**Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.**

*Declassified Board.* As described under Item 8.01, the Board of Reliant Energy, Inc. (the Company) on March 7, 2007 approved proposed amendments to declassify the Board. To transition to a declassified board, each current Class I and Class III director (whose terms would otherwise expire at the Company's annual meeting of stockholders in 2009 and 2008, respectively) entered into a conditional resignation agreement on March 7, 2007. The Class II directors did not resign because their terms expire at the Company's 2007 annual meeting of stockholders (the 2007 Meeting). Under the resignation agreement, each director has agreed to resign without further action effective at the 2007 Meeting, subject to stockholder approval of the declassification proposal and the filing of appropriate amendments to the Company's Certificate of Incorporation (the Charter).

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

*Majority Voting.* On March 7, 2007, the Company's Board approved amendments to its Bylaws that change the current plurality voting standard for electing directors in an uncontested election to a majority voting standard. The Board also adopted amendments to the Corporate Governance Guidelines to implement a director resignation policy. In connection with the resignation policy, on March 7, 2007, each member of the Board submitted an irrevocable, conditional resignation to be effective if such director fails to receive a majority of the votes cast in his or her election at the 2007 Meeting and if the Board accepts such resignation. The amended Bylaws require that candidates nominated by stockholders agree to submit such resignations if elected as well. The Board has discretion whether to accept or reject the resignations.

*Other.* In addition, on March 7, 2007, the Board approved amendments to its Bylaws that (i) confirm the vote required to adopt, amend or repeal the Bylaws is the affirmative vote of at least 80% of all directors and (ii) update the Company's registered office and registered agent. These amendments were needed to make the Bylaws consistent with the Charter.

The text of the Bylaw amendments described above and the press release announcing the Bylaw amendment on majority voting are included as Exhibit 3.1 and Exhibit 99.1 to this Current Report on Form 8-K, respectively.

**Item 8.01. Other Events.**

*Declassified Board.* On March 7, 2007, the Board approved proposed amendments to its Charter and Bylaws to declassify the Board. The proposed amendments are subject to stockholder approval at the 2007 Meeting. If the Charter amendment is approved by stockholders, election of directors will occur annually starting at the 2007 Meeting.

***Criminal Proceeding Reliant Energy Services.*** On March 6, 2007, Reliant Energy Services, Inc., a wholly-owned subsidiary of the Company (RES), resolved its pending indictment through a Deferred Prosecution Agreement with the United States Attorney's Office for the Northern District of California (the Government). Under the agreement, the Government agreed to dismiss the pending indictment of RES relating to allegations pertaining to a trading incident that occurred on two days in June 2000. Assuming that RES complies with the agreement for the next two years, the Government agreed not to seek to re-indict RES for the conduct alleged in the pending indictment. As part of the agreement, RES agreed to pay a \$22.2 million penalty (in addition to a \$13.8 million credit for a January 2003 settlement with the Federal Energy Regulatory Commission pertaining to the same incident). RES also committed to continue to implement compliance measures and cooperate with the Government in its related investigations. The press release announcing the agreement is included as Exhibit 99.2 to this Current Report on Form 8-K.
