Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

Our amended and restated certificate of incorporation provides that we will, to the fullest extent permitted in accordance with laws of the State of Delaware, under certain situations, indemnify any of our directors, officers, employees or agents made or threatened to be made a party to a proceeding, by reason of the former or present official capacity of the person, against judgments, fines, settlements and reasonable expenses, including attorney's fees, incurred by the person in connection with the proceeding if certain statutory standards are met. Any of these persons is also entitled, subject to certain limitations, to payment or reimbursement of reasonable expenses in advance of the final disposition of the proceeding. A proceeding means a threatened, pending or completed civil, criminal, administrative or investigative proceeding. Reference is made to Section 145 of the Delaware General Corporation Law and our amended and restated certificate of incorporation.

In addition, our employment agreements with our Chief Executive Officer, Andrew B. Cogan, our President and Chief Operating Officer, Knoll Office, Lynn M. Utter, and our Chairman, Burton B. Staniar, provide that if during and after the term of such officers' employment the executive is made a party or compelled to participate in any action by reason of the fact that he or she is or was a director or officer of us, the executive will be indemnified by us to the fullest extent permitted by the Delaware General Corporation Law or authorized by our amended and restated certificate of incorporation or bylaws or

resolutions of our board of directors.

We have also entered into indemnification agreements with our directors and certain of our officers. The indemnification agreements require us to indemnify, defend and hold harmless the indemnitees to the fullest extent permitted or required by the laws of the State of Delaware. The indemnification agreements also provide that the indemnitee shall have the right to advancement from us, prior to the final disposition of any indemnifiable claim, of any and all actual and reasonable expenses relating to any indemnifiable claim paid or incurred by the indemnitee. For the duration of an indemnitee's service as our director and/or officer and for a reasonable period of time thereafter, which period may be determined by us in our sole discretion, we must use commercially reasonable efforts to cause to be maintained in effect policies of directors' and officers' liability insurance providing coverage for our directors and/or officers that is substantially comparable in scope and amount to that provided by our current policies of directors' and officers' liability insurance. In no event will we be required to expend more than 2.0 times the premium amount for such insurance in effect at the closing of our 2004 public offering in seeking to maintain directors' and officers' insurance.

We maintain an insurance policy providing for indemnification of our officers, directors and certain other persons against liabilities and expenses incurred by any of them in certain stated proceedings and under certain stated conditions.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings

- (a) The undersigned registrant hereby undertakes:

Edgar Filing: KNOLL INC - Form S-8

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

- (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
