SELLING STOCKHOLDERS

We are registering for resale 314,838 shares of our common stock, which are issuable upon exchange of 157,419 non-managing member units of HCPI/Utah II, LLC pursuant to the Amended and Restated Limited Liability Company Agreement of HCPI/Utah II, LLC, as amended.

We do not know when or in what amounts the selling stockholders may offer securities for sale. The selling stockholders may elect not to sell any or all of the securities offered by this prospectus, as supplemented. Because the selling stockholders may offer all or some of the securities pursuant to this offering, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the securities that will be held by the selling stockholders after completion of the offering, we cannot estimate the number of the securities that will be held by the selling stockholders after completion of the offering. However, for purposes of this table, we have assumed that, after completion of the offering, none of the securities covered by this prospectus supplement will be held by the selling stockholders. Except as otherwise indicated, the number of securities beneficially owned is determined under rules promulgated by the SEC, and the information may not represent beneficial ownership for any other purpose.

The following table is based on information provided to us by the selling stockholders and is accurate to the best of our knowledge as of December 22, 2011.
