**Item 3. Source and Amount of Funds or Other Consideration**

In connection with the merger of a subsidiary of the Issuer (formerly known as CancerVax Corporation) with an affiliate of Micromet AG on May 5, 2006, Omega I received 3,257,936 shares of Common Stock of the Issuer in exchange for its equity securities of Micromet AG at a fixed exchange ratio specified in the merger agreement.

On May 5, 2006, Stampacchia was granted an option to purchase up to 35,000 shares of Common Stock, which option vests over three years, in 36 equal monthly installments, in connection with his appointment to the Board of Directors of the Issuer. The option has an exercise price of \$6.63 per share.

On June 22, 2007, Omega III purchased 1,634,877 shares of Common Stock at a price of \$2.69 per share as well as a warrant exercisable at an exercise price of \$3.09 per share for up to 817,439 shares of Common Stock (the Warrant) at a purchase price of \$0.125 for each share of Common Stock issuable upon exercise of the Warrant (the purchase of the shares of Common Stock and the Warrant being collectively referred to herein as the Transaction). The Warrant is not exercisable until 180 days from June 22, 2007 and will remain exercisable for five years after the date on which it first becomes exercisable. The working capital of Omega III was the source of the funds for the purchase of the securities in the Transaction. No part of the purchase price paid by Omega III was represented by funds or other consideration borrowed or otherwise obtained for the purpose of acquiring, holding, trading or voting the shares.

**Item 4.****Purpose of Transaction**

All of the Omega I Shares, Omega III Shares, and Stampacchia Shares (each as defined below) were acquired for investment purposes. Depending on market conditions, their continuing evaluation of the business and prospects of the Issuer and other factors, any or all of the Reporting Persons may dispose of or acquire additional shares or other securities of the Issuer in one or more transactions in the open market or in privately negotiated purchases or otherwise. Stampacchia is a member of the Issuer's board of directors.

Omega III and other investors (collectively, the PIPE Investors) acquired an aggregate of 9,216,709 shares of Common Stock (the PIPE Shares) and warrants (the Warrants) to purchase up to an aggregate of 4,608,356 shares of Common Stock (the Warrant Shares) pursuant to a Securities Purchase Agreement, dated as of June 19, 2007. The Securities Purchase Agreement includes standard representations and warranties of the Issuer and the PIPE Investors, as well as additional terms and conditions, including those set forth below. The representations and warranties will survive the closing of the Transaction for a period of three years. The Issuer has agreed to indemnify the PIPE Investors and specified related parties against damages with respect to breaches of the representations, warranties and covenants of the Issuer in the Securities Purchase Agreement. The Securities Purchase Agreement may be modified, waived or amended pursuant to an instrument in writing signed by the Issuer and PIPE Investors holding at least 85% of the PIPE Shares still held by the PIPE Investors. Each of the Warrants is exercisable as described in Item 3 above.

The Issuer's affirmative covenants under the Securities Purchase Agreement include obligations related to listing, and maintenance of such listing, of its common stock on an eligible trading market; removing the legends on the certificates representing the shares purchased by the investors (subject to liquidated damages if such removal is delayed); providing information required by Rule 144 under the Securities Act of 1933, as amended; use of proceeds of the Transaction; reservation of sufficient shares of Common Stock for exercise of the Warrants; and restrictions on the issuance of securities.

The Issuer has agreed, pursuant to a Registration Rights Agreement dated as of June 19, 2007, to prepare and file within 30 calendar days of closing (the Filing Date) a registration statement with the Securities and Exchange Commission covering the resale of all of the PIPE Shares and the Warrant Shares (collectively, the Registrable Securities) for an offering to be made on a continuous basis pursuant to Rule 415. The Issuer has agreed to use its best efforts to cause the registration statement to be declared effective under the Securities Act on or prior to (i) the 90th calendar day following June 19, 2007, or (ii) if the registration statement receives Commission review, the 150th calendar day after June 19, 2007 (the Required Effective Date). The Issuer has agreed to use its best efforts to keep such registration statement continuously effective under the Securities Act until all Registrable Securities covered by such registration statement have been sold or may be sold without volume restrictions pursuant to Rule 144(k) (the Effectiveness Period).

Should an Event (as defined below) occur, then upon the occurrence of such Event, and on every monthly anniversary thereof until the applicable Event is cured, the Issuer is required to pay to each PIPE Investor an amount in cash, as partial liquidated damages and not as a penalty, equal to 1.5% of the purchase price paid by such PIPE Investor for any unregistered PIPE Shares then held (but excluding Warrant Shares); provided, however, that the total amount of such payments shall not exceed, when aggregated with all such payments paid to all PIPE Investors, 12% of the aggregate purchase price. Such payments to which a PIPE Investor shall be entitled are referred to herein as Event Payments. Any Event Payments shall apply on a prorated basis for any portion of a month prior to the cure of an Event. In the event the Issuer fails to make Event Payments in a timely manner, such Event Payments shall bear interest at the rate of 18% per year (prorated for partial periods) until paid in full. For such purposes, each of the following shall constitute an Event: (i) the registration statement is not filed on or prior to the Filing Date; (ii) the Issuer fails to request acceleration of effectiveness as required by the Registration Rights Agreement; (iii) the registration statement is not declared effective on or prior to the Required Effectiveness Date; and (iv) except as provided for in the Registration Rights Agreement, after the Effective Date, a PIPE Investor is not permitted to sell Registrable Securities under the registration statement for any reason for 10 consecutive calendar days or an aggregate of 15 calendar days in any 12-month period. The Issuer also agreed to other customary obligations regarding registration, including matters relating to indemnification, maintenance of the registration statement and payment of expenses.

Except as set forth above, none of the Reporting Persons has any present plans which relate to or would result in:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (d) Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) Any material change in the present capitalization or dividend policy of the Issuer;
- (f) Any other material change in the Issuer's business or corporate structure;
- (g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or
- (j) Any action similar to any of those enumerated above.
