**Item 1.01 ENTRY INTO MATERIAL DEFINITIVE AGREEMENT**

On July 27, 2006, the Board of Directors of Health Care Property Investors, Inc. (the "Company") approved the Non-Employee Directors Stock-for-Fees Program (the "Program"). Under the Program, each of the Company's non-employee directors may elect to receive all or a portion of his or her annual retainer and meeting fees in the form of shares of the Company's common stock in lieu of payment in cash. If a director elects to receive his or her fees in the form of stock, the director's election will apply to fees that would otherwise be paid in cash in the Company's fiscal quarter after the election is made but for the director's election. Shares will generally be issued to directors who elect to receive stock under the Program as soon as practicable after the Company pays a cash dividend to its stockholders following the quarter with respect to which the election was effective, and the number of shares to be issued will be determined by dividing (i) the amount of the fees being exchanged for the right to receive stock, by (ii) the average of the closing prices for a share of the Company's common stock for the period of ten trading days ending with the dividend payment date.

The Program has been adopted under the Health Care Property Investors, Inc. 2006 Performance Incentive Plan (the "Plan"). Any shares of the Company's common stock issued with respect to the Program will be counted on a 1-for-1 basis against the applicable share limits of the Plan.
