**Item 1.01 Entry into a Material Definitive Agreement**

On September 30, 2011, A123 Systems, Inc. (the Corporation ) and A123 Securities Corporation, a Massachusetts corporation and wholly-owned subsidiary of the Corporation (together with the Corporation, the Companies ), Silicon Valley Bank (the Bank ), as administrative agent, letter of credit issuer, swingline lender and lender, and the other financial institutions from time to time party thereto as lenders (collectively with the Bank, the Lenders ) entered into a Credit Agreement (the Agreement ), providing the Companies a revolving loan facility in an aggregate principal amount of up to the lesser of (i) \$40,000,000 or (ii) a Borrowing Base (as defined in the Agreement) established at 80% of certain eligible accounts, 15% of certain eligible foreign accounts and 30% of certain eligible inventory, as more specifically described in the Agreement. The Agreement also provides a letter of credit sub-facility in an aggregate principal amount of up to \$10,000,000 and a swing-line loan sub-facility in an aggregate principal amount of up to \$5,000,000. Any outstanding obligations under either the letter of credit sub-facility or swing-line sub-facility deduct from the availability under the \$40,000,000 revolving facility. The Agreement additionally provides a discretionary incremental facility in an aggregate principal amount of not less than \$10,000,000 and up to \$35,000,000. The funding of the incremental facility is discretionary on the part of the Lenders and will depend on market conditions and other factors. The Agreement permits the Companies to enter into cash management and hedging agreements with the Lenders.

The facilities provided under the Agreement are to be used to refinance the Corporation's prior outstanding revolving loan facility with Bank, dated as of August 2, 2006, and for working capital and general corporate purposes. The maturity date for any revolving cash borrowings under the Agreement is September 30, 2014.

Revolving cash borrowings under the Agreement will bear interest at (i) the Eurodollar Rate (as defined in the Agreement), plus 0.225% (if the Companies' liquidity is greater than \$75,000,000) or 0.275% (if the Companies' liquidity is equal to or less than \$75,000,000) per annum, and/or (ii) the base rate (customarily defined), plus 0.00% (if the Companies' liquidity is greater than \$75,000,000) or 0.50% (if the Companies' liquidity is equal to or less than \$75,000,000) per annum.

Amounts outstanding under the Agreement (including any cash management or hedging agreements as provided in the Agreement) are secured by substantially all of the Companies' existing and future assets, except intellectual property and certain other exceptions as set forth in the Agreement and related security documents.

The Agreement contains the following financial covenants:

(a) The Companies must maintain (i) a Consolidated Liquidity Ratio (the Companies' liquidity to all outstanding obligations under the Agreement, as more specifically defined in the Agreement) of at least 2.00 to 1.00, and (ii) the Companies' liquidity at \$50,000,000 or above; and

(b) The Companies' Consolidated Tangible Net Worth (as defined in the Agreement) must be at least \$400,000,000.

The Agreement also contains covenants that restrict the Companies and their subsidiaries ability to, among other things, incur or assume certain debt, merge or consolidate, materially change the nature of their business, make certain investments, acquire or dispose of assets, make guaranties or grant liens on their assets, make certain loans, advances or investments, declare dividends or make distributions or enter into transactions with affiliates.

The events of default under the Agreement include payment defaults, breaches of covenants, bankruptcy events and the occurrence of a material adverse effect and/or change of control. In the case of a continuing event of default, Lenders may, among other remedies, eliminate their commitment to make credit available, declare due all unpaid principal amounts outstanding, require cash collateral for any letter of credit obligations, and foreclose on all collateral.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**
