Items to be Included in this Report

Item 1.01 Entry into a Material Definitive Agreement.

Fifth Amendment to Credit Agreement.

On August 10, 2012, Thompson Creek Metals Company Inc. (the Company) executed a fifth amendment (the Fifth Amendment) to its senior secured revolving credit agreement dated December 10, 2010. Pursuant to the Fifth Amendment, the participating banks in the Company's revolving credit facility consented to the Royal Gold transaction (described below) and revised and put in place new financial covenants and measurements. Specifically, under the Fifth Amendment, the banks agreed to remove the senior secured leverage covenant, increase the liquidity covenant to \$100 million from \$75 million, add a new minimum quarterly EBITDA covenant commencing in the fourth quarter of 2012, add new liquidity thresholds for borrowings and prepayments, add a new condition precedent for borrowings, and add new reporting requirements.

A copy of the Fifth Amendment is filed herewith as Exhibit 10.1 and incorporated into this Item 1.01 by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On August 10, 2012, the Company completed the sale to Royal Gold, Inc. (Royal Gold) of an additional 12.25% of the refined gold production from the Company's Mt. Milligan copper-gold mine for \$200 million, plus \$435 per ounce, or the prevailing market rate, if lower than \$435 per ounce, when the gold is delivered pursuant to the terms of the First Amendment to Amended and Restated Purchase and Sale Agreement, dated as of August 8, 2012, by and among the Company, Terrane, Royal Gold, and Royal Gold's wholly-owned subsidiary RGLD Gold AG (the First Amendment). The Company intends to use the proceeds from the transaction to finance a portion of the construction of the Mt. Milligan project and related costs.

Pursuant to the First Amendment, the Company has agreed to sell to Royal Gold a total of 52.25% of the refined gold production from its Mt. Milligan project, and Royal Gold's aggregate investment (including amounts previously funded and commitments for future funding) in the refined gold from Mt. Milligan has increased from \$581.5 million to \$781.5 million. Three business days following the consummation of the transactions contemplated by the First Amendment, Royal Gold will make a cash payment to the Company of \$75 million. Following this payment, Royal Gold will make combined future scheduled payments to the Company in the aggregate amount of \$251.9 million, which will be paid on a quarterly basis as follows: \$45 million on September 1, 2012; \$95 million on December 1, 2012; \$62 million on March 1, 2013; \$37 million on June 1, 2013; and \$12.9 million on September 1, 2013. Following the September 1, 2013, payment, Royal Gold will have satisfied its obligations to make quarterly payments to the Company.

The First Amendment restricts the Company's ability to incur debt in excess of \$350 million that is secured by the assets of the Mt. Milligan project until the earlier of the date upon which 425,000 ounces of refined gold have been sold and delivered to Royal Gold pursuant to our agreement or the date upon which the aggregate dollar amount of the difference between the market price for the gold delivered to Royal Gold under the agreement and the price actually paid by Royal Gold pursuant to the terms of our agreement exceeds \$280 million. The terms and conditions of the amended and restated gold stream agreement with Royal Gold otherwise remain unchanged.

Edgar Filing: Thompson Creek Metals CO Inc. - Form 8-K

The foregoing description of the terms of the First Amendment is qualified in its entirety by the First Amendment, which was filed as Exhibit 10.4 to the Company's 10-Q for the quarter ended June 30, 2012 and incorporated into this Item 2.01 by reference.

Item 8.01 Other Events.

On August 13, 2012, the Company issued a press release announcing the completion of the Royal Gold transaction and the Fifth Amendment. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated into this Item 8.01 by reference.
