earned for each twelve (12) months in the Performance Period. This limitation shall be multiplied by two (2) with respect to Awards granted to a Participant during the first calendar year in which the Participant commences employment with the Company and its Subsidiaries. If an Award is cancelled, the cancelled Award shall continue to be counted toward the limitation in this Section 9.2.

9.3 Value, Earning and Timing of Performance Shares. Each Performance Share will have an initial value equal to the Fair Market Value of a Share on the date of grant. After the applicable Performance Period has ended, the holder of Performance Shares will be entitled to receive a payout of the number of Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding Performance Factors or other vesting provisions have been achieved. The Committee, in its sole discretion, may pay earned Performance Shares in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Performance Shares at the close of the applicable Performance Period) or in a combination thereof.

9.4 Termination of Service. Except as may be set forth in the Participant's Award Agreement, vesting ceases on the date Participant's Service terminates (unless determined otherwise by the Committee).

ARTICLE 10

GRANTS TO NON-EMPLOYEE DIRECTORS

10.1 Grants To Non-Employee Directors. Non-Employee Directors are eligible to receive any type of Award offered under this Plan except ISOs. Awards pursuant to this Article 10 may be automatically made pursuant to policy adopted by the Board or made from time to time as determined in the discretion of the Board. No Non-Employee Director may be granted Awards pursuant to this Article 10 in any calendar year with a grant date fair value (determined in accordance with U.S. generally accepted accounting principles) of more than \$1,000,000. The limitation in the preceding sentence of this Section 10.1 shall be multiplied by two (2) with respect to Awards granted to a Non-Employee Director during the first calendar year in which the Non-Employee Director provides services as a Non-Employee Director.

10.2 Eligibility. Awards pursuant to this Article 10 will be granted only to Non-Employee Directors. A Non-Employee Director who is elected or re-elected as a member of the Board will be eligible to receive an Award under this Article 10.

10.3 Vesting, Exercisability and Settlement. Except as set forth in Article 12, Awards will vest, become exercisable and be settled as determined by the Board. With respect to Options and SARs, the exercise price granted to Non-Employee Directors will not be less than the Fair Market Value of the Shares at the time that such Option or SAR is granted.

10.4 Election to receive Awards in Lieu of Cash. A Non-Employee Director may elect to receive his or her annual retainer payments and/or meeting fees from the Company in the form of cash or Awards or a combination thereof, as determined by the Committee. Such Awards will be issued under the Plan. An election under this Section 10.4 will be filed with the Company on the form prescribed by the Company.

ARTICLE 11

ADMINISTRATION OF THE PLAN

11.1 Committee Composition; Authority. This Plan will be administered by the Committee or by the Board acting as the Committee. Subject to the general purposes, terms and conditions of this Plan, and to the direction of the Board, the Committee will have full power to implement and carry out this Plan, except, however, the Board will establish the terms for the grant of an Award to Non-Employee Directors. The Committee will have the authority to: (a) construe and interpret this Plan, any Award Agreement and any other agreement or document executed pursuant to this Plan; (b) prescribe, amend and rescind rules and regulations relating to this Plan or any Award; (c) select persons to receive Awards; (d) determine the form and terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder, including the exercise price, the time or times when Awards may vest and be exercised (which may be based on performance criteria) or settled, any vesting acceleration or waiver of forfeiture restrictions, the method to satisfy tax withholding obligations or any other tax liability legally due and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Committee will determine; (e) determine the number of Shares or other consideration subject to Awards; (f) determine the Fair Market Value in good faith and interpret the applicable provisions of this Plan and the definition of Fair Market Value in connection with circumstances that impact the Fair Market Value, if necessary; (g) determine whether Awards will be granted singly, in combination with, in tandem with, in replacement of or as alternatives to other Awards under this Plan or any other incentive or compensation plan of the Company or any Parent or Subsidiary of the Company; (h) grant waivers of Plan or Award conditions; (i) determine the vesting, exercisability and payment of Awards; (j) correct any defect, supply any omission or reconcile any inconsistency in this Plan, any Award or any Award Agreement; (k) determine whether an Award has been earned; (l) reduce or waive any criteria with respect to Performance Factors (subject to any applicable requirements or limitations under Section 162(m) of the Code); (m) adjust Performance Factors in accordance with Section 11.3 with respect to persons whose compensation is subject to Section 162(m) of the Code; (n) adopt terms and conditions, rules and procedures (including the adoption of any sub-plan under this Plan) relating to the operation and administration of the Plan to accommodate requirements of local law and procedures outside of the United States; (o) make all other determinations necessary or advisable for the administration of this Plan and (p) delegate any of the foregoing to a subcommittee consisting of one or more executive officers pursuant to a specific delegation as permitted by applicable law, including Section 157(c) of the Delaware General Corporation Law.

11.2 Committee Interpretation and Discretion. Any determination made by the Committee with respect to any Award will be made in its sole discretion at the time of grant of the Award or, unless in contravention of any express term of the Plan or Award, at any later time, and such determination will be final and binding on the Company and all persons having an interest in any Award under the Plan. Any dispute regarding the interpretation of the Plan or any Award Agreement will be submitted by the Participant or Company to the Committee for review. The resolution of such a dispute by the Committee will be final and binding on the Company and the Participant. The Committee may delegate to one or more executive officers the authority to review and resolve disputes with respect to Awards held by Participants who are not Insiders, and such resolution will be final and binding on the Company and the Participant.

11 . 3Section 162(m) of the Code and Section 16 of the Exchange Act. When necessary or desirable for an Award to qualify as “performance-based compensation” under Section 162(m) of the Code the Committee will include at least two persons who are “outside directors” (as defined under Section 162(m) of the Code) and at least two of such “outside directors” (or a majority if more than two “outside directors” then serve on the Committee) will approve the grant of such Award and timely determine (as applicable) the Performance Period and any Performance Factors upon which vesting or settlement of any portion of such Award is to be subject. If the Committee determines that an Award (other than an Option or SAR) is intended to qualify as “performance-based compensation” under Section 162(m) of the Code, the lapsing of restrictions thereon and the distribution of cash, Shares or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Committee, which shall be based on the attainment of specified levels of one or any combination of the Performance Factors. Such performance goals (and any exclusions) shall (a) be set by the Committee prior to the earlier of 90 days after the commencement of the applicable Performance Period and the expiration of 25% of the Performance Period and (b) otherwise comply with the requirements of Section 162(m) of the Code and the regulations thereunder. When required by Section 162(m) of the Code, prior to settlement of any such Award at least two (or a majority if more than two then serve on the Committee) of such “outside directors” then serving on the Committee will determine and certify in writing the extent to which such Performance Factors have been timely achieved and the extent to which the Award has thereby been earned, and the Committee may adjust downwards, but not upwards, the amount payable pursuant to such Award. Awards granted to Participants who are subject to Section 16 of the Exchange Act must be approved by two or more “non-employee directors” (as defined in the regulations promulgated under Section 16 of the Exchange Act). With respect to Participants whose compensation is subject to Section 162(m) of the Code, the Committee may specify, in its sole discretion, at the time of the initial grant of the Award, the manner of adjustment of any Performance Factors upon which vesting or settlement of any portion of such Award is to be subject to the extent necessary to prevent dilution or enlargement of any Award as a result of extraordinary events or circumstances, as determined by the Committee, or to exclude the effects of an event or occurrence which the Committee determines should appropriately be excluded, including: extraordinary, unusual, infrequent, or non-recurring items; an event either not directly related to the operations of the Company or not within the reasonable control of the Company’s management; changes in applicable laws, regulations or accounting principles or standards; currency fluctuations; discontinued operations; non-cash items, such as amortization, depreciation, or reserves; asset impairment; or any recapitalization, restructuring, reorganization, merger, acquisition, divestiture, consolidation, spin-off, split-up, combination, liquidation, dissolution, sale of assets, or other similar corporate transaction, but only to the extent such adjustments would be permitted under Section 162(m) of the Code.

11 . 4Documentation. The Award Agreement for a given Award, the Plan and any other documents may be delivered to, and accepted by, a Participant or any other person in any manner (including electronic distribution or posting) that meets applicable legal requirements.

11 . 5Foreign Award Recipients. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws and practices in other countries in which the Company and its Subsidiaries operate or have employees or other individuals eligible for Awards, the Committee, in its sole discretion, will have the power and authority to: (a) determine which Subsidiaries and Affiliates will be covered by the Plan; (b) determine which individuals outside the United States are eligible to participate in the Plan, which may include individuals who provide services to the Company, Subsidiary or Affiliate under an agreement with a foreign nation or agency; (c) modify the terms and conditions of any Award granted to individuals outside the United States or foreign nationals to comply with

applicable foreign laws, policies, customs and practices; (d) establish sub-plans and modify exercise procedures and other terms and procedures, to the extent the Committee determines such actions to be necessary or advisable (and such sub-plans and/or modifications will be attached to this Plan as appendices); provided, however, that no such sub-plans and/or modifications will increase the share limitations contained in Section 3.4 hereof and (e) take any action, before or after an Award is made, that the Committee determines to be necessary or advisable to obtain approval or comply with any local governmental regulatory exemptions or approvals. Notwithstanding the foregoing, the Committee may not take any actions hereunder, and no Awards will be granted, that would violate the Exchange Act or any other applicable United States securities law, the Code or any other applicable United States governing statute or law.

A-12

ARTICLE 12

CORPORATE TRANSACTIONS

12.1 Assumption or Replacement of Awards by Successor. In the event of a Corporate Transaction, any or all outstanding Awards may be assumed or replaced by the successor corporation, which assumption or replacement will be binding on all Participants. In the alternative, the successor corporation may substitute equivalent Awards or provide substantially similar consideration to Participants as was provided to stockholders (after taking into account the existing provisions of the Awards). The successor corporation may also issue, in place of outstanding Shares of the Company held by the Participant, substantially similar shares or other property subject to repurchase restrictions no less favorable to the Participant. In the event such successor or acquiring corporation (if any) refuses to assume, convert, replace or substitute Awards, as provided above, pursuant to a Corporate Transaction, then notwithstanding any other provision in this Plan to the contrary, such Awards will have their vesting accelerate as to all shares subject to such Award (and any applicable right of repurchase fully lapse) immediately prior to the Corporate Transaction. In addition, in the event such successor or acquiring corporation (if any) refuses to assume, convert, replace or substitute Awards, as provided above, pursuant to a Corporate Transaction, the Committee will notify the Participants in writing or electronically that such Award will be exercisable for a period of time determined by the Committee in its sole discretion, and such Award will terminate upon the expiration of such period. Awards need not be treated similarly in a Corporate Transaction.

12.2 Assumption of Awards by the Company. The Company, from time to time, also may substitute or assume outstanding awards granted by another company, whether in connection with an acquisition of such other company or otherwise, by either; (a) granting an Award under this Plan in substitution of such other company's award or (b) assuming such award as if it had been granted under this Plan if the terms of such assumed award could be applied to an Award granted under this Plan ("**Substitute Awards**"). Such substitution or assumption will be permissible if the holder of the substituted or assumed award would have been eligible to be granted an Award under this Plan if the other company had applied the rules of this Plan to such grant. In the event the Company assumes an award granted by another company, the terms and conditions of such award will remain unchanged (except that the Purchase Price or the Exercise Price, as the case may be, and the number and nature of Shares issuable upon exercise or settlement of any such Award will be adjusted appropriately pursuant to Section 424(a) of the Code). In the event the Company elects to grant a new Option in substitution rather than assuming an existing option, such new Option may be granted with a similarly adjusted Exercise Price. Substitute Awards shall not reduce the Shares authorized for grant under the Plan or the limitations on grants to a Participant under Section 3.4, nor shall Shares subject to a Substitute Award be added to the Shares available for Awards under the Plan. Additionally, in the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan (and Shares subject to such Awards shall not be added to the Shares available for Awards under the Plan);

provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

12 . 3 Non-Employee Directors' Awards. Notwithstanding any provision to the contrary herein, in the event of a Corporate Transaction, the vesting of all Awards granted to Non-Employee Directors will accelerate and such Awards will become exercisable (as applicable) in full prior to the consummation of such event at such times and on such conditions as the Committee determines.

ARTICLE 13

MISCELLANEOUS

13 . 1 Payment For Share Purchases. Payment from a Participant for Shares purchased pursuant to this Plan may be made in cash or by check or, where expressly approved for the Participant by the Committee and where permitted by law (and to the extent not otherwise set forth in the applicable Award Agreement): (a) by cancellation of indebtedness of the Company to the Participant; (b) by surrender of shares of the Company held by the Participant that have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Award will be exercised or settled; (c) by waiver of compensation due or accrued to the Participant for services rendered or to be rendered to the Company or a Parent or Subsidiary of the Company; (d) by consideration received by the Company pursuant to a broker-assisted or other form of cashless exercise program implemented by the Company in connection with the Plan; (e) by any combination of the foregoing or (f) by any other method of payment as is permitted by applicable law.

13.2 Withholding Taxes. Whenever Shares are to be issued in satisfaction of Awards granted under this Plan or the applicable tax event occurs, the Company may require the Participant to remit to the Company or to the Parent or Subsidiary employing the Participant an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax requirements or any other tax or social insurance liability legally due from the Participant prior to the delivery of Shares pursuant to exercise or settlement of any Award. Whenever payments in satisfaction of Awards granted under this Plan are to be made in cash, such payment will be net of an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax or social insurance requirements or any other tax liability legally due from the Participant. The Fair Market Value of the Shares will be determined as of the date that the taxes are required to be withheld and such Shares will be valued based on the value of the actual trade or, if there is none, the Fair Market Value of the Shares as of the previous trading day. The Committee, or its delegate(s), as permitted by applicable law, in its sole discretion and pursuant to such procedures as it may specify from time to time and to limitations of local law, may require or permit a Participant to satisfy such tax withholding obligation or any other tax liability legally due from the Participant, in whole or in part by paying cash, electing to have the Company withhold otherwise deliverable cash or Shares having a Fair Market Value equal to the minimum statutory amount required to be withheld (or such other amount that will not cause an adverse accounting consequence or cost), delivering to the Company already-owned Shares having a Fair Market Value equal to the minimum amount required to be withheld or withholding from the proceeds of the sale of otherwise deliverable Shares acquired pursuant to an Award either through a voluntary sale or through a mandatory sale arranged by the Company.

13.3 Transferability. Unless determined otherwise by the Committee, an Award may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent or distribution. If the Committee makes an Award transferable, including by instrument to an inter vivos or testamentary trust in which the Awards are to be passed to beneficiaries upon the death of the trustor (settlor) or by gift or by domestic relations order to a Permitted Transferee, such Award will contain such additional terms and conditions as the Committee deems appropriate. All Awards will be exercisable: (a) during the Participant's lifetime only by (i) the Participant or (ii) the Participant's guardian or legal representative; (b) after the Participant's death, by the legal representative of the Participant's heirs or legatees and (c) in the case of all awards except ISOs, by a Permitted Transferee.

13.4 Voting and Dividends. No Participant will have any of the rights of a stockholder with respect to any Shares until the Shares are issued to the Participant, except for any Dividend Equivalent Rights permitted by an applicable Award Agreement. Any Dividend Equivalent Rights will be subject to the same vesting or performance conditions as the underlying Award. In addition, the Committee may provide that any Dividend Equivalent Rights permitted by an applicable Award Agreement will be deemed to have been reinvested in additional Shares or otherwise reinvested. After Shares are issued to the Participant, the Participant will be a stockholder and have all the rights of a stockholder with respect to such Shares, including the right to vote and receive all dividends or other distributions made or paid with respect to such Shares; provided, that if such Shares are Restricted Stock, then any new, additional or different securities the Participant may become entitled to receive with respect to such Shares by virtue of a stock dividend, stock split or any other change in the corporate or capital structure of the Company will be subject to the same restrictions as the Restricted Stock; provided, further, that the Participant will have no right to retain such stock dividends or stock distributions with respect to Shares that are repurchased at the Participant's Purchase Price or Exercise Price, as the case may be, pursuant to Section 13.5.

13.5 Restrictions on Shares. At the discretion of the Committee, the Company may reserve to itself and/or its assignee(s) a right to repurchase (a "*Right of Repurchase*") a portion of any or all Unvested Shares held by a Participant following such Participant's termination of Service at any time within ninety (90) days (or such longer or shorter time determined by the Committee) after the later of the date Participant's Service terminates and the date the Participant purchases Shares under this Plan, for cash and/or cancellation of purchase money indebtedness, at the Participant's Purchase Price or Exercise Price, as the case may be. Dividend Equivalent Rights will not be granted in connection with any Options or SARs.

13.6 Certificates. All Shares or other securities whether or not certificated, delivered under this Plan will be subject to such stock transfer orders, legends and other restrictions as the Committee may deem necessary or advisable, including restrictions under any applicable U.S. federal, state or foreign securities law or any rules, regulations and other requirements of the SEC or any stock exchange or automated quotation system upon which the Shares may be listed or quoted and any non-U.S. exchange controls or securities law restrictions to which the Shares are subject.

13.7 Escrow; Pledge of Shares. To enforce any restrictions on a Participant's Shares, the Committee may require the Participant to deposit all certificates representing Shares, together with stock powers or other instruments of transfer approved by the Committee, appropriately endorsed in blank, with the Company or an agent designated by the Company to hold in escrow until such restrictions have lapsed or terminated, and the Committee may cause a legend or legends referencing such restrictions to be placed on the certificates. Any Participant who is permitted to execute a promissory note as partial or full consideration for the purchase of Shares under this Plan will be required to pledge and deposit with the Company all or part of the Shares so purchased as collateral to secure the payment of the Participant's obligation to the Company under the promissory note; provided, however, that the Committee may require or accept other or additional forms of collateral to secure the payment of such obligation and, in any event, the Company will have full recourse against the Participant under the promissory note notwithstanding any pledge of the Participant's Shares or other collateral. In connection with any pledge of the Shares, the Participant will be required to execute and deliver a written pledge agreement in such form as the Committee will from time to time approve. The Shares purchased with the promissory note may be released from the pledge on a pro rata basis as the promissory note is paid.

13.8 Repricing Prohibited. Other than pursuant to Section 3.5, the Committee will not (a) amend the terms of outstanding Options or SARs to reduce the Exercise Price of outstanding Options or SARs; (b) cancel outstanding Options or SARs when the Exercise Price per Share exceeds the Fair Market Value of one Share in exchange for cash or another Award (other than in connection with a Corporate Transaction); or (c) take any other action with respect to an Option or SAR that would be treated as a repricing under the rules and regulations of the principal U.S. national securities exchange on which the Shares are listed, in any case without prior stockholder approval.

13.9 Deferrals. The Committee may determine that the delivery of Shares, payment of cash or a combination thereof upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may establish programs and procedures for deferral elections to be made by Participants. Deferrals by Participants will be made only in accordance with Section 409A of the Code. Consistent with Section 409A of the Code, the Committee may provide for distributions while a Participant is providing Services to the Company or any Parent or Subsidiary.

13.10 Securities Law and Other Regulatory Compliance. An Award will not be effective unless such Award is in compliance with all applicable U.S. and foreign federal and state securities and exchange control laws, rules and regulations of any governmental body, and the requirements of any stock exchange or automated quotation system upon which the Shares may then be listed or quoted, as they are in effect on the date of grant of the Award and also on the date of exercise or other issuance. Notwithstanding any other provision in this Plan, the Company will have no obligation to issue or deliver certificates for Shares under this Plan prior to: (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable and (b) completion of any registration or other qualification of such Shares under any state or federal or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable. The Company will be under no obligation to register the Shares with the SEC or to effect compliance with the registration, qualification or listing requirements of any foreign or state securities laws, exchange control laws, stock exchange or automated quotation system, and the Company will have no liability for any inability or failure to do so.

13.11 No Obligation To Employ. Nothing in this Plan or any Award granted under this Plan will confer or be deemed to confer on any Participant any right to continue in the employ of or to continue any other relationship with the Company or any Parent, Subsidiary or Affiliate or limit in any way the right of the Company or any Parent, Subsidiary or Affiliate to terminate Participant's employment or other relationship at any time.

13.12 Adoption and Stockholder Approval. This Plan was submitted for the approval of the Company's stockholders, consistent with applicable laws, within twelve (12) months after the date this Plan is adopted by the Board, and such approval was obtained on October 30, 2015.

13.13 Term of Plan; Governing Law. Unless earlier terminated as provided herein, this Plan will become effective on the Effective Date and will terminate on August 18, 2025, which is ten (10) years from the date this Plan is adopted by the Board. This Plan and all Awards granted hereunder will be governed by and construed in accordance with the laws of the State of Delaware (excluding its conflict of law rules).

13.14 Amendment or Termination of Plan. The Board may at any time terminate or amend this Plan in any respect, including amendment of any form of Award Agreement or instrument to be executed pursuant to this Plan; provided, however, that the Board will not, without the approval of the stockholders of the Company, amend this Plan in any manner that requires such stockholder approval or amend Section 13.8; provided further, that a Participant's Award will be governed by the version of this Plan then in effect at the time such Award was granted.

13.15 Nonexclusivity of the Plan. Neither the adoption of this Plan by the Board, the submission of this Plan to the stockholders of the Company for approval, nor any provision of this Plan will be construed as creating any limitations on the power of the Board to adopt such additional compensation arrangements as it may deem desirable, including the granting of stock awards and bonuses otherwise than under this Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

13.16 Insider Trading Policy. Each Participant who receives an Award will comply with any policy adopted by the Company from time to time covering transactions in the Company's securities by Employees, officers and/or directors of the Company.

13.17 All Awards Subject to Company Clawback or Recoupment Policy. All Awards, subject to applicable law, will be subject to clawback or recoupment pursuant to any compensation clawback or recoupment policy adopted by the Board or required by law during the term of Participant's employment or other service with the Company that is applicable to executive officers, employees, directors or other service providers of the Company, and in addition to any other remedies available under such policy and applicable law, may require the cancellation of outstanding Awards and the recoupment of any gains realized with respect to Awards.

13.18 Compliance with Section 409A of the Code. This Plan is intended to comply and shall be administered in a manner that is intended to comply with Section 409A of the Code and shall be construed and interpreted in accordance with such intent. To the extent that an Award or the payment, settlement or deferral thereof is subject to Section 409A of the Code, the Award shall be granted, paid, settled or deferred in a manner that will comply with Section 409A of the Code, including regulations or other guidance issued with respect thereto, except as otherwise determined by the Committee. Any provision of this Plan that would cause the grant of an Award or the payment, settlement or deferral thereof to fail to satisfy Section 409A of the Code shall be amended to comply with Section 409A of the Code on a timely basis, which may be made on a retroactive basis, in accordance with regulations and other guidance issued under Section 409A of the Code. Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of "nonqualified deferred compensation" (within the meaning of Section 409A) that are otherwise required to be made under the Plan or any Award Agreement to a "specified employee" (as defined under Section 409A) as a result of his or her "separation from service" (as defined below) (other than a payment that is not subject to Section 409A) shall be delayed for the first six (6) months following such "separation from service" and shall instead be paid (in a manner set forth in the Award Agreement) on the payment date that immediately follows the end of such six-month period (or, if earlier, within 10 business days following the date of death of the specified employee) or as soon as administratively practicable within 60 days thereafter, but in no event later than the end of the applicable taxable year. A termination of employment shall not be deemed to have occurred for purposes of any provision of the Plan or any Award Agreement providing for the payment of any amounts or benefits that are considered nonqualified deferred compensation under Section 409A upon or following a termination of employment, unless such termination is also a "separation from service" within the meaning of Section 409A and the payment thereof prior to a "separation from service" would violate Section 409A. For purposes of any such provision of the Plan or any Award Agreement relating to any such payments or benefits, references to a "termination," "termination of employment," "termination of continuous Service" or like terms shall mean "separation from service."

(a) The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was a director, officer, employee, or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(b) The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

(c) To the extent that a director, officer, employee, or agent of the Corporation has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in subparagraphs (a) and (b), or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

(d) Any indemnification under subparagraphs (a) and (b) (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in subparagraphs (a) and (b). Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit, or proceeding, or (2) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (3) by the ~~stockholders~~shareholders.

(e) Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit, or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee, or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Corporation as authorized herein.

13 . 1In case the Corporation enters into contracts or transacts business with one or more of its directors, or with any firm of which one or more of its directors are members, or with any other corporation or association of which one or more of its directors are shareholders, directors, or officers, such contracts or transactions shall not be invalidated or in any way affected by the fact that such director or directors have or may have an interest therein which is or might be adverse to the interest of this Corporation, provided that such contracts or transactions are in the usual course of business.

13 . 2In the absence of fraud, no contract or other transaction between this Corporation and any other corporation or any individual or firm, shall in any way be affected or invalidated by the fact that any of the directors of this Corporation is interested in such contract or transaction, provided that such interest shall be fully disclosed or otherwise known to the Board of Directors in the meeting of such Board at which time such contract or transaction was authorized or confirmed, and provided, however, that any such directors of this Corporation who are so interested may be counted in determining the existence of a quorum at any meeting of the Board of Directors of this Corporation which shall authorize or confirm such contract or transaction, and any such director may vote thereon to authorize any such contract or transaction, and any such director may vote thereon to authorize any such contract or transaction with the like force and effect as if he were not such director or officer of such other Corporation or not so interested.

ARTICLE 14
