PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

June 6, 2007

This proxy statement and the accompanying form of proxy are being mailed on or about April 30, 2006 to the holders of record on April 26, 2007 of the Corporation's Common Stock, without par value (the "Common Stock"), in connection with the solicitation of proxies by the Board of Directors of the Corporation for use at the Annual Meeting to be held for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders, or any adjournment thereof.

Shares of Common Stock represented by properly executed proxies, if returned in time and not revoked, will be voted in accordance with instructions contained in the proxy. If no instructions are given with respect to any matter specified in the Notice of Annual Meeting to be acted upon at the Annual Meeting, the proxy will be voted for the election of the nominees for election to the Board of Directors (Proposal No. 1), and for the ratification of the appointment of the independent auditors (Proposal No. 2). The enclosed Proxy confers discretionary authority to vote with respect to any and all of the following matters that may properly come before the Annual Meeting: (i) matters which the Corporation did not receive notice by December 30, 2006; (ii) approval of the Minutes of a prior meeting of Stockholders, if such approval does not amount to ratification of the action taken at such meeting; (iii) the election of any person to any office for which a bona fide nominee named in this Proxy Statement is unable to serve or for good cause will not serve; (iv) any proposal omitted from this Proxy Statement and the form of proxy pursuant to Rules 14a-8 or 14a-9 under the Securities Exchange Act of 1934; and (v) matters incident to the conduct of the Annual Meeting. In connection with such matters, the persons named in the enclosed proxy will vote in accordance with their best judgment.

A shareholder who has given a proxy has the power to revoke it by giving written notice of such revocation to the Corporation's Secretary at any time prior to the exercise of the proxy, or by requesting the return of the proxy at the Annual Meeting. A shareholder's presence at the Annual Meeting, without such written notice of revocation or request for return of the proxy, will not cause the proxy to be revoked. Any later dated proxy will revoke a proxy submitted earlier. **SHAREHOLDERS WHO DO NOT INTEND TO BE PRESENT AT THE ANNUAL MEETING ARE URGED TO CONSIDER CAREFULLY THE INFORMATION IN THIS PROXY STATEMENT AND TO MARK, SIGN, DATE AND RETURN THEIR PROXIES AS SOON AS POSSIBLE. PROMPT RESPONSE IS HELPFUL.**

The cost of solicitation of proxies will be paid by the Corporation. In addition to solicitation of proxies by use of the mails, certain of the officers, directors and employees of the Corporation, without extra remuneration, may solicit proxies personally or by other communication facilities. Arrangements have been made with brokerage houses and other custodians, nominees and fiduciaries which are record holders of the Corporation's Common Stock to forward proxy materials and annual reports to beneficial owners of such stock, and the Corporation will reimburse such record holders for their reasonable expenses incurred in providing such services.

Pursuant to the Corporation's By-Laws, the Board of Directors has fixed the close of business on April 26, 2007 as the record date for determining the shareholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). As of the Record Date, there were outstanding 9,744,250 shares of Common Stock. The presence in person or by proxy of the holders of a majority of the outstanding shares is necessary for a quorum. Each share of Common Stock entitles the holder thereof to one vote. No cumulative voting rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon. Election of directors is by plurality vote, with the

five nominees receiving the highest vote totals to be elected as directors. Proposal No. 2 requires the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting. Abstentions are counted as present in determining whether the quorum requirement is satisfied, but they have no other effect on voting for election of directors. Abstentions are the same as a vote against on other matters. In instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy (broker non-votes), those shares will be counted for quorum purposes; however, broker non-votes will not be included in the vote totals for any proposal and therefore will have no effect on the vote for any proposal (including the election of directors).

The Annual Report of the Corporation for the year ended December 31, 2006 is enclosed herewith.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

On March 23, 2007, the Board of Directors re-appointed Ehrhardt Keefe Steiner & Hottman P.C. (EKS&H) as its independent auditor for the year ended December 31, 2007, subject to shareholders' approval. Shareholder ratification of the selection of EKS&H as the Corporation's independent auditor is not required by the Corporation's Bylaws or otherwise. However, the Board is submitting the selection of EKS&H to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of the Corporation and its stockholders.

The ratification of the appointment of EKS&H as the Corporation's independent auditors for the year ended December 31, 2007 requires the affirmative vote of a majority of the outstanding voting shares of the Corporation present or represented and voting at the Annual Meeting. It is intended that, in the absence of a contrary direction, votes will be cast pursuant to the accompanying proxies for the appointment of EKS&H as independent auditors to audit the books and records of the Corporation at the close of the current calendar year. Neither EKS&H nor any of its partners has any financial interest in or any connection (other than as independent certified public accountants) with the Corporation. A representative of EKS&H is expected to be at the Annual Meeting, and will have the opportunity to make a statement and will respond to appropriate questions from shareholders present at the meeting.

GOLDEN CYCLE GOLD CORPORATION

AUDIT COMMITTEE REPORT

The Golden Cycle Gold Corporation Audit Committee oversees the Corporation's financial reporting process on behalf of the Board of Directors. The Committee has three members, each of whom is independent as defined by applicable SEC, NYSE Arca and auditing standards. The Committee operates under a written charter, revised and adopted by the Board January 15, 2004.

The Committee assists the Board of Directors by overseeing the (1) integrity of the Corporation's financial reporting and internal control, (2) independence and performance of the Corporation's independent auditors, (3) and provides an avenue of communication between management, the independent auditors, and the Board of Directors.

In the course of providing its oversight responsibilities regarding the 2006 financial statements, the Committee reviewed the 2006 audited financial statements, which appear in the 2006 Annual Report to Shareholders, with management and the Corporation's independent auditors. The Committee reviewed accounting principles, practices, and judgments as well as the adequacy and clarity of the notes to the financial statements.

The Committee reviewed the independence and performance of the independent auditors who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, and such other matters as required to be communicated by the independent auditors in accordance with Statement on Auditing Standards 61 (Codification of Statements on Auditing Standards, AU 380), as modified or supplemented.

The Committee meets with the independent auditors to discuss their audit plans, scope and timing on a regular basis, with or without management present. During the year 2006 the Committee met with the independent auditors four times. The Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board, Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as may be modified or supplemented, and has discussed with the independent auditors the Independent Accountant's independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Annual Report to the Securities

and Exchange Commission on Form 10-K for the year ended December 31, 2006. The Committee and the Board have also recommended the selection of EKS&H as independent auditors for the Corporation for the year 2007.

Submitted by the following members of the Audit Committee of the Board of Directors:

Robert T. Thul (Chairman)

Dr. Taki N. Anagnoston

James C. Ruder

The Audit Committee has determined that the provision of tax preparation services by EKS&H is compatible with maintaining the independence of EKS&H, however, has decided to engage the services of Stockman Kast Ryan & Co, LLP for the preparation of the Company's 2006 State and Federal income tax returns.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit IT-related services, tax services and other services. Pre-approval is generally granted for up to one year and any pre-approval is detailed as to the particular service and generally subject to a specific budget. The independent auditors and management are required to report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. During 2006, the Audit Committee pre-approved the EKS&H audit services for quarterly review of four quarterly periods and corporate tax services.
