Item 5. Other Events.

On July 6, 2004, Grant Ventures, Inc. entered into a definitive agreement (the Merger Agreement ) to acquire Impact Diagnostics, Inc., a Utah corporation ( Impact Diagnostic ). Pursuant to the terms of the Merger Agreement, Impact Acquisition Corporation, a wholly owned subsidiary of Grant Ventures ( Merger Sub ), will merge with and into Impact Diagnostic with Impact Diagnostic surviving the merger and becoming a wholly owned subsidiary of Grant Ventures. Merger Sub will cease to exist after the merger.

Impact Diagnostic develops products to improve the efficiency of diagnosing cervical cancer, including a sensitive, reliable, non-invasive, point-of-care test which is expected to cost less than other tests currently used.

Under the terms of the Merger Agreement, each issued and outstanding share of common stock, par value \$0.001 per share, of Impact Diagnostic shall be converted into the right to receive one share of common stock, par value \$0.0001 per share, of Grant Ventures. As a result of the merger and a related private financing, the existing holders of common stock of Grant Ventures prior to the merger will own approximately 10% of the outstanding Grant Ventures shares after the merger.

Upon completion of the merger, nominees of Impact Diagnostic will be appointed to the board of directors of Grant Ventures and, subsequent to their appointment, the current directors of Grant Ventures will resign.

The closing of the merger will occur upon the later of (i) satisfaction or waiver of all closing conditions and (ii) 10 days after delivery of Schedule 14f-1 to the stockholders of Grant Ventures providing certain information related to the appointment of Impact Diagnostic nominees to the board of Grant Ventures.
