WALKER & DUNLOP, INC.

We are one of the leading commercial real estate finance companies in the United States, with a primary focus on multifamily lending. We originate, sell and service a range of multifamily and other commercial real estate financing products. Our clients are owners and developers of commercial real estate across the country. We originate and sell loans pursuant to the programs of the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac, and together with Fannie Mae, the government-sponsored enterprises, or the GSEs), the Government National Mortgage Association (Ginnie Mae) and the Federal Housing Administration, a division of the U.S. Department of Housing and Urban Development (together with Ginnie Mae, HUD), with which we have long-established relationships. We retain servicing rights and asset management responsibilities on nearly all loans that we sell to GSEs and HUD. We are approved as a Fannie Mae Delegated Underwriting and Servicing (DUS TM) lender nationally, a Freddie Mac Program Plus lender in 22 states and the District of Columbia, a HUD Multifamily Accelerated Processing lender nationally and a Ginnie Mae issuer. We also originate and service loans for a number of life insurance companies and other institutional investors, in which cases we do not fund the loan but rather act as a loan broker.

We fund loans for GSE and HUD programs, generally through warehouse facility financings, and sell them to investors in accordance with the related loan sale commitment, which we obtain prior to loan closing. Proceeds from the sale of the loan are used to pay off the warehouse facility. The sale of the loan is typically completed within 60 days after the loan is closed. In cases where we do not fund the loan, we act as a loan broker and service some of the loans. Our originators who focus on loan brokerage are engaged by borrowers to work with a variety of institutional lenders to find the most appropriate loan instrument for the borrowers' needs. These loans are then funded directly by the institutional lender and we receive an origination fee for placing the loan and a servicing fee for any loans we service.

In December 2010, we completed our initial public offering, pursuant to which we sold 6,666,667 shares and selling stockholders sold 3,333,333 shares of our common stock at a price per share of \$10.00, resulting in gross proceeds to us of \$66.7 million. The offering was completed on December 20, 2010. We received net proceeds of \$58.4 million from the initial public offering after deferred underwriting discounts and commissions and other accrued offering costs. In connection with our IPO, we completed the formation transaction through which Walker & Dunlop, LLC (WDLLC) became a wholly owned subsidiary of Walker & Dunlop, Inc., a newly formed Maryland corporation. In connection with the formation transaction, members of the Walker family, certain of our directors and executive officers and certain other individuals and entities who owned direct and indirect equity interests in WDLLC contributed their respective interests in such entities to Walker & Dunlop, Inc. in exchange for shares of our common stock. Our predecessor entities have historically operated as pass-through tax entities (partnerships, LLCs and S-corporations). Accordingly, our historical earnings have resulted in only nominal federal and state corporate level expense. The tax liability has been the obligation of our owners. Upon closing our initial public offering on December 20, 2010, our income became subject to both federal and state corporate tax.

On January 19, 2011, we issued an additional 221,292 shares of common stock at \$10.00 per share upon the partial exercise of the over-allotment option by the underwriters. We received net proceeds of approximately \$2.1 million, net of underwriting discounts and commissions of approximately \$0.2 million.

On September 4, 2012, our indirect wholly owned subsidiary, WDLLC, purchased from CW Financial Services LLC (CW Financial), and CW Financial sold to WDLLC, all of the limited liability company interests in CWCapital LLC (the Acquisition). Prior to the Acquisition, CWCapital LLC was a wholly owned subsidiary of CW Financial and was one of the leading commercial real estate finance companies in the United States, with a primary focus on multifamily lending. Like we, CWCapital originated and sold multifamily mortgage loans pursuant to the programs of the GSEs and HUD, with which CWCapital had long-established relationships. Upon the Acquisition, CWCapital LLC became a wholly owned subsidiary of WDLLC and changed its name from CWCapital LLC to Walker & Dunlop Capital LLC. On the same date, in partial consideration for the Acquisition, we issued to CW Financial 11,647,255 shares of our common stock (the Acquisition Shares) pursuant to an exemption from registration under the Securities Act of 1933, as amended (the Securities Act). CW Financial subsequently transferred the

Edgar Filing: Walker & Dunlop, Inc. - Form 424B3

Acquisition Shares to Galaxy Acquisition LLC (Galaxy). Galaxy indirectly owns 100% of the membership interest in CW Financial.

Walker & Dunlop, Inc. is a Maryland corporation with its principal executive offices located at 7501 Wisconsin Avenue, Suite 1200E, Bethesda, Maryland, 20814, telephone number (301) 215-5500.

For more information on such material relationships, see Material Relationships with the Selling Stockholders. The information presented regarding each selling stockholder is based, in part, upon information provided to us by that selling stockholder.

We do not know when or in what amounts any selling stockholder may offer shares for sale, except that we understand certain selling stockholders have adopted or may in the future adopt prearranged Rule 10b5-1 stock trading plans allowing them to sell a portion of their shares over time as part of their financial, tax and/or estate planning. On September 4, 2012, we entered into a registration rights agreement with CW Financial, pursuant to which we agreed to file within 30 days a registration statement registering for resale the shares of the Acquisition Shares with the SEC. See Plan of Distribution below. Additional information concerning our right of first offer is provided under the caption Closing Agreement Right of First Offer in our Definitive Proxy Statement on Schedule 14A, filed on July 26, 2012, and under the captions Closing Agreement and Transfer and Joinder Agreement in Item 1.01 of our Current Report on Form 8-K, filed on September 10, 2012. The Closing Agreement and the Transfer and Joinder Agreement also provide that Galaxy will not transfer any of the Acquisition Shares prior to the 180th day following September 4, 2012, except for transfers to one or more of Galaxy's affiliates. For a further description of any agreements, arrangements or understandings between us and any selling stockholder regarding the sale by it of any of the shares covered by this prospectus, see Selling Stockholders Material Relationships with the Selling Stockholders and Plan of Distribution. Any selling stockholder may at any time sell all, a portion or none of its shares offered by this prospectus.

The following table has been prepared assuming that each selling stockholder sells all of the shares of our common stock beneficially owned by it that have been registered by us and does not acquire any additional shares of our common stock during the offering. We cannot advise you as

Tax Advances and Loans Prior to our Initial Public Offering

As our predecessor, WDLLC, provided tax advances to its members on a quarterly basis when it generated taxable income for the members. Tax advances were based on taxable income at the highest federal and local taxes for residents of the District of Columbia. For the year ended December 31, 2010, tax advances of \$611,636 and \$459,546 were made to William Walker and Howard Smith, respectively. All outstanding advances were repaid in full prior to our initial public offering. The tax advances bore no interest rate.

On July 8, 2008, Deborah Wilson purchased a 3.2% interest in one of our predecessors, GPF Acquisition, LLC, in return for a \$218,946 note held by the company. The note was scheduled to mature on the earlier of December 31, 2018, at Deborah Wilson's termination of employment with the company, or a sale of GPF Acquisition, LLC. The interest rate on the note was equal to the 90-day LIBOR plus 200 basis points. All GPF Acquisition, LLC distributions, except for tax advances, were used to pay down the note. On August 2, 2010, Deborah Wilson repaid the balance of the note in full.

PLAN OF DISTRIBUTION

We are registering the common stock covered by this prospectus to permit certain selling stockholders to conduct public secondary trading of such common stock from time to time after the date of this prospectus. We will not receive any proceeds from the sale of shares of our common stock from time to time by any selling stockholder pursuant to this prospectus. The aggregate proceeds received by the selling stockholders from the sale of the common stock will be the purchase price of the common stock less any discounts and commissions. Each selling stockholder named in this prospectus reserves the right, directly or through its agents, to accept or reject any proposed purchase of common stock.

Edgar Filing: Walker & Dunlop, Inc. - Form 424B3

The common stock offered by this prospectus may be sold or otherwise distributed from time to time:

- directly by the selling stockholders (including, without limitation, any or all of the Galaxy Affiliates) and their successors, which include their permitted transferees, pledgees, donees, assignees, successors and others who later come to hold any of the selling stockholder's interests, or
- through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, commissions or agent's commissions from the selling stockholders or the purchasers of the common stock (these discounts, concessions or commissions may be less than or in excess of those customary in the types of transactions involved).

Unless otherwise permitted by law, if shares of our common stock are to be sold pursuant to this prospectus by pledgees, donees or transferees of, or other successors in interest to, the selling stockholders or the Galaxy Affiliates, then we must file a prospectus supplement or an amendment to this registration statement under applicable provisions of the Securities Act amending the list of selling stockholders to include such pledgee, donee, transferee or other successors in interest as selling stockholders under this prospectus.

Any selling stockholder or underwriter, broker-dealer or agent who participates in the sale or distribution of the common stock may be deemed to be an underwriter with respect to that sale or distribution within the meaning of the Securities Act. Any selling stockholder from time to time identified as or affiliated with registered broker-dealers participating in the sale or distribution of the common stock is deemed to be an underwriter with respect to securities sold by it pursuant to this prospectus and any applicable prospectus supplement. As a result, any profits on the sale of the shares of our common stock by such selling stockholder and any discounts, commissions or agent's commissions or concessions received by any such broker-dealer or agent may be deemed to be underwriting discounts and commissions under the Securities Act. Any selling stockholder who is deemed to be an underwriter within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act. Underwriters are also subject to certain statutory liabilities, including, but not limited to, Sections 11, 12 and 17 of the Securities Act.

The common stock may be sold in one or more transactions at:

- fixed prices;
- prevailing market prices at the time of sale;
- prices related to such prevailing market prices;
- varying prices determined at the time of sale; or
- otherwise negotiated prices or without cash consideration.

These sales may be effected in one or more transactions:

- on any national securities exchange or quotation on which the common stock may be listed or quoted at the time of the sale;
- in the over-the-counter market;
- in transactions other than on such exchanges or services or in the over-the-counter market;
- through the writing of options, whether such options are listed on an options exchange or otherwise;
- in ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- through block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- in sales at the market to or through a market maker or into an existing trading market, on an exchange or otherwise, for the shares;
- in purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

Edgar Filing: Walker & Dunlop, Inc. - Form 424B3

- through an exchange distribution in accordance with the rules of the applicable exchange;
- in privately negotiated transactions;
- through the settlement of short sales;
- in which broker-dealers may agree with the selling stockholder to sell a specified number of shares at a stipulated price per share;
- through dividends or other distributions made by selling stockholders to their respective partners, members or stockholders;
- through any combination of the foregoing; or
- any other method permitted pursuant to applicable law.

These transactions may include block transactions or crosses. Crosses are transactions in which the same broker acts as an agent on both sides of the trade.

In connection with the sales of our common stock, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which in turn may:

- engage in short sales of our common stock in the course of hedging their positions;
- sell our common stock short and deliver our common stock to close out short positions;
- loan or pledge our common stock to broker-dealers or other financial institutions that in turn may sell our common stock;
- enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer or other financial institution of our common stock, which the broker-dealer or other financial institution may resell under the prospectus; or
- enter into transactions in which a broker-dealer makes purchases as a principal for resale for its own account or through other types of transactions.

Our common stock may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms. The obligations of underwriters or dealers to purchase the common stock

offered will be subject to certain conditions precedent and the terms of any agreement entered into with the underwriters. Any public offering price and any discount or concession allowed or reallocated or paid by underwriters or dealers to other dealers may be changed from time to time.

To our knowledge, there are currently no plans, arrangements or understandings between any selling stockholders and any underwriter, broker-dealer or agent regarding the sale of our common stock by the selling stockholders, except that we understand certain selling stockholders have adopted or may in the future adopt prearranged Rule 10b5-1 stock trading plans allowing them to sell a portion of their shares over time as part of their financial, tax and/or estate planning.

Our common stock is listed on the NYSE under the symbol WD.

There can be no assurance that any selling stockholder will sell any or all of our common stock held by it under this prospectus. Further, we cannot determine whether any such selling stockholder will transfer, devise or gift the common stock by other means not described in this prospectus. In addition, any common stock covered by this prospectus that qualifies for sale under Rule 144 of the Securities Act may be sold under Rule 144 rather than under this prospectus. The common stock covered by this prospectus may also be sold to non-U.S. persons outside the U.S. in accordance with Regulation S under the Securities Act rather than under this prospectus. The common stock may be sold in some states only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification is available and complied with.

The selling stockholders and any other person participating in the sale of the common stock will be subject to the Exchange Act. The Exchange Act rules include, without limitation, Regulation M, which may limit the timing of purchases and sales of any of the common stock by the selling stockholders and any other such person. In addition, Regulation M may restrict the ability of any person engaged in the distribution of the common stock to engage in market-making activities with respect to the particular common stock. This may affect the marketability of the common stock and the ability of any person or entity to engage in market-making activities with respect to the common stock.

Underwriters, dealers or agents may be authorized to solicit offers by certain institutional investors to purchase the common stock from the selling stockholders pursuant to contracts providing for payment and delivery at a future date. Institutional investors with which these contracts may be made include, among others:

- commercial and savings banks;
- insurance companies;
- pension funds;
- investment companies; or
- educational and charitable institutions.

Edgar Filing: Walker & Dunlop, Inc. - Form 424B3

If and to the extent required, upon being notified by a selling stockholder that any arrangement has been entered into with any agent, underwriter or broker-dealer for the sale of the shares of common stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase of any agent, underwriter or broker-dealer(s), the name(s) of the selling stockholder(s) and of the participating agent, underwriter or broker-dealer(s), specific common stock to be sold, the respective purchase prices and public offering prices, any applicable commissions or discounts, and other facts material to the transaction will be set forth in a supplement to this prospectus or a post-effective amendment to the registration statement of which this prospectus is a part, as appropriate.

On December 20, 2010, we issued 14,741,504 shares of our common stock as part of the formation transactions completed concurrently with our initial public offering. In connection with the formation transactions, we entered into a registration rights agreement, dated as of December 20, 2010 (the 2010 Registration Rights Agreement), with Mallory Walker, Taylor Walker, William M. Walker, Howard W. Smith, III, Richard C. Warner, Donna Mighty, Michael Yavinsky, Ted Hermes, Deborah A. Wilson and Column (collectively, the RRA Stockholders). The 2010 Registration Rights Agreement related to 11,408,171 shares of our common stock (of which 9,988,665 remain registrable) issued in connection with our formation transactions to former direct and indirect equity holders of WDLLC, including the RRA Stockholders (the Initial Registrable Shares). Pursuant to the 2010 Registration Rights Agreement, we have granted such holders and their direct and indirect transferees demand registration rights to have the Initial Registrable Shares registered for resale, which registration statement must remain effective for the shorter of two years or until the date on which all of the Initial Registrable Shares have been sold. In addition to demand registration rights, certain holders received tag along rights whereby they have the right to have their shares registered if other persons with registration rights register their shares or if our company proposes to file a registration statement in connection with an underwritten offering. The right to keep a registration statement effective shall cease to apply on the earlier of (1) the date that is two years after the date the SEC declares effective a registration statement covering the Initial Registrable Shares, (2) the date on which all of the Initial Registrable Shares can be sold pursuant to Rule 144 without any volume limitations or other restrictions on transfer or (3) the date on which such holders sell all of the initial registrable securities under a registration statement covering the Initial Registrable Shares. Notwithstanding the

foregoing, we are permitted, from time to time, to suspend the use of any prospectus that is part of the registration statement filed pursuant to the 2010 Registration Rights Agreement (and therefore suspend sales under the registration statement) in the event of certain corporate events affecting us for certain periods.

On September 4, 2012, we issued the Acquisition Shares in connection with the closing of the Acquisition and entered into a registration rights agreement with CW Financial (the 2012 Registration Rights Agreement), related to the Acquisition Shares. Pursuant to the 2012 Registration Rights Agreement, we have granted CW Financial and its direct and indirect assignees and transferees (the Holders) demand registration rights to have the Acquisition Shares registered for resale. We must use our reasonable best efforts to keep the Acquisition Shares registered on a registration statement that remains effective for the earlier of (i) the date on which all of the Acquisition Shares covered by such registration statement are eligible for sale without registration pursuant to Rule 144 (or any successor provision) under the Securities Act without volume limitations or other restrictions on transfer or (ii) the date on which the Holders consummate the sale of all of the Acquisition Shares registered under the registration statement. The 2012 Registration Rights Agreement provides that, upon the written request of Holders of a number of Acquisition Shares equal to at least five (5) percent of the outstanding shares of our common stock as of September 4, 2012, the Holders are entitled to effect the sale of Acquisition Shares through an underwritten public offering, subject to certain limitations. In addition to demand registration rights, certain holders received piggy-back rights whereby they have the right to have their shares registered if other persons with registration rights register their shares or if our company proposes to file a registration statement in connection with an underwriting offering. Notwithstanding the foregoing, we are permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement filed pursuant to the 2012 Registration Rights Agreement (and therefore suspend sales under the registration statement) in the event of certain corporate events affecting us for certain periods.

We will bear all of the costs and expenses incident to our registration requirements under the 2010 Registration Rights Agreement and the 2012 Registration Rights Agreement including, without limitation, all registration, filing and stock exchange or Financial Industry Regulatory Authority fees, all fees and expenses of complying with securities or blue sky laws, all printing expenses, and all fees and disbursements of counsel and independent public accountants retained by us and one counsel retained by the respective selling stockholders under each of the 2010 Registration Rights Agreement and the 2012 Registration Rights Agreement. We have also agreed to indemnify the persons receiving registration rights against specified liabilities, including certain potential liabilities arising under the Securities Act, or to contribute the payments such persons may be required to make in respect thereof.

Our company and CW Financial entered into a letter agreement, dated as of June 7, 2012 (the Piggyback Side Letter), with William M. Walker, Howard W. Smith, III, Richard C. Warner, Deborah A. Wilson, Mallory Walker and Column (the Specified Stockholders) pursuant to which each of CW Financial and the Specified Stockholders agreed to, among other things: (i) pro rata cutbacks with respect to their respective piggyback registration rights under the 2010 Registration Rights Agreement and the 2012 Registration Rights Agreement, if requested by a managing underwriter in order to reduce the amount of shares of our common stock to be included in offerings of common stock for our own account or underwritten offerings of common stock for the account of CW Financial or the Specified Stockholders; (ii) the selection of the managing underwriters for any underwritten offering demanded by CW Financial and the Specified Stockholders, respectively; (iii) the right of Column to request an underwritten offering subject to certain thresholds; and (iv) our inclusion of registrable securities of the Specified Stockholders in the registration statement to be filed in connection with the 2012 Registration Rights Agreement.

Pursuant to the Transfer and Joinder Agreement dated as of September 4, 2012 among our company, CW Financial and Galaxy, Galaxy agreed to be bound by all the provisions of the 2012 Registration Rights Agreement and the Piggyback Side Letter that were applicable to CW Financial.

DESCRIPTION OF CAPITAL STOCK

The following summary of the rights and preferences of our capital stock and related provisions of our charter and bylaws does not purport to be complete and is subject to and qualified in its entirety by reference to applicable Maryland law, and to our charter and bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus is a part. See [Where You Can Find More Information](#).

General

Our charter provides that we may issue up to two hundred million (200,000,000) shares of common stock, \$0.01 par value per share, and fifty million (50,000,000) shares of preferred stock, \$0.01 par value per share. Our charter authorizes our board of directors to amend our charter to increase or decrease the aggregate number of authorized shares of common stock or the number of shares of stock of any class or series without stockholder approval. No shares of our preferred stock are presently outstanding, and we have no present plans to issue any shares of preferred stock.

Under Maryland law, stockholders generally are not personally liable for our debts or obligations solely as a result of their status as stockholders.

Shares of our common stock are not deposits or other obligations of any bank, an insurance policy of any insurance company or insured or guaranteed by the FDIC, any other governmental agency or any insurance company. The shares of common stock will not benefit from any insurance guarantee association coverage or any similar protection.

Shares of Common Stock

Voting Rights of Common Stock

Except as may otherwise be specified in the terms of any class or series of shares of common stock, each outstanding share of common stock entitles the holder to one vote on all matters submitted to a vote of stockholders, including the election of directors, and, except as provided with respect to any other class or series of shares of capital stock, the holders of such shares of common stock will possess the exclusive voting power. There will be no cumulative voting in the election of directors. Directors are elected by a plurality of the votes cast.

Under the Maryland General Corporation Law ([MGCL](#)), a Maryland corporation generally cannot dissolve, amend its charter, merge, consolidate, sell all or substantially all of its assets, engage in a statutory share exchange or engage in similar transactions outside the ordinary course of business unless declared advisable by the board of directors and approved by the affirmative vote of stockholders holding at least two-thirds of the votes entitled to be cast on the matter unless a lesser percentage (but not less than a majority of all the votes entitled to be cast on the matter) is set forth in the corporation's charter. Our charter provides that these actions (other than certain amendments to the provisions of

Edgar Filing: Walker & Dunlop, Inc. - Form 424B3

our charter related to the removal of directors) may be taken if declared advisable by a majority of our board of directors and approved by the vote of stockholders holding a majority of the votes entitled to be cast on the matter. Maryland law also permits a corporation to transfer all or substantially all of its assets without the approval of its stockholders to an entity if all of the equity interests of that entity are owned, directly or indirectly, by the corporation. In addition, because operating assets may be held by a corporation's subsidiaries, as in our situation, these subsidiaries may be able to transfer all or substantially all of such assets without the approval of our stockholders.

Dividends, Distributions, Liquidation and Other Rights

Subject to the preferential rights of any other class or series of our stock, holders of shares of our common stock are entitled to receive dividends on such shares of common stock if, as and when authorized by our board of directors, and declared by us out of assets legally available therefore. If we fail to pay dividends on any shares of our preferred stock, if any are then outstanding, generally we may not pay dividends on or repurchase shares of our common stock until such time as we have paid dividends on any outstanding shares of our preferred stock. Holders of shares of our common stock are also entitled to share ratably in the assets of our company legally available for distribution to our stockholders in the event of our liquidation, dissolution or winding up after payment or establishment of reserves for all debts and liabilities of our company and the preferential amounts owing with respect to any outstanding preferred shares.

Holders of shares of common stock have no preference, conversion, exchange, sinking fund or redemption rights, have no preemptive rights to subscribe for any securities of our company and generally have no appraisal rights, unless our board of directors determines prospectively that appraisal rights will apply to one or more transactions in which holders of our common stock would otherwise be entitled to exercise appraisal rights. Holders of shares of our common stock have equal dividend, liquidation and other rights.

Table of Contents

Power to Reclassify Our Unissued Shares of Stock

Our charter authorizes our board of directors to classify and reclassify any unissued shares of our common or preferred stock into other classes or series of shares of stock and to establish the number of shares in each class or series and to set the preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption for each such class or series. As a result, our board of directors could authorize the issuance of shares of preferred stock that have priority over the shares of our common stock with respect to dividends, distributions and rights upon liquidation and with other terms and conditions that could have the effect of delaying, deterring or preventing a transaction or a change in control of our company that might involve a premium price for holders of shares of our common stock or otherwise might be in their best interest. No shares of our preferred stock are presently outstanding, and we have no present plans to issue any shares of preferred stock.

Power to Increase or Decrease Authorized Shares of Common Stock and Issue Additional Shares of Common and Preferred Stock

We believe that the power of our board of directors to amend our charter to increase or decrease the aggregate number of authorized shares of stock, to issue additional authorized but unissued shares of our common stock or preferred stock and to classify or reclassify unissued shares of our common stock or preferred stock and thereafter to cause to issue such classified or reclassified shares of stock provides us with increased flexibility in structuring possible future financings and acquisitions and in meeting other needs that might arise. The additional classes or series of stock, as well as the additional shares of stock, will be available for issuance without further action by our stockholders, unless such action is required by applicable law or the rules of any stock exchange or automated quotation system on which our securities may be listed, traded or quoted. Although our board of directors does not currently intend to do so, it could authorize us to issue a class or series that, depending upon the terms of the particular class or series, delays, defers or prevents a transaction or a change in control of our company that might involve a premium price for holders of our shares of stock or otherwise be in the best interest of our stockholders.

Preferred Stock

Our charter authorizes our board of directors to designate and issue one or more classes or series of preferred stock without stockholder approval. Our board of directors may determine the relative rights, preferences and privileges of each class or series of preferred stock so issued, which may be more beneficial than the rights, preferences and privileges attributable to our common stock with respect to dividends, distributions or rights upon liquidation. The issuance of preferred stock could have the effect of delaying, deferring or preventing a transaction or a change in control of our company that might involve a premium price for holders of shares of our common stock or otherwise be in the best interests of the stockholders. The rights, preferences and privileges of holders of shares of our common stock are subject to, and may be adversely affected by, the rights of the holders of preferred stock.

Transfer Agent and Registrar

The transfer agent and registrar for our shares of common stock is Computershare Services LLC. The principal business address of Computershare Services LLC is 480 Washington Boulevard, Jersey City, New Jersey 07310.

CERTAIN PROVISIONS OF MARYLAND GENERAL CORPORATION LAW AND OUR CHARTER AND BYLAWS

The following summary of certain provisions of the MGCL and our charter and bylaws does not purport to be complete and is subject to and qualified in its entirety by reference to applicable Maryland law, and to our charter and bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus is a part. See [Where You Can Find More Information](#).

Our Board of Directors

Our charter and bylaws provide that the number of directors of our company may be established, increased or decreased only by a majority of our entire board of directors, but may not be fewer than the minimum number required under the MGCL nor more than 15. As of the date of this prospectus, we have eight directors. As previously disclosed, in connection with the Acquisition, our board of directors has adopted resolutions to increase the number of members of our board of directors from eight to eleven members, up to two of whom may be designated by CW Financial for each election of directors through our annual meeting to be held in 2014. In addition, an independent member will be nominated by us. Should CW Financial and its affiliates cease to own at least 20% of our common stock, CW Financial shall forfeit the right to nominate one Board designee; and upon ceasing to own at least 10% of our common stock, CW Financial shall forfeit the right to nominate its remaining Board designee.

Our charter and bylaws provide that any vacancy, including a vacancy created by an increase in the number of directors, may be filled only by a majority of the remaining directors, even if the remaining directors do not constitute a quorum. Any individual elected to fill such vacancy will serve for the remainder of the full term and until a successor is duly elected and qualifies.

Pursuant to our bylaws, each of our directors is elected by our stockholders to serve until the next annual meeting of stockholders and until his or her successor is duly elected and qualifies under the MGCL. Holders of shares of our common stock will have no right to cumulative voting in the election of directors. Directors are elected by a plurality of the votes cast.

Our bylaws provide that at least a majority of our directors will be independent, with independence being defined in the manner established by our board of directors and in a manner consistent with listing standards established by the NYSE.

Removal of Directors

Our charter provides that, subject to the rights of holders of one or more classes or series of preferred stock to elect or remove one or more directors, a director may be removed only for cause (as defined in our charter) and only by the affirmative vote of at least two-thirds of the votes entitled to be cast generally in the election of directors and that our board of directors has the exclusive power to fill vacant directorships. These provisions may preclude stockholders from removing incumbent directors and filling the vacancies created by such removal with their own nominees.

Business Combinations

Under the MGCL, certain business combinations (including a merger, consolidation, share exchange or, in certain circumstances specified under the statute, an asset transfer or issuance or reclassification of equity securities) between a Maryland corporation and any interested stockholder, or an affiliate of such an interested stockholder, are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder. Maryland law defines an interested stockholder as:

- any person who beneficially owns, directly or indirectly, 10% or more of the voting power of the corporation's voting stock; or
- an affiliate or associate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of the then outstanding voting stock of the corporation.

A person is not an interested stockholder under the statute if the board of directors approve in advance the transaction by which the person otherwise would have become an interested stockholder. In approving a transaction, however, the board of directors may provide that its approval is subject to compliance, at or after the time of the approval, with any terms and conditions determined by it.

After such five-year prohibition, any business combination between our company and an interested stockholder must be recommended by the board of directors and approved by the affirmative vote of at least:

- 80% of the votes entitled to be cast by holders of outstanding voting shares of stock of the corporation; and
- two-thirds of the votes entitled to be cast by holders of voting shares of stock of the corporation other than shares held by the interested stockholder with whom (or with whose affiliate) the business combination is to be effected or shares held by an affiliate or associate of the interested stockholder.

Table of Contents

These supermajority approval requirements do not apply if, among other conditions, the corporation's common stockholders receive a minimum price (as defined in the MGCL) for their shares and the consideration is received in cash or in the same form as previously paid by the interested stockholder for its shares.

These provisions of the MGCL do not apply, however, to business combinations that are approved or exempted by a corporation's board of directors prior to the time that the interested stockholder becomes an interested stockholder.

Control Share Acquisitions

The MGCL provides that control shares of a Maryland corporation acquired in a control share acquisition have no voting rights except to the extent approved at a special meeting of stockholders by the affirmative vote of at least two-thirds of the votes entitled to be cast by stockholders entitled to exercise or direct the exercise of the voting power in the election of directors generally but excluding: (i) a person who makes or proposes to make a control share acquisition, (ii) an officer of the corporation or (iii) an employee of the corporation who is also a director of the corporation. Control shares are voting shares of stock that, if aggregated with all other such shares of stock previously acquired by the acquirer or in respect of which the acquirer is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would entitle the acquirer to exercise voting power in electing directors within one of the following ranges of voting power:

- one-tenth or more but less than one-third;
- one-third or more but less than a majority; or
- a majority or more of all voting power.

Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained stockholder approval. A control share acquisition means the acquisition, directly or indirectly, of ownership of, or the power to direct the exercise of voting power with respect to, issued and outstanding control shares, subject to certain exceptions.

A person who has made or proposes to make a control share acquisition, upon satisfaction of certain conditions (including an undertaking to pay expenses and making an acquiring person statement as described in the MGCL), may compel our board of directors to call a special meeting of stockholders to be held within 50 days of demand to consider the voting rights of the control shares. If no request for a special meeting is made, we may present the question at any stockholders meeting.

If voting rights of control shares are not approved at the meeting or if the acquiring person does not deliver an acquiring person statement as required by the statute, then, subject to certain conditions and limitations, the corporation may redeem any or all of the control shares (except those for which voting rights have previously been approved) for fair value. Fair value is determined, without regard to the absence of voting rights for the control shares, as of the date of the last control share acquisition by the acquirer or of any meeting of stockholders at which the voting rights of such shares are considered and not approved. If voting rights for control shares are approved at a stockholders meeting and the acquirer becomes entitled to vote a majority of the shares entitled to vote, all other stockholders may exercise appraisal rights. The fair value of

Edgar Filing: Walker & Dunlop, Inc. - Form 424B3

the shares as determined for purposes of such appraisal rights may not be less than the highest price per share paid by the acquirer in the control share acquisition.

The control share acquisition statute does not apply (i) to shares acquired in a merger, consolidation or share exchange if we are a party to the transaction or (ii) to acquisitions approved or exempted by the charter or bylaws of the corporation. Our bylaws provide that the Maryland Control Share Acquisition Act does not apply to any of the Acquisition Shares.

Subtitle 8

Subtitle 8 of Title 3 of the MGCL permits a Maryland corporation with a class of equity securities registered under the Exchange Act and at least three independent directors to elect to be subject, by provision in its charter or bylaws or a resolution of its board of directors and notwithstanding any contrary provision in the charter or bylaws, to any or all of the following five provisions:

- a classified board;
- a two-thirds stockholder vote requirement for removing a director;
- a requirement that the number of directors be fixed only by vote of the directors;
- a requirement that a vacancy on the board be filled only by the remaining directors and for the remainder of the full term of the class of directors in which the vacancy occurred; and
- a majority requirement for the calling of a special meeting of stockholders.

Our charter provides that, at such time as we become eligible to make a Subtitle 8 election, we elect to be subject to the provisions of Subtitle 8 relating to the filling of vacancies on our board of directors. Through provisions in our charter and bylaws unrelated to Subtitle 8, we already (i) require the affirmative vote of at least two-thirds of the votes entitled to be cast generally in the election of directors for the removal of any director from the board, which removal will be allowed only for cause, (ii) vest in the

Table of Contents

board the exclusive power to fix the number of directorships, subject to limitations set forth in our charter and bylaws, and fill vacancies and (iii) require, unless called by the chairman of our board of directors, our president or chief executive officer or a majority of our directors then in office, the written request of stockholders entitled to cast no less than a majority of all votes entitled to be cast at such meeting to call a special meeting to consider and vote on any matter that may properly be considered at a meeting of stockholders. We have not elected to create a classified board. In the future, our board of directors may elect, without stockholder approval, to create a classified board or adopt one or more of the other provisions of Subtitle 8.

Amendment of Our Charter and Bylaws and Approval of Extraordinary Actions

Under the MGCL, a Maryland corporation generally cannot dissolve, amend its charter, merge, sell all or substantially all of its assets, engage in a statutory share exchange or engage in similar transactions outside the ordinary course of business unless declared advisable by the board of directors and approved by the affirmative vote of stockholders entitled to cast at least two-thirds of the votes entitled to be cast on the matter unless a lesser percentage, but not less than a majority of all of the votes entitled to be cast on the matter, is set forth in the corporation's charter. Our charter provides that these actions (other than certain amendments to the provisions of our charter related to the removal of directors and indemnification of directors and officers) may be taken if declared advisable by a majority of our board of directors and approved by the vote of stockholders holding a majority of all votes entitled to be cast on the matter.

Our board of directors has the exclusive power to adopt, alter or repeal any provision of our bylaws and to make new bylaws.

Meetings of Stockholders

Under our bylaws, annual meetings of stockholders are to be held each year at a date and time as determined by our board of directors. Special meetings of stockholders may be called only by a majority of the directors then in office, by the chairman of our board of directors, our president or our chief executive officer. Additionally, subject to the provisions of our bylaws, special meetings of the stockholders shall be called by our secretary upon the written request of stockholders holding not less than a majority of all votes entitled to be cast at such meeting. Only matters set forth in the notice of the special meeting may be considered and acted upon at such a meeting. Maryland law and our bylaws provide that any action required or permitted to be taken at a meeting of stockholders may be taken without a meeting by unanimous written consent, if that consent sets forth that action and is given in writing or by electronic transmission by each stockholder entitled to vote on the matter.

Advance Notice of Director Nominations and New Business

Our bylaws provide that, with respect to an annual meeting of stockholders, nominations of persons for election to our board of directors and the proposal of business to be considered by stockholders at the annual meeting may be made only:

- pursuant to our notice of the meeting;

Edgar Filing: Walker & Dunlop, Inc. - Form 424B3

- by or at the direction of our board of directors; or
- by a stockholder who was a stockholder of record both at the time of giving of the notice of the meeting and at the time of the annual meeting, who is entitled to vote at the meeting in the election of directors or on the proposal of other business, as the case may be, and who has complied with the advance notice procedures set forth in, and provided the information and certifications required by, our bylaws.

With respect to special meetings of stockholders, only the business specified in our notice of meeting may be brought before the meeting of stockholders. Nominations of persons for election to our board of directors may be made only:

- pursuant to our notice of the meeting;
- by or at the direction of our board of directors; or
- provided that our board of directors has determined that directors shall be elected at such meeting, by a stockholder who is a stockholder of record both at the time of giving of the notice required by our bylaws and at the time of the meeting, who is entitled to vote at the meeting in the election of directors or on the proposal of other business, as the case may be, and who has complied with the advance notice provisions set forth in, and provided information and certificates required by, our bylaws.

The purpose of requiring stockholders to give advance notice of nominations and other proposals is to afford our board of directors the opportunity to consider the qualifications of the proposed nominees or the advisability of the other proposals and, to the extent considered necessary by our board of directors, to inform stockholders and make recommendations regarding the nominations or other proposals. The advance notice procedures also permit a more orderly procedure for conducting our stockholder meetings. Although our bylaws do not give our board of directors the power to disapprove timely stockholder nominations and proposals, our bylaws may have the effect of precluding a contest for the election of directors or proposals for other action if the proper procedures are not followed and of discouraging or deterring a third party from conducting a solicitation of proxies to elect its own slate of

directors to our board of directors or to approve its own proposal.

Anti-takeover Effect of Certain Provisions of Maryland Law and Our Charter and Bylaws

The business combination statute, control share acquisition statute, the provisions of our charter on removal of directors and the advance notice provisions of the bylaws could delay, defer or prevent a transaction or a change in control of our company that might involve a premium price for holders of our common stock or otherwise be in the best interests of our stockholders.

Corporate Opportunities

Our bylaws provide that we renounce any interest or expectancy in certain corporate opportunities in which Fortress Investment Group LLC (Fortress) and certain persons affiliated with Fortress participate or desire or seek to participate.

Indemnification and Limitation of Directors and Officers Liability

The MGCL permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from actual receipt of an improper benefit or profit in money, property or services or active and deliberate dishonesty established by a final judgment as being material to the cause of action. Our charter contains such a provision that eliminates such liability to the maximum extent permitted by Maryland law.

The MGCL requires a corporation (unless its charter provides otherwise, which our charter does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made or threatened to be made a party by reason of his or her service in that capacity. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made or are threatened to be made a party by reason of their service in those or other capacities unless it is established that:

- the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty;
- the director or officer actually received an improper personal benefit in money, property or services; or
- in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

Edgar Filing: Walker & Dunlop, Inc. - Form 424B3

However, under the MGCL, a Maryland corporation may not indemnify a director or officer for an adverse judgment in a suit by or in the right of the corporation or if the director or officer was adjudged liable on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses.

In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of:

- a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation; and
- a written undertaking by the director or officer on his or her behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that he or she did not meet the standard of conduct.

Our charter and bylaws obligate us, to the fullest extent permitted by Maryland law in effect from time to time, to indemnify and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding without requiring a preliminary determination of the director's or officer's ultimate entitlement to:

- any present or former director or officer who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity; or
- any individual who, while a director or officer of our company and at our request, serves or has served another corporation, REIT, partnership, joint venture, trust, employee benefit plan or any other enterprise as a director, officer, partner, member, manager or trustee of such corporation, REIT, partnership, joint venture, trust, employee benefit plan or other enterprise and who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity.

Our charter and bylaws also permit us, with the approval of our board of directors, to indemnify and advance expenses to any person who served a predecessor of ours in any of the capacities described above and to any employee or agent of our company or a predecessor of our company.

Table of Contents

We have entered into indemnification agreements with each of our directors and executive officers that would provide for indemnification to the maximum extent permitted by Maryland law.

Insofar as the foregoing provisions permit indemnification of directors, officers or persons controlling us for liability arising under the Securities Act, we have been informed that, in the opinion of the SEC, this indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.
