(1) This registration statement on Form S-8 (the "Registration Statement") relates to shares of common stock, par value \$0.01 per share (the "Common Stock"), of Boston Scientific Corporation (the "Registrant") to be issued under the Boston Scientific Corporation 2006 Global Employee Stock Ownership Plan, as amended and restated (the "Plan"). Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the "Securities Act"), this Registration Statement shall also cover any additional shares of Common Stock that become issuable under the Plan by reason of any stock dividend, stock split, recapitalization or any other similar transaction effected without the receipt of consideration which results in an increase in the number of the Registrant's outstanding shares of Common Stock.

(2) This estimate is made pursuant to Rule 457(h) and Rule 457(c) under the Securities Act solely for the purpose of determining the registration fee. It is not known how many shares will be issued under the Plan. The above calculation is based on the offering of 15,000,000 shares of Common Stock at a purchase price of \$12.67 per share, which is the average of the high and low prices of the Registrant's Common Stock as reported in the New York Stock Exchange on June 10, 2014, which were \$12.86 and \$12.47, respectively.

EXPLANATORY NOTE

This Registration Statement is being filed solely for the purpose of registering 15,000,000 additional shares of Common Stock of Boston Scientific Corporation issuable pursuant to the Plan. Issuance of the additional shares was approved by the Registrant's Board of Directors on February 25, 2014 and by the Registrant's stockholders on May 6, 2014. Pursuant to General Instruction E to Form S-8, this Registration Statement incorporates by reference, except to the extent supplemented, amended or superseded by the information set forth herein, the entire contents of the prior registration statements on Form S-8 filed June 9, 2006 (File Number 333-134932) and May 31, 2011 (File Number 333-174620).

In addition, all documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all of such securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents.

Any statement in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or deemed to be incorporated by reference herein modifies or supersedes such statement. Item 6. Indemnification of Directors and Officers.

The Registrant is incorporated under the laws of the State of Delaware. Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided, however, that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, which relates to unlawful payment of dividends and unlawful stock purchases and redemptions, or (iv) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective.

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

In addition, Section 145 of the Delaware General Corporation Law also provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit, provided the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, except that no indemnification shall be made in respect of any claim, issue or matter as to which the person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Section 145 of the Delaware General Corporation Law further provides that a corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against the person and incurred by the person in any such capacity, or arising out of the person's status as such, whether or not the corporation would otherwise have the power to indemnify the person against such liability under Section 145 of the Delaware General Corporation Law.

The Registrant's Third Restated Certificate of Incorporation and Restated By-Laws provide that the Registrant will indemnify to the fullest extent permitted by the Delaware General Corporate Law any

person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative, investigative or other proceedings) by reason of the fact that the person is or was a director, officer, employee or other agent of the Registrant, or is or was serving as a director, officer, employee or other agent of any corporation, partnership, joint venture, trust or other enterprise at the request of the Registrant, except that if such proceeding was initiated by the person (except for any proceedings seeking to enforce the rights to indemnification provided by the Third Restated Certificate of Incorporation and Restated By-Laws), such indemnification shall only be provided if the proceeding was authorized by the Registrant's Board of Directors.

In addition, the Registrant has indemnification agreements in place with its directors and certain officers, including all executive officers, which sets forth the details of the Registrant's indemnification obligations to such persons, including mechanics of the payment of expenses and obligations of the parties in the event of a change of control.

All of the Registrant's directors and officers are covered by an insurance policy maintained by the Registrant against specified liabilities for actions taken in their capacities as such, including liabilities under the Securities Act.
