Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 5(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- The shares of the issuer's Class A common stock, Class B common stock and Class C common stock are convertible into a fixed aggregate number of shares of the issuer's Class P common stock. The shares of Class A common stock initially were convertible into shares of Class P common stock on a one-for-one basis, and the shares of Class B common stock and Class C common stock initially (1) were not convertible into any shares of Class P common stock. Upon certain circumstances, the shares of Class B common stock and Class C common stock may convert into shares of Class P common stock, and the shares of Class A common stock would become convertible into a correspondingly lesser number of shares of Class P common stock. Any shares of Class A common stock, Class B common stock and Class C common stock outstanding on May 31, 2015 will automatically convert into shares of Class P common stock.
- Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, See Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
