**YORK WATER COMPANY ANNOUNCES  
SETTLEMENT OF RATE CASE**

**York, Pennsylvania, August 11, 2006:** Jeffrey S. Osman, President & CEO of The York Water Company (NASDAQ:YORW), announced today that the Company has filed a settlement of its pending rate case with the Pennsylvania Public Utility Commission. The settlement, which is joined in by all active parties, provides for an increase in annual revenues of \$2,600,000.

Osman stated, "This increase is necessary because of the Company's \$34 million investment in system improvements since our last rate increase, which will allow the Company to continue to meet the current and future needs of our customers."

The settlement will increase the average residential gravity customer bill from \$25.17 per month to \$27.50 per month and the average residential repumped customer bill from \$31.21 per month to \$33.95 per month.

The settlement must be approved by the presiding Administrative Law Judge Ember S. Jandebour and the Pennsylvania Public Utility Commission before increased rates become effective. The settlement provides for the increases in rates to become effective as soon as September 16, 2006.
